Dear Sir/Madam,

Subject: Change in the Logo of the Company

With reference to above-mentioned subject, this is to inform you that Jindal Worldwide Limited unveiled its new logo recently as a part of ongoing evolution of Company's Brand. While developing and assembling the new logo our focus was on the brand personality to life in a linguistic manner i.e. Confident, Transforming and Inspiring

The below logo is our new identity (<https://www.jindaltextiles.com/index.php>) and a representation of our purpose:

Our logo is not just a logo, but an identity of Jindal textile and a brand asset. It is an instant recognition of the organization. The logo is composed of multiple elements with appropriate breathing space. Thus, the prominent use of the logo is essential. The bold and italic wordmark - Jindal signifies solidity and swiftness of the organization and the colour composition used represents smart and contemporary nature.

Jindal Worldwide Limited's new logo reflects many years of excellence and dedication towards delivering the best. By taking care to manage our visual identity, we preserve our values and stay focused on the trust of our customers who are considered as heart of our business.
