**Independent Auditor's Review Report on the Unaudited Quarterly Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

**Review Report to**  
**The Board of Directors,**  
**DCM Limited**  
**New Delhi**

1. We have reviewed the accompanying statement of unaudited standalone financial results of **DCM Limited** (the Company) for the quarter ended September 30, 2022 and the year to date results for the period April 01, 2022 to September 30, 2022, along with notes (the statement), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" (Ind AS 34) prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists primarily of making inquiries of company personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in all material respects in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards (Ind-AS) specified under section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Listing Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Emphasis of matters**

5. Without modifying our conclusion, we draw attention to Note 3 of the statement, during the earlier year in view of continued situation of industrial unrest Company has declared lockout at its engineering business undertaking. On the basis of legal advice Management of the Company is of the view that the present lockout is legal and justified. Therefore, the Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to September 30, 2022 aggregating to Rs. 5,176 lakhs (current quarter Rs. 378 lakhs).

Material Uncertainty on Going Concern

6. We draw attention to Note: 5 of the statement highlighting that due to recession in automotive sector and industrial unrest the Company is facing liquidity issues towards clearing of its statutory dues and vendor payments pertaining to its Engineering Division. This has significantly eroded the Company's net worth and the current liabilities exceed the current assets by Rs. 3,554 lakhs as at September 30, 2022. The Company has initiated restructuring of its Engineering Division as explained in the Note 4. The management of Company believes that with the restructuring of its Engineering Business Undertaking and infusing liquidity by focusing /managing of its remaining business undertaking/real estate operation, the Company will be able to continue its operation on a going concern basis. Accordingly, the statement of the Company has been prepared on a going concern basis. Our conclusion is not modified in respect of this matter.

2. This Statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable.
3. In view of continued situation of industrial unrest at Engineering Business Undertaking of the Company, situated at Village Asron, District Shaheed Bhagat Singh Nagar (Punjab), the management of the Division has recommended to declare a lockout. The Board of Directors of the Company in their meeting held on October 21, 2019 has accordingly approved the declaration of lockout at its said Business Undertaking w.e.f. October 22, 2019.

The said lockout was opposed by the workmen of said Engineering Division before the Labour Authorities and presently the matter remained sub-judice before the labour authorities. Based on the legal advice received by the Company, the management is of the view that the present lockout is legal and justified. Therefore, the Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to September 30, 2022 aggregating to Rs. 5,176 lakh out of which Rs. 378 lakh pertain to quarter ended on September 30, 2022.

4. The Board of Directors of the Company in its meeting held on November 28, 2019, have approved a composite scheme of arrangement for transfer of its "Engineering Business undertaking" to its wholly owned subsidiary namely DCM Engineering Limited (formerly known as DCM Tools and Dies Limited), on a going concern basis with effect from the appointed date of October 01, 2019, and restructuring of outstanding loans, debts and liabilities of said Engineering Business Undertaking. The filing of Scheme for seeking approval from Hon'ble National Company Law Tribunal (NCLT) under Section 230 - 232 of the Companies Act, 2013 remained pending awaiting in principle approval of secured lenders (Banks) due to default in payment of their dues. Pursuant to repayment of dues of all the banks as stated in note No 5 below, the Company is in process of taking necessary steps in this regard.

Since, the aforesaid Scheme is subject to approval from concerned regulatory authorities which is considered to be substantive, the accounting effect of the above Scheme has not been considered in these standalone financial results. For revival of the Engineering Business Undertaking of the Company, it is considered necessary to induct strategic partner(s) in the said Business.

5. Due to continued situation of lockout of Engineering Business operation, the Company's net worth has significantly been reduced and the current liabilities exceed the current assets by Rs 3554 lakhs as at September 30, 2022. As a result, the Company has been facing liquidity issues towards clearing the dues of creditors/banks and other liabilities pertaining to the said Engineering Business. However, the Company has repaid the dues of all the banks under one time settlement as well as majority of the claims of other creditors out of the liquidity available from its real estate operation and/or other interim measures taken in this regard.

The Scheme of Arrangement mentioned in note 4 above was approved by Board of Directors in order to restore profitability and revive the said Engineering Business Undertaking and infuse sufficient liquidity by facilitating strategic investment and further sale/development of land parcel(s) owned by the Company and/or restructuring/settlement of outstanding loans, debts and liabilities pertaining to the Engineering Business.

The management believes that with the above restructuring of Engineering Business Undertaking under the said Scheme and infusing liquidity by focusing /managing of its remaining business undertaking/real estate operation (refer note 8 below) as well as other interim measures to improve liquidity, the Company will be able to continue its operation on a going concern basis.

Accordingly, the financial results of the Company have been prepared on a going concern basis.

