Introduction

ONE AXIS CONNECTING A BILLION INDIANS

One Axis is a collective spirit that has enabled us to build an institution of excellence, delivering a wide spectrum of financial solutions to all sections of society. One Axis takes us farther.

Even more than seven decades after India's independence, the reach of reliable, fast, secured banking and other financial services remains a long-cherished aspiration for millions of people. Ever since our journey began, we have enabled businesses and individuals to make tangible progress and kept the communities we serve at the forefront of all that we do.

Our possibilities are the real priorities of India such as a strong digital economy and an inclusive society. Our efforts in facilitating the creation of crucial core infrastructure, scaling up financial inclusion and the adoption and diffusion of digital products and services, have been and continue to support India's holistic wellbeing.

We have built an impressive franchise over the years. More than banking, Axis Securities, Axis Finance, Axis Trustee, Axis Mutual Fund and Axis Capital are partnering the progress of millions of people across the country. Axis Bank Foundation aims to create a lasting difference in people's lives and works on four broad initiatives centred around watershed management and agricultural productivity, livestock enhancement, vocational training and livelihood support for the differently abled.

Welcome to our axis of possibilities that connects and enriches a billion lives.

Message From the MD & CEO

TOUCHING AND TRANSFORMING LIVES

We have embarked and made rapid progress on the 'One Axis' ideology which focuses on projecting the Bank's various businesses and subsidiaries together as 'One' that can offer a comprehensive suite of products, services and solutions to the customer.

Dear Shareholders,

As we complete our 25th year of operations, I feel honoured and proud to lead the Bank – a neighbourhood bank striving to serve a billion lives everyday in a meaningful and humane manner. Trust and customer centricity have always been the hallmark of the Bank's association with its customers.

The Bank has over these years stood by customers as a reliable friend in need – by not only being approachable and available at all times, but also helping them to meet their needs and life aspirations. I would like to thank all my predecessors over the years – Ms. Shikha Sharma, Dr. P. J. Nayak and Mr. Supriya Gupta, for their vision and contribution towards building this great institution.

It is the same feeling of warmth and friendliness that is reflected in the Bank's culture; and was one of the first things that struck me when I joined the Bank six months ago. I believe that our culture is one of the biggest unsung strengths of Axis Bank. This has been one of the key driving forces for us to build a great institution and ensure that we survive tough times.

Over the last decade, the Bank has gone from strength to strength, and in addition built a lot of hidden gems among its businesses. Let me spell out some of them. The Bank has an extremely Strong Current Account and savings account (CASA) deposits franchise and has grown its loan book over five times in the last ten years to ₹494,798 crores. Amongst the private sector banks, we currently have the third largest branch network and the highest number of ATM machines in the country. In the credit cards business, where we were not present some ten years back, we are now a strong number four player and have been growing at a much faster pace than the industry leaders in the last five years. We have the country's third largest merchant acquiring business. In mobile banking, we feature amongst the top players in terms of innovation. We are the largest issuer of foreign exchange cards in the country and are a number three player on the UPI side of the business.

On the Wholesale Banking side, we have built deep relationships across the spectrum with corporates, Small and Medium Enterprises (SMEs) and government clients. Our SME business has been built into an enviable franchise with extremely healthy metrics. We have one of the largest

franchises amongst the private banks in dealing with the government and its various arms. The Bank continues to remain at the top of the leader board in the Debt Capital Market segment for the last thirteen years.

Similar achievements can also be witnessed for the Bank's subsidiaries, even though we started our innings later than many of our peers. As a group, we are engaged in businesses that are contiguous to banking, such as non-banking finance, retail broking, asset management, and institutional equities and investment banking. Axis Asset Management Company set up in 2009 is now among the top ten mutual fund houses in India. Our broking business, Axis Direct, established in 2011, currently ranks amongst the top three players in terms of active client base. Axis Capital continues to remain one of the best equity capital market franchises in the country. Axis Finance is one of the fastest growing Non-Banking Financial Companies (NBFCs) with some of the best returns in the industry. Axis is the only Bank with two Fintech companies as subsidiaries, one in the payments space and the other in the digital invoice discounting space. All these businesses complement the parent Bank's strategy and allow us to offer our customers a comprehensive offering under the umbrella of 'One Axis'.

However, I must also acknowledge that in the recent years, the Bank has faced some headwinds, especially on the asset quality front due to corporate slippages. The Bank's strategic bet on project lending to infrastructure sectors like steel and power in the 2010-12 period turned out to be its Achilles' heel. There was also an increase in operational risks in recent years. Though we have done exceedingly well in some segments, we have not executed well on all fronts consistently. We are not yet out of the woods, but we are cautiously optimistic about the future. We need to learn from the mistakes of the past and ensure that they are never repeated again. We realise changing ourselves will be arduous and

time consuming but we also strongly believe we are ready for the battle ahead and have the team in place to overcome any odds.

