Notes:

- 1 The above results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at its meeting held on 31 October, 2019.
- 2 Certain litigations by and against the Company are pending in various Courts, and the matter is subjudice. No cognizance thereof is taken in the above results, pending final outcome of the cases.

3 In respect of Nandi Economic Corridor Enterprises Limited (NECE)

- a. It had been reported in print media that in September 2014, the Karnataka Legislative Assembly has constituted a House Committee Assembly Panel (House of Committee) consisting of members of Legislative Assembly, to study the alleged violations in implementation of the Framework Agreement in the construction of Peripheral Road, development of townships and utilities undertaken by NECE. Further, it had also been reported in the print media that the House Committee tabled its report during November 2016 in the Karnataka Legislative Assembly, wherein NECE and various departments of GoK have been accused of violations of several terms of FWA and recommendations have been made to initiate appropriate actions which include recovery of excess land given for the project, recovery of illegal toll collected by NECE and further probe by national agencies such as the Central Bureau of Investigation (CBI), Enforcement of Directorate, central vigilance commission or investigative agencies of equal standing. While NECE has still not been provided with any notice of the formation of the committee or its reports, the Management of NECE has assessed the findings of the said Committee reported in the print media and is of the opinion that the allegations made therein are baseless, politically motivated and hence lack legal withstanding. Further, NECE had faced similar situations in the past, where NECE has received favorable orders from the Hon'ble High Court and the Supreme Court. NECE has also obtained a legal opinion in this regard and as per the said opinion, the constitution of the House Committee itself is unconstitutional, illegal, and invalid and any findings/report, given by the aforesaid House Committee would also be illegal and untenable in law.

Based on the aforesaid legal opinion, the Management of NECE has evaluated the above developments and in its assessment, since every aspect of the implementation of the BMIC Project has been judicially scrutinized in earlier instances by the Hon'ble High Court of Karnataka and Hon'ble Supreme Court of India and as the Hon'ble Courts have pronounced detailed favorable judgements regarding the same, including upholding the process adopted by NICE/ NECE in implementing the BMIC project as per FWA, the Management of NECE is of the view that NECE has followed the FWA in letter and spirit and that all concerned laws have been adhered to in implementing the BMIC project. As such, NECE intends to legally contest any matters that may arise in this regard to safeguard of its interests.

NECE's township development activities carried out as part of the BMIC project are dependent upon receiving necessary approvals from the Bangalore Mysore Infrastructure Corridor Area Planning authority.

The Management of NECE is of the opinion that the requisite regulatory approvals would be received by NECE in the normal course of business for the township development activities; various litigations, (including litigations as detailed in note 3 b.)

31/10/2019

would be decided in the favor of NECE and, hence, there would be no adverse effect on the operations of NECE including its ability to continue operations in foreseeable future.

b. There are various cases pending against the NECE challenging the execution of the BMICP (the 'Project') which can be categorized under the following broad heads: a) Land acquisition and allotment related b) Litigation against layout approvals c) Enhanced compensation. NECE has been legally advised that none of these pending litigation or threatened litigation is likely to affect the execution of the Project. The Management of NECE believes that aforesaid litigations will not have any material impact upon the financial statements of NECE.

4 Accounting standard Ind AS 116- Accounting for leases came into force on 1st day of April, 2019. There is no material impact of Ind AS 116 on the quarterly financial statements of the Group, therefore, effect of the same is not considered.

5 The consolidated amount for the quarters ended June 30, 2018 and March 31, 2019, as reported in these unaudited consolidated financial results, have not been subjected to limited review or audit by the statutory auditors of the Company.

The Company has reclassified previous year's figures to confirm to current year's classification.

Independent Auditor's Review Report on the Quarterly Unaudited Consolidated Ind AS Financial Results of the Company Pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, as amended

**Review Report To
The Board of Directors
BF Utilities Limited**

1. We have reviewed the accompanying Statement of unaudited Consolidated Ind AS Financial Results of **BF Utilities Limited** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter ended 30th June 2019 ("the Statement"), attached herewith, being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 as amended ("the regulation"), read with SEBI Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 ("the Circular"). Attention is drawn to the fact the consolidated figures for the corresponding quarter ended June 30, 2018, last quarter ended March 31, 2019, as reported in these unaudited consolidated Ind AS financial results have been approved by the Parents Board of Directors, but not have been subjected to review.
2. This Statement which is responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India read with Circular. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular issued by the Securities and Exchange board of India under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended, to the extent applicable.

4. The Statement includes the results of the entities as mentioned in Annexure I.
5. Based on our Review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the Review reports of other auditors referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standard specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the Ind AS financial results and Ind AS financial information of 3(three) subsidiaries, and 1 (one) step down subsidiary included in the consolidated unaudited Ind AS financial results, whose Ind AS financial result reflect total revenues of Rs. 11,487.10 lakhs, total net profit after tax Rs. 2,625.02 lakhs, total comprehensive income of Rs.2,625.02 lakhs, for the quarter ended June 30, 2019, as considered in the consolidated unaudited Ind AS financial results. These Ind AS financial results and Ind AS financial information have been reviewed by other auditors, whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures in respect of these subsidiaries is based solely on the reports of the other auditor and procedures performed by us as stated in Paragraph 3 above. Our conclusion on the Statement is not modified in respect of the above matter.

