## EXPLANATORY STATEMENT

### Pursuant to Section 102 of the Companies Act, 2013 (the 'Act')

The following statement sets out all the material facts relating to the businesses mentioned under Resolution Nos.1 and 2 of the accompanying Notice along with the disclosures as required under Regulation 6(2) of the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 ('SBEB Regulations').

#### Item Nos.1 and 2:

Equity based compensation is considered to be an integral part of employee compensation across sectors which enables alignment of personal goals of the employees with organisational objectives by participating in the ownership of the Company through stock-based compensation scheme.

Your Company believes that equity-based compensation plans are an effective tool to reward the talent working with the Company and/or group company(ies) including subsidiary company(ies) and/or associate company(ies). With a view to motivate employees for their contribution to corporate growth, to create an employee ownership culture and to retain them for ensuring sustained growth, your Company intends to implement an Employee Stock Option Plan viz. 'The Tata Power Company Limited - Employee Stock Option Plan 2023' ('ESOP 2023'/'Plan').

The primary objectives of the Plan are to reward the employees for their association, dedication and contribution to the goals of the Company. The Company intends to use this Plan to attract and retain the key talent by way of rewarding their performance and motivating them to contribute to the overall corporate growth and profitability. The Company views employee stock option plan as a long-term incentive tool that would assist in aligning employees' interest with that of the shareholders and enable the employees not only to become co-owners, but also to create wealth out of such ownership in future. The initiative is being introduced to link the employee's performance in the Company along with other initiatives which would contribute to improve the performance of the Company.

Accordingly, the Nomination and Remuneration Committee ('NRC') formulated the detailed terms and conditions of the Plan, which were duly approved by the Board of Directors at its meeting held on August 9, 2023, subject to approval of the Members.

Under the Plan, the Company would grant upto 3,57,36,560 [Three crore fifty-seven lakh thirty-six thousand five hundred sixty] Employee Stock Options ('Options'), in one or more tranches, to such eligible employees as may be determined by

the NRC in terms of the Plan, that would entitle the grantees (in aggregate) to subscribe upto 3,57,36,560 [Three crore fifty-seven lakh thirty-six thousand five hundred sixty] fully paid-up equity shares of ₹ 1 (Rupee one only) each.

As per the provisions of Section 62(1)(b) of the Act read with Rule 12 of the Companies (Share Capital and Debentures) Rules, 2014, as amended and Regulation 6 of the SBEB Regulations, the Company seeks approval of the Members for adoption and implementation of ESOP 2023 to the eligible employees of the Company and/or group company(ies) including subsidiary company(ies) and/or associate company(ies) as the NRC/Board may decide under the Plan.

The Plan has been formulated in accordance with the provisions of the Act and SBEB Regulations.

The NRC shall act as the Compensation Committee for the administration of the Plan. All questions of interpretation of the Plan shall be determined by the NRC and such determination shall be final and binding upon all persons having an interest in the Plan.

#### (ii) **Total number of Options to be granted:**

Further, SBEB Regulations require that in case of any corporate action(s) such as rights issue, bonus issue, merger, sale of division, etc., a fair and reasonable adjustment needs to be made to the Options granted. In this regard, the NRC shall adjust the number and price of the Options granted in such a manner that the total value of the Options granted under the Plan remain the same after any such corporate action. Accordingly, if any additional Options are issued by the Company to the grantees for making such fair and reasonable adjustment, the ceiling of aforesaid shall be deemed to be increased to the extent of such additional Options issued.