6. Other income includes income from transfer of right in residential flats of amount Rs.(58.50) lakh for the quarter ended September 30, 2022 (Quarter ended June 30, 2022- Rs. 100 lakh) and Liabilities / Provision no longer required written back of amount Rs. 781 lakh for the quarter ended September 30, 2022 (Quarter ended June 30, 2022- Rs.44 lakh)
7. The Company had received certain recovery notices/petitions from the creditors and the bankers who have provided working capital/terms loan facilities to the Engineering Division of the Company. Pursuant to repayment of dues to all the banks as well as majority of the claims of other creditors mentioned in note. 5 above, most of these recovery notices/ petitions have been withdrawn or are in the process of withdrawal. Further, the banking operation of the Company which was discontinued by the Bankers in view of notification of RBI restricting opening/operation of current account by customers who have availed Cash Credit / Overdraft facilities, have also become regular
8. The Company is in process for development of its 68.35 acres of land in the revenue state of Village Bir Hisar, Sector-23, Hisar, Haryana. The Company has signed a joint development agreement in this regard with a party which is subject to fulfilment of certain terms and conditions by the said party and regulatory approvals. The Company has received a license on November 10, 2022 under Regulation of Urban Area Act, 1975 for setting up of affordable residential plotted colony under Deen Dayal Jan Awas Yojana-2016 on the area admeasuring 67.275 acres of said land.
9. The Company has reviewed the deferred tax asset/deferred tax liabilities on deductible/taxable temporary differences between tax base of asset and liabilities and their carrying amount for financial reporting purposes at each reporting date. However, due to continue situation of uncertainty of sufficient taxable profit to recover the accumulated losses and unused tax credits taxable profits in future years, deferred tax asset have not been considered in the financial results.
10. The figures for the previous periods have been regrouped / rearranged wherever necessary.
11. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on November 12, 2022. The limited review report of the statutory auditors is being filed with the BSE Ltd and National Stock Exchange of India Ltd. **Independent Auditors' Review Report on the Unaudited Quarterly Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

Review Report to  
The Board of Directors  
DCM Limited  
New Delhi

1. We have reviewed the accompanying statement of unaudited consolidated financial results of DCM Limited (the 'Holding Company' or 'Company'), its subsidiaries (the Holding and its Subsidiaries together referred as 'the Group') and joint venture (including its subsidiary companies together referred to as "Jointly controlled entities") for the quarter ended September 30, 2022 and the year to date results for the period April 01, 2022 to September 30, 2022, along with notes (the 'Statement'), attached herewith being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended (the Act), read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard required that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular no. CIR/CFD/CMDI/44/2019 dated March 29, 2019, issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes results of the following entities:

a. **Subsidiaries**

- 1 DCM Landmark Estates Limited (formerly known as DCM Textiles Limited)
- 2 DCM Infinity Realtors Limited (formerly known as DCM Data Systems Limited)
- 3 DCM Infotech Limited (formerly known as DCM Reality Investment & Consulting Limited)
- 4 DCM Engineering Limited (formerly known as DCM Tools and Dies Limited)

2. Kalptru Reality Private Limited (subsidiary of jointly controlled entity)
3. Kamayani Facility Management Private Limited (subsidiary of jointly controlled entity)
4. Vighanharta Estates Private Limited (subsidiary of jointly controlled entity)

5. Based on our review conducted and procedure performed as per para 3 above and upon considerations of reports of other auditors read with para 8 below and management certified financial information, nothing further has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the applicable Indian Accounting Standards i.e. 'Ind AS' prescribed under Section 133 of the Act, read with relevant Rules issued thereunder and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulation, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Emphasis of Matter**

6. Without qualifying our conclusion, we draw attention to Note 3 to the accompanying statement, during the earlier year in view of continued situation of industrial unrest, Holding Company has declared lockout at its engineering business undertaking. On the basis of legal advice, Management of the Holding Company is of the view that the present lockout is legal and justified and therefore, the Holding Company has not made any provision for wages pertaining to the lockout period from October 22, 2019 to September 30, 2022 aggregating to Rs. 5,176 lakhs (current quarter 378 lakhs).

**Material Uncertainty on Going Concern**

7. We draw attention to Note 5 to the accompanying consolidated statements, highlighting that due to recession in automotive sector and industrial unrest the Company is facing liquidity issues towards clearing of its statutory dues, vendor payments and borrowings pertaining to its Engineering Division. This has significantly eroded the Group's and jointly controlled entity net worth and the current liabilities exceed the current assets by Rs. 1,287 lakhs as at September 30, 2022. The Holding Company has initiated restructuring of its Engineering Division as explained in the said note. 2. This Statement has been prepared in accordance with the Companies (Indian Accounting Standards) Rules, 2015, as amended (Ind AS), prescribed under Section 133 of the Companies Act, 2013, and other recognized accounting practices and policies to the extent applicable.
3. In view of continued situation of industrial unrest at Engineering Business Division of the Holding Company, situated at Village Asron, District Shaheed Bhagat Singh Nagar (Punjab), the management of the Division has recommended to declare a lockout. The Board of Directors of the Holding Company in their meeting held on October 21, 2019 has accordingly approved the declaration of lockout at its said Engineering Business Undertaking w.e.f. October 22, 2019.

