MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPs in FY2020-21," MD and CEO Vibha Padalkar said in the annual report for 2022-23.

Padalkar said the company has initiated a technology transformation exercise with the objective of building 'intelligent "The government, in the systems and platforms for insurance reimagination', christened INSPIRE.

> A new-age enterprise and data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

> "We will continue to increase our investments in technology and distribution, including our

proprietary channels to take advantage of digital opportunities and achieve our growth objective. We anticipate investments in Project Inspire over

FY24 and FY25 will make us agile and future-ready by providing a 360-degree view of our customers and seamless integration with new partners,

resulting in an improved customer experience and higher productivity across channels," she said.

"We should expect deeper engagement within the group entities, leading to greater crosssell opportunities and longterm value creation for all stakeholders," HDFC Life chairman Deepak Parekh said in the annual report. "The life insurance penetration in India is still low. Therefore, we believe that the long-term growth story for the life insurance sector remains intact and our focus remains on catering to diverse needs of our customer base, while delivering sustainable profitable growth," Parekh said.

MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

"The government, in the Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPsin FY2020-21," MD and CEO Vibha Padalkar said in the annual report for 2022-23.

Padalkar said the company has initiated a technology transformation exercise with the objective of building 'intelligent systems and platforms for insurance reimagination', christened INSPIRE.

A new-age enterprise and data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

"We will continue to increase our investments in technology and distribution, including our

proprietary channels to take advantage of digital opportunities and achieve our growth objective. We anticipate investments in Project Inspire over

KAMDHENU

PAINTS

FY24 and FY25 will make us agile and future-ready by providing a 360-degree view of our customers and seamless integration with new partners,

resulting in an improved customer experience and higher productivity across channels," she said.

"We should expect deeper engagement within the group entities, leading to greater crosssell opportunities and longterm value creation for all stakeholders," HDFC Life chairman Deepak Parekh said in the annual report. "The life insurance penetration in India is still low. Therefore, we believe that the long-term growth story for the life insurance sector remains intact and our focus remains on catering to diverse needs of our customer base, while delivering sustainable profitable growth," Parekh said.

With this, public shareholders of I-Sec will get access to a much larger and more diversified business with greater stability in revenue. MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

"The government, in the Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPs in FY2020-21," MD and CEO Vibha Padalkar said in the annual report for 2022-23.

Padalkar said the company has initiated a technology transformation exercise with the objective of building 'intelligent systems and platforms for insurance reimagination', christened INSPIRE. A new-age enterprise and

data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

"We will continue to increase our investments in technology and distribution, including our

proprietary channels to take advantage of digital opportunities and achieve our growth objective. We anticipate investments in Project Inspire over FY24 and FY25 will make us agile and future-ready by providing a 360-degree view of our customers and seamless integration with new partners,

resulting in an improved customer experience and higher productivity across channels," she said.

"We should expect deeper

engagement within the group entities, leading to greater crosssell opportunities and longterm value creation for all stakeholders," HDFC Life chairman Deepak Parekh said in the annual report. "The life insurance penetration in India is still low. Therefore, we believe that the long-term growth story for the life insurance sector remains intact and our focus remains on catering to diverse needs of our customer base, while delivering sustainable profitable growth," Parekh said.

ICICI Bank approves ICICI Sec delisting

MEGHNA SINHA Mumbai, June 29

ICICI SECURITIES ON Thursday said it will delist and become a wholly owned subsidiary of ICICI Bank. As of March 2023, ICICI Bank held a 74.85% stake in ICICI Securities. The acquisition is likely to be completed in the next 12-15 months after receiving various regulatory approvals.

Public shareholders will be allotted 67 equity shares of ICICI Bank for every 100 shares of I-Sec. The share

Public shareholders will be allotted 67 equity shares of ICICI Bank for every 100 equity shares of ICICI Securities

exchange ratio has been determined based on the valuation report by independent valuers, and is in compliance with Sebi's delisting regulations. ICICI Bank said the securities broking business is inherently cyclical as it depends on the macroeconomic environment and buoyancy in the equity markets.

The bank also said it has strong financial position and does not require additional infusion. Its market capitalisation as on June 23, 2023 was ₹6.5 trillion. With this, public shareholders of I-Sec will get access to a much larger and more diversified business with greater stability in revenue. "ICICI Securities' public shareholders would also receive a more liquid stock, which is owned by public shareholders", said the I-Sec filing.

MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

"The government, in the Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPsin FY2020-21," MD and CEO Vibha Padalkar said in the annual report for 2022-23.

Padalkar said the company has initiated a technology transformation exercise with the objective of building 'intelligent systems and platforms for insurance reimagination', christened INSPIRE.

