Chairman's Message

“The next few years are going to be decisive for your company. We shall concentrate on strong operational excellence while making the right investments.”

K. R. Naik
Executive Chairman

Dear Shareholders,

It is my privilege to write to you and present the annual report for the year ended 31st March 2019.

As you are aware, the global macro-economic landscape continues to remain volatile. In these uncertain circumstances while India's growth has largely remained positive, its economic growth rate slowed down to a 5-year low to 5.8% during the January-March 2019 quarter.

In our recent general elections, the ruling party has come back into power with an overwhelming majority and it is expected that they will focus on pushing forward the reform agenda in order to kick start the economy which has slowed down considerably. A decisive leadership and political stability are good for any country and should provide a boost for our national economy and give a significant fillip to the IT sector.

The ongoing 4G revolution and the rapid increase in the country's internet population over the past

few years augurs well for 'digital first' businesses like ours and should trigger a widespread increase in the off-take of Telecom, Enterprise to consumer-centric products in Copper and Fiber.

You are aware that in order to better take advantage of the opportunities in the marketplace, the company restructured and created three subsidiaries viz. Digisol Systems Ltd., Synegra EMS Ltd. and Telesmart SCS Ltd. Each of these companies are independent to pursue opportunities and focus on their areas of core competence.

Digisol Systems Ltd. is a brand company and will engage in the marketing and support of active and passive networking solutions under the brand 'DIGISOL' having presence across India.

DIGISOL introduced new products during the year and will continue to broaden its offering as per market needs. As it builds its brand as an independent entity, DIGISOL is free to source

products from not just Synegra but from any vendor in the world in line with its business objectives.

The manufacturing of active networking products is now the domain of Synegra EMS Ltd. Its manufacturing experience dates back to three decades and it has the infrastructure for the production of a wide range of sophisticated networking and electronic products. It is free to manufacture products for DIGISOL as well as for other brand companies in India and abroad.

Telesmart SCS Ltd. is engaged in the manufacture of passive networking products in copper and fiber. It has partnered with a company with over two decades of experience and has developed several products. It currently manufactures products for DIGISOL as well as for exports.

The three subsidiaries have distinct identities and a sharp focus in their respective businesses. They are also totally independent to draw up their own strategies in areas like sourcing, product development and marketing. This will enable them to concentrate better on manufacturing as well as marketing of their products to their customers.

Smartlink has substantial cash reserves and in order to reward our shareholders adequately, we have successfully completed two buy-backs – the first in FY2017 and the second in FY2019. You are aware that the Board of Directors of the Company has approved another buy-back which is currently under process. The buy-back offer would further enable the shareholders to encash part of their holdings in the company.

While we have quite some way to go before the three subsidiaries establish their businesses, the fundamentals are in place and these companies are well equipped to weather the storm that lies ahead. I feel reasonably confident that each of these three companies would be able to carve

out a niche in their respective areas of operation and find their rightful place in the Indian networking industry.

From an operational performance perspective, the last twelve months have been extremely challenging for Smartlink. The Company made a provision for diminution of investments in its wholly owned subsidiaries resulting in loss after tax of ₹ 2772.11 lakh on standalone basis. However, this had no impact on the consolidated financial results of the Company and the net loss stood at ₹ 248.49 lakh on consolidated basis. The provision has been made in line with prudent accounting policies followed by your Company.

The next few years are going to be decisive for your company. We shall concentrate on strong operational excellence while making the right investments. We understand that there is a need to transform ourselves so that we are geared for the future. This will require us to form partnerships to build the DIGISOL brand and manufacture increased volumes of active and passive products in order to optimize the use of our manufacturing facilities.

I am aware that this is not going to be an easy journey and I would like to thank our employees, channel partners, system integrators, tech partners and vendors for their hard work and commitment. I would also like to thank the government officials, associates, our customers and our shareholders for their continued trust, confidence and support as we endeavour to turn this business around and deliver the results that we all look forward to.

Thanking you,

Yours sincerely,

K.R. Naik

Management Discussion and Analysis

ECONOMIC OVERVIEW

After strong growth in 2017 and early 2018, the global economic activity slowed notably in the second half of 2018, reflecting a confluence of factors affecting major economies. China's growth declined following a combination of needed regulatory tightening to rein in shadow banking and an increase in trade tensions with the United States. Trade tensions increasingly took a toll on business confidence and, so, financial market sentiment worsened.

After peaking up to close to 4% in 2017, the global growth remained strong at 3.8% in the first half of 2018 but dropped to 3.2% in the second half of the year. The global growth is now projected at 3.3% in 2019 before returning to 3.6% in 2020.

