Commenting on the Company's performance, Mr. Anurang Jain, Managing Director of the Company said:

"In terms of YOY change in the number of two-wheelers sold by Indian OEMs, Q1 saw a drop of 72.3%. Q2 saw a healthy recovery with motorcycles recording a growth of 4.0%, and overall 2W degrowth being limited to 2.4%. Moreover, the 2W numbers for September and October reflect double digit growth. The PV volumes have been very robust of late, but the 3W market continues to be subdued. High volumes in 2W and PV segments are due to a combination of factors such as restart of economic activity, preference for individual mobility, a good monsoon, government income/MSP support, lower interest rates, festival demand and pent-up demand. Endurance standalone revenues in Q2 this year were a shade lower than last year's level.

In the EU, the number of new car registrations was down by 49.7% in Q1 and 7.2% in Q2. Retail demand for cars in Q2 was partly boosted by incentives offered in several European countries. However, production of cars continued to be significantly below last year levels in key European markets. In Euro terms, our Q2 revenues this year were lower than last year by 8.7%.

We continue to focus on garnering new business, and have secured new orders during the first half of the year, both in India and Europe. In September this year, our total eligibility for incentives under the Maharashtra PSI scheme was increased by almost Rs. 1 billion to Rs. 4.7 billion.

Consolidation of our Italy operations involving movement of employees and machines from the recently closed Grugliasco facility, and consequent overhead reduction has been largely achieved. The recent voluntary separation scheme at one of our plants in Aurangabad is another step aimed at ensuring that we remain efficient and resilient.

During Q2, our factories in India and Europe did not face any government mandated lockdowns, barring a few days of restrictions at our Aurangabad factories in July. The Company continues to take measures to ensure a safe workplace for its people."
