Sub.: Intimation regarding temporary shut-down for maintenance work at Bilaspur Unit

Dear Sirs,

We wish to inform you that further to the last shut down of the Company's Bilaspur Unit located at 34-40, Sector B, Sirgitti Industrial Area, Bilaspur (Chhattisgarh) on 19/08/2022 and the resumption of the same on 25/08/2022, after examining the initial production output we have observed a necessity of further minor engineering up-gradation of the kiln. Though this is a minor up-gradation, it called for shut down of the kiln from yesterday evening. We are expecting to finish this maintenance work shortly & resume the operation of the Bilaspur Unit at the earliest.

This shut down should not affect our sales as we have sufficient inventory at hand as per the order plan.

Kindly take the information on record and oblige.

Yours faithfully,
For Goa Carbon Limited
