Global R&D Sales

- > USA – Supports PV & OFH
- > UK – Supports PV & OFH
- > Germany - Supports PV & OFH
- > China – Supports All Verticals
- > India – Supports All Verticals

R&D Backbone in India through Suprajit Technology Center:

- > Innovate in India - disrupt globally
- > Products that enhance or replace existing products
- > Deploy proven innovations across industries and Geographies

Going from Cables to Beyond Cables

- ✓ Brake Cables to Complete Braking Systems

- ✓ Throttle Cables to eThrottle and Sensors

- ✓ Speedometer Cables to Digital Clusters

- ✓ Seat, Steering, Fuel Lid Cables to respective Actuators

Suprajit Electronics Division (SED)

Launched as a standalone division for FY24 to cater to strong traction from customers and with focus on driving the EV revolution and support Suprajit Group's ambition to be a global provider of actuation and display technologies

Strong Customer Traction

Strategy – Derisk & Grow Profitably

- Through Strong Organic Growth, Capacity Expansion, Product Innovation, and Strategic Acquisitions

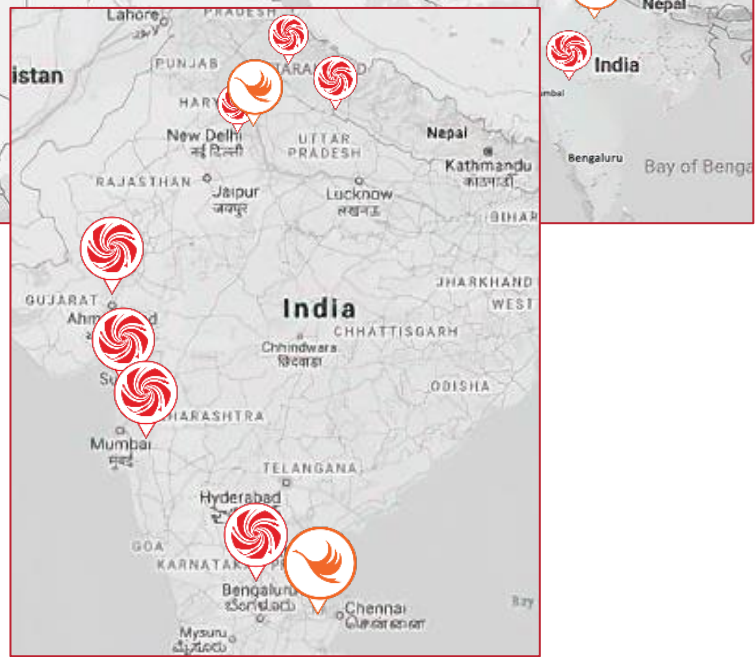

A Global Footprint – Ready for the shift to Global OEM Platforms

Manufacturing Plants	
India	18
US	1+Warehouse
Mexico	2
Hungary	1
UK	1
China	1
Slovenia	Warehouse

- Phoenix Lamps**
 - Noida 2 Plants, SEZ & DTA
 - Chennai – 1 Plant
 - Distribution Center Luxembourg
- Suprajit – India:**
 - Headquarters, Global Manufacturing Hub
 - 15 Strategically located plants