One major risk in the coming year is the sharp drop-off in world trade growth, which fell from over 5% at the beginning of 2018 to nearly zero at the end. With anticipated escalation in trade conflicts, a contraction in world trade could drag down the global economy even more. At the same time, the combined effects of rising interest rates and surging equity and commodity market volatility mean that financial conditions worldwide are tightening. These risks point to the increasing vulnerability of the global economy to further shocks, and the rising probability of a recession in the next couple of years.

In response to recent economic shocks - including the impact of US tariffs, which has so far been limited - policy-makers have unleashed a series of monetary and fiscal measures to help support growth and stabilize financial markets. In spite of these measures, emerging market growth is expected to decelerate to 4.6% in 2019.

THE INDIAN ECONOMY

India has emerged as the fastest growing major economy in the world and is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships.

India's GDP is estimated to have increased 7.2 per cent in 2017-18 and 7 per cent in 2018-19. India has retained its position as the third largest startup base in the world with over 4,750 technology start-ups.

India's labour force is expected to touch 160-170 million by 2020, based on rate of population growth, increased labour force participation, and higher education enrolment, among other factors, according to a study by ASSOCHAM and Thought Arbitrage Research Institute.

India's foreign exchange reserves were US\$ 405.64 billion in the week up to March 15, 2019, according to data from the RBI.

With the improvement in the economic scenario, there have been various investments in various sectors of the economy. The M&A activity in India reached record US\$ 129.4 billion in 2018 while private equity (PE) and venture capital (VC) investments reached US\$ 20.5 billion.

India's gross domestic product (GDP) is expected to reach US\$ 6 trillion by FY27 and achieve upper-middle income status on the back of digitisation, globalisation, favourable demographics, and reforms.

India's revenue receipts are estimated to touch ₹28-30 trillion (US\$ 385-412 billion) by 2019, owing to Government of India's measures to strengthen infrastructure and reforms like demonetisation and Goods and Services Tax (GST).

The World Bank has forecast India's growth rate for FY19-20 at 7.5%. It further stated that the growth rate is expected to stay at this pace for the next two years as well. The contribution of exports to economic activity is expected to remain weak with moderate global trade growth. According to the report, private consumption and investment will benefit from strengthening credit growth amid more accommodative monetary policy, with inflation having fallen below the Reserve Bank of India's target.

The beginning of the current fiscal was marked by the thumping victory of the ruling party in the country's general elections. It is widely expected that with such a strong mandate, the government will take bold initiative and strongly initiate reforms to kick start the economy from the present slumber.

THE INDIAN IT SECTOR

The global sourcing market in India continues to grow at a higher pace compared to the IT-BPM industry. India is the leading sourcing destination across the world, accounting for approximately 55 per cent market share of the US\$ 185-190 billion global services sourcing business in 2017-18. Indian IT & ITeS companies have set up over 1,000 global delivery centres in about 80 countries across the world.

India has become the digital capabilities hub of the world with around 75 per cent of global digital talent present in the country.

India's IT & ITeS industry grew to US\$ 181 billion in 2018-19. Exports from the industry increased to US\$ 137 billion in FY19 while domestic revenues (including hardware) advanced to US\$ 44 billion.

As per Gartner, the spending on Information Technology in India is expected to grow over 9 per cent to reach US\$ 87.1 billion in 2018.

Indian IT's core competencies and strengths have attracted significant investments from major countries. The computer software and hardware sector in India attracted cumulative Foreign Direct Investment (FDI) inflows worth US\$ 37.23 billion between April 2000 and March 2019 and ranks second in inflow of FDI, as per data released by the Department for Promotion of Industry and Internal Trade (DPIIT).

Leading Indian IT firms are diversifying their offerings and showcasing leading ideas in blockchain, artificial intelligence to clients using innovation hubs, research and development centres, in order to create differentiated offerings.

India is the topmost offshoring destination for IT companies across the world. Having proven its capabilities in delivering both on-shore and off-shore services to global clients, emerging technologies now offer an entire new gamut of opportunities for top IT firms in India. Export revenue of the industry is expected to grow 7-9 per cent year-on-year to US\$ 135-137 billion in FY19. The industry is expected to grow to US\$ 350 billion by 2025 and Business Process Management (BPM) is expected to account for US\$ 50-55 billion out of the total revenue.

THE NETWORKING INDUSTRY

The combined consumer and enterprise worldwide wireless local area network (WLAN) market grew by 4.3% in 2018, according to International Data Corporation (IDC) Worldwide WLAN Tracker.

