The Company would like to inform that all the information furnished by the Company is in public domain. The Company is complying and will continue to comply with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and keep the Stock Exchanges duly informed of all the price sensitive and/or material information(s) in a timely manner.

In our opinion, the increase in volume of the Company's security in the recent past is purely market driven and the Company has no control on it.