Global Platform for Actuation

Complex, A-Surface parts, Low Supply Chain Risk, Low Visibility on Volume

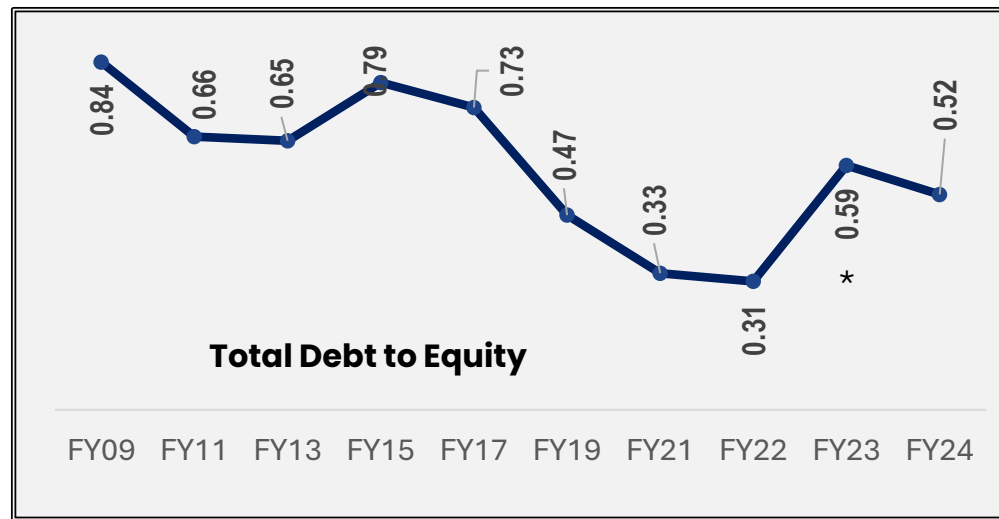

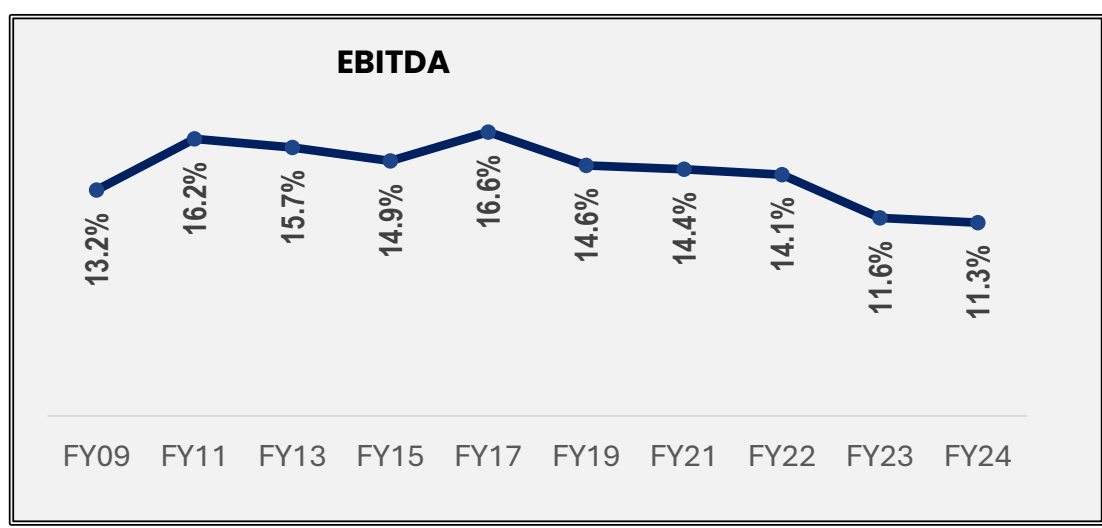

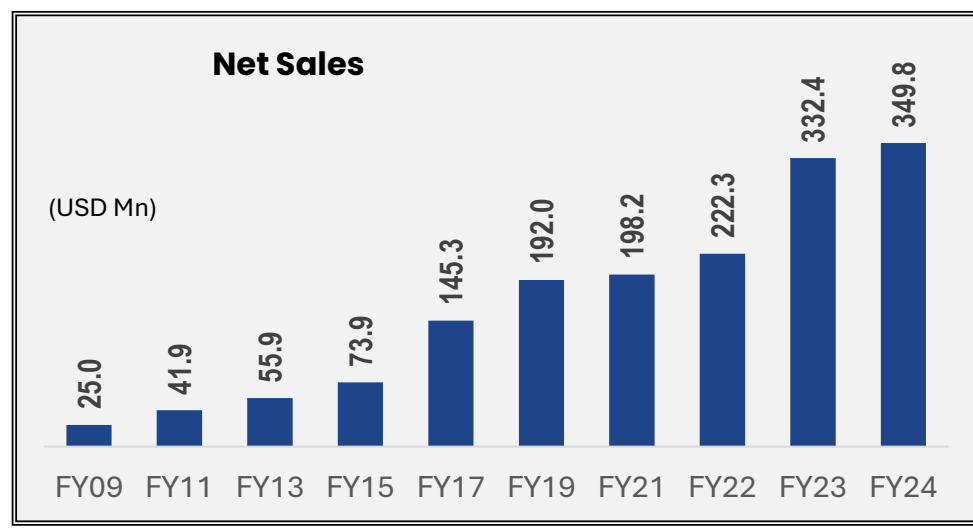

Simpler, High SCM Risk, volume and predictability, lower cost

OEM Production	Customer Production and Available Suprajit Location					
	India / South Asia	Europe	North America	South America	China	APAC/Japan
On Shore	India	Hungary	USA		China	
Near Shore			Mexico x 2			
Far Shore		India	India	India	India	India / China

- ✓ Flexibility to choose manufacturing location based on product/demand/risk-appetite
- ✓ Global vehicle PLATFORM has similar parts but often expect onshore or near shore supply
- ✓ Innovations developed in India at lower cost, brought to global customers at better value
- ✓ Local sales, support, application engineering, makes us an Ideal choice for OEMs and Tier 1s