The enterprise WLAN segment grew by 7.1% during the year reaching US\$ 6.1 billion as compared to 5.7% in 2017 and 7.2% in 2016. The consumer WLAN market remained stagnant and grew by a mere 0.2%. The growth in the enterprise segment of the WLAN market was driven by technological and business benefits of investments in wireless LAN infrastructure.

The worldwide Ethernet Switch market (Layer 2/3) recorded revenue of US\$ 28.1 billion for a year over year growth rate of 9.1% in 2018. The Ethernet Switch market saw solid growth around the world, driven by investments in both mature and emerging countries, indicating the strong demand for network infrastructure that powers enterprise digital transformation efforts

The worldwide total enterprise and service provider router market grew by 1.8% in 2018 with revenue of US\$ 15.5 billion.

2019 is expected to be a year of innovation with new wifi standard hitting the market and enterprises continuing to make investments; thus providing significant opportunities for vendors globally.

Government Initiatives will boost the IT Industry

Some of the major initiatives taken by the government to promote IT and ITeS sector in India are as follows:

- The government has identified Information Technology as one of 12 champion service sectors for which an action plan is being developed. Also, the government has set up a ₹5,000 crore (US\$ 745.82 million) fund for realising the potential of these champion service sectors.

THE INDIAN NETWORKING MARKET

Active Products

The Indian Networking Market which comprises of Ethernet Switch, Router and WLAN segments posted a growth of 10.8% and 5.5% respectively in the first two quarters of 2018. The third quarter saw a steep growth of 67.1% with increased investments across the enterprise and service provider deployments, while in the 4th quarter the growth rate tapered down but still stood at a healthy 33.8%.

The Indian Ethernet Switch market registered a growth of 18% and grew to US\$ 590.6 million in 2018 from US\$ 499.8 million in 2017. Digital transformation initiatives across organizations is expected to generate significant revenue for the Ethernet Switch market in future.

The Indian Router market grew by 50% to US\$ 551.7 million in 2018 from US\$ 367.7 million. The growth has primarily been driven by the service provider segment where telecommunication players are continually investing in network upgrades to meet the demands of ever increasing 4G VoLTE footprint. With the launch of 5G roadmap and commercialization, the service provider segment is expected to see continued investments in the coming years.

The Indian WLAN market registered 20.8% in 2018 growing to US\$210.7 million in 2018 from US\$174.4 million in 2017. The growth was primarily driven by enterprise and service provider deployment and increased spending by government was also a key growth contributor.

The Ethernet Switch, Router and WLAN markets are expected to grow in single digits in terms of compound annual growth rate during 2018 to 2023, according to IDC India. Government and enterprise digitalization initiative are expected to drive growth across product categories. Increased adoption of emerging technologies such as Cloud, IOT, mobility would drive revenues for these segments in the future.

Passive Products

The Indian structured cabling market grew at a rate of 7.19% to ₹1341 crore in 2018 from ₹1251 crore in 2017. As per 6W Research, the market is expected to grow at a CAGR of 7.5% during 2018 to 2024.

With the setting up of new data centres, office spaces, hotels, healthcare facilities and commercial establishments, the market for structured cabling solutions is expected to grow at a healthy pace in future.

The Loss after Tax for the year was lower at ₹231.61 lakhs for the year ending 31st March, 2019 as compared to Loss after tax of ₹322.27 lakhs in the previous year.

HUMAN RESOURCES

Smartlink and its subsidiaries are equal-opportunity employers and human values from the backbone of the organization.

Our Values at work:

- An ethical, value based approach
- Careers that offer learning opportunities
- Growth and feeling of sense of accomplishment
- Performance oriented
- Combination of hard work and customer orientation

We have always focused on developing the employees and enhancing their capabilities. The key element of our Human Resource strategy is to provide a working environment that encourages innovation, enhances work satisfaction and builds a merit-driven organization. The organisation's human resource vision is to create a committed workforce through people-enabling processes and knowledge sharing practices based upon its value system. As on 31st March, 2019, the Company had 27 employees. Smartlink's future success will depend, in part, on our ability to continue to attract, retain and motivate highly qualified technical and management personnel, for whom competition is intense.

RISK FACTORS

In the event of a severe global slowdown, falling external demand would exert a powerful drag on Asia's economies including India, impacting company's prospects.

Smartlink invests in various financial instruments like mutual fund, bonds, Non-convertible debentures and other securities and thus Smartlink is exposed to credit risk, market risk and interest rate risk.

