Trespassing complaint against Moitra

ADVOCATE JAI ANANT Dehadari on Tuesday lodged a complaint with Delhi Police against Trinamool Congress MP Mahua Moitra for alleged 'trespassing', 'criminal intimidation' and 'breach of peace' at his residence here, a police officer said.

The complaint was filed at Hauz Khas police station and 'we will look into it,' the police officer said. Moitra is currently at the centre of a 'cash-for-governorship' controversy. The 'breach of peace' against her, made by BJP MP

Nishikanth Dubey based on information shared by Dehadari, are being looked into by the Ethics Committee of the Lok Sabha. The TMC MP had earlier criticised the changes as 'jilted ex-lies', a reference to Dehadari. —PTI

Case alleging FDI violation false, malafide: NewsClick

PRESS TRUST OF INDIA New Delhi, November 7 NEWSCLICK ON TUESDAY urged the Delhi High Court to quash the cases filed against it for alleged violation of foreign exchange laws, saying its operations were completely dishonest, malafide and intended to harass the media portal...

The news platform asserted it has not violated any guidelines or norms governing foreign direct investment. 'There is no violation of any guidelines, no violation of any tax (law), no violation of FDI (norms)', argued senior advocate Kapil Sibal before Justice Saurabh Banerjee. 'This is a completely dishonest, malafide complaint filed to harass a media channel. Now the man is sitting in jail,' said Sibal as he voiced his disapproval of NewsClick founder and editor-in-chief Prabir Purkayastha's arrest in a case lodged against him under anti-terror law UAPA. 'In the new FIR, they say the money came from China. You can't send people to jail like this. He is a 72-year-old man,' the senior counsel said. Sibal contended that no offence was made out in the present case as the foreign funds from an investor abroad came in due compliance with the applicable law and practices. 'RBI itself says I have not violated any law. Yet prosecution is going on. ED is going on. The law is in my favour. I am being prosecuted. Nothing can be more malafide in this country,' he stated.

Impaired by iron rod at construction site, man saved after 15-hr surgery

The incident took place on the Saharanpur highway construction site in Northeast Delhi. Archive

EXPRESS NEWS SERVICE NEW DELHI, NOVEMBER 7

A 32-year-old man survived after he fell into a 3-5-foot deep pit at a construction site and was impaled by a thick iron rod that went through his abdomen. Police said it was successfully removed after surgery.

The incident took place on the Saharanpur highway construction site in Northeast Delhi's Shastri Park, Monday evening. The man, Sayeed Kamal Mustafa, was walking near the site when he accidentally slipped and fell into the pit where the highway pillars were being installed. "There were no pillars where he fell but he was impaled on an iron rod, which was placed in the pit as a foundation for the pillar," said an officer.

Construction workers made a PCR call at 7:21 pm, and police sent several teams to the spot. "We cut the rod and carefully removed the man without moving him much. A lot of movement could have led to more injuries or blood loss," said the officer. DCP (North East) Joy N Tirkey said, "After cutting part of the rod, the man was rushed to Lok Nayak hospital, with the rod inside his body. It was then removed through surgery. He is stable and we are trying to identify his family members."

According to Dr Suresh Kumar, Medical Director at Lok Nayak Hospital, the rod had pierced Kamal through his right buttock and came out of his abdomen. Doctors said none of his vital organs were damaged.

"He underwent a major 15-hour surgery and is now in a stable and in the ICU. It was a 4-foot long rod that hurt his intestine and stomach. A team of doctors saved vital organs including the gall bladder, liver, blood vessels, and nerves... it was a challenging task," said Dr Kumar, adding that Kamal will need 7-10 days to fully recover from the wounds. Doctors said a CT scan was conducted to decide the process of the surgery and three kinds of surgeries were performed on Kamal - laparoscopic, open surgery and minimally invasive surgery.

Meanwhile, police have filed a case under IPC sections 336 (act endangering life) and 337 (causing hurt by act endangering life) but have not taken action against anyone yet.

The V-C told me the lecture on gender took place on September 23 in the B.Com IIB third-year class. After the video viral, she (the professor) sent an apology, which, according to the V-C, was why no action was taken against her. She is not on campus now; we will wait for her to come back to send a summons. She will be asked to appear before us in Panchukha," she said.

When contacted, Prof Dalwai did not comment. A professor at the university, under condition of anonymity, said this was not the first time the university's professors have faced similar incidents. "Earlier, two such incidents wherein parts of lectures were filmed and posted on social media had drawn flak from various groups. The problem is students don't engage with the professor to state their disagreement and, instead, post parts of it on social media. You may agree or disagree with them, that's the point of a class discussion in a law school, it facilitates a democratic discussion on various matters," he said.