Over the last six months, I have spent time extensively with the various business units across the Bank. I have also met many of our large corporate customers. Based on these interactions, I do believe there is lot of potential for us to grow and be among the top few players in each of our business segments and aspire for larger market share.

I am pleased to state that we have taken some strong and positive strides towards defining our priorities, the goals that we want to accomplish and how we will get there. We intend to get our winning mind-set back, re-claim our growth momentum and get our fair share of business from our customers. We also want to strengthen our core technology platform and improve our execution. To achieve these, we came out with an Execution Strategy 2022 for the Bank earlier this calendar year. The strategy pivots around delivery of three important vectors – Growth, Profitability and Sustainability.

At the same time, we have embarked and made rapid progress on the 'One Axis' ideology for the Bank and its subsidiaries which, focusses on projecting the Bank's various businesses and subsidiaries together as 'One' that can offer a comprehensive suite of products, services and solutions to the customer. The focus

We intend to get our winning mind-set back, re-claim our growth momentum and get our fair share of business from our customers.

for our subsidiaries would be to attain size and scale, for which we would continue to invest in them over the next few years.

As we embark on achieving the goals set in our 2022 vision, the strategic direction of 'One Axis' will serve as a bedrock to drive brand synergies across the Bank and all its subsidiaries. We will start by delivering a consistent brand identity across our branches, subsidiaries and all our digital touchpoints. Over the next few months, the messaging across our products and our verticals will also align with the above strategic direction so that we create a force multiplier effect for the brand. More importantly, we are an industry built on the foundation of trust and one of the best ways to improve trust is to come across as consistent and unified in our language and approach to our customers.

We now have the entire senior management team in place to execute the strategy and convert our aspirations into reality over the next three years. We have reoriented the organisational structure that would enable us to streamline and simplify our functioning and bring in greater

accountability, productivity and efficiencies. We have also made considerable progress in building cost consciousness across the Bank, and expect to improve our cost efficiency over the next few years.

We have incorporated the learnings from the last credit cycle to improve our policies and processes. We have raised the bar further for the credit filters applicable to new credit proposals and strengthened our early warning systems. As a Bank, we are looking to move towards a more conservative view on provisioning, compliance and risk. In retail, our provisioning norms are more conservative than the RBI prescribed norms. On the wholesale side, we are increasing the level of provisions we hold against some weak, yet standard stressed assets.

Moving on to financial performance, the profitability and the asset quality metrics for the Bank in fiscal year 2019 improved materially after having witnessed two consecutive challenging years. The Axis franchise delivered healthy operating performance with core operating revenue growth of 21% and moderation in

operating expenses growth. The Bank continues to have a strong balance sheet with one of the best provision coverage and capital adequacy ratios of 77% and 15.84%, respectively. Our subsidiaries had another good year as they continued to gain scale and market share in their respective segments.

On the wholesale side of our business, we have been focussing on portfolio diversification, reduction in concentration to select sectors and project loans and have further increased our focus on transaction banking and working capital business. The performance of the corporate segment in fiscal 2019 improved as compared to the past few years with steady decline in the low rated 'BB & below' outstanding pool, significant decline in corporate slippages and stabilisation of corporate credit linked fees.

We have reoriented the wholesale segment. The credit underwriting function has been taken out from the businesses and has been made an independent function. Product specialists and business relationship responsibilities have also

Execution Strategy 2022

Growth

The first deliverable we put out has been to improve our deposit growth materially to fund our strong loan growth aspirations. We want to step up growth in the Wholesale Bank, sustain the momentum in the Retail Bank and want to scale up our subsidiaries materially. We also want to attain a leadership position on the payments side of the business.

Profitability

We intend to make significant portfolio mix choices based on an assessment of Risk Adjusted Return on Capital, or RAROC. We will relentlessly focus on cost rationalisation and reduce the Bank's credit costs sustainably below its long-term averages.

Sustainability

We would focus on disciplined execution, and aim to build a sustainable and credible business model. We intend to invest in strengthening our core around technology, processes, operations, digital and analytics. An important element in building a sustainable franchise is to embed conservatism in our internal policies and practices.

been segregated to ensure sharper focus on client coverage and product groups. We follow a risk adjusted return philosophy in the wholesale bank and would focus on growing our mid-corporate and commercial banking book. In the commercial banking segment, we are focussing on building a relationship based model with SME and current account business customers to drive growth across both assets and liabilities.

