---

To the Board of Directors of  
The State Trading Corporation of India Limited

- 1 We have reviewed the accompanying statement of Standalone unaudited financial results of **The State Trading Corporation of India Limited** for the quarter and nine months ended 31st December 2022 .

## 5 Basis for Qualified Opinion

a) **Non provision in respect of the items / matters as indicated below, has resulted in the loss shown being understated by INR 70,857.37 lacs for the quarter and nine months ended 31st December, 2022. Consequently, the reserve and surplus (negative) is also understated by Rs. 70,857.37 lacs.**

1. *Lease period for plot at Mallet Bunder, Mumbai Port Trust has already expired and the land has been handed over to Mumbai Port Trust. Surrender certificate has been executed on 12.11.2021. But this still continues to be shown as non-current assets held for sale. Thus, non-current assets held for sale has been overstated by Rs. 1167 lacs. It will also have consequential impact on the Statement of Profit and Loss account resulting into **understatement of loss by Rs. 1,167 lacs.***

2. *All trade receivables amounting to 1,69,506.74 lacs as per Note No. 9 have been outstanding for more than 3 years. The Company has made provision for bad and doubtful debts amounting to Rs. 62,727.62 lacs and another sum of Rs. 67,876.53 lacs have been shown as "Having Significant increase in credit risk" since the same is under litigation. As per Note No.9, it is explained that no provision has been made for the same since the relevant creditors will be paid only after recovery of these trade receivables, though in most of the cases agreements are not tripartite. Further there has been no recovery during the nine months and there is no major update of legal cases which are pending at various forums. Thus trade receivable do not seems to be stated at realisable value less cost to be incurred to recover these trade receivables. There is also no balance confirmation available for these trade receivables as on 31st December, 2022 and hence we are unable to comment upon the genuineness and effect of the same on the financial statements, if any.*

*We are of the view that all trade receivables amounting to 1,69,506.74 lacs are considered doubtful of recovery resulting into short provision for doubtful debts amounting to Rs. 1,06,779.12 lacs. Thus the provision for bad and doubtful debts has been understated by Rs. 1,06,779.12 lacs and consequential impact on the statement of profit and loss account resulting into **understatement of loss by Rs. 1,06,779.12 lacs.***

*Further in case of M/s Rajat Pharmaceuticals Ltd (RPL), who drew bills of exchange on STC which were accepted upon receipt of overseas buyer's pre-acceptance to STC's bills of exchange. However, the foreign buyers defaulted in making payments against the export bills and have gone into liquidation. A sum of Rs.527.86 crores has been admitted by the liquidator of one of the foreign buyer's*

*i.e. Loben Trading Co. Pte. Ltd, Singapore. A Decree of Rs 62.47 crores approx. has been passed by Hon'ble Bombay High Court in favour of STC against the dues from another foreign buyer i.e Sweetland Trading Pte Ltd., Singapore. As of current date, RPL has gone into liquidation and official liquidator is appointed by Hon'ble High Court of Bombay. The matter is also under investigation by CBI. Banks & Financial institutions have filed legal suit against RPL before DRT making STC also a party to the case claiming Rs. 476.47 Crore. For matters other than RPL, as all these matters are sub-judice and/or under investigation of CBI and we are unable to comment upon the genuineness and effect of the same on the Financial results.*

3. *The memorandum of the OTS (MOTS) proposal with lender banks (relates to STC only) is still in progress and is in line with the minutes of the high-level meeting held in 29.08.2019 and the further clarificatory letter dated 13.10.2020 of the Administrative Ministry. The liability towards banks is proposed to be settled by the way of transfer of title of identified property worth Rs.300 crore on "as is where is basis" as a full and final settlement.*

*However, as per the recent correspondence between Canara Bank (lead bank) and STC dated 22.04.2022, the lender bank has given two options to the latter: -*

- A) *Execution of equitable mortgage in favour of the lead bank at Delhi so that lenders can legally proceed for sale of properties mentioned in the Settlement Agreement with the authority to sell and realise the sale amount.*
- B) *As joint suit is pending before the DRT-II, Delhi, the lenders shall proceed before DRT in execution of the consent decree for the accepted OTS amount of Rs. 300 cr.*

*The decision making is pending with STC to convey their acceptance of suitable option for moving the MOTS ahead subject to seeking opinion from senior Government advocate. Pending settlement of OTS, the company has not provided any interest further in its quarterly financial results ending December 31,2022.*