# Egg-celent! Midday meals get healthier

State adds egg, fruits to menu; move aims to improve nutritional value and boost business of poultry farmers

MUSAB QAZI / Mumbai

The humble daal-khichdi, which has been the staple of midday meals given to school students in the state, will soon have a new ingredient: Egg.

The state government has for the first time decided to include eggs in the midday meal menu, though the students will only get one per week, either boiled or as part of some other preparation such as egg pulao or egg biryani. Vegetarian children as well as those who don't want the egg will be provided bananas or other local fruits instead.

The move is aimed at improving the nutritional value of school meals while providing business to poultry farmers in the state. The decision will be first implemented in rural schools for a month and then expanded to all government-run and aided schools. The government has recommended providing eggs either on Wednesday or Friday, when many don't have religious restrictions on the consumption of non-vegetarian food.

The state has sought to replace khichdi with a variety of more nutritious and appetising fare in the midday meal, known as the Pradhan Mantri Poshan

## WHAT'S ON THE MENU

- Students will only get one egg per week, either boiled or as part of some other preparation such as egg pulao or egg biryani.
- Vegetarian children as well as those who don't want the egg will be provided bananas or other local fruits.

Shakti Nirman (PM POSHAN). Children in Classes 1 to 5 are recommended to get an intake of 450 calories and 12g of protein, while those in Classes 6 to 8 should get 700 calories and 20g of protein.

A committee, consisting of nutrition experts and chefs, was formed earlier this year to prepare a new menu. While the committee has suggested a number of new recipes, for now, the addition of eggs and fruit is the only change on the plate.

Eggs in midday meal has been a contentious issue, with religious leaders in some states opposing its inclusion while proponents deeming it essential to eradicate malnutrition among kids. The education

ministry, in response to a query in the Lok Sabha in February this year, revealed that only 14 states provide eggs to schools. While some of them provide it once a week, others give them more frequently – some like Tamil Nadu and Andhra Pradesh offer them daily.

The state has allocated an additional Rs5 per week per student for the centrally sponsored scheme, which is jointly funded by the state and the Centre in a 60:40 ratio. The Centre has fixed the expenditure on a single meal at Rs4.45 for Classes 1 to 5 and Rs8.17 for Classes 6 to 8. In 2019, the Centre allowed states to provide supplementary food items from 5% of their annual budget.

# HOW CITIES HIDE MALNUTRITION

State Malnutrition Eradication Task Force chairman Dr Deepak Sawant calls for a special cell to monitor malnutrition in cities • Says cities (especially slums) are as badly affected as rural areas

SWAPNIL MISHRA / Mumbai

Malnutrition among children not just ails rural parts of Maharashtra but also metropolitan cities, especially the slums, said Dr Deepak Sawant, chairman of the State Malnutrition Eradication Task Force. Dr Sawant was a guest at Free Press House on Tuesday and spoke to journalists from the Free Press Journal.

Calling for a special cell to monitor malnutrition in cities, Dr Sawant said that the problem can exacerbate among the urban poor owing to inadequate breastfeeding, maternal anaemia and poor dietary habits of expectant mothers such as consumption of fast food or observing fasts for extended periods.

He said, "The official 1:100 ratio of malnutrition means one in urban parts and 100 in rural parts of Maharashtra. However, it's not the correct representation as cases in urban areas are not reported because people visit private medical practitioners. In cities, people sometimes eat less or follow a crash diet, even consume more junk food and keep an unhealthy lifestyle, which all are contributors."

Meanwhile, medical officers

# Boasting political connections, man dupes senior citizen

MEGHA KUCHIK / Mumbai

A 67-year-old man from Borivili lost Rs27.8 lakh to an acquaintance who claimed to resolve his land issue with the help of connections with Maharashtra minister Chandrakant Patil and Telangana Chief Minister K Chandrashekar Rao. The accused was identified as Shaikh Gaus, a Hyderabad resident.

According to the police, the matter dates back to 2017 when Ahmad Kotwal received power of attorney related to 1500 acres of land from his relatives. The senior citizen said that the land located in Solapur district was illegally possessed hence he was trying to resolve the issue. Given the official formalities, Kotwal frequently visited the tehsildar office where he met Gaus.

As the duo visited the office often, they became friends and Gaus offered assistance to resolve Kotwal's issue. The accused assured the elderly man that getting his work done was a cakewalk, thanks to his influen-

tial connections, while boasting that his brother was Rao's bodyguard.

Subsequently, he took all land-related documents from Kotwal and then said that a "significant sum of money" needed to be paid to get the matter resolved. They agreed on a Rs30 lakh deal and Gaus sought Rs6 lakh in advance. The complainant paid him the money and then transferred other amounts over the period of time.

When Kotwal inquired about the work's progress, the accused asserted that he has spoken to a minister, and then demanded more money. Later, he stopped responding to the senior citizen's calls. He travelled to Hyderabad and learnt that Gaus had a history of cheating people. Kotwal visited Hyderabad 10 times in five years, but didn't get back his money. On November 7, he filed a case against Gaus under section 420 (cheating and dishonesty) of the Indian Penal Code at the Kasturba police station.