A new-age enterprise and data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

"The life insurance penetration in India is still low. Public shareholders will be allotted 67 equity shares of ICICI Bank for every 100 equity shares of ICICI Securities

exchange ratio has been determined based on the valuation report by independent valuers, and is in compliance with Sebi's delisting regulations. ICICI Bank said the securities broking business is inherently cyclical as it depends on the macroeconomic environment

and buoyancy in the equity markets.

The bank also said it has strong financial position and does not require additional infusion. Its market capitalisation as on June 23, 2023 was ₹6.5 trillion. With this, public shareholders of I-Sec will get access to a much larger and more diversified business with greater stability in revenue. "ICICI Securities' public shareholders would also receive a more liquid stock, which is owned by public shareholders", said the I-Sec filing.

MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

"The government, in the Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPsin FY2020-21," MD and CEO Vibha Padalkar said in the annual report for 2022-23.

Padalkar said the company has initiated a technology transformation exercise with the objective of building 'intelligent systems and platforms for insurance reimagination', christened INSPIRE.

A new-age enterprise and data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

"We will continue to increase our investments in technology and distribution, including our

proprietary channels to take advantage of digital opportunities and achieve our growth objective. We anticipate investments in Project Inspire over

KAMDHENU

PAINTS

FY24 and FY25 will make us agile and future-ready by providing a 360-degree view of our customers and seamless integration with new partners,

resulting in an improved customer experience and higher productivity across channels," she said.

"We should expect deeper

engagement within the group entities, leading to greater crosssell opportunities and longterm value creation for all stakeholders," HDFC Life chairman Deepak Parekh said in the annual report. "The life insurance penetration in India is still low. Therefore, we believe that the long-term growth story for the life insurance sector remains intact and our focus remains on catering to diverse needs of our customer base, while delivering sustainable profitable growth," Parekh said.

MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

"The government, in the Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPsin FY2020-21," MD and CEO Vibha Padalkar said in the annual report for 2022-23.

Padalkar said the company has initiated a technology transformation exercise with the objective of building 'intelligent systems and platforms for insurance reimagination', christened INSPIRE.

A new-age enterprise and data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

"We will continue to increase our investments in technology and distribution, including our

proprietary channels to take advantage of digital opportunities and achieve our growth objective. We anticipate investments in Project Inspire over

entities, leading to greater crosssell opportunities and longterm value creation for all stakeholders," HDFC Life chairman Deepak Parekh said in the annual report. "The life insurance penetration in India is still low. Therefore, we believe that the long-term growth story for the life insurance sector remains intact and our focus remains on catering to diverse needs of our customer base, while delivering sustainable profitable growth," Parekh said.

Public shareholders will be allotted 67 equity shares of ICICI Bank for every 100 shares of I-Sec. The share

Public shareholders will be allotted 67 equity shares of ICICI Bank for every 100 equity shares of ICICI Securities

exchange ratio has been determined based on the valuation report by independent valuers, and is in compliance with Sebi's delisting regulations. ICICI Bank said the securities broking business is inherently cyclical as it depends on the macroeconomic environment

and buoyancy in the equity markets.

The bank also said it has strong financial position and does not require additional infusion. Its market capitalisation as on June 23, 2023 was ₹6.5 trillion. With this, public shareholders of I-Sec will get access to a much larger and more diversified business with greater stability in revenue. "ICICI Securities' public shareholders would also receive a more liquid stock, which is owned by public shareholders", said the I-Sec filing.

MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

"The government, in the Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPs in FY2020-21," MD and CEO Vibha Padalkar said in the annual report for 2022-23. Padalkar said the company

has initiated a technology transformation exercise with the objective of building 'intelligent systems and platforms for insurance reimagination', christened INSPIRE. A new-age enterprise and

data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

"We will continue to increase our investments in technology and distribution, including our

proprietary channels to take advantage of digital opportunities and achieve our growth objective. We anticipate investments in Project Inspire over FY24 and FY25 will make us agile and future-ready by providing a 360-degree view of our customers and seamless integration with new partners,

resulting in an improved customer experience and higher productivity across channels," she said.

"We should expect deeper

engagement within the group entities, leading to greater crosssell opportunities and longterm value creation for all stakeholders," HDFC Life chairman Deepak Parekh said in the annual report. "The life insurance penetration in India is still low. Therefore, we believe that the long-term growth story for the life insurance sector remains intact and our focus remains on catering to diverse needs of our customer base, while delivering sustainable profitable growth," Parekh said.