The Bank's retail franchise continues to remain robust with a healthy growth in loans, fees and retail deposits. Axis continues to remain a strong customer centric bank and has shifted its deposit strategy to focus on getting higher CASA plus retail term deposits from earlier focus on CASA. During the year, we added 347 branches to take our domestic branch distribution network to 4,050 branches. For us, branch banking continues to be an integral part of our growth strategy. The role of branches in deposit mobilisation from new customers drives the Bank's acquisition strategy across products and provides customer service and builds trust. However, the branch formats continue to get smaller with enhanced productivity led by automation and digitisation of service operations.

Our wealth management business, Burgundy with assets under management of over ₹132,702 crores, has done exceedingly well over the last few years and now features amongst the top wealth management businesses in the country. We intend to expand the franchise and build a leadership position in the space.

The Bank's ability to innovate and offer right product proposition to its customers has helped the retail loan book to grow over five times in the last ten years to reach ₹245,812 crores, with a 50% share in total advances. We have achieved significant diversification within our retail portfolio mix with a strong risk management architecture that has ensured that our asset quality in retail has been much better than peer average. The Bank

has always been ahead of the curve in terms of building its digital capabilities and has made significant investments in technology and digital analytics to underwrite, manage risk outcomes and optimise costs. During the year, the Bank increasingly started offering pre-approved loans and stepped up the pace of digital lending. The contribution of digital lending in personal loans increased to 43% from 22% in the last one year.

While delivery of growth and profitability is important, sustainability forms the foundation of the Bank's strategy

Axis Bank continues to remain committed towards promoting a less-cash, digital economy and enjoys strong market position across most digital payments spaces in India. The Bank continues to engage in partnership driven innovations to provide its customers with a differentiated payments experience and drive the Digital India mission. During the year, the Bank's Kochi1 Card became the country's first inter-modal transit card while the Raipur Smart Card project was also initiated to offer digital payment solutions to the citizens of Raipur. The Bank also launched 'Axis Tap & Pay', a mobile application for making contactless payment at merchant terminals, as well as India's first of its kind in-home 'Smart bill pay' initiative that allows users to pay their utility bills by scanning a QR code.

The Bank has traditionally used Savings Accounts as a product to start its relationship with customers and then build on it by cross-selling other products and services. Though that has not changed

substantially over the last ten years, we are increasingly looking beyond deposit base for customers. We are now looking to leverage other platform businesses of the Group for cross-sell opportunities.

We plan to invest significantly in setting up a Digital Bank. Our idea here is to have a full team with all the requisite banking as well as digital expertise and skill sets required to rethink traditional banking processes. It will start afresh, end-to-end customer journeys, which will be completely digital. This will, however, take time to fructify and we will share our progress over the coming years.

The Bank continues to invest in enhancing employee capabilities and provides career development opportunities to its employees. We have made sure that the communication on GPS strategy and vision of creating 'One Axis' is consistent within the internal organisation as well, and that everybody in the Bank knows what they have to do. The organisation structure and the KPIs have been re-aligned to ensure direct accountability, greater differentiation and focus on developing relationship-based long-term business model instead of focussing on shorter term targets.

During the year, the Bank revamped its internal job posting process to allow internal talent to take on leadership positions based on their merit irrespective of age and tenure. The Bank also launched an internal portal to allow employees to seek careers across departments and subsidiaries within the Axis Group.

Axis Bank has always believed that its long-term success depends on the progress of communities and the people we serve. The Bank continues to play an active part in extending credit to the economically active but under-banked rural population, particularly women, through its retail microfinance initiative 'Axis Sahyog'. Axis Bank Foundation, in its 13th year of operations, continues to work towards providing sustainable

In recent years, driven in part by some unexpected negative surprises at the Bank, we have dented the trust of investors. We need to win it back.

livelihoods and creating value for the target communities through its various integrated rural skill development and educational programmes.

During the year, 'Axis Dil Se' – the Bank's CSR initiative in partnership with 17000 ft Foundation, 108 schools in Leh and Kargil districts of Ladakh were adopted by 20 senior Axis Bank leaders for a period of three years – completed its second phase. Under this initiative, the Bank installed 'Digi Labs' in schools, which enabled access to the digitised curriculum both for the students and the teachers. Also during the year, the Bank played an active role in providing disaster relief to over 400 flood affected families in four regions in Kerala.

The Bank won the 'Excellence' certificate in Corporate Social Responsibility category at the prestigious CII ITC Sustainability Awards 2018 and was included in the prestigious FTSE4Good Emerging Index for the second consecutive year in 2018 in recognition of its Environmental, Social and Governance (ESG) practices.

