Management Discussion & Analysis

Economy Overview of Plastic Industry

The COVID-19 pandemic has had a more negative impact on activity than anticipated, and the recovery is projected to be more gradual than previous forecast. In 2021 global growth is projected at 5.4%. Overall, this would leave 2021 GDP 6.5% lower than in pre-COVID-19 projections of January 2020. The downward revision to growth prospects for emerging market and developing economies over FY 2020-21 (2.8 percentage points) exceeds the revision for advanced economies (1.8 percentage points). Excluding China, the downward revision for emerging market and developing economies over FY 2020-21 is 3.6 percentage points. (Source: IMF).

Indian Scenario

India has emerged as the fastest growing major economy in the world as per the Central Statistics Organisation (CSO) and International Monetary Fund (IMF) and it is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. Indian economy is expected to grow at a rate of 9.6 per cent in the year 2021-22. The improvement in India's economic fundamentals has accelerated with the combined impact of strong government reforms, Reserve Bank of India's (RBI) inflation focus supported by benign global commodity prices.

Overview of Global Plastic Industry

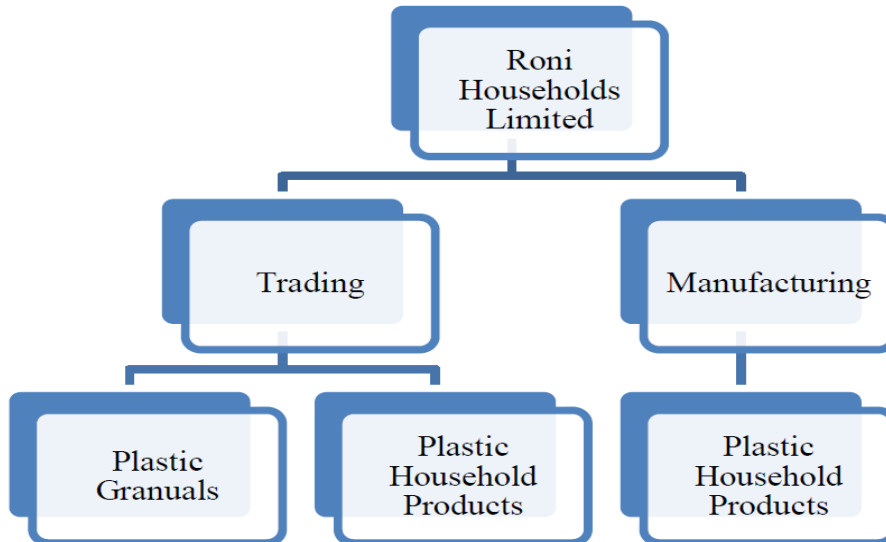

Global economic growth is generally interlinked to petrochemical consumption where plastic is an important partner. Plastic processing is the pillar of economy in most of the advanced economies.

Road Ahead

Global plastics market is projected to grow at a CAGR of 7.03% from 2017 to 2025, as per Orian Research. Plastics are used in a variety of industries: construction, packaging, appliance, automobile, textile, transportation, and many others. A large number of manufacturers supply many different products to numerous end-users for a multitude of applications. The major drivers for plastics market would be its low cost, flexibility of use, easy manufacturing capabilities, growing construction in Asia-Pacific region among others. Thus, plastics can be regarded as synthetic or semi-synthetic organic solids which can be transformed into several useful products. Also, the paradigm shift of technology to recycle plastics for end-use applications provide significant opportunities to the entire supply chain of the plastics market.

RONI HOUSEHOLDS LIMITED

Company Profile and Performance:

Business Process:

1. Trading Business Process

The trading business vertical of the company is a B2B model and operates primarily on an agency basis wherein the goods are procured from suppliers on cash or credit basis and supplied to customers on credit basis. The procurement of goods is carried out on an “order” basis as well as “demand estimation basis”.

2. Proposed Manufacturing Process

The basic raw material is PVC Granuals. This raw material is fed into the Feeding hopper of Injection Moulding Machine. Wherein, the raw material is heated by the heater and is converted into hard solvent and the hard solvent then injected into moulds. Water is circulated and re-circulated on moulds for cooling purpose. The injection moulding items are then packed and are ready for sale.

Capacity Utilization

Our company does not have any operating history with respect to capacity and capacity utilization. However, our proposed manufacturing plant will have better production capacity in upcoming fiscal 2022.