Group Financials

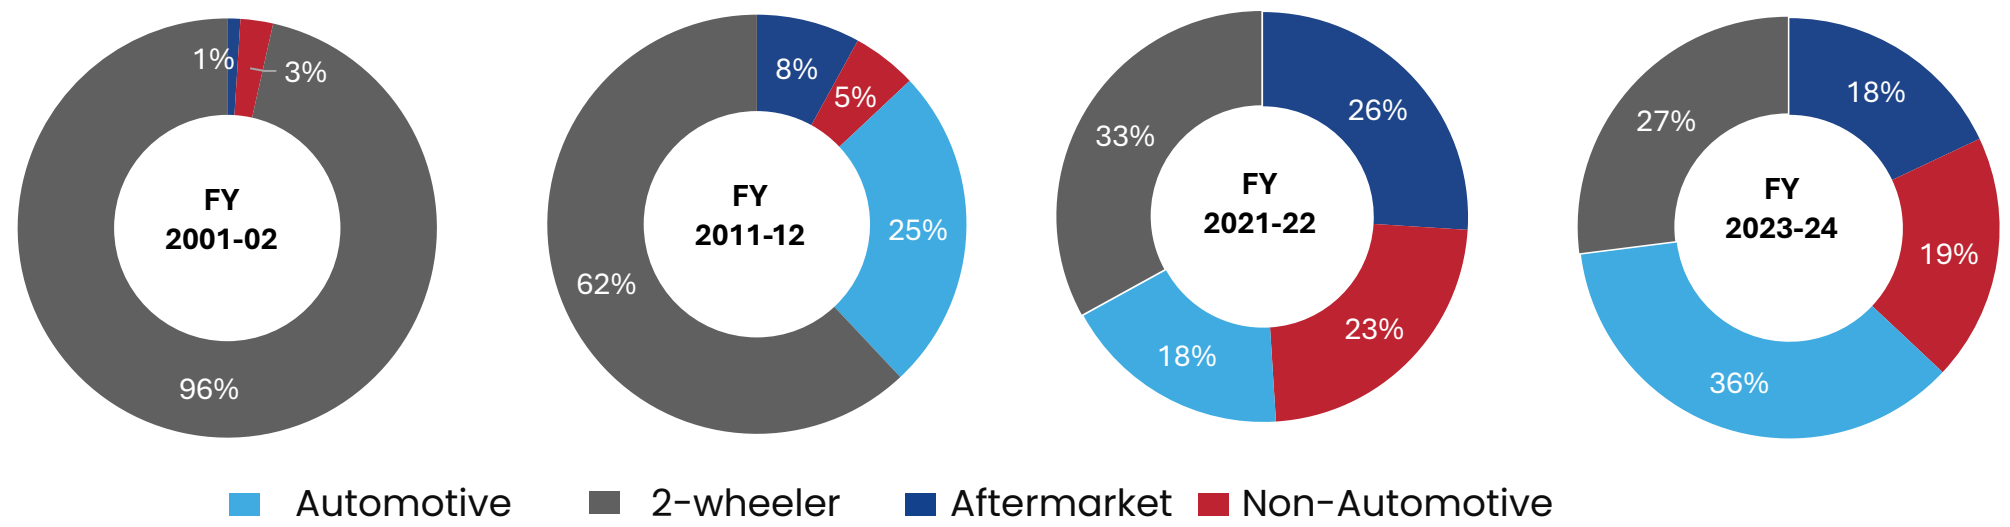

CAGR Growth	10 Years	15 Years	25 Years
Sales	18.17%	19.25%	22.07%
EBITDA	13.43%	17.33%	20.90%