Public shareholders will be allotted 67 equity shares of ICICI Bank for every 100 equity shares of ICICI Securities

exchange ratio has been determined based on the valuation report by independent valuers, and is in compliance with Sebi's delisting regulations. ICICI Bank said the securities broking business is inherently cyclical as it depends on the macroeconomic environment and buoyancy in the equity markets. The bank also said it has

strong financial position and does not require additional infusion. Its market capitalisation as on June 23, 2023 was ₹6.5 trillion. With this, public shareholders of I-Sec will get access to a much larger and more diversified business with greater stability in revenue. "ICICI Securities' public shareholders would also receive a more liquid stock, which is owned by public shareholders", said the I-Sec filing.

MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

"The government, in the Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPsin FY2020-21," MD and CEO Vibha Padalkar said in the annual report for 2022-23.

Padalkar said the company

has initiated a technology transformation exercise with the objective of building 'intelligent systems and platforms for insurance reimagination', christened INSPIRE. A new-age enterprise and

data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

"We will continue to increase our investments in technology and distribution, including our

proprietary channels to take advantage of digital opportunities and achieve our growth objective. We anticipate investments in Project Inspire over

FY24 and FY25 will make us agile and future-ready by providing a 360-degree view of our customers and seamless integration with new partners,

resulting in an improved customer experience and higher productivity across channels," she said.

"We should expect deeper engagement within the group entities, leading to greater crosssell opportunities and longterm value creation for all stakeholders," HDFC Life chairman Deepak Parekh said in the annual report. "The life insurance penetration in India is still low. Therefore, we believe that the long-term growth story for the life insurance sector remains intact and our focus remains on catering to diverse needs of our customer base, while delivering sustainable profitable growth," Parekh said.

MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

"The government, in the Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPsinFY2020-21," MDand CEO Vibha Padalkar said in the annual report for 2022-23.

Padalkar said the company

has initiated a technology transformation exercise with the objective of building 'intelligent systems and platforms for insurance reimagination', christened INSPIRE. A new-age enterprise and

data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

"We will continue to increase our investments in technology and distribution, including our

proprietary channels to take advantage of digital opportunities and achieve our growth objective. We anticipate investments in Project Inspire over

PAINTS

FY24 and FY25 will make us agile and future-ready by providing a 360-degree view of our customers and seamless integration with new partners,

resulting in an improved customer experience and higher productivity across channels," she said.

"We should expect deeper engagement within the group entities, leading to greater crosssell opportunities and longterm value creation for all stakeholders," HDFC Life chairman Deepak Parekh said in the annual report. "The life insurance penetration in India is still low. Therefore, we believe that the long-term growth story for the life insurance sector remains intact and our focus remains on catering to diverse needs of our customer base, while delivering sustainable profitable growth," Parekh said.

MD & CEO SAYS IN ANNUAL REPORT

HDFC Life to adapt to taxation change

MITHUN DASGUPTA Kolkata, June 29

HDFC LIFE INSURANCE believes that it should be able to "swiftly adapt" to the change in taxation on income from highticket, non-linked life insurance products.

"The government, in the Finance Bill 2023, removed the exemption of tax relief on maturity proceeds of policies with more than ₹5-lakh annual premium. We believe that we shall be able to swiftly adapt to this change based on our track record of delivering sustained performance through multiple changes in the past – change in ULIP guidelines in FY2010-11,

open architecture in FY2017-18, amendment to taxation on ULIPs in FY2020-21," MD and CEO Vibha Padalkar said in the annual report for 2022-23.

Padalkar said the company has initiated a technology transformation exercise with the objective of building 'intelligent systems and platforms for insurance reimagination', christened INSPIRE.

A new-age enterprise and data architecture will be built to enhance the insurer's go-tomarket capabilities and further improve the overall customer experience.

"We will continue to increase our investments in technology and distribution, including our

proprietary channels to take advantage of digital opportunities and achieve our growth objective. We anticipate investments in Project Inspire over

FY24 and FY25 will make us agile and future-ready by providing a 360-degree view of our customers and seamless integration with new partners,

resulting in an improved customer experience and higher productivity across channels," she said.

"We should expect deeper engagement within the group entities, leading to greater crosssell opportunities and longterm value creation for all stakeholders," HDFC Life chairman Deepak Parekh said in the annual report. "The life insurance penetration in India is still low. Therefore, we believe that the long-term growth story for the life insurance sector remains intact and our focus remains on catering to diverse needs of our customer base, while delivering sustainable profitable growth," Parekh said.

Public shareholders will be allotted 67 equity shares of ICICI Bank for every 100 shares of I-Sec. The share

Public shareholders will be allotted 67 equity shares of ICICI Bank for every 100 equity shares of ICICI Securities

exchange ratio has been determined based on the valuation report by independent valuers, and is in compliance with Sebi's delisting regulations. ICICI Bank said the securities broking business is inherently cyclical as it depends on the macroeconomic environment

and buoyancy in the equity markets.

