Dear Sir,

I, Rama Subramanian, Company Secretary in Practice, have been appointed as a Scrutinizer by the Board of Directors of Aplab Ltd at its meeting held on August 10, 2022 for the purpose of scrutinizing the e-voting process in respect of the resolutions moved at the 57th Annual General Meeting (AGM) of the members of the company that was held on Thursday, September 29, 2022 through video conferencing/audio-visual means.

The management of the company is responsible to ensure compliance with the requirements of the Companies Act, 2013 and the rules relating to voting through electronic means on the resolutions contained in the Notice of the 57th Annual General Meeting of the members of the Company. My responsibility as a Scrutinizer for the voting process, both remote e-voting and at the AGM, is restricted to make a Scrutinizer's report of the votes cast "in favour" or "against" the resolutions stated in the notice. For this report I have relied on the reports generated from the e-voting system provided by the National Securities Depository Limited (NSDL), the authorized agency appointed by the company to provide e-voting facility and the records maintained by the Company's Registrar and Transfer agents.

I submit my report as under:

- a) The Company has provided e-voting facility through National Securities Depository Limited (NSDL) on their website www.evoting.nsdl.com.
- b) The notice sent contained the detailed procedure to be followed by the members who were desirous of casting their votes electronically as provided under Rule 20 of Companies (Management and Administration) Rules, 2014.
- c) The remote e-voting commenced on September 26, 2022 (9.00 a.m.) and ended on September 28, 2022 (5.00 p.m.).
- d) At the AGM on September 29, 2022, the Company Secretary announced that Members present at the AGM who had not cast their votes earlier by remote e-voting can exercise their voting rights through e-voting at the conclusion of the AGM.

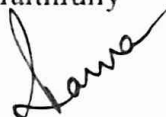

- e) Subsequently, the votes cast through remote e-voting and at the AGM were unlocked in the presence of two witnesses and e-voting summary was generated from the electronic voting system provided by NSDL.
- f) 102 members participated in the remote e-voting process prior to the AGM. 87 members were present in the AGM, out of which 6 members participated in the e-voting process at the AGM.
- g) A register containing details, as prescribed in the Rules, of the list of equity shareholders who voted "for" and "against" each resolution under remote e-voting and at the AGM has been maintained.
- h) The cumulative result of the entire e-Voting process is furnished in Annexure A.
- i) Based on these results, I report that all the Ordinary and Special Resolutions as set out in Item Nos. 1 and 2 of the Notice of AGM dated August 10, 2022 have been passed with requisite majority.

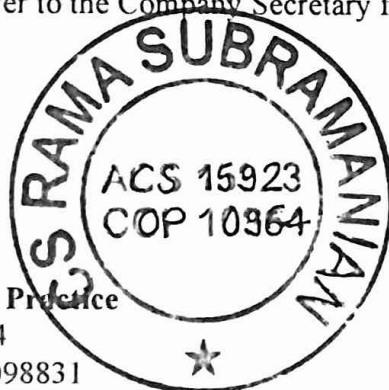

You may accordingly declare the cumulative e-voting result of the Annual General Meeting.

All the relevant records of the e-voting carried out will remain in my custody until the Chairman considers, approves and signs the minutes of the 57th Annual General Meeting and thereafter, the same shall be handed over to the Company Secretary for safe keeping.

Yours faithfully

Rama Subramanian
