Management's Responsibilities for the Statement

This Statement, which includes the Consolidated Financial Results is the responsibility of the Parent's Board of Directors and has been approved by them for the issuance. The Consolidated Financial Results for the year ended March 31, 2021, has been compiled from the related audited consolidated financial statements. This responsibility includes the preparation and presentation of the Consolidated Financial Results for the quarter and year ended March 31, 2021 that give a true and fair view of the consolidated net loss and consolidated other comprehensive loss and other financial information of the Group including its associates in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards, prescribed under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

Auditor's Responsibilities

(a) Audit of the Consolidated Financial Results for the year ended March 31, 2021

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results for the year ended March 31, 2021 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Consolidated Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Consolidated Financial Results, including the disclosures, and whether the Annual Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

Wb

 Perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.

Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Information of the entities within the Group and its associates to express an opinion on the Annual Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Annual Consolidated Financial Results of which we are the independent auditors. For entities included in the Annual Consolidated Financial Results, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Annual Consolidated Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Consolidated Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Consolidated Financial Results.

We communicate with those charged with governance of the Parent and such other entities included in the Consolidated Financial Results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Consolidated Financial Results for the quarter ended March 31, 2021

We conducted our review of the Consolidated Financial Results for the quarter ended March 31, 2021 in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SA specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Responsibilities

(a) Audit of the Standalone Financial Results for the year ended March 31, 2021

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2021 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis
 of accounting and, based on the audit evidence obtained, whether a material uncertainty
 exists related to events or conditions that may cast significant doubt on the ability of the
 Company to continue as a going concern. If we conclude that a material uncertainty exists,
 we are required to draw attention in our auditor's report to the related disclosures in the
 Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions
 are based on the audit evidence obtained up to the date of our auditor's report. However,
 future events or conditions may cause the Company to cease to continue as a going
 concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Perform procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations to the extent applicable.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the entities included in Annexure 1 to express an opinion on the Annual

Standalone Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities or business activities included in the Annual Standalone Financial Results of which we are the independent auditors. For the other entities or business activities included in the Annual Standalone Financial Results, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended March 31, 2021

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2021 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

Other Matters

- The Statement includes the results for the Quarter ended March 31, 2021 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Our report on the Statement is not modified in respect of this matter.
- We did not audit the financial statements of Krizm Hotels Private Limited Employee Welfare Trust ("the trust") included in the Statement, whose financial statements reflect total assets of Rs. 506.85 Lacs as at March 31, 2021 and total revenues of Rs. Nil and Rs. Nil for the quarter and year ended March 31, 2021 respectively, total net profit/(loss) after /tax of Rs. 0.01 lacs and Rs. (0.08) lacs for the quarter and year ended March 31, 2021

(0.08) lacs for the quarter and year ended March 31, 2021, respectively, and net cash outflows of Rs. 20.45 lacs for the year ended March 31, 2021 as considered in the Statement. The financial statements of the trust have been audited, by the other auditor whose reports have been furnished to us, and our opinion and conclusion in so far as it relates to the amounts and disclosures included in respect of this trust, is based solely on the reports of such other auditor and the procedures performed by us as stated under Auditor's Responsibilities section above.

Our report on the Statement is not modified in respect of this matter.

Chairman & Managing Director's Message

Commenting on the performance for Q4 FY 21, Mr. Patanjali Keswani, Chairman & Managing Director – Lemon Tree Hotels Limited said,

"The quarter gone by, started on a steady note for us, with a sustained recovery in markets and sequential improvement in consumption on the leisure front. Additionally, we saw improved demand coming in for weddings, staycations, and social events during the fourth quarter. Accordingly, our operating inventory increased from 91.2% of our total inventory in Q3 FY21 to 93.4% in Q4 FY21. Our occupancy on full inventory improved from 42.4% in Q3 FY21 to 56% in Q4 FY21. Total revenues from operations increased 39.1% QoQ to Rs 95.1 Cr in Q4 FY21.

From an operating model perspective, there has been a concerted focus on cost management across verticals. We now operate a much leaner model backed by sustained cost-optimization measures, which enabled us to close the year with EBITDA of Rs. 30.4 Cr, EBITDA margins of 31.4% and net

cash profit (PAT + Depreciation) of Rs. (0.60) Cr in Q4 FY21, this was in spite of a reduction of 46% in revenue vis-à-vis Q4FY20. Gross debt at the end of FY21 stood at Rs. 1,685 Cr and after adjusting for about Rs 141 Cr cash, our net debt was Rs 1544 Cr or about 0.50% more than the net debt at the end of FY20. During this 12-month period, i.e. end FY20 to end FY21, we also successfully lowered our average cost of borrowings by 130bps from 9.6% to 8.3%. and we are hopeful this will further reduce in this/coming quarters. In the face of adversity, we believe we have emerged stronger with a learning curve that has empowered us to be more resilient and cost-effective in our business approach.

During the quarter, we have expanded our managed hotels vertical through new launches in the domestic market such as Bhubaneswar, Aligarh and Vijayawada. I am also pleased to share that we have signed a Liænse Agreement for an upcoming hotel at Biratnagar. This hotel will be our third property in Nepal. All these hotels are strategically located at famous tourist spots and are in sync with our strategy to go asset-light through the managed hotels vertical by leveraging our strong brand in the industry.

While we saw sustained momentum in demand and consumer sentiments in the quarter gone by, the environment has evolved now with the second wave of the pandemic. We have recently joined hands with the Government and hospitals by converting some of our hotels as quarantine facilities. Lemon Tree has allocated around 6 hotels to various hospitals in Gurugram, Delhi, Bengaluru, and Hyderabad for mild Covid patients. We believe we are better prepared this time and already have all the protocols in place to handle the impact to a certain extent.

From an Industry standpoint, given the increasing consumer inclination for hygiene and safety, we are gradually seeing a structural shift towards a preference for branded hotel players. This should drive consolidation in the domestic space, boding well for organized and branded players, including Lemon Tree Hotels in the medium to longer term. Moreover, as cases across the country subside and with vaccination drives expected to accelerate in the coming months, we expect the demand environment to stabilize sooner than later. This should help drive a gradual and sustainable uptick in performance for Lemon Tree going forward."
