Infosys Completes Acquisition of Danske Bank's IT Centre in India

Engagement expands Infosys' footprint and reinforces commitment to the Nordics

Bengaluru, India and Copenhagen, Denmark – September 1, 2023: [Infosys](#) (NSE, BSE, NYSE: INFY), a global leader in next-generation digital services and consulting, today announced that it has completed the acquisition of Danske Bank's IT centre in India. Danske Bank selected Infosys as a strategic partner to accelerate digital transformation initiatives with speed and scale, and this follows the announcement of the strategic collaboration with Danske Bank made on June 26, 2023.

Headquartered in Denmark, [Danske Bank](#) provides banking services to personal and business customers, as well as large corporate and institutional customers. In a bid to accelerate the bank's technology transformation, optimise their access to talent and capabilities, and to further develop customer-facing digital solutions Danske Bank chose Infosys as its strategic partner. This collaboration will help Danske Bank achieve its strategic priorities towards better customer experiences, operational excellence, and a modernised technology landscape, powered by next-gen solutions.

Danske Bank's IT centre in India employs over 1,400 professionals. With its global expertise and industry-solutions, Infosys will accelerate the bank's digital agenda by significantly enhancing their IT operations and capabilities, powered by [Infosys Topaz](#), an AI-first set of services, solutions and platforms, experience design, and services that support operations.

This collaboration reaffirms our commitment to Nordics, a strategic market for Infosys, and underlines Infosys' leadership position and expertise in Financial Services across Europe.

Infosys is excited about this collaboration with Danske Bank and welcomes employees joining our team as part of this journey.

About Danske Bank A/S

For more than 150 years, Danske Bank has strived to be a driver of growth and development in society. We have developed in tandem with the societies we are part of, and our advisory services, expertise and financial solutions have helped individuals, families, businesses and organisations to realise their ambitions and potential. With long-term [sustainable](#) development as [our ambition](#), we will continue to work every day to be the best possible bank, for the benefit of our customers, employees, shareholders and the societies we are part of.

About Infosys

Infosys is a global leader in next-generation digital services and consulting. Over 300,000 of our people work to amplify human potential and create the next opportunity for people, businesses and communities. Safe Harbor

Certain statements in this release concerning our future growth prospects, or our future financial or operating performance are forward-looking statements intended to qualify for the 'safe harbor' under the Private Securities Litigation Reform Act of 1995, which involve a number of risks and uncertainties that could cause actual results or outcomes to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding the execution of our business strategy, our ability to attract and retain personnel, our transition to hybrid work model, economic uncertainties, technological innovations such as Generative AI, the complex and evolving regulatory landscape including immigration regulation changes, our ESG vision, our capital allocation policy and expectations concerning our market position, future operations, margins, profitability, liquidity, capital resources, and our corporate actions including acquisitions. Important factors that may cause actual results or outcomes to differ from those implied by the forward-looking statements are discussed in more detail in our US Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2023. These filings are available at www.sec.gov. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Company's filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
