Dear Madam/Sir,

Sub: Update on Analyst/Investor meet & call.

We want to update the investor community through the exchanges about the status of Brightcom Group's analyst meetings and call. The management had one-to-one interactions over the phone with some prominent analysts. We are scheduling a few more for this week. As you are aware of the global conditions, it was not feasible to meet in person.

The Company has received several emails regarding the analyst call. We had to postpone the analyst call as well. We will hold an analyst call on the 2nd April 2020, where analysts from various institutions can call-in for a detailed Company presentation and QnA session with the management team.

This is for your kind information and dissemination.

Thanking you,

Yours faithfully,

for **BRIGHTCOM GROUP LIMITED**
(formerly Lycos Internet Limited)
