ABOUT SHREEJI

Shreeji started as "Shreeji Transport Corporation" (STC) with sole focus on parcel services in 1984. As safety of consignment became the priority, in early 90's, the Company shifted to full-bodied trucks. Then, a new vertical was added by name of "Bangalore Roadways" with focus on truck brokerage business. There came a turning point when Shreeji was converted as "Shreeji Transport Services Private Limited" in 1994. And, in the meantime, the Company's Full Truck Load (FTL) business was increasing in Southern India. Over the years, the Company started using containerized trucks for both FTL & parcel business. The Company also introduced Global Positioning System (GPS) on its trucks for real-time tracking of vehicle movement. In 2002, the Company started and pioneered in Bonded Trucking business, which was a path-breaking move for the Company. Shreeji has been a pioneer in Custom Bonded Trucking since a decade and has also received an Award as Best Custom Bonded Trucking Operator in the Year 2019 by India Cargo Awards. In 2017, the Company got listed and now in 2022, it has migrated to BSE Main Board.

Today, Shreeji owns and operates a strong fleet of commercial vehicles consisting of 290 owned trucks and more than 400 outsourced trucks; having its head office at Mumbai and branches spread across India. The Company is catering to all types of segment leaders; serving a broad range of industries, including the E-commerce, fast-moving consumer goods (FMCG), white
