We have audited the accompanying quarterly financial results of **MS Securities Limited** (the 'Company') for the quarter ended 31st March 2019 and the year to date financial results for the period from 1st April 2018 to 31st March 2019 (the "Financial Results"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India ('SEBI') (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the quarter ended 31st March 2019 and the corresponding quarter ended in the previous year as reported in these Financial Results are the balancing figures between audited figures in respect of full financial year and the audited interim year to date figures up to the end of the third quarter of the relevant financial year.

These quarterly financial results as well as the year to date financial results have been prepared on the basis of the financial statements, which are the responsibility of the Company's management and have been approved by the Board of Directors in its meeting held on 30th May 2019. Our responsibility is to express an opinion on these Financial Results based on our audit of the Financial Statements, which have been prepared in accordance with the recognition and measurement principles mandated under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Financial Results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as Financial Results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.