While the outlook for IT services relatively unchanged continued hesitation among buyers may foster hyper competition and cost pressure in mature IT Outsourcing (ITO) segments and relocation of budget away from new projects in consulting and implementation. This would have a consequent downstream impact.

The likelihood of Indian telecom operators investing a significantly lower proportion of their revenues over the next two years than their Chinese, Indonesian and Philippine counterparts even though the Indian, Chinese, Philippines and Indonesian telecom markets are at approximately the same stage of data penetration.

The risk of technological obsolescence is very high in the segments where the company's subsidiaries operates. Moreover, the technological advancements are dictated by the large OEM players. On the other hand, we need to continuously invest to keep launching new products to enhance reach and reputation amongst customers and channel partners.

The company's subsidiaries are exposed to fluctuations in foreign currency, in particular the movement of US dollar vis-à-vis the Indian

Rupee as the subsidiaries import more than 90% of the components where the payment is in US Dollars.

In today's constantly changing markets, companies may opt to maintain and grow sales by selling at competitive prices. Products have become commoditized over time as alternative products become available or the number of suppliers offering the same product increases.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACIES

Smartlink has aligned its current systems of internal financial control with the requirement of Companies Act, 2013. The Internal Control framework is intended to increase transparency and accountability in an organisation's process of designing and implementing a system of internal control. The framework requires the Company to identify and analyse risks and manage appropriate responses. The Company has successfully laid down the framework and ensured its effectiveness. Smartlink's internal controls are commensurate with its size and the nature of its operations. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorised use, executing transactions with proper authorization and ensuring compliance of corporate policies.

Our management assessed the effectiveness of the Company's internal control over financial reporting (as defined in Clause 17 of SEBI Listing Regulations 2015) as of 31st March, 2019.

Based on its evaluation (as defined in section 177 of Companies Act 2013 and Clause 18 of SEBI Listing Regulations 2015), our audit committee has concluded that, as of 31st March, 2019, our internal financial controls were adequate and operating effectively.

DISCLAIMER

Certain statements made in this report relating to the Company's objectives, projections, outlook, estimates, etc. may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such estimates or projections etc., whether expressed or implied. Several factors including but not limited to economic conditions affecting demand and supply, government regulations and taxation, input prices, exchange rate fluctuation, etc. over which the Company does not have any direct control, can make a significant difference to the Company's operations. The Company undertakes no obligation to publicly update or revise any forward looking statements, whether as a result of new information, future events, or otherwise. Readers are cautioned not to place undue reliance on any forward looking statements. Annexure-D: Independent Auditors' Certificate on Corporate Governance

CERTIFICATE ON COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE REQUIRED UNDER THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 BY SMARTLINK HOLDINGS LIMITED (formerly known as SMARTLINK NETWORK SYSTEMS LIMITED)

To the members of **SMARTLINK HOLDINGS LIMITED (formerly known as SMARTLINK NETWORK SYSTEMS LIMITED)**

I have examined the compliance with conditions of Corporate Governance by SMARTLINK HOLDINGS LIMITED (formerly known as SMARTLINK NETWORK SYSTEMS LIMITED) (the Company) under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, ("LODR Regulations") for the year ended 31st March 2019.

In my opinion and to the best of my information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the LODR Regulations. This Certificate is issued pursuant to the requirements of Schedule V (E) of the LODR Regulations.

The compliance with conditions of Corporate Governance is the responsibility of the management of the Company. My examination was limited to procedures adopted and implementation thereof, by the Company for ensuring compliance with the condition of Corporate Governance under LODR Regulations. The examination is neither an audit nor an expression of opinion on the financial statements of the Company.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the management has conducted the affairs of the company.

Independent Auditor's Report

TO THE MEMBERS OF SMARTLINK HOLDINGS LIMITED
(formerly known as Smartlink Network Systems Limited)

Report on the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Smartlink Holdings Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and notes to financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its loss (financial performance) and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI"), together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Below, we describe what we consider to be the key audit matters:

Sr. No.	Key Audit Matter	How the matters were addressed in our audit
1.	<p>Valuation of current and non-current Investments:</p> <p>Current investments are valued at lower of cost and market value. Non-current investments are stated at cost unless there is other than temporary diminution in their value.</p> <p>There is inherent risk of misstatement arising out of inaccurate valuation of current and non-current investments that are not quoted. Unquoted current investments comprise of investment in preference shares and unquoted non-current investments comprise of equity shares in subsidiaries companies.</p>	<ul style="list-style-type: none"> • Our audit procedures to assess the valuation of unquoted investments included the following: <ul style="list-style-type: none"> - Evaluating the design, implementation and operating effectiveness of any internal controls over the valuation of investments. - Considering the appropriateness of the Company's accounting policies and assessing compliance of the accounting policies in terms of the applicable accounting standards. - Verifying the adequacy of judgements of the Company on the valuation of unquoted current investments and non-current investments with information on income earned from current investments; information obtained on the investment entity; the financial statements of the subsidiaries, and also discussion with management of the subsidiaries on the continuation of the subsidiaries as going concern and future business prospects.
2.	<p>Contingent Liabilities</p> <p>The Company has disputed demands and penalty relating to excise duty in connection with valuation of products manufactured by the Company. These disputes are currently pending before the Customs, Excise and Service Tax Appellate Tribunal (CESTAT).</p> <p>Given the uncertainty involved in the appeals, the ultimate outcome of these matters cannot be predicted with virtual certainty. Further, whether the Company is successful or not in these matters, the ultimate decision of the courts will have a material effect on the financial position, results of operations and cash flows. Management have engaged independent legal counsel on these matters.</p> <p>The accounting for, and disclosure of, this contingent liability is complex and is a significant matter in our audit because of the judgements required to determine the level of certainty in the matter.</p>	<ul style="list-style-type: none"> • Our audit procedures included holding discussions with the Company's personnel responsible for the Company's defence in these matters to understand their legal views on the matter. • We obtained written legal confirmation of the disputed demands from the Company's external legal counsel regarding their opinion of the Company's prospects in these cases and their interpretation of the impact. • We verified the documents related to the matters to understand the findings of the revenue authorities and to assess the representations of management and the Company's independent legal counsel. • We verified the disclosures of disputed demand in the financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report including Annexures, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditor's Report

Responsibilities of Management and Those charged with Governance for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Standalone Financial Statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure C'
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 22 to the standalone financial statements.
 - ii. The Company did not have any on long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
3. In our opinion, according to information and explanations given to us, the Company has not paid / provided for managerial remuneration to its directors for the year ended March 31, 2019 and therefore the reporting requirement regarding payment of remuneration to directors within the limits prescribed under section 197 of the Act and rules thereunder are not applicable.

OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SMARTLINK HOLDINGS LIMITED

Auditor's Responsibilities for the Audit of the Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure C to the Independent Auditor's Report

OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF SMARTLINK HOLDINGS LIMITED

[Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the Members of Smartlink Holdings Limited on the Financial Statements for the year ended March 31, 2019]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of Smartlink Holdings Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI) (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls With reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2019, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

Notes forming part of the financial statements

NOTE 1: BACKGROUND OF THE COMPANY

Smartlink Holdings Limited (formerly known as Smartlink Network Systems Limited) ("Company") was incorporated on 31st March, 1993. The change in name of the company is effective from 18th April, 2018

The Company has received the Certificate of Registration as Non-Banking Financial Institution (NBFI) (non-deposit taking) from the Reserve Bank of India ("RBI") dated 2nd May, 2018.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the Act"), and the relevant provisions of the Act. The financial statements have been prepared on accrual basis under the historical cost convention except for building acquired through amalgamation, that is carried at revalued amounts.

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

(b) Use of estimates

The preparation of financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reported year. Differences between the actual results and estimates are recognised in the year in which the results are known/materialised.

(c) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

(d) Depreciation and Amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on property, plant and equipment has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Motor Vehicle	- 5 years
Plant and equipment	- 8 years
Furniture and Fixture	- 8 years

Leasehold Land is amortised over the duration of the lease.

Intangible assets are amortised over their estimated useful life on straight line method as follows:

Computer Software (ERP)	- 3 years
Computer Software (Other Softwares)	- 4 years

(e) Revenue recognition

Income from debentures and bonds is accrued over the maturity of the security.

Profit / Loss on sale of investments is recognised on the contract date.

Dividend income is accounted for when the right to receive the same is established.

Revenue (income) is recognised when no significant uncertainty as to determination/realisation exists.

(f) Property, plant and equipment

i) Tangible assets

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation and impairment loss, if any.

ii) Intangible assets

Intangible assets are stated at cost less accumulated amortisation and impairment losses, if any.

(g) Foreign currency transactions

Transactions in foreign currencies are recorded at the original rates of exchange in force at the time the transactions are effected. At the year-end, monetary items denominated in foreign currency and the relevant foreign exchange contracts are reported using the closing rate of exchange.

Notes forming part of the financial statements

(h) Government grants

Grants relating to specific fixed assets are disclosed as a deduction from the value of the concerned assets. Grants related to revenue are credited to the Statement of Profit and Loss. Grants in the nature of promoter's contribution are treated as Capital reserve.

