Indian Energy Exchange is Great Place To Work certified

New Delhi, January 25, 2023 – Indian Energy Exchange (IEX), India’s premier energy marketplace, has been certified as a Great Place To Work® in India for the year January 2023 – 24. IEX has received this global recognition in the ‘mid-size company’ category. Indian Energy Exchange is India’s first Great Place To Work Certified Power Exchange.

The certification is an acknowledgment of IEX’s commitment to encourage a high-performance environment built on the value pillars of - Integrity, Trust and Respect, Customer-centricity, Teamwork and Excellence. These values are the driving force behind IEX’s constant endeavour to become a world-class organisation by fostering an inclusive, highly collaborative and open work culture for its people, led by technology and innovation.

Commenting on the certification, **Mr SN Goel, CMD, IEX** said “*We are honoured to be certified as a Great Place to Work. This certification is a recognition of IEX’s commitment to become the most employee-centric organisation, by empowering them across all aspects – work and career, learning & development, growth, compensation, and most-importantly, their overall well-being. Together with our people, we will continue to deepen the power markets in the country and facilitate India’s energy transition towards a green future. We are grateful to each and every employee at IEX for making us a Great Place To Work. We stand committed in our resolve to invest in a culture which encourages everyone to learn, thrive, and grow along with the organisation.*”

The certification was awarded after rigorous evaluation of the company’s leadership, HR practices and holistic organizational culture, as well as through an anonymous survey conducted to gain feedback from employees on the organizational culture.

The Great Place To Work® is the global authority on workplace culture. The Institute’s research shows that great workplaces are characterized by great leadership, consistent employee experience, and sustainable financial performance.

About IEX:

IEX is India’s premier energy exchange providing a nationwide, automated trading platform for physical delivery of electricity, renewable energy and certificates including renewable energy certificates as well as the energy saving certificates. The exchange platform enables efficient price discovery and increases the accessibility and transparency of the energy market in India while also enhancing the speed and efficiency of trade execution. The Exchange is ISO Certified for quality management, Information security management and environment management since August 2016. The Exchange is a publicly listed company with NSE and BSE since October 2017 and is approved and
