Sub: Car plant in Gujarat to have partial production impact in August owing to semi-conductor shortage

Dear Sir,

This is to inform you that owing to the semiconductor shortage situation, the Company has been informed by its contract manufacturing company, Suzuki Motor Gujarat Private Limited (SMG), that production will be partially impacted in this month.

SMG will tentatively not carry out production on the three Saturdays (7th, 14th and 21st August). In addition, some of the production lines may see temporary reduction from 2-shift to 1-shift working.

As the situation is dynamic and uncertain, the company will monitor and take a day-to-day decision on models, lines or shifts to optimize resources for maximum efficiency.

Thanking you,

Yours truly,

For **Maruti Suzuki India Limited**

Sanjeev Grover
Vice President &
Company Secretary
