^Section from the offer document related to GCP:

The general corporate purposes for which our Company proposes to utilise the Net Proceeds include, without limitation, strategic initiatives, funding growth opportunities, strengthening marketing capabilities and brand building exercises, meeting ongoing general corporate contingencies, expenses incurred in ordinary course of business, meeting our business requirements, payment of lease liabilities, payment of commission and/or fees to consultants, acquisition of fixed assets, capital expenditure in the ordinary course of business, business development initiatives, employee welfare activities, any of the other Objects, payment of pre – payment/repayment penalties upon prepayment/repayment of loans, other expenses including salaries and wages, administration, insurance, repairs and maintenance, payment of taxes and duties and any other purpose, as may be approved by our Board or a duly constituted committee thereof from time to time, subject to compliance with applicable law, including provisions of the Companies Act. In the event our Company is unable to utilise the Net Proceeds towards any of the objects of the Offer for any of the reasons as aforementioned, our Company may utilise such Net Proceeds towards general corporate purposes, provided that the aggregate amount deployed towards general corporate purposes shall not exceed 25% of the gross proceeds from the Fresh Issue.

The quantum of utilisation of funds towards each of the above purposes will be determined by our Board, based on the amount available under this head and the business requirements of our Company, from time to time. Our Company's management, in accordance with the policies of the Board, shall have flexibility in utilising surplus amounts, if any. In the event that we are unable to utilise the entire amount that we have currently estimated for use out of Net Proceeds in a Fiscal, we will utilise such unutilised amount(s) in the subsequent Fiscals.