7. Emphasis of Matter

Without qualifying our opinion, we draw attention to the following matters in the Notes to the Statement:

- (a) We draw attention to Note No. 2 of the Statement. As mentioned therein there are certain litigations by and against the Company that are yet to be decided by various courts and the matter is subjudice. No cognizance thereof is taken in the preparation of the financial statements, pending the final outcome of these cases. The operations of windfarm were partially affected due to local issues at windfarm site and dispute with service provider, thereby adversely affecting power generation.

Note No. 2-

Certain litigations by and against the Company are pending in various Courts, and the matter is subjudice. No cognizance thereof is taken in the above results, pending final outcome of the cases. During the year due to disputes with the service provider the Company's windmills were partly non-operational thereby adversely affecting power generation. The management has taken all possible steps to restore the operations.

- (b) We draw attention to Note No. 3 (a) of the Statement regarding the reported constitution of an House Committee consisting of members of the Karnataka Legislative Assembly, and its findings on the alleged violations in implementation of the Framework Agreement ('FWA') in the construction of Peripheral Road, development of Townships and Utilities undertaken by NECE as part of the Bangalore Mysore Infrastructure Corridor Project ('BMIC Project'). As explained in the said Note, based on the legal opinion obtained by NECE in this regard, the Management of NECE has evaluated the above development and, in their assessment, since every aspect of the implementation of the BMIC Project has been judicially scrutinized in earlier instances by the Hon'ble High Court of Karnataka and Hon'ble Supreme Court of India and the Hon'ble Courts have pronounced detailed favorable judgments regarding the same, including upholding the process adopted by

NECE in implementing the BMIC Project as per FWA, they are of the view that NECE has followed the FWA in letter and spirit and that all concerned laws have been adhered to in implementing the BMIC Project. Accordingly, NECE intends to legally contest any matter that may arise consequent to the reported findings of the Assembly Panel.

Note No.3(a)-

It had been reported in print media that in September 2014, the Karnataka Legislative Assembly has constituted a House Committee Assembly Panel (House of Committee) consisting of members of Legislative Assembly, to study the alleged violations in implementation of the Framework Agreement in the construction of Peripheral Road, development of townships and utilities undertaken by NECE. Further, it had also been reported in the print media that the House Committee tabled its report during November 2016 in the Karnataka Legislative Assembly, wherein NECE had various departments of GoK have been accused of violations of several terms of FWA and recommendations have been made to initiate appropriate actions which include recovery of excess land given for the project, recovery of illegal toll collected by NECE and further probe by national agencies such as the Central Bureau of Investigation (CBI), Enforcement of Directorate, central vigilance commission or investigative agencies of equal standing. While NECE has still not been provided with any notice of the formation of the committee or its reports, the Management of NECE has assessed the findings of the said Committee reported in the print media and is of the opinion that the allegations made therein are baseless, politically motivated and hence lack legal withstanding. Further, NECE had faced similar situations in the past, where NECE has received favorable orders from the Hon'ble High Court and the Supreme Court. NECE has also obtained a legal opinion in this regard and as per the said opinion, the constitution of the House Committee itself is unconstitutional, illegal, and invalid and any findings/report, given by the aforesaid House Committee would also be illegal and untenable in law.

Based on the aforesaid legal opinion, the Management of NECE has evaluated the above developments and in its assessment, since every aspect of the implementation of the BMIC Project has been judicially scrutinized in earlier instances by the Hon'ble High Court of Karnataka and Hon'ble Supreme Court of India and as the Hon'ble Courts have pronounced detailed favorable judgements regarding the same, including upholding the process adopted by NICE/ NECE in implementing the BMIC project as per FWA, the Management of NECE is of the view that NECE has followed the FWA in letter and spirit and that all concerned laws have been adhered to in implementing the BMIC project. As such, NECE intends to legally contest any matters that may arise in this regard to safeguard of its interests.

NECE's township development activities carried out as part of the BMIC project are dependent upon receiving necessary approvals from the Bangalore Mysore Infrastructure Corridor Area Planning authority.

The Management of NECE is of the opinion that the requisite regulatory approvals would be received by NECE in the normal course of business for the township development activities; various litigations would be decided in the favor of NECE and, hence, there would be no adverse effect on the operations of NECE including its ability to continue operations in foreseeable future.

- (c) We draw attention to Note No. 3 (b) of the Statement. As mentioned therein, As at the Balance sheet date, there are various cases pending against the NECE challenging the execution of the BMICP (the 'Project') which can be categorized under the following broad heads: a) Land acquisition and allotment related b) Litigation against layout approvals c) Enhanced compensation. NECE has been legally advised that none of these pending litigations or threatened litigation is likely to affect the execution of the Project.

The Management of NECE believes that aforesaid litigations will not have any material impact upon the financial statements.

Note No.3(b)-

As at the Balance sheet date, there are various cases pending against the NECE challenging the execution of the BMICP (the 'Project') which can be categorized under the following broad heads: a) Land acquisition and allotment related b) Litigation against layout approvals c) Enhanced compensation. NECE has been legally advised that none of these pending litigations or threatened litigation is likely to affect the execution of the Project. The Management of NECE believes that aforesaid litigations will not have any material impact upon the financial statements.
