Subject – Clarification sought from Company w.r.t movement in price

Dear Sir/Madam,

We have not received any communication from BSE regarding clarification of significant movement in price.

However we have noticed the same in corporate announcement segment on BSE and therefore, we would like to bring to your kind attention that the Company has made all the necessary disclosures in accordance with Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time and has not withheld any material information/event which in our opinion would have a bearing on the price/volume behavior on our scrip.

The spurt in volume of our scrip /increase in the share price is purely market driven. The Company has been regularly sharing all information/announcements with the stock Exchange that have a bearing on the price/volume behavior on the scrip. We have been strictly following all the listing norms for disclosures, insider trading with the stock exchanges and there is no pending compliance on our part.

Please treat the same reply as in conformity with requirement of exchange compliance.

Kindly take the same on record.

For, Silver Touch Technologies Limited
