Sub: Outcome of Analyst/ Institutional Investor Meetings

Ref.: Scrip ID - STLTECH/ Scrip Code – 532374

Dear Sir/Madam,

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you the outcome of Investor Meets held as detailed below :-

Date	Name of the analyst / Institutional Investor	Venue of the Meeting	Type of the Meeting
September 30, 2021	Ambica Fincap	Virtual Meeting	Group Meeting
	Equitree Capital		
	Indasia Fund		
	I-wealth Management LLP		
	KIFS Trade Capital		
	OHM Portfolio		
	Omkara Capital		
	Oyster Rock		
	Plutus Capital		
	Quest Investment Advisors		
	Roha Asset Managers		
	Sanctum Wealth Management		
	Sunidhi PMS		
	Visaria Family Office		
White Whale Partners			

The Company's presentation in this regard is attached herewith.

Kindly take the above on your record & acknowledge the receipt.

Thanking you,

Yours faithfully,

For **Sterlite Technologies Limited**

Amit Deshpande

Corporate General Counsel & Company Secretary (ACS 17551)

Sterlite Technologies Limited

Investor Presentation

Sep.'21

Safe Harbour

Certain words and statements in this communication concerning Sterlite Technologies Limited (“the Company”) and its prospects, and other statements relating to the Company’s expected financial position, business strategy, the future development of the Company’s operations and the general economy in India & global markets, are forward-looking statements.

Such statements involve known and unknown risks, uncertainties and other factors, which may cause actual results, performance or achievements of the Company, or industry results, to differ materially from those expressed or implied by such forward-looking statements.

Such forward-looking statements are based on numerous assumptions regarding the Company’s present and future business strategies and the environment in which the Company will operate in the future.

The important factors that could cause actual results, performance or achievements to differ materially from such forward-looking statements include, among others, changes in government policies or regulations of India and, in particular, changes relating to the administration of the Company’s industry, and changes in general economic, business and credit conditions in India.

The information contained in this presentation is only current as of its date and has not been independently verified. No express or implied representation or warranty is made as to, and no reliance should be placed on, the accuracy, fairness or completeness of the information presented or contained in this presentation. None of the Company or any of its affiliates, advisers or representatives accepts any liability whatsoever for any loss howsoever arising from any information presented or contained in this presentation. Please note that the past performance of the Company is not, and should not be considered as indicative of future results. Furthermore, no person is authorised to give any information or make any representation which is not contained in, or is inconsistent with, this presentation. Any such extraneous or inconsistent information or representation, if given or made, should not be relied upon as having been authorized by or on behalf of the Company.

The Company may alter, modify or otherwise change in any manner the contents of this presentation, without obligation to notify any person of such revision or changes.

Persons should consult their own financial or tax adviser if in doubt about the treatment of the transaction for themselves.

These materials are confidential, are being given solely for your information and for your use, and may not be copied, reproduced or redistributed to any other person in any manner. The distribution of this presentation in certain jurisdictions may be restricted by law. Accordingly, any persons in possession of this presentation should inform themselves about and observe any such restrictions.

Grow optical business: Expanding optical capacity to 42 mn. fkm.

Solution Centres at global locations with an investment of Rs. 2 bn.

Demand driven expansion (Mn. fKm.)

Grow optical business: Focus on full system solution sale

Opticonn E2E integrated solution

Comprehensive portfolio of optical interconnect

Globalise System Integration Business : First order in the UK

The UK Market is growing

£5Bn *Project gigabit announced*

Planned home passes in UK (Mn)

We are capitalising on it

Our first win

FTTx
mantra

£12M

- Partnership with a leading provider of telecom solutions in the UK
- FTTx mantra to connect homes with broadband in London
- Project expected to be completed in the current fiscal year

Globalise System Integration Business

Acquisition of Clearcomm, a network specialist in UK

Clearcomm - an overview

- Provider of end-to-end optical network integration services to telcos in the UK
- Long-standing relationships with marquee customers and suppliers
- A decade of strong presence

Financial profile and key facts

~£20Mn Revenue (FY20*)	26% 3-Year CAGR
~50 Employees	UK Headquarters

* Financial year ending in November

Rationale for acquisition

STL	+	Clearcomm
<ul style="list-style-type: none"> • Optical Connectivity and Network Design expertise 		<ul style="list-style-type: none"> • End-to-end Network integration in the UK
<ul style="list-style-type: none"> • Data Centre Interconnect Capability 		<ul style="list-style-type: none"> • Fttx Integration Capability
<ul style="list-style-type: none"> • Access to large global customers 		<ul style="list-style-type: none"> • Diversified Vendor base and experienced local team

Deal contours

Enterprise Value	First tranche to be acquired at EV of ~ £15.5 mn, representing 100% of share capital
Structure	80% of share capital to be acquired in first tranche. Balance 20% to be acquired in 2023
Financing	Mix of internal accruals and debt

Solid platform to grow the System Integration business in the UK

Build Strong Access Solution Business

- Deliver best- in-class **Wireless solutions** for the **5G ecosystem**
 - Disrupt the FTTX market with **SDN programmable XGSPON next-gen virtualised solution**
 - Become the **market leader** in the **RAN Intelligent Controller (RIC)** software platform
- Bagged a five year, multi million dollar contract for supply, warranty & maintenance of **5G RAN systems**

Source: Company information; Karvy Shareholding Services; Data as of June 30th, 2021

With a strong board in place

Independent Directors

Kumud Srinivasan

(Non-Executive & Independent Director)

- VP and Director of Non-Volatile Fab Manufacturing and Automation Systems at Intel Corporation
- Has spent 30 years at Intel in US, leading multiple global functions, prominent ones being R&D for technology manufacturing, industrial automation and IoT for manufacturing facilities
- Served as the President of Intel India from 2012 to 2016

Sandip Das

(Non-Executive & Independent Director)

- One of Asia's most respected telecommunications professionals and an acclaimed Chief Executive
- Ex-MD of Reliance Jio, Group-CEO, Maxis Communications and Hutchison Essar Telecom (now Vodafone), India
- One of the founding members of private telephony in India and a part of the group of individuals that founded Hutchison Max Telecom in 1994

S. Madhavan

(Non-Executive & Independent Director)

- Fellow member of institute of chartered accountants of India
- Holds directorial positions in top listed companies like HCL technologies, ICICI Bank, UFO Moviez and Transport Corporation of India
- Had set up a successful indirect tax practice, which got merged with PWC.
- Held leadership positions for over 14 years at PWC and was instrumental in leading tax practice

B. J Arun

(Non-Executive & Independent Director)

- Founded and led multiple successful ventures in silicon valley including California Digital, a Linux-based HPC leader and Librato, a software company
- Ex CEO of July Systems - a location-based mobile management platform
- Currently the Vice President of Tie Global
- Remains dedicated to fostering entrepreneurship in technology community