The bank also said it has strong financial position and does not require additional infusion. Its market capitalisation as on June 23, 2023 was ₹6.5 trillion. With this, public shareholders of I-Sec will get access to a much larger and more diversified business with greater stability in revenue. "ICICI Securities' public shareholders would also receive a more liquid stock, which is owned by public shareholders", said the I-Sec filing.

उन्होंने प्रश्न किया कि शौचालयों के निर्माण में प्रधानमंत्री ने लाभार्थियों की जाति और धर्म पर विचार किया था क्या?

राजनाथ सिंह ने पूछा कि किसी के साथ कोई भेदभाव हुआ क्या? केंद्रीय रक्षा मंत्री ने इसी प्रकार किसान सम्मान निधि योजना के तहत किसानों को धन देने के बारे में भी यही बात कही। उन्होंने कांग्रेस पर हमला करते हुए कहा कि वे हताशा के कारण और लोगों को गुमराह करने के लिए अनाप-शनाप बातें कर रहे हैं।

सुबह चमोली जिले में कई स्थानों में तेज बारिश हुई जिसके कारण कई जगहों पर भूस्खलन हुआ। छिनका में भी पहाड़ी का मलबा सड़क पर आ गया जिससे उस पर वाहनों का आवागमन ठप हो गया। जिला प्रशासन ने बताया कि मलबा साफ करने के लिए मौके पर कार्मिक पहुंच गए है और सड़क पर यातायात बहाल करने के प्रयास जारी हैं। हांलांकि, मलबे की मात्रा को देखते हुए इसमें समय लगने की संभावना है । रास्ता बंद होने से दोनों तरफ सैकडों वाहन फंसे हैं और सडक पर लंबा जाम लग गया है। बदरीनाथ और हेमकुंड जाने वाले तथा वहां से लौटने वाले यात्रियों के वाहनों की कई किलोमीटर लंबी कतारें लग चुकी हैं जिससे यात्री परेशान हैं। जाम वाली जगह चमोली कस्बे से बदरीनाथ की ओर पांच किलोमीटर की दूरी पर स्थित है और वहां सुबह से ही

केजरीवाल सरकार और उपराज्यपाल के बीच नया विवाद

मंत्रिमंडल में फेरबदल को लेकर तनातनी

जनसत्ता सवाददाता नई दिल्ली, 29 जून।

दिल्ली की केजरीवाल सरकार और उपराज्यपाल वीके सक्सेना के बीच एक विवाद सामने आ रहा है। सूत्रों ने बताया कि दिल्ली मंत्रिमंडल में फेरबदल से जुड़ी फाइल पिछले चार दिनों से उपराज्यपाल कार्यालय में पड़ी है, पर इस पर वीके सक्सेना ने हस्ताक्षर नहीं किए हैं। वैसे. उपराज्यपाल कार्यालय ने आरोप को नकारा है।

सरकार के एक सूत्र ने गुरुवार को मंत्रिमंडल में इस बदलाव को 'व्यापक' करार देते हुए कहा कि इन बदलावों को मंजूरी देने संबंधी फाइल पिछले चार दिन से उपराज्यपाल के पास है। कहा कि उनके पूर्ववर्ती अनिल बैजल ऐसी फाइल को आधे घंटे में मंजुरी दे दिया करते थे।

आतिशी के पास एक और अहम मंत्रालय आने का आसार

दिल्ली की आम आदमी पार्टी (आप) सरकार के मंत्रिमंडल में संभावित फेरबदल के बाद कैबिनेट मंत्री आतिशी को वित्त और राजस्व विभाग का अतिरिक्त प्रभार मिल सकता है। गौरतलब है कि मनीष सिसोदिया और सत्येंद्र जैन के इस्तीफे के बाद मार्च में आतिशी और सौरभ भारद्वाज को मंत्रिमंडल में शामिल किया गया था। आतिशी के पास बिजली, शिक्षा, कला संस्कृति और भाषा, प्रशिक्षण, तकनीकी शिक्षा और जनसंपर्क विभागों का प्रभार है। मंत्रिमंडल में इस संभावित फेरबदल के बाद आतिशी को कुल 11 विभागों का प्रभार मिलने की संभावना है। फिलहाल वित्त और राजस्व विभाग कैलाश गहलोत के पास हैं। एक सूत्र ने बताया कि मंत्रिमंडल के फेरबदल में आतिशी को वित्त और

राजस्व विभाग का प्रभार भी मिल सकता है। उन्हें हाल ही में जनसंपर्क विभाग का प्रभार भी सौंपा गया है।

हालांकि, उपराज्यपाल कार्यालय के सूत्रों ने फाइल पर बुधवार को हस्ताक्षर किए जाने के

आरोपों को खारिज कर दिया और बताया कि बाद उसे सरकार को भेजा जा चुका है। पिछले
