**HALF YEARLY REPORT 2020-21**

14<sup>th</sup> December 2020

**My Dear Shareholder,**

I have pleasure in sharing with you a mid-year review and half-yearly financial highlights of your Company.

Year 2020 will go down in the history as a Covid year. It has hit hard every organization in the first quarter. Your Company was not an exception. However, Q2 saw a good recovery with highest quarterly sales, good profitability and improvement in margins. October and November sales have been good with December seeing signs of slowdown. It is difficult to assess the next years' business considering continued uncertainties of Covid.

Group companies are generally on track, except Trifa and Luxlite, and are performing satisfactorily.

Covid threat continues to challenge global economy. However, with vaccine is insight, I believe the worst may be behind all of us.

Suprajit continues to focus on cost optimization, productivity improvement, waste elimination etc., with continued focus on customers. This, I believe, will ensure Suprajit to outperform industry in terms of growth and profitability.

I take this opportunity to wish you and every member of your family Season's Greetings and a Happy, Healthy and Prosperous New Year.

With warm regards,

A handwritten signature in blue ink, appearing to read 'Ajith Rai'.