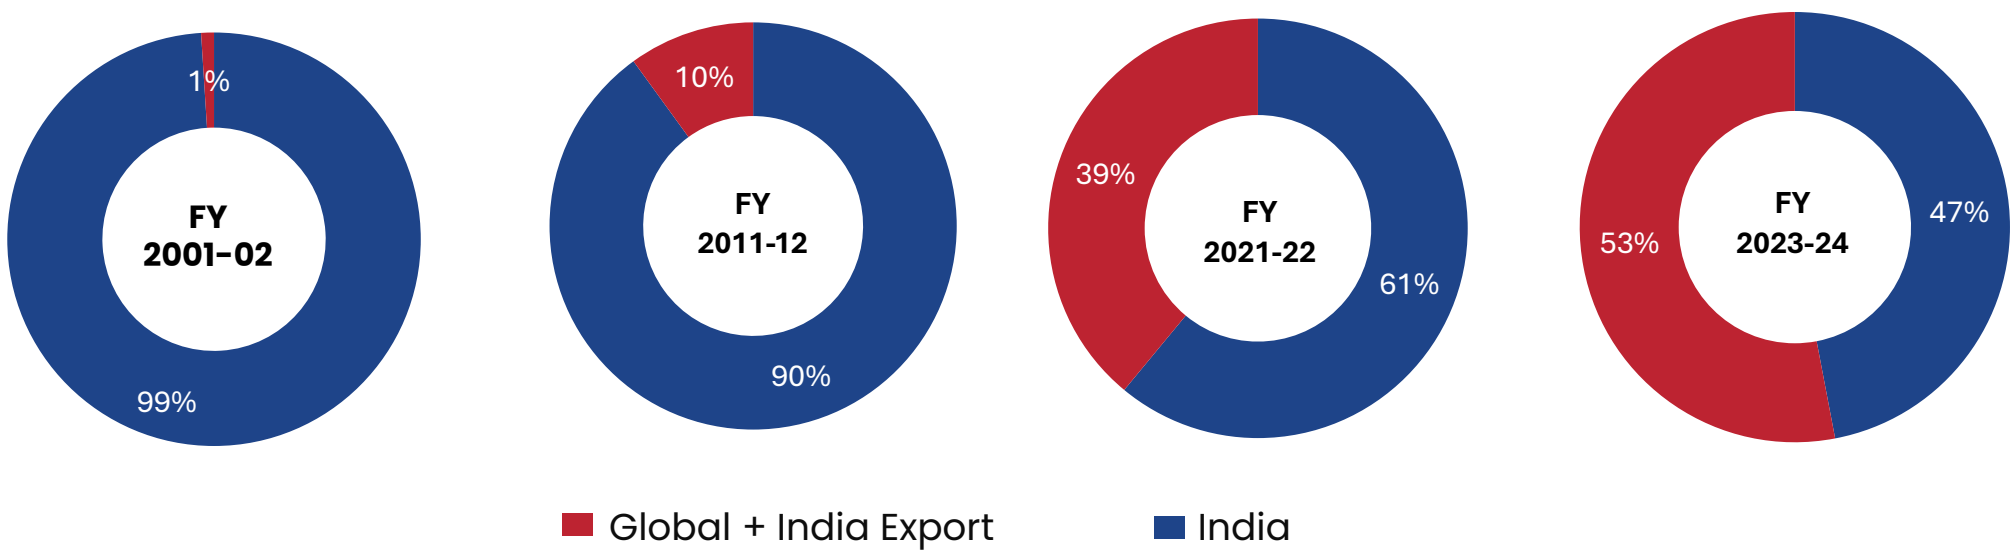

* FY23 increase in debt due to acquisition of LDC

Segmental and Geographic Synergies

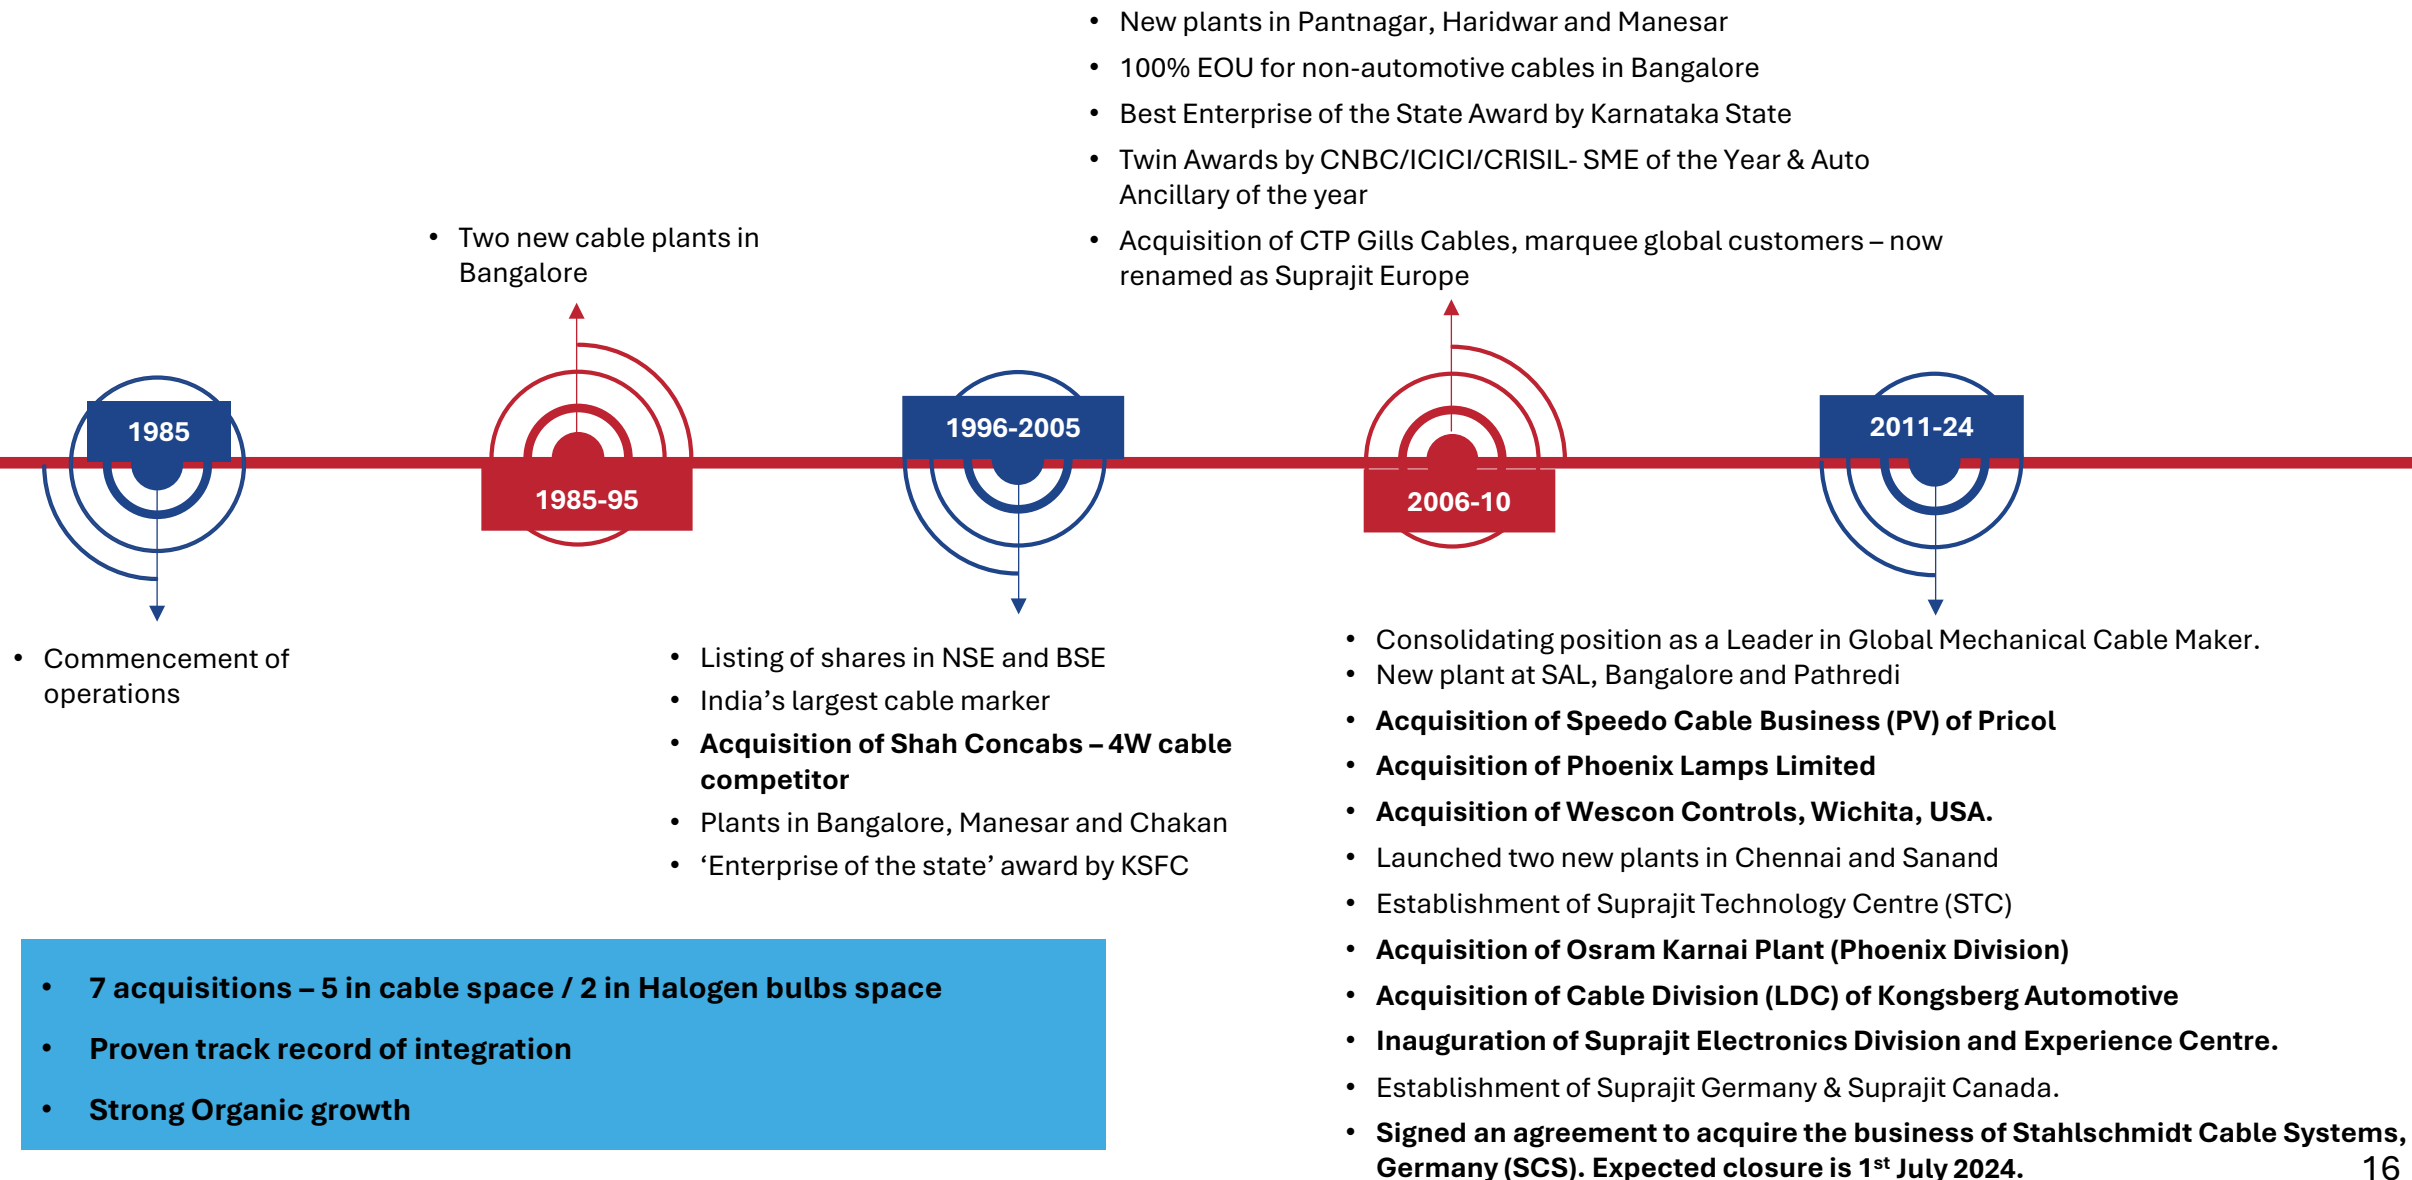

Category-wise

Geography-wise

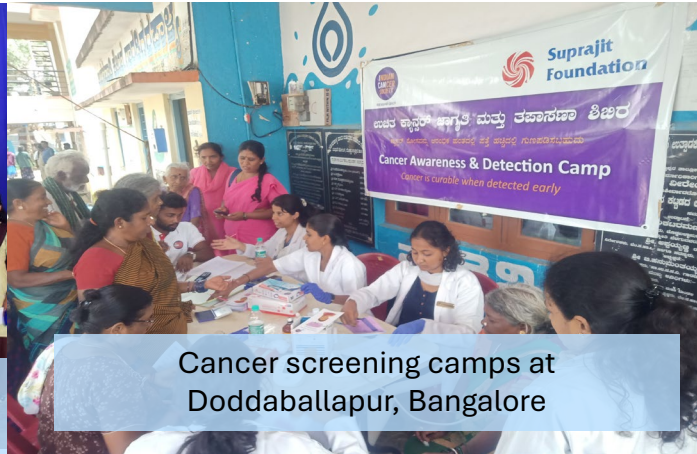

Key Milestones in Suprajit's Journey

Environment & Social Initiatives

Suprajit Foundation (SF) sponsoring scholarships for students in rural areas for education beyond SSLC

Cancer screening camps at Doddaballapur, Bangalore

SF established an early childhood daycare centre for the construction workers' children

Solar Panel Projects continue with three more plants going live in FY24

Suprajit initiatives to plant more trees for a greener future

Suprajit Mexico team carrying out various local CSR activities for locals and migrants

Suprajit Strength

- Global Top 3 in both control cables and halogen bulbs manufacturing.
- Close to OEMs globally with flexible cost supply chain based on OEM needs – ideal for OEM Global Platforms.
- Excellent customer rapport with strong localized supply chain.
- Proprietary class `B' items, giving a strategic relationship advantage.
- Ability to setup modular capacities at low capex for dynamic growth.
- Industry beating operational and financial costs.
- Strong management / Next-Gen team in place, motivated and focused.
- “Value for Money Supplier” with best QCDD rating.
- World-class manufacturing with operations IATF 16949 certified.
- Preferred Supplier to both Domestic and Overseas Customers (OEMs and Aftermarket).
- Exports to 50+ countries.
- Strong presence in global aftermarket and non-automotive cable segment in US/North American.
- Suprajit Technology Centre brings new technology to Agri, Powersports, PV, and EV 2-Wheeler Customers.

