Independent Auditors' Report on Quarterly Standalone Financial Results and Year to Date Standalone Financial Results of The Orissa Minerals Development Company Ltd. pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To  
The Board of Directors,  
The Orissa Minerals Development Company Ltd.  
Bhubaneswar.

We have reviewed the accompanying statement of unaudited financial results of The Orissa Minerals Development Company Ltd. ("the Company") for the period ended 31st December, 2023. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

## Emphasis of Matter

1. Advances for medical expenses totaling 832,000.00 were provided to following employees. Supporting documentation required to submit within timeframe for reimbursement. Since Mr. Manmath Nath Panda passed away, it's important to investigate expense reimbursements and gather any missing documents to ensure accurate financial reporting and potentially recover any outstanding funds.

Name	Amount
Manmath Nath Panda	7,77,000.00
Sumit Kumar Chaudhury	55,000.00
<b>Total</b>	<b>832,000.00</b>

2. It is concerning that significant employee loans (Rs. 1,97,552) and advances to Eastern Investment Limited (Rs. 9,51,641), totaling Rs. 11,49,193, have been classified as current assets from FY 2020-21. This classification implies that these balances are expected to be settled within one year, which may not be accurate considering the extended carry-forward period. Furthermore, the company's policy on employee loans and advances to related parties should be reviewed to ensure proper controls and risk management.
3. A security deposit of Rs. 17,000.00 received from Sudhir Kanta Panda (190, Pristine G) is recorded as a credit balance on the balance sheet from FY 2022-23. It's recommended to investigate if this deposit should be refunded or applied towards any outstanding charges.
4. During audit it was identified an unclaimed payment of Rs. 90,000 to V N Khare, recorded as a current asset since FY 2019-20. This amount hasn't been claimed and it needs to be reviewed for reclassification. If it was found payable, the organisation must create provision to account for the outstanding debt of Rs. 90,000.
5. The audit identified significant outstanding statutory dues were pending for payment from September 30th, 2023, but haven't been paid yet. These outstanding amounts raise concerns about potential non-compliance with regulations, penalties, and financial risks. Details are given below

Particulars	Amount
TDS Payable	10,81,992.00
PT	2,57,625.00
<b>Total</b>	<b>13,39,6217.00</b>

6. Additionally, the audit revealed that in December 2023 sales of Rs. 15,17,14,536.69 and GST return not filed for the same. This non-compliance could lead to significant penalties and late payment charges, impacting the company's financial position and regulatory compliance.
7. During the audit, a provision for impairment of Capital Work in Progress (CWIP) amounting to Rs. 75.48 lacs was identified. This provision was created a long time ago and the projects associated with the CWIP are currently closed. We recommend writing off the provision and adjusting the carrying value of the CWIP accordingly.
8. The audit identified several current assets paired with corresponding provisions for the same amount, indicating potential impairment. These amounts have been carried forward for a significant period of more than 3 years without any resolution. A thorough analysis of each current asset is needed considering the nature of the asset, its recoverability and the provision amount. Details are as follows:

Particulars	Amount	Provision Amount
Bill receivable	34,64,181.66	34,64,181.66
Advance given Others ( KDCL, Scott & Saxby, Remittance & Misc Advance )	170,95,741.00	170,95,741.00
Capital WIP	42,93,265.00	42,93,265.00