In recent years, driven in part by some unexpected negative surprises at the Bank, we have dented the trust of investors. We need to win it back. The only way to win

it back is to have a business model, which sustains and generates credible financial outcomes quarter after quarter over a long period of time. Our aspiration is to deliver around 18% Return On Equity (ROE) on a sustainable basis. The reduction in credit cost to below our long-term averages, portfolio choices driven by a risk-adjusted returns framework and improvement in operational efficiency would be the key drivers for RoE improvement over the next three years. Though it seems a tall order, the Bank has delivered ROEs in excess of 18% few years back and hence we aspire to do it again - on a sustainable and consistent basis.

India continues to be a fast-growing economy with significant opportunities and possibilities. From the perspective of the financial industry as a whole, the liquidity issues faced by some of the non-banking financial companies and housing finance companies over the last year can create some friction going ahead, but it presents opportunities for banks. The banking industry has seen return of credit growth and pricing power on account of shift in credit demand from NBFCs and bond markets back to banks. Banks with a healthy capital position, NBFCs with a robust parentage and financial intermediaries with significant market share are well placed to grow profitably, at a faster pace than their peers in their respective industries. In this context, 'One Axis' franchise with its presence across business segments is uniquely positioned to leverage this opportunity and grow at a faster pace. Great product mix, vast physical footprint, cutting-edge digital capabilities, robust corporate governance practices and one of the most valuable brands in India - all these combined open many possibilities for the Axis franchise in the near future.

I believe that Axis Bank is a great franchise with great culture and great set of people. If we execute well, we have the potential to improve our market share rankings

without sacrificing anything whatsoever on our credit and risk management practices. While delivery of growth and profitability is important, sustainability forms the foundation of the Bank's strategy. We want to build sustainability in our business performance and operations with disciplined execution and conservatism at the core. However, one thing that still concerns me is the level of control and confidence we have on operational risk parameters. Any large bank will have a vast number of systems and processes and to reach the level of efficiency, control and monitoring that we have in mind will take time, but we are at it relentlessly everyday, improving bit by bit. We also need to ensure that the quality of our wholesale book improves materially over the next few years. We cannot afford to repeat what we went through in the last few years. That would also require a change in how we think about risk and how we proactively manage it. Another area of work would be the tone from top on compliance. We cannot compromise on doing things right and doing them right all the time, even at the cost of losing business. We need to do a better job of saying no to businesses and deals.

I would like to take this opportunity to thank my colleagues for believing in Axis and the vision of the Bank. I am also deeply grateful to all the customers and shareholders for standing by us and showing their faith in us all these years.

Warm Regards,

Amitabh Chaudhry

CONSOLIDATING RETAIL AND CORPORATE FRANCHISE

Retail Banking

The Retail Banking segment continues to be a key driver of our overall growth strategy. It encompasses a wide array of products and services across deposits, loans, investments and payment solutions that are delivered through physical channels to our customers.

Axis ASAP ensures that an account is opened in minutes. Not just that, one gets a virtual debit card too for online shopping.

Now customers having pre-approved credit card offers don't need to wait for their physical cards to arrive to start

their online spends. With the virtual card feature, card details are generated as soon as customers submit the final request for pre-approved offer. The card details can be used for all types of online spends.

We launched the debit card EMI programme to 4.6 million customers eligible up to 1 lakhs with key partners (Flipkart, Amazon and Apple, among others). We launched the EMI-on-PoS for Axis Bank credit cardholders for 1,500+ merchants, capturing 800+ pin codes and 3 million credit card base.

Corporate Banking

We are exploring possibilities to strengthen relationship with existing customers across various business verticals by offering more products in tune with their changing requirements.

Some such initiatives are:

- Providing innovative services to small and medium enterprises
- Offering quality lending opportunities to existing current accounts
- Digital on-boarding and activations of Current Account relationships
- CMS solutions to existing Current Account customers
- Current Account for existing merchant Acquiring customers

Our Corporate Internet Banking (CIB) platform was launched to provide a consolidated access to customers across multiple channels. The major focus has been to migrate existing users from different channels on the new Corporate Internet Banking and ensure the stability for seamless customer experience.

TF Connect and Online Inward Remittance (OIRM) platforms have been launched to manage customers' trade and forex transactions online. The platforms act as a one-stop solution for handling pending inward remittances and enabling customers to initiate and authenticate trade finance transactions in a paperless environment.

STRENGTHENING URBAN PRESENCE AND RURAL REACH

Urban Presence

We are providing various innovative banking services to citizens of smart cities through mobile applications, web portals, prepaid cards, electronic data capture terminals and mobile handheld devices. We are also providing hassle-free omni-channel banking experience through our digital payment gateways, mobile banking, debit card and credit card.