*Considering the fact that correspondence has been made by Canara Bank and STC in respect of the MOTS of Borrowings, the Borrowings have been crystallized at Rs. 30,000 lacs on as is where is basis. However, contrary to this, borrowings have been reflected at Rs. 80,623.24 lacs as against 30,000 lacs, thereby overstating the borrowings to the extent of Rs. 50,623.24 lacs and consequent **understatement of profit by Rs. 50,623.24 lacs.***

4. *The Company has Deferred Tax Asset worth Rs. 1347.81 lacs. However, there is no virtual certainty of profits in the future considering the high value of contingent liabilities, significant decrease in the sales value, negative net worth of the Company and decision of the board of directors regarding Non operative status of*

*the Company dated 05.04.2021. This has resulted into understatement of loss by 1347.81 lacs .*

5. *The Company has Claims Recoverable for non-provisioning in respect of Claims Recoverable o/s since last many financial years amounting to 2,114.55 lacs where no present status could be ascertained by the management of the Company and still not written off. This is **non-compliance of IND AS -36** as no provision has been made for impaired assets. All these current assets are being reflected at their carrying amounts instead of on realization values. This has resulted into **understatement of loss by Rs. 2,114.55 lacs.***
6. *Non-provision of a demand of Rs. 4,743 lacs out of total demand received from Land and Development Office - New Delhi amounting to Rs. 13,283 lacs (for the period March,2004 to July, 2018) which has resulted in **understatement of loss by Rs 4,743 lacs.** Also, company has not provided for interest accruing on the said demand amount (to be calculated at the rate of 10%) approx. Since the matter is under correspondence with L&DO office, therefore no provision is made for the quarter and nine months ended December 31,2022 in the accounts. In addition to the demand raised by L& DO worth 13,283 lacs , the liability from 01<sup>st</sup> August,2018 till 31<sup>st</sup> March,2022 has not been provided for amounting to Rs. 5329.13 lacs. Non provisioning of the same has resulted **into understatement of loss by Rs. 5329.13 lacs.** In response to this, management has sought clarifications from L& DO which are still awaited .*

**b) The impact of the following is not ascertainable:**

- **Statutory Dues** -The GST input receivable and payable balances are not reconciled by the Company as on December 31,2022 . No satisfactory data/explanation has not been furnished to us till the date of finalization of review. We are, therefore, unable to comment upon the effect of the above in the Financial results relating to GST reconciliations not carried out.
- **Other Observations**-The customer at credit includes amount payable to U.P. Government amounting to Rs 603 lacs. As informed by the management, Branch has made various other claims on U.P Government and accordingly dues of Rs. 3911 lacs is recoverable from U.P. Government for which debit note dated March 10, 2014 was raised. However, the said claim was not recognized in the standalone financial statements till date, as its ultimate collection was not certain. In absence of information on acceptability of the said claim by the UP Government, we are unable to ascertain its possible impact, if any, on the standalone financial results of the Company.

- *Refer to Cases and Disputes and matters under Litigation , since majority of the matters are subjudice, it is not possible to quantify the liabilities and the interest obligation if any on these cases, the amount of any liability is unascertained.*
- *Refer to Claims recoverable from HHEC, co-owner to the property at Jawahar Vyapar Bhawan, who have not paid their share of expenses to STC since last many years amounting to Rs 954.98 lacs. The matter is said to be under correspondence with HHEC, and no entries are passed.*

## 6 Qualified Opinion

Based on our review conducted as above, except for the facts or possible effects of our observation stated in Para 5 above, nothing has come to our attention that causes us to believe that the accompanying statement has not been prepared in all material aspects in accordance with the applicable Indian Accounting standards prescribed u/s 133 of Companies Act,2013 read with relevant rules issued there under and other recognized accounting practices and policies generally accepted in India has not disclosed information required to be disclosed in terms of regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations,2015 including the manner in which is to be disclosed , or that it contains any material misstatement.

## 7 Emphasis of Matter

Refer to litigation matters, their present status and provisioning, if any, required and on-going investigations into the alleged irregularities; further, the Company's past operations have exposed it to the risk of extensive litigation and contractual claims from third parties with increased litigation costs not fully provided for. Due to the range of potential outcomes, voluntary retirement of employees dealing with these cases and the significant uncertainty around the resolution of various claims, the amount of ultimate liabilities, if any, to be recorded in the statements as provision is not ascertainable.

Our conclusion is qualified in respect of these matters.

5 Refer to Note No. 1 in Statement of Financial Results for the quarter & Nine Month ended December, 31<sup>st</sup>, 2022 that these financial results have been prepared in accordance with accounting policy on a non-going concern basis.