(i) Investments

Long-term (non-current) investments are carried at cost. However, when there is a decline, other than temporary, the carrying amount is reduced to recognize the decline. Current investments are carried at lower of cost and fair value.

(j) Employee Benefits

Compensation to employees for service rendered is accounted for in accordance with AS-15 on "Employee Benefits".

Employee Benefits such as salaries, allowances, non-monetary benefits and employee benefits under defined contribution plans such as provident and other funds, which fall due for payment within a period of 12 months after rendering services, are charged as expense to the Statement of profit and loss in the period in which the service is rendered.

Employee Benefits such as defined benefit plan and other long term employee benefits, such as gratuity and compensated absences which fall due for payment after a period of 12 months from rendering services and after completion of employment are measured by the Project Unit Credit Method, on the basis of actuarial valuations carried out by third party actuaries at each balance sheet date. The company's obligation recognised in the balance sheet represents the present value of obligations as reduced by the fair value of plan assets, where applicable.

Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

(k) Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

(l) Assets taken on Lease (Hire Purchase)

Assets taken on finance lease (including on hire purchase) on or after 1st April 2001 are accounted for as in fixed assets accordance with Accounting Standard 19 on "Leases", (AS 19). Accordingly, the assets have been accounted at fair value.

Lease payments are apportioned between finance charge and reduction of outstanding liability.

(m) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

The weighted average numbers of equity shares are adjusted for events such as bonus issue, bonus element in the rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(n) Taxes on income

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred income-tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future income will be available except that deferred tax assets in case there are unabsorbed depreciation and losses are recognised if there is virtual certainty that supported by convincing evidence sufficient future taxable income will be available to realise the same (Refer note 29).

(o) Impairment of assets

At the end of each accounting period, the Company determines whether a provision should be made for impairment loss on fixed assets by considering the indications that an impairment loss may have occurred in accordance with Accounting Standard 28 on "Impairment of Assets". An impairment loss is charged to the Statement of Profit and Loss in the period in which, an asset is identified as impaired, when the carrying value of the asset exceeds its recoverable value. The impairment loss recognised in the prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

(p) Provisions and contingencies

Provision is recognised in the accounts when there is a present obligation as a result of past event/s and it is probable that an outflow of resources will be required to settle the obligation. Contingent liabilities, if any are disclosed in the notes to the financial statements.

Consolidated Financial Information

Independent Auditor's Report

TO THE MEMBERS OF SMARTLINK HOLDINGS LIMITED
(formerly known as Smartlink Network Systems Limited)

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Smartlink Holdings Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2019, the consolidated Statement of Profit and Loss and the consolidated Cash Flow statement for the year then ended, and notes to the consolidated financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2019, and its loss, its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountant of India ("ICAI"), and the relevant provisions of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How the matters were addressed in our audit
1.	<p>Valuation of current Investments:</p> <p>Current investments are valued at lower of cost and market value. There is inherent risk of misstatement arising out of inaccurate valuation of current investments that are not quoted. Unquoted current investments comprise of investment in preference shares.</p>	<ul style="list-style-type: none"> Our audit procedures to assess the valuation of unquoted investments included the following: <ul style="list-style-type: none"> Evaluating the design, implementation and operating effectiveness of any internal controls over the valuation of investments. Considering the appropriateness of the Company's accounting policies and assessing compliance of the accounting policies in terms of the applicable accounting standards. Verifying the adequacy of judgements of the Company on the valuation of unquoted current investments with information on income earned from these current investments and information obtained on the investment entity.
2.	<p>Contingent Liabilities</p> <p>The Company has disputed demands and penalty relating to excise duty in connection with valuation of products manufactured by the Company. These disputes are currently pending before the Customs, Excise and Service Tax Appellate Tribunal (CESTAT). Given the uncertainty involved in the appeals, the ultimate outcome of these matters cannot be predicted with virtual certainty. Further, whether the Company is successful or not in these matters, the ultimate decision of the courts will have a material effect on the financial position, results of operations and cash flows. Management have engaged independent legal counsel on these matters. The accounting for, and disclosure of, this contingent liability is complex and is a significant matter in our audit because of the judgements required to determine the level of certainty in the matter.</p>	<ul style="list-style-type: none"> Our audit procedures included holding discussions with the Company's personnel responsible for the Company's defence in these matters to understand their legal views on the matter. We obtained written legal confirmation of the disputed demands from the Company's external legal counsel regarding their opinion of the Company's prospects in these cases and their interpretation of the impact. We verified the documents related to the matters to understand the findings of the revenue authorities and to assess the representations of management and the Company's independent legal counsel. We verified the disclosures of disputed demand in the financial statements.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Directors' Report including Annexures, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independent Auditor's Report (Contd.)