# Local train skips halt on harbour line

FPJ NEWS SERVICE / Mumbai

A local train travelling from Panvel to CSMT on the harbour line skipped its scheduled stop at the Khandeshwar station on Tuesday. This led to confusion among commuters in the train as well as those on the said station as their journey plans got disrupted. Expressing concern, a Central Railway official said, "This is a serious matter and a chargesheet will be issued to the train crew responsible for the lapse."

## Train's motorman was relieved from duty at next halt

When the train halted at the subsequent station, Mansarovar, its motorman was immediately relieved from duty. "The train crew missed Khandeshwar halt," said the CR chief spokesperson. Asserting that scores of passengers were left stranded, passengers activist Lata Argade said that this incident raises concerns about passenger safety.

The Harbour line provides connectivity between western suburbs, Navi Mumbai, and south Mumbai. It daily serves nearly 10 lakh passengers.

# Court's relief to minor accused of murder

CHARUL SHAH JOSHI / Mumbai

The sessions court on Monday rejected the plea of the Bhandup police to prosecute a minor boy booked in connection with a murder of a local cricketer in June 2019. The court observed that the minor is not criminal minded and got involved in the alleged crime owing to bad influence. The minor was booked in connection with the murder of Rakesh Pawar on June 6, 2019, with two

other accused, Sohail Khan and Asif Khan, due to old enmity.

As per the prosecution, on the day of the murder, the trio was standing near a petrol pump near Ambewadi in Bhandup, where Pawar arrived. An argument turned

violent, with Sohail and Asif stabbing Pawar. The minor held a knife to stop anyone from intervening.

Seeking to prosecute the minor as an adult, the prosecution said he was of a sound mind and knew the consequences of

his act. The court noted, "The only allegation against the minor is that he facilitated the motive of the accused. It does not appear that he had any previous enmity with the deceased or any personal grudge or motive to aid the accused."

The court referred to his social investigation report, which said that the accused was in a marketing job and had no addiction. The report also noted that he gave up the company of the accused after the incident.

# Malabar Hill plan: Citizens renew oppn

FPJ NEWS SERVICE / Mumbai

During a meeting with the local residents, Mumbai city guardian minister Mangal Prabhat Lodha on Tuesday suggested them to resort to protests if their point of view on the vexed issue gets rejected. He also asked them to form a committee for interacting with the authorities concerned. Notably, some residents are already a part of the core committee which has suggested shifting the project elsewhere to save axing of 389 trees in Hanging Gardens.

While the BMC has formed a technical committee to decide on reconstruction or repair of Malabar Hill Reservoir (MHR), the municipality has still continued with the work. Just 15-20 residents turned up to meet Lodha at

VIJAY GOHIL

Hanging Gardens. Core committee member Sarosh Bana said, "Lodha said that if whatever proposed by the public was to be rejected then he would launch 'andolan' if he was in their place."

However, Bana questioned that if not the BMC, Lodha and Deepak Kesarkar then who is the final authority to decide the issue. "A lot is riding on this project. Elections are round the corner and the

cost has escalated from Rs308 crore to Rs698 crore in three years. Why does a plan like this even come up in the first place? The beautiful heritage garden with ancient trees, which is one of the rare open green spaces for citizens, will be ruthlessly destroyed, possibly forever, and kept closed to the public for seven years."

Activist and another core committee member Dr Nilesh Baxi said, "We have not been informed by the BMC yet about the technical committee that was supposed to be formed to decide about the reservoir's reconstruction or repair. The report is expected within one month, but owing to the Diwali festival, the process will be further delayed. More people need to be made aware and gathered to save the trees."

After the resumption of regular train services from 27th Nov 2021 onwards, the Company has conducted and completed the sales assessment, for all the trains (post-paid trains as well as prepaid trains). Further, the company has raised certain demand notices for increased License fee, but some of the licensees have challenged Company's decision of increased License fees in respective Hon'ble High Courts of Delhi, Mumbai, Kolkata and Guwahati. Further, some of the licensees have requested for arbitration. As the matter is sub-judice and the occurrence is dependent on outcome of certain event in future, the impact of increase in License fees for pre-paid and post paid trains has not been recognized in the financial statements for the half year ended on 30th September, 2023 and for previous years up to 31st March, 2023.