We cover all citizen-centric services for Raipur Smart City through a mobile application. Our 'One Raipur Payment System' encompasses the collection of all government taxes and transport fares. We are popularising the 'One

Raipur Card' through collaboration with different retailers. We are providing essential citizen services with respect to collection and payment through online modes.

Our FASTag service, electronic toll collection platform has grown at a fast pace and looks set for an exponential growth, following the Government's initiative to register all vehicles on Electronic Toll Collection (ETC).

We have also joined hands with many urban local bodies in the country to provide collection and payment services through online mode.

Rural Reach

We are involved in managing multiple schemes of Government of India and various state governments through account management and Public Financial Management System (PFMS) across states, districts, blocks and gram panchayats.

The schemes that we undertake comprise Sarva Shiksha Abhiyaan, Mid-Day Meal, Rashtriya Madhyamik Shiksha Abhiyan, Atal Mission for Rejuvenation of Urban Transformation, National Food Security Mission, Pradhan Mantri Awaas Yojna and Rashtriya Krishi Vikas Yojna, among others. We are building on our capabilities and providing last-mile banking services to large swathes of rural India.

We introduced Iris Authentication for Aadhaar-based transactions through micro ATMs. Launched as a pilot project across eight branches, the system will be available across the country in a phased manner. This facility will be useful for customers in semi-urban areas, particularly for senior citizens.

Our focus is on digitising farmer payment transactions in the dairy sector, ensuring timely and accurate payment to farmers, financial inclusion services and small ticket lending, among others. We are providing online digital and auctioning platforms to agricultural Mandi transactions, enabling better crop price discovery.

SCALING BRANCH OPERATIONS AND DIGITAL OUTREACH

Branch Operations

Our branches continue to be the Bank's face for millions of retail customers, with close to 4,000 domestic branches (including extension counters) spanning 26 states and six union territories in India. Our branches mobilise deposits from new-to-bank customers and drive the customer engagement strategy across products and services.

Our well-distributed branch network comprises the following: 23% in north, 19% in east, 19% in west, 25% in south and 14% in central. We have 29% branches in metros and 23% in urban and 48% in semi-urban and rural regions as on 31 March, 2019. We continue to focus on enhancing our

presence in urban and rural India and increasing our physical presence in both banked and unbanked rural regions. Additionally, our 11,801 ATMs and 4,917 cash deposit machines facilitate banking for millions of citizens.

Our dedicated SME centres span key industrial regions and offer best-in-class lending and other banking services to our SME customers.

Over 700 branches have dedicated relationship managers to handle complex requirements of customers. We have a dedicated team (900+ people) at 402 B-category branches for servicing trade, forex and CMS clients.

Digital Outreach

We are leveraging the digital ecosystem as a strong lever to enhance service standards and productivity; and the use of advanced analytics and predictive technology is helping us achieve new benchmarks of personalisation. Over 74% of financial and non-financial transactions undertaken by retail customers in fiscal 2019 were digitally enabled and 66% of our Bank's active customers are digitally active.

On Axis mobile customers can get a simplified narration for their transaction done through the Axis Mobile app. This is a useful and practical innovation where the complexity of sifting through multiple narrations is done real-time at the back end so that our customers get a simplified and less stressful view.

Our mobile application has been further enhanced with the introduction of 'Axis AHA!', an artificial intelligence and machine learning powered conversational banking assistant on Axis Mobile (and website) allowing users to perform various financial and non-financial transactions.

We introduced 'Axis Tap & Pay' mobile application, which allows customers to pay by just tapping EFC-enabled Android on contactless point-of-sale (PoS). We have been able to maximise on this aspect introducing TAB account opening for individual/sole proprietorship business accounts. This is an online and an interactive platform that resolves documentary gaps through validations and upfront feedback on product delivery, thus improving turnaround time.

IMPACTING COMMUNITY AND BUSINESS

Community

Our contribution to society goes far beyond providing trustworthy, reliable and excellent banking services. Axis Bank Foundation (ABF) creates opportunities for 'Sustainable Livelihoods'. The priority is to lend a helping hand to small, marginal farmers and the landless to enhance their incomes. ABF supports rural livelihoods, drives watershed management and agricultural productivity, livestock enhancement, vocational training and livelihood support for the differently abled.

Building on the experience and learning from phase I of the project that helped create one million livelihoods, ABF now intends to support two million households by 2025.

We support microenterprise development at the household level by addressing critical gaps.

We help upskill young people, including those with special needs, across peri-urban and rural areas through vocational training. With a 60% placement rate, the skilling process has resulted in opening avenues of steady income from secure jobs in inclusive working environments for youth with varied formal education levels.