RONI HOUSEHOLDS LIMITED

Outlook & Opportunities:

- The Governments' 'Make in India' initiative will facilitate the industry with common infrastructure and a consequent rapid flow of FDI into the sector which will accelerate growth.
- As an environmentally conscious company, we stand to benefit from stricter environment norms.
- The Indian specialty plastic industry continues to enjoy advantages in terms of labour costs.
- The Company enjoys additional advantages of product development capabilities, branding and distribution.

Challenges:

- Fragmentation and lack of scale: Only a few Indian companies have the ability to compete with global giants on product development and innovation. It is an advantageous situation as it is one of the larger specialty plastic companies in India.
- Commoditisation: Only niche products enable companies to protect their margins. Focusing more on this segment would be of greater benefit.
- Regulations: The cost of compliance could make operations increasingly economically unviable for small players. Ability to scale up, offering differentiated products through innovations, implementing an effective sales and marketing strategy and maintaining high levels of regulatory standards will clearly separate winners from the crowd in this space.

Risks and Concerns:

The Company follows Enterprise Risk Management (ERM) tools to define, identify and assess report and drive the mitigation of risk throughout the group. The tool is designed to provide risk score measures for each of the potential risks as well as its financial, reputational and operational impact. It also provides risk improvement plans, critical success factors and target dates to control risks.

The Company has aligned its policy on risk assessment with the global approach, and risk assessment reports are reviewed at regular intervals. The Company has also adopted a focused approach towards risk management in the form of a corporate insurance programme. The goal of this programme is to optimise the financing of insurable risks by using a combination of risk retention and risk transfer. The programme covers all potential risks relating to the business operations of the Company at its various locations. As part of the global policy, the relevant parameters for all manufacturing sites are analysed to minimise the risk associated with protection of environment, safety of operations and health of people at work. These are then monitored regularly with reference to statutory regulations prescribed by government authorities and guidelines defined by the Company. The Company fulfils its legal requirements concerning emission, waste water and waste disposal. Improving workplace safety continues to be a top priority at all manufacturing sites.

The Company continues its focus on compliance in all areas of its business operations by rationalising and strengthening controls. This is also an important component of the Company's code of conduct. The Company has set in place the requisite mechanism for meeting with the compliance requirements and periodic monitoring to avoid any deviation. The Company aims to set exemplary and sustainable standards, not only through products, services and performance, but also through integrity and behaviour. As part of our efforts to ensure that we maintain such exemplary standards and to provide employees with a good understanding of the demands of anti-bribery and corruption laws, the Company has launched intranet based training modules on the topic of Preventing Bribery and Corruption.

The business operations of the Company are exposed to a variety of financial risks such as market risk (foreign exchange risk, interest rate risk and price risk); credit risk, liquidity risk etc. The risk management programme focuses on unpredictability of financial markets and seeks to reduce potential adverse effects on the financial performance. The Company's business critical software is operated on a server with regular maintenance and back-up of data and is connected to a centralised computer centre with physically separated server parks operated by the Company group. The system's parallel architecture overcomes failures and breakdowns. The global communication network is managed centrally and is equipped to deal with failures and breakdowns.

Internal Control Systems and Their Adequacy

The Company has adequate internal control procedures commensurate with its size and nature of business in India. The Company has clearly laid down policies, guidelines and procedures that form a part of the internal control systems. The adequacy of Internal Control Systems, which encompasses the Company's business processes and financial reporting systems, is examined by the management as well as by its internal auditors at regular intervals.

The internal auditors carry out audits at regular intervals in order to identify weaknesses and suggest improvements for better functioning. The observations and recommendations of the Internal Auditors are discussed by the Audit Committee to ensure effective corrective action.

RONI HOUSEHOLDS LIMITED

Human Resources

The Company acknowledges that its committed and talented workforce is the key factor driving sustainable performance and growth. As one of the most critical assets of the Company, its people are responsible for its competitive advantage. In line with its business imperatives, emphasis continues to be on recruiting and retaining the most relevant talent. These resources are then nurtured, developed, motivated and empowered so that their performance is optimised.

It continuously seeks to inculcate within its employees a strong sense of business ethics and social responsibility. Relations with the employees at all levels remained cordial during the year.

Change in Return on Net Worth

The return on Net worth for the financial year 2020-21 has increased by 2% as compared to preceding financial year.

