(1)	Due to the seasonal nature of the business, figures for the current and previous quarters are not comparable.	
(2)	The Company has incurred substantial losses in the earlier years, mainly attributable to high sugarcane prices and relatively lower and unviable Sugar prices. The Company is hopeful for the revival of th Sugar Industry in Ultar Pradesh in view of various steps taken by Ultar Pradesh State Government and Central Government. Also, during the year a One Time Settlement (OTS) has been arrived at wit one of the Lender Bank by virtue of which the company expects substantial reduction in finance costs in subsequent financial years with resultant improvement in the profitability and the net worth. Hence these financial results have been prepared on a going concern basis, despite accumulated losses resulting in erosion of its entire net worth.	
(3)	The Ultar Pradesh Electricity Regulatory Commission vide notification dated 25th July, 2019 reduced the power purchase rates of bagasse-based power plants with effect from 1st April, 2019. The Suga Industry has filed a writ petition to challenge such reduction in power rates before the Hon'ble High Court which has been admitted. The Company has considered the impact of such rate revision which resulted in reduction of revenue by Rs.1,002.47 Lakhs for the current quarter and Rs.2,513.54 Lakhs for the year ended 31st March 2020.	
(4)	In December 2019, one of the Lender bank had sanctioned a One Time Settlement (OTS) proposal given by the Company wherein the Company's then existing liability of Rs 17,470 Lakhs towards the said Lender stood settled for Rs 5,500 Lakhs, subject to payment of the entire amount by 31st March 2020. Due to the outbreak of novel corona virus pandemic in March 2020 the company's cash flows were affected and company could pay Rs 3,800 lakhs by 31st March, 2020. The Company requested the bank for extending the tenure of the balance OTS payment period by 6 months. The Company has by 31st July, 2020 paid the full OTS amount of Rs 5,500 Lakhs. In the circumstances, the Company has not made provision for finance cost pertaining to the above borrowings for the financial year amounting to Rs. 2,147.67 Lakhs. During the earlier 3 (three) quarters of the financial year, the Company had provided for the finance cost amounting to Rs. 1,671.37 Lakhs (included in the above amount) on the said borrowings, which stands reversed during the current quarter.  Effects arising out of completion of the OTS will be given on receipt of "No Dues Certificate" from the Bank and settlement of interest for the extended period of the OTS.	
(5)	Effective from April 1, 2019, the Company has adopted Ind AS 116 "Leases". The transition was effected using modified retrospective method. The impact of transition did not have any material impact on financial results for the quarter and year ended March 31, 2020.	
* (6)	The figures for the current quarter and the quarter ended March 31, 2019 are the balancing figures between audited figures of the full financial year ended March 31,2020 and March 31,2019, respectively and published year to date figures up to third quarter ended December 31,2019 and December 31,2018 respectively	
(7)	Based on initial assessment, the Management does not expect any significant medium to long-term impact on the business of the Company due to the COVID-19 pandemic. The Company has evaluated the possible effects on the carrying amounts of property, plant and equipment, inventory and receivables basis the internal and external sources of information and determined, exercising reasonable estimates and judgements, that the carrying amounts of these assets are recoverable.	
(8)	The above results were reviewed by the Audit Committee and were taken on record by the Board of Directors at their meeting held on 07th August, 2020 and audited by Statutory Auditor.	
(9)	Previous Period figures have been regrouped / reclassified, wherever necessary to conform to Current Period classification.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible
  for expressing our opinion on whether the Company has adequate internal financial controls with
  reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### Other Matter

a) On account of the COVID-19 related lockdown restrictions imposed by the government, management was able to perform year end physical verification of inventories at their plant subsequent to the year end. However, we were unable to physically observe the inventory verification carried out by the management. Consequently, we have performed alternate audit procedures to obtain comfort over the existence and condition of inventory at year end, as per the guidance provided in SA-501 "Audit Evidence - Specific considerations for selected items" and have obtained sufficient appropriate audit evidence to issue our unmodified opinion on this Statement.

Our opinion is not modified in respect of this matter.