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Consolidated Financial Statements.

Other Matters

- (a) We did not audit the financial statements of one subsidiary, whose financial statements reflect total assets of ₹462.44 lakhs as at March 31, 2019, total revenues of ₹671.85 lakhs and net cash flows amounting to ₹0.12 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose report has been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the report of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

- As required by Section 143 (3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.
 - The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - On the basis of the written representations received from the directors of the Holding Company as on March 31, 2019 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditor's of its subsidiary companies incorporated in India, none of the directors of the Group companies, incorporated in India is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure B.
 - With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, Refer Note 28 to the consolidated financial statements.
 - The Group did not have any long-term contracts including derivative contracts for which there were any foreseeable losses and
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.
- As required by The Companies (Amendment) Act, 2017, in our opinion, according to information, explanations given to us, the remuneration paid by the Group to its directors is within the limits prescribed under Section 197 of the Act and the rules thereunder.

Annexure A to the Independent Auditor's Report

OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SMARTLINK HOLDINGS LIMITED

Auditor's Responsibilities for the Audit of the Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Annexure B to the Independent Auditor's Report

OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SMARTLINK HOLDINGS LIMITED

[Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of Smartlink Holdings Limited on the consolidated Financial Statements for the year ended March 31, 2019.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2019, we have audited the internal financial controls with reference to consolidated financial statements of Smartlink Holdings Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Holding company and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls With Reference to Consolidated Financial Statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2019, based on the internal control with reference to consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to one subsidiary company, which is company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

The Consolidated Financial Statement of Smartlink Holdings Limited (formerly known as Smartlink Network Systems Limited) ("The Parent Company") comprise of the financial statements of the Parent Company and Digisol Systems Limited, Synegra EMS Limited, Telesmart SCS Limited (Subsidiaries of the Parent Company), together referred to as the 'Group'.

The change in name of the parent company is effective from 18th April, 2018.

Digisol Systems Limited is in the business of developing, manufacturing, selling, marketing and servicing of various categories of Networking and Information Technology (IT) products.

Synegra EMS Limited is in the business of manufacture of various categories of electronic and IT products on job work basis and also engages in contract manufacturing for Original Equipment Manufacturers (collectively the activities constitute Electronic Manufacturing Services (EMS) business).

Telesmart SCS Limited is in the business of manufacture of various categories of electronic and IT products.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of accounting and preparation of financial statements

The consolidated financial statements of the Group have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013 ("the Act"), and the relevant provisions of the Act. The consolidated financial statements have been prepared on accrual basis under the historical cost convention except for building acquired by Parent Company through amalgamation, that is carried at revalued amounts. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

(b) Principles of Consolidation:

The Consolidated Financial Statements have been prepared on the following basis:

- (i) The Financial Statements of the Subsidiary Companies used in consolidation is drawn upto the same reporting date as that of the Parent Company i.e. year ended 31st March, 2019 and are audited.
- (ii) The Financial Statements of the Parent Company and its Subsidiary Companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, incomes and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profit or losses, unless cost cannot be recovered.
- (iii) Minorities Interest in net profit or loss of consolidated subsidiary consists of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary company was made and further movements in their share in the equity, subsequent to the date of Investment. Net loss for the year of the subsidiary attributable to minority interest is identified and adjusted against the profit after tax of the group in order to arrive at the income attributable to shareholders of the company.
- (iv) The following Subsidiary Companies (incorporated in India) have been considered in the preparation of Consolidated Financial Statements:

Name	% holding as at 31 st March, 2019	% holding as at 31 st March, 2018
Digisol Systems Limited	100%	100%
Synegra EMS Limited	100%	100%
Telesmart SCS Limited	80%	80%

(c) Use of estimates

The preparation of consolidated financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of consolidated financial statements and the reported amounts of revenues and expenses during the reported year.

Differences between the actual results and estimates are recognised in the year in which the results are known / materialised.

(d) Inventories

Items of inventory are valued at lower of cost and net realisable value, on the following basis:

- (i) Raw materials, components, stores and spares - on weighted average basis.
- (ii) Work-in-progress and finished goods - on the basis of absorption costing comprising of direct costs and overheads other than financial charges.
- (iii) Traded goods - on weighted average basis.

(e) Cash and cash equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less.