Axis Dil Se is enabling educational development in some of India's remotest, most challenging terrains – Leh, Ladakh and Kargil regions in Jammu & Kashmir.

Business

In retail banking, to cater a larger segment of India's population, we have developed a wide network of fully interconnected retail branches, extension counters, ATMs, asset sales centres, internet banking channels, call centres and mobile banking. We are focussed on providing each customer with their choice of channel for transactions and products to meet their financial needs and quality service.

In wholesale banking, we are creating an integrated franchise by re-organising its existing coverage groups. Broadly these would be under four verticals – large corporates, mid-corporates, focussed segmental coverage and commercial

banking focussing on higher rated lending book, increasing the share of working capital loans and reducing the concentration risk.

In SME, as a mark of our commitment to support SME segment, we have been organising capability development roadshows (Evolve) across various cities for the last few years. Evolve is a platform for SMEs to learn and interact with leaders who have driven the wheels of innovation in their companies across multiple industries. We also felicitate successful SMEs through India SME 100 Awards. This is our way to encourage innovation and sustainable growth in the segment.

BALANCING RISKS AND REWARDS

Risks

We have strengthened the risk framework basis our learnings and experience over the years by focussing on:

- **Choice of business:** Originated retail loans from existing deposit customers.
- **Core lines of defence:** In credit models, we used proprietary risk models. Credit policy focussed on low Loan to Value (LTV) and steady Fixed Obligation to Income Ratio (FOIR) norms. In monitoring, we automated early warning systems and behaviour scorecards.
- **Final line of defence:** Strengthened collections through analytically optimised queuing strategy and channel selection.

On the wholesale side of our business, we have been focusing on portfolio diversification, reduction in concentration to select sectors and project loans and have further increased our focus on transaction banking and working capital business.

We have put in place a Risk Appetite Statement, which covers financial (solvency, liquidity, earnings stability, concentration), as well as non-financial (operations, technology, compliance, reputation) aspects of risk.

This statement is set at the Bank level by the Risk Management Committee of the Board and is cascaded to the operational units and incorporated in the decision-making with limits and policies.

Rewards

Axis Bank has built a robust banking franchise over the years. We have achieved consistent growth and with a five-year CAGR (2013-14 to 2018-19) of 16% in total assets, 14% in total deposits, 17% in total advances. Our balance sheet size has grown to ₹800,997 crores as on 31 March, 2019.

During 2018-19, we reported strong deposit growth every quarter and bulk of our deposits continue to come from granular, retail sources. Our loans portfolio is also seeing steady growth every quarter driven by retail segment. Retail loans form the largest part of the Bank's loan book and are well diversified. Our identified

'new engines of growth' (personal loan, education loan and small business banking) continue to grow strongly. We continue to increase our branch network, with improving productivity per branch.

During 2018-19, Gross and Net, Non-Performing Assets (NPA) ratios continued to moderate and restructured assets are now negligible as a proportion of the loan book. Our provision coverage ratio on NPAs stood at 77% as on 31 March, 2019.

We remain a leading player (4th largest) in Wealth Management. We have a strong market position across most digital payment products.

Board of Directors

During the year, the following changes took place in the composition of the Board of Directors ("the Board") of the Bank:

- Shri Prasad Menon ceased to be an Independent Director of the Bank, with effect from the close of business hours on 8th October 2018, upon completion of the maximum permissible tenure of 8 (eight) continuous years, under Section 10A (2A) of the Banking Regulation Act, 1949. The Board acknowledges the invaluable contributions rendered by Shri Prasad Menon during his tenure as an Independent Director of the Bank and places on record its deep appreciation for the insightful perspectives and suggestions provided by him at the meetings of the Board/Committees of the Bank.
- Pursuant to the recommendation of the Nomination and Remuneration Committee ("NRC"), the Board at its meeting held on 2nd November 2018, approved the appointment of Shri Girish Paranjpe as an Independent Director of the Bank, for a period of 4 (four) consecutive years, with effect from 2nd November 2018 upto 1st November 2022 (both days inclusive), subject to the approval of the Shareholders of the Bank. The said appointment was approved by the Shareholders of the Bank through Postal Ballot on 17th January 2019. During the said period, Shri Girish Paranjpe shall not be liable to retire by rotation, in terms of the provisions of Section 149(13) of the Companies Act, 2013.
- Shri V. Srinivasan, Deputy Managing Director of the Bank retired from the services of the Bank and accordingly ceased to be the Whole Time Director (designated as the Deputy Managing Director) of the Bank, with effect from the close of business hours on 20th December 2018.

