1.	Difference in issued and listed shares with CSE was detected during the March'21 quarter while pursuing for the delisting from CSE. It was informed to us that the Company had applied for the listing of the shares but confirmation for listing not received by the Company and the matter is pursued with CSE.	For FY 2020-21	The Company is in the process of gathering information/documents as required for listing and then it would be applying to CSE for getting confirmation for the listing of the pending unlisted shares.	The documents as submitted to both BSE & CSE are not available with the Company. Though BSE had listed all the shares as issued and applied for listing, in CSE the shares were not listed. The available documents are not sufficient for resubmission of the fresh application for listing of shares with CSE. The process of gathering of information/documents for listing application would take a longer time and is cumbersome process.