Notes forming part of the consolidated financial statements

(f) Depreciation and amortisation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on property, plant and equipment has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

Motor Vehicle	- 5 years
Plant and Equipment	- 8 years
Furniture and Fixture	- 8 years

Leasehold Land is amortised over the duration of the lease.

Intangible assets are amortised over their estimated useful life on straight line method as follows:

Computer Software (ERP)	- 3 years
Computer Software (Other Softwares)	- 4 years
Technical know-how	- 5 years

(g) Revenue recognition

Income from debentures and bonds is accrued over the maturity of the security.

Profit/Loss on sale of investments is recognised on the contract date.

Dividend income is accounted for when the right to receive the same is established.

Revenue (income) is recognized when no significant uncertainty as to determination/ realization exists.

Revenue from sale of products is recognised net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods. Sales include excise duty but exclude, goods and service tax, sales tax and value added tax.

Revenue from services is recognised when the services are rendered. Revenue from maintenance contracts are recognised pro-rata over the period of contract. Interest income is accounted on accrual basis.

(h) Property, plant and equipment

(i) Tangible assets

Property, plant and equipment are carried at cost of acquisition or construction less accumulated depreciation and impairment loss, if any

(ii) Intangible assets

Intangible assets are stated at cost less accumulated amortisation.

(i) Foreign currency transactions

Transactions in foreign currencies are recorded at the original rates of exchange in force at the time the transactions are effected. In case of forward exchange contracts or other financial instruments that is in substance a forward exchange contract, other than for trading or speculation purposes, the premium or discount arising at the inception of the contract is amortised as expense or income over the life of contract. Gains / losses on settlement of transactions arising on cancellation / renewal of forward exchange contracts are recognised as income or expense. At the year-end, monetary items denominated in foreign currency and the relevant foreign exchange contracts are reported using the closing rate of exchange.

Exchange difference arising thereon and on realization / payments of foreign exchange are accounted as income or expenses in the relevant year.

(j) Government grants

Grants relating to specific fixed assets are disclosed as a deduction from the value of the concerned assets. Grants related to revenue are credited to the Consolidated Statement of Profit and Loss. Grants in the nature of promoter's contribution are treated as Capital reserve.

(k) Investments

Long-term (non-current) investments are carried at cost. However, when there is a decline, other than temporary, the carrying amount is reduced to recognize the decline. Current investments are carried at lower of cost and fair value.

Notes forming part of the consolidated financial statements

(l) Employee Benefits

Compensation to employees for service rendered is accounted for in accordance with AS-15 on "Employee Benefits".

Employee Benefits such as salaries, allowances, non-monetary benefits and employee benefits under defined contribution plans such as provident and other funds, which fall due for payment within a period of 12 months after rendering services, are charged as expense to the Statement of profit and loss in the period in which the service is rendered.

Employee Benefits such as defined benefit plan and other long term employee benefits, such as gratuity and compensated absences which fall due for payment after a period of 12 months from rendering services and after completion of employment are measured by the Project Unit Credit Method, on the basis of actuarial valuations carried out by third party actuaries at each balance sheet date. The company's obligation recognised in the balance sheet represents the present value of obligations as reduced by the fair value of plan assets, where applicable.

Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

(m) Borrowing costs

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

(n) Assets taken on Lease (Hire Purchase)

Assets taken on finance lease (including on hire purchase) on or after 1st April 2001 are accounted for as fixed assets in accordance with Accounting Standard 19 on "Leases", (AS 19). Accordingly, the assets have been accounted at fair value.

Lease payments are apportioned between finance charge and reduction of outstanding liability.

(o) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

The weighted average numbers of equity shares are adjusted for events such as bonus issue, bonus element in the rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(p) Taxes on income

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred income-tax reflect the current period timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years/period. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future income will be available except that deferred tax assets in case there are unabsorbed depreciation and losses are recognised if there is virtual certainty that supported by convincing evidence sufficient future taxable income will be available to realise the same (Refer note 39).

(q) Impairment of assets

At the end of each accounting period, the Group determines whether a provision should be made for impairment loss on fixed assets by considering the indications that an impairment loss may have occurred in accordance with Accounting Standard 28 on "Impairment of Assets". An impairment loss is charged to the Consolidated Statement of Profit and Loss in the period in which, an asset is identified as impaired, when the carrying value of the asset exceeds its recoverable value.

The impairment loss recognised in the prior accounting periods is reversed if there has been a change in the estimate of recoverable amount.

(r) Provisions and contingencies

Provision is recognised in the accounts when there is a present obligation as a result of past event/s and it is probable that an outflow of resources will be required to settle the obligation. Contingent liabilities, if any are disclosed in the notes to the Consolidated Financial Statements.