During his tenure as the Deputy Managing Director of the Bank, Shri V. Srinivasan facilitated the growth of the corporate lending and treasury businesses of the Bank. The Board acknowledges the invaluable contributions rendered by Shri V. Srinivasan during his tenure as the Deputy Managing Director of the Bank and places on record its deep appreciation for the insightful perspectives and suggestions provided by him during the deliberations at the meetings of the Board/Committees of the Bank.

- Smt. Shikha Sharma, Managing Director & CEO of the Bank retired from the services of the Bank and accordingly ceased to be the Managing Director & CEO of the Bank, with effect from the close of business hours on 31st December 2018.

During her tenure as the Managing Director & CEO, the Bank turned into a full-fledged financial institution by offering services to both corporate and retail consumers. The seamless retailisation of the Bank, achieved under her tenure, was remarkable and has led to a significant diversification of the Bank's balance sheet. The Board acknowledges the leadership and the invaluable contributions rendered by Smt. Shikha Sharma during her tenure as the Managing Director & CEO of the Bank and places on record its deep appreciation for the insightful perspectives and suggestions provided by her at the meetings of the Board/Committees of the Bank.

- Pursuant to the recommendation of the NRC, the Board at its meeting held on 9th July 2018, shortlisted the candidature of Shri Amitabh Chaudhry for the post of the Managing Director & CEO of the Bank, with effect from 1st January 2019 and recommended the same for the approval of the Reserve Bank of India (RBI).

The RBI granted its approval to the appointment of Shri Amitabh Chaudhry as the Managing Director & CEO, of the Bank, for a period of 3 (three) years, with effect from 1st January 2019 upto 31st December 2021 (both days inclusive) and to the terms and conditions relating to the said appointment, including remuneration.

In order to facilitate smooth transition and help Shri Amitabh Chaudhry familiarize with the business and operations of the Bank, the Board at its meeting held on 2nd November 2018, approved the appointment of Shri Amitabh Chaudhry, as the Managing Director (Designate), in executive position of the Bank, with effect from 19th November 2018 upto 31st December 2018 (both days inclusive).

During the said period, Shri Rajesh Dahiya shall be liable to retire by rotation.
- Pursuant to the recommendation of the NRC, the Board at its meeting held on 22nd May 2019, approved the appointment of Shri Pralay Mondal, Group Executive (Retail Banking) as a Director of the Bank and as the Whole Time Director designated as "Executive Director (Retail Banking)" of the Bank, for a period of 3 (three) years, with effect from 1st August 2019 upto 31st July 2022 (both days inclusive) and the terms and conditions relating to the said appointment, including remuneration, subject to the approval of the RBI and the Shareholders of the Bank. During the said period, Shri Pralay Mondal shall be liable to retire by rotation.

During the year, no other changes took place in the composition of the Board of Directors of the Bank. The composition of the Board of Directors of the Bank is in compliance with the applicable norms.

The ordinary resolutions in respect of the appointment / re-appointment of the Directors, as aforesaid, have been included in the Notice convening the 25th Annual General Meeting of the Bank, to be held on Saturday, 20th July 2019. The brief profile and details of the remuneration last drawn by the said Directors, have been annexed to the said Notice.

Selection and Appointment of Directors & Other Key Officials

The selection and appointment of Directors and other Key officials of the Bank is done in accordance with the relevant provisions of the Companies Act, 2013, the relevant Rules made thereunder, the Banking Regulation Act, 1949, the Guidelines issued by the RBI and the relevant provisions of the Listing Regulations relating to Corporate Governance (as amended), from time to time.

The Bank has formulated and adopted a Succession Planning Policy (the Policy), for appointment of its Directors and other Key Officials. The objectives of the Policy is to assess, identify and nominate suitable candidates to fill vacancies that may arise for positions of Directors and other Key Officials of the Bank, to plan for succession of the said roles and any vacancies that may arise out of impending move or retirement or resignation or sudden exit or for any reason whatsoever in such roles, incumbent or named successors, significant changes in role accountabilities, substantive changes in the business parameters and changes to the role holder or successor's aspiration.

The Policy also seeks to identify the competency requirements for the said positions, identify potential candidates and develop required competencies through planned training, development and learning initiatives and to ensure systematic and long-term

development of personnel for taking higher roles and responsibilities at the senior management levels at the Bank or that of its subsidiary companies, which may arise due to impending move or retirement or resignation or sudden exit or for any reason whatsoever, of the role, incumbent or named successors.