No provision was made for the Financial Year 2021-22 in view of the loss incurred in Railneer segment after considering above payment of ₹ 2713.32 lakhs as expense for that year. These matters/amounts are subject to confirmation and reconciliation with Railways.
- As per the terms and conditions of the tender, in respect of 4 PPP Railneer plants, the Developer cum Operator (DCOs) are to be reimbursed the GST on sales (net of Input Tax Credit) availed by them. In the absence of information of ITC availed by DCOs, the ITC receivable amounting to ₹ 121.68 lakhs has been accounted for in the half year ended on 30th September, 2023 only for one plant and in the previous year 2022-23, the impact of ₹ 442.46 Lakhs (Financial Year 2021-22 Rs. 309.28 Lakhs) was accounted for the two plants only. These DCOs have represented against the claim of the Company for Input Tax Credit. This matter is being examined by the Management to decide on the future course of action.

- Arbitration award was pronounced in April, 2022 amounting to ₹ 7400 Lakhs plus simple interest @6% per annum from July, 2018 onwards, in favour of certain licensees which represents principal amount towards claims for supply of welcome drinks not paid to licensees and recovery of differential costs for the supply of regular meals to the passengers on the instructions of Railways whereas the price of combo meal, which is lower than the price of regular meal, was reimbursed to these licensees. The matter has been referred to the Railways for their instructions on the matter as the main liability in this matter would be of Railways and the Company has the right to recovery from Railways in case ultimately it is made liable to pay. As per the Order dated 09.10.2023, of Hon'ble high court, the Company has been advised to deposit bank guarantee amounting to ₹ 10521 Lakhs (₹ 7400 Lakhs plus simple interest @6% per annum upto 19th August, 2023 i.e. till the date of filing the petition). Response from Railway Board is still awaited.  
(b) For the previous Financial Year 2022-23, net income on account of Exceptional items amounting to ₹ 2720.00 Lakhs includes: (i) ₹ 1198.59 Lakhs being excess provisions written back for previous years relating to Performance Related Pay (PRP), (ii) ₹ 1085.74 lakhs being excess provisions written back for previous years relating to Maintenance & Development charges for Internet Ticketing and (iii) ₹ 435.67 Lakhs being excess provisions written back for previous years relating to various other expenses.

गन्ने के भाव में मात्र 14 रुपए की बढ़ोतरी करके बीजेपी-जेजेपी ने गन्ना किसानों के साथ किया मजाक : हुड्डा

सवेरा ब्यूरो
चंडीगढ़, 7 नवंबर : बीजेपी-जेजेपी सरकार ने प्रदेश में गन्ने के प्रति विवृत भाव में मात्र 14 रुपए की वृद्धि करके किसानों के साथ मजाक किया है। यह कहना है पूर्व मुख्यमंत्री और नेता प्रतिपक्ष भूपेंद्र सिंह हुड्डा का। उन्होंने कहा कि प्रदेश के गन्ना किसान लम्बे समय से गन्ने का भाव 450 रुपये प्रति क्विंटल करने की मांग कर रहे हैं और हमारी सरकार ने गन्ने के रेट में रिकॉर्डतोड़ 193 रुपये की बढ़ोतरी कर उसे 117 से बढ़ाकर 310 रुपये तक पहुंचाया था। यानी 9 साल में 165% की बढ़ोतरी की, जो उस समय देश में सबसे ज्यादा भाव था। जबकि, बीजेपी सरकार ने गन्ने का भाव 2014 के बाद 310 से बढ़ाकर 2023-24 में 372 रुपए ही किया, यानी 9 साल में मात्र 20% वृद्धि हुई। उन्होंने कहा कि कांग्रेस सरकार के दौरान किसानों से गन्ना खरीद के साथ तुरंत भुगतान भी सुनिश्चित किया जाता था। 2014 में सरकार छोड़ते समय गन्ना मिलों पर किसानों का एक पैसा बकाया

कहा, हमने 9 साल में गन्ने का भाव 117 रुपये से 310 रुपये यानी 165% बढ़ाया या, जबकि बीजेपी सरकार ने मात्र 20% ही बढ़ाया रेट नहीं था।
भूपेंद्र हुड्डा ने एलान करते हुए कहा कि अगले साल हरियाणा में कांग्रेस की सरकार बनने पर पहली कैबिनेट में ही गन्ने का भाव 450 रुपए प्रति क्विंटल हो जाएगा, जो एक बार फिर देश में गन्ने का सर्वाधिक रेट होगा। उन्होंने कहा कि बीजेपी सरकार ने वर्ष 2015 में वादा किया था कि 2022 तक किसान की आमदनी दोगुनी कर देंगे और 2014 में जब हमने सत्ता छोड़ी तब गन्ने का भाव 310 रुपए था, भाजपा सरकार अगर 2022 तक किसान की आमदनी दोगुनी करने का वादा निभाती तो इस हिसाब से गन्ने का दोगुना भाव 620 बनाता है। लेकिन 2022 का साल गुजरे भी एक साल से ज्यादा बीत गया है, लेकिन इस सरकार में किसान की आमदनी दोगुनी होना तो दूर, किसानों का खर्चा और