Suprajit Update

Acquisition of SCS

Acquisition of SCS

Announced the acquisition of the business of Stahlschmidt Cable Systems (SCS) that includes:

- › Asset/Equity purchases in Germany, Canada, China, Poland and Morocco
- › Poland already relocated to Morocco and will be shut down – except key support team to Morocco

Acquisition will bring 50M Euro Revenue split into two stages

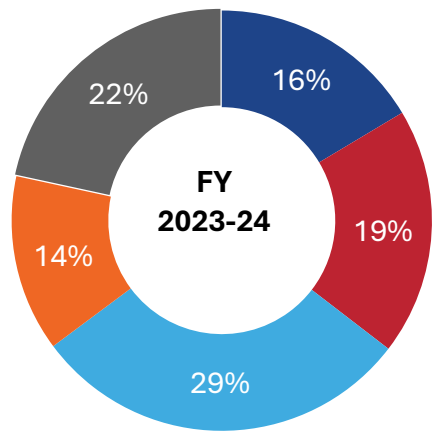

- › First Stage (Germany, Poland and Morocco) is expected to close on July 1st, 2024 (70% of turnover)
- › Second Stage (Canada, China) to follow few months later (30% of turnover)

More details are available in our press release dated 9th June 2024

Suprajit | A Global Leader

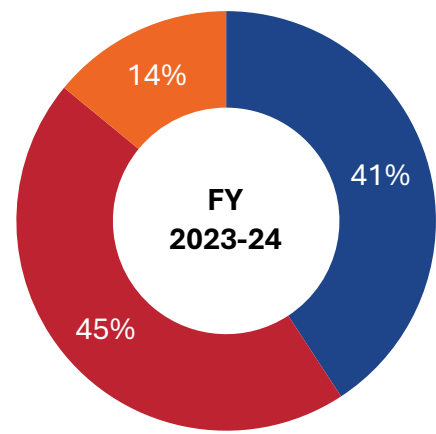

Segment Split

- Automotive
- 2-wheeler
- Aftermarket
- Non-Automotive
- **SCS (Mostly Automotive)**

Geography Split

- Global + India Export
- India
- **SCS (Global + China Export)**

> Suprajit emerges with significant supply to global Automotive segment
> Suprajit now has majority of revenue from businesses outside India – truly global supplier

Ideal Global Footprint for our Global Customers

Complex, A-Surface parts, Low Supply Chain Risk, Low Visibility on Volume

Simpler, High SCM Risk, volume and predictability, lower cost

		Customer Production and Available Suprajit Location			
		Europe OEMs		North America OEMs	
Sales & Engineering		UK	Germany	Detroit, USA	
Distribution		UK	Slovenia	Brownsville, USA	Ontario, Canada
On Shore		Hungary		Wichita, USA	
Near Shore		Morocco		Mexico x 2	
Far Shore		India	China	India	China

■ SCS as part of Suprajit SCD

SCS brings:

- ✓ Strong German core cable Engineering and Sales teams
- ✓ China exports (currently Suprajit only supplies locally in China)
- ✓ Volume purchasing from Europe to support Hungary – and future support from Morocco localisation
- ✓ Key Morocco location for near shore cable production

Suprajit brings

- ✓ Global team focused on cables
- ✓ Technologies “beyond cables” – actuators, sensors, etc
- ✓ Suppliers and scale of Purchasing from India and China
- ✓ Customer base for future growth

Together We Bring to our Customers:

- ✓ Flexibility to choose manufacturing based on their own product/demand/geography/risk-appetite
- ✓ Innovations developed at lower cost, brought to global customers at better value
- ✓ Local sales, support, application engineering, makes us an Ideal choice for OEMs and Tier 1s

SCS adds to our Global Customer Base

★ Major Shared Customers

★ New Customers Majorly from SCS