The said lockout was opposed by the workmen of said Engineering Division before the Labour Authorities and presently the matter remained sub-judice before the labour authorities. Based on the legal advice received by the Holding Company, the management of the Holding Company is of the view that the present lockout is legal and justified. Therefore, the Holding Company has not made any provision for wages pertaining to the lockout period October 22, 2019 to September 30, 2022 aggregating to Rs. 5,176 lakhs out of which Rs. 378 lakhs pertain to quarter ended on September 30, 2022.

4. The Board of Directors of the Holding Company in its meeting held on November 28, 2019, have approved a composite scheme of arrangement for transfer of its "Engineering Business undertaking" to its wholly owned subsidiary namely DCM Engineering Limited (formerly known as DCM Tools and Dies Limited), on a going concern basis with effect from the appointed date of October 01, 2019 and restructuring of outstanding loans, debts and liabilities of the said Engineering Business Undertaking. The filing of Scheme for seeking approval from Hon'ble National Company Law Tribunal (NCLT) under Section 230 – 232 of the Companies Act, 2013 remained pending awaiting in principle approval of secured lenders (Banks) due to default in payment of their dues. Pursuant to repayment of dues of all the banks as stated in note No 5 below, the Company is in process of taking necessary steps in this regard.

Since, the aforesaid Scheme is subject to approval from concerned regulatory authorities which is considered to be substantive, the accounting effect of the above Scheme has not been considered in these consolidated financial results. For revival of the Engineering Business Undertaking of the Group, it is considered necessary to induct strategic partner(s) in the said Business.

5. Due to continued situation of lockout of Engineering Business operation, the Group's net worth has significantly been reduced and the current liabilities exceed the current assets by Rs 1287 lakhs as at September 30, 2022. As a result, the Holding Company has been facing liquidity issues towards clearing the dues of creditors/banks and other liabilities pertaining to the said Engineering Business. However, the Holding Company has repaid the dues of all the banks under one time settlement as well as majority of the claims of other creditors out of the liquidity available from its real estate operation and/or other interim measures taken in this regard.

The Scheme of Arrangement mentioned in note 4 above was approved by Board of Directors in order to restore profitability and revive the said Engineering Business Undertaking and infuse sufficient liquidity by facilitating strategic investment and further sale/development of land parcel(s) owned by the Holding Company and/or restructuring/settlement of outstanding loans, debts and liabilities pertaining to the Engineering Business.

The management believes that with the above restructuring of Engineering Business Undertaking under the said Scheme and infusing liquidity by focusing /managing of its remaining business undertaking/real estate operation (refer note 8 below) as well as other interim measures to improve liquidity, the Company will be able to continue its operation on a going concern basis.

Accordingly, the financial results of the Company have been prepared on a going concern basis.

6. Other income includes income from transfer of right in residential flats of amount Rs.(58.50) lakh for the quarter ended September 30, 2022 (Quarter ended June 30, 2022- Rs. 100 lakh) and Liabilities / Provision no longer required written back of amount Rs. 781 lakh for the quarter ended September 30, 2022 (Quarter ended June 30, 2022- Rs.44 lakh).
7. The Holding Company had received certain recovery notices/petitions from the creditors and the bankers who have provided working capital/terms loan facilities to the Engineering Division of the Company. Pursuant to repayment of dues to all the banks as well as majority of the claims of other creditors mentioned in note. 5 above, most of these recovery notices/ petitions have been withdrawn or are in the process of withdrawal. Further, the banking operation of the Holding Company which was discontinued by the Bankers in view of notification of RBI restricting opening/operation of current account by customers who have availed Cash Credit / Overdraft facilities, have also become regular.
8. The Holding Company is in process for development of its 68.35 acres of land in the revenue state of Village Bir Hisar, Sector-23, Hisar, Haryana. The Company has signed a joint development agreement in this regard with a party which is subject to fulfilment of certain terms and conditions by the said party and regulatory approvals. The Holding Company has received a license on November 10, 2022 under Regulation of Urban Area Act, 1975 for setting up of affordable residential plotted colony under Deen Dayal Jan Awas Yojana-2016 on the area admeasuring 67.275 acres of said land.
9. The Holding Company has reviewed the deferred tax asset/deferred tax liabilities on deductible/taxable temporary differences between tax base of asset and liabilities and their carrying amount for financial reporting purposes at each reporting date. However, due to continue situation of uncertainty of sufficient taxable profit to recover the accumulated losses and unused tax credits taxable profits in future years related to holding Company, deferred tax asset have not been considered in the financial results.