Independent Auditors' Report

To the Members of

Roni Households Limited (Formerly known as Roni Households Private Limited)

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying financial statements of **Roni Households Limited (Formerly known as Roni Households Private Limited)** ("the Company"), which comprises of Balance Sheet as at March 31, 2021, the Statement of Profit and and the Statement of Cash Flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, its profits its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of other information. The Other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board report, Business responsibility Report, Corporate Governance report and Shareholder's information, but does not include the financial statement and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work and (ii) To evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. Pursuant to the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.
 - (c) The Balance sheet, the Statement of Profit & Loss the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Account) Rules, 2014.

(e) On the basis of the written representation received from the directors as on March 31, 2020 taken on records by the Board of Directors, none of the directors are disqualified as on March 31, 2021 from being appointed as a Directors in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in Annexure "B".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Sec 197(16) of the Act, as amended:

(i) With respect to the matters to be included in the Auditor's report in accordance with the rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Annexure B to the Independent Auditor's Report

ANNEXURE "B" REFERRED TO IN "REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS" SECTION OF OUR REPORT TO THE MEMBERS OF Roni Households Limited (Formerly known as Roni Households Private Limited) OF EVEN DATE:

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of the **Roni Households Limited (Formerly known as Roni Households Private Limited)** ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential component of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the

assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the entity are being made only in accordance with authorisations of management; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential Component of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note No 2. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

B. Use of Estimates

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

C. Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature reported amounts of assets and liabilities on the date of financial statements and the reported amounts of revenues and expenses during the reported period. Differences between the actual results and estimates are recognized in the period in which the results are known / materialize.

D. Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposit with banks. Cash equivalents are short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into loan amounts of cash and which are subject to insignificant risk of changes in values.

E Property, Plant & Equipment and intangible assets

- i) Tangible Fixed Assets are stated at cost of acquisition or construction (net of GST) less accumulated depreciation and impairment losses. The cost of assets comprises of its purchase price and any directly attributable cost of bringing the assets to their location and working condition upto the date of its intended use.
- ii) Intangible assets are stated at cost less accumulated amortization. Cost includes directly attributable expenditure for making the assets for its intended use.
- iii) Capital Work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition / construction of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

F. Component Accounting

Due to application of Schedule II to the Companies Act, 2013, the company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset. These components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

RONI HOUSEHOLDS LIMITED (Formerly known as Roni Households Private Limited)
Notes to Financial Statements for the year ended on 31st March, 2021.

G. Depreciation and Amortization

Depreciation on Tangible Fixed Assets is provided on prorated basis for the period of use, on written down method at the rates determined based on useful lives of respective assets as prescribed in the Schedule II of the Companies Act, 2013.

H. Impairment

The carrying amounts of Tangible Fixed Assets are reviewed at each balance sheet date to determine, if there is any indication of impairment based on external/internal factors. An impairment loss is recognized wherever the carrying amount of Tangible Fixed Assets exceeds its recoverable amount which represents greater of the "net selling price" and "value in use" of the respective assets. The impairment loss recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.

I. Leases

Lease payments under an operating lease are recognized as expense in the Statement of Profit and Loss as per terms of lease agreement.

J. Revenue Recognition

a. Sale of goods:

Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and that the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership of the goods have been passed to the buyer. The company collects GST on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue. Excise duty deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the years.

Claims / Refunds not ascertainable with reasonable certainty are accounted for, on final settlement and are recognized as revenue on certainty of receipt on prudent basis.

b. Rendering of services:

Revenue from sale of services are recognized when the services are rendered.

C. Other Income

Dividend income on investments is recognised when the right to receive dividend is established.

Interest income is recognized on a time proportionate basis taking into account the amounts invested and the rate of interest. For all financial instruments measured at amortised cost, interest income is recorded using the Effective interest rate method to the net carrying amount of the financial assets.

K. Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with.

Government grants related to revenue are recognised on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate. Such grants are deducted in reporting the related expense. When the grant relates to an asset, it is recognized as income over the expected useful life of the asset

RONI HOUSEHOLDS LIMITED (Formerly known as Roni Households Private Limited)
Notes to Financial Statements for the year ended on 31st March, 2021.

L. Investments

- i) Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. The portion of long term term investments expected to be realized within twelve months after the reporting date are disclosed under current investments.
- ii) On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees & duties.
- iii) Long-Term Investments are stated at cost. Provision for diminution is made if the decline in value, in the opinion of the management, is other than temporary in nature.

M Inventories

Stock of Raw Materials used in manufacturing that is Plastic granuals is valued at cost or net realisable value whichever is lower. Cost is arrived at on FIFO Basis.

Stock of Materials-in-Process and Finished goods is valued at cost or net realisable value whichever is lower.

Inventories of traded goods (Toor Chunni)and Plastic Scrap and Finished goods are valued at cost or net realizable value whichever is lower.

Net Realizable Value is the estimated selling price in the ordinary course less the estimated cost of completion and the estimated costs necessary to make the sale.

N. Borrowing Cost

Borrowing cost directly attributable to the acquisition or construction of qualifying assets is capitalized until the time all substantial activities necessary to prepare the qualifying assets for their use are complete. A qualifying asset is the one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are recognized as expenses in the period in which they are incurred.

RONI HOUSEHOLDS LIMITED (Formerly known as Roni Households Private Limited)
Notes to Financial Statements for the year ended on 31st March, 2021.

O. Taxation

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i. e. the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of MAT under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

P Foreign Currency Transactions and Derivatives

Foreign Currency Transactions and balances:

(i) Initial recognition

Foreign Currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date.

(iii) Exchange differences

The company accounts for exchange differences arising on translation/ settlement of foreign currency monetary items as below:

1. Exchange differences arising on long-term foreign currency monetary items related to acquisition of a fixed asset are capitalised and depreciated over the remaining useful life of the asset.
2. All other exchange differences are recognised as income or as expenses in the period in which they arise.

(iv) Forward exchange contracts entered into to hedge foreign currency risk of an existing asset/ liability

The premium or discount arising at the inception of forward exchange contract is amortised and recognised as an expense/ income over the life of the contract. Exchange differences on such contracts, are recognised in the statement of profit and loss in the period in which the exchange rates change. Any profit or loss arising on cancellation or renewal of such forward exchange contract is also recognised as income or as expense for the period. None of the foreign exchange contracts are taken for trading or speculation purpose.

Q Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

RONI HOUSEHOLDS LIMITED (Formerly known as Roni Households Private Limited)
Notes to Financial Statements for the year ended on 31st March, 2021.

R Provisions

A provision is recognised when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. The expense relating to any provision is presented in the statement of profit and loss, net of any reimbursement.

S Earning Per Share

Basic Earning Per Share (EPS) is computed by dividing the net profit or loss for the year attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit or loss for the year attributable to Equity Shareholders by the weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares, except where the result are anti-dilutive.

Note 31:Turnover in Cash And Closing Cash Balance

The Company's recorded turnover comprises cash sales, over which there was no system of internal control on which we could rely for the purpose of our audit. There were no other satisfactory audit procedures that we could adopt to satisfy ourselves that the recorded turnover was free from material misstatements.

Further Closing Cash Balance is taken as per certificate from Board of Director.

Note 32:Trade Receivable

Included in debtors shown on the balance sheet is an amount of Rs. 1,24,19,547 due from HNO Furnishing Limited, Rs.30,35,773 due from Gyanshewar Venture Private Limited and Rs.2,49,559 due from Sweet Industries Private limited was outstanding from more than one year . The Company has no security for this debt. On the basis that no security has been obtained and no amount has been received during the financial year, in our opinion the Company should make a full provision for impairment but Management is of view that there is delay in recovery due to Covid -19 and on the basis of Representation letter by Board having reasonable assurance of recovery and making provision of Rs.7,85,243/ (@ 5% of amount Due), reducing profit before taxation for the year and net assets at 31, March 2021 by that amount.

Note 36:- Impact of Covid 19 on Financial statements

In March 2020, the WHO declared the Novel Coronavirus disease (COVID 19) outbreak as a pandemic which continues to spread across the country. On 25/03/2020, the Government of India has declared this pandemic a health emergency, ordered temporarily close of all non-essential businesses, imposed restrictions on movement of goods/material,travel, etc. As the nature of business performed by the Company,majorly, fell under non-essential category, these restrictions had resulted in temporarily suspension of operations at plant for a duration of about 40 to 45 days. The Company has since, after receiving applicable permissions, partially commenced operations including despatch of goods to its' customers at all of its manufacturing facilities and scaling up the same gradually.

There are no other material changes or commitments occurring after 31st March 2021, which may affect the financial position of the company or may require disclosure.