The Bank adheres to the process and methodology prescribed by the RBI in respect of the 'Fit & Proper' criteria as applicable to Private Sector Banks, signing of deed of covenants which binds the Directors to discharge their responsibilities to the best of their abilities, individually and collectively in order to be eligible to be appointed/re-appointed as a Director of the Bank. The prescribed declarations given by the Directors other than that of the Members of the NRC are placed before the NRC and the declarations given by the Members of the NRC are placed before the Board, for its review and noting. The said declarations are obtained from all the Directors on an annual basis and also at the time of their appointment / re-appointment, in compliance with the said laws. An assessment on whether the Directors fulfil the said criteria is also carried out by the NRC and the Board on an annual basis and before considering their candidature for re-appointment.

The NRC also reviews the structure, size, composition of the Board, the regional and industry experience, track record, expertise and other relevant information and documents of the Directors before making appropriate recommendations to the Board with regard to their appointment / re-appointment, terms and conditions relating to the such appointment/re-appointment, including remuneration, designed to enhance the Board's effectiveness.

The NRC identifies potential candidates from diverse backgrounds including but not limited to accountancy, agriculture and rural economy, banking, co-operation, economics, finance, law, small-scale industry, information technology, core industries, infrastructure sector, payment and settlement systems, human resource, risk management and business management, thus providing the Board with Members who have special knowledge or practical experience and requisite set of skills, to serve the diverse business interests of the Bank.

Declaration of Independence

Employee Stock Option Plan (ESOP)

Since the financial year 2000-01, the Bank has formulated and adopted Employee Stock Option Schemes (ESOS) for the benefit of the eligible Employees/Managing Director & CEO and Whole Time Directors of the Bank and that of its subsidiary companies ("eligible Employees/Directors"), in terms of the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 / the Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014, as amended. The objective of the said ESOS is to enhance employee motivation, enable employees to participate, directly or indirectly, in the long-term growth and financial success of the Bank, to act as a retention mechanism by enabling employee participation in the business of the Bank as its active stakeholder and to usher an 'owner-manager' culture.

During the year under review, the Shareholders of the Bank, by means of a special resolution, passed through Postal Ballot on 17th January 2019, approved the creation, issue and allotment of additional 2,50,00,000 stock options convertible into 2,50,00,000 equity shares of ₹2/- each of the Bank, to the eligible Employees/Directors.

In terms of the said ESOS, as on date, up to 26,50,87,000 stock options are available for grant by the Bank to the eligible Employees/Directors. The eligibility and number of stock options to be granted to such eligible Employees/Directors is determined on the basis of the outcome of their performance evaluation and such other criteria as approved by the NRC / Board of Directors of the Bank, from time to time.

During the period from February 2001 to January 2019, the Shareholders of the Bank had approved the grant of stock options, as aforesaid, on seven occasions. Under the first two ESOS of the Bank and in respect of the grant of stock options made by the Bank upto 29th April 2004, the option conversion price was set at the average of the daily high-low price of the Bank's equity shares traded during the 52 weeks preceding the date of approval of grant by the Board / NRC, prevailing on the Stock Exchange which had the maximum trading volume of the Bank's equity share during the said period. Thereafter, under the third and subsequent ESOS of the Bank and with effect from the said grants made by the Bank on or after 10th June 2005, the stock option conversion

price was changed to the latest available closing price of the equity shares of the Bank, prevailing on the Stock Exchange which recorded higher trading volume, on the day prior to the date of approval of grant by the NRC.

Pursuant to the sub-division of the equity shares of the Bank, the Shareholders of the Bank at the 20th Annual General Meeting held on 27th June 2014, also approved the consequent adjustments to the stock options granted to the eligible Employees/Directors, under the various ESOS of the Bank, such that all stock options available for grant (including lapsed and forfeited options available for reissue) and those already granted but not vested and those vested but not exercised, as on the record date fixed for the purpose of sub-division, were proportionately converted into options bearing equity shares of the face value of ₹2/- each of the Bank and the grant price of all the outstanding stock options (unvested, vested and unexercised) as on the said record date for the purpose of sub-division were proportionately adjusted by dividing the existing grant price by 5. The record date for the said sub-division was 30th July 2014.

Since 24th February 2001 up to 27th March 2019, the NRC / Board had out of the said 26,50,87,000 stock options, approved the grant of 27,01,13,700 stock options (including 2,69,83,897 stock options which had lapsed and were forfeited) to the eligible Employees/Directors, in terms of the various ESOS of the Bank. The said stock options are non-transferable and vest at the rates of 30%, 30% and 40% on each of three successive anniversaries following the date of respective grant, subject to standard vesting and other conditions as set out in the respective ESOS of the Bank. The said stock options are required to be exercised by the concerned eligible Employees/Directors, within a period of three / five years, from the date of its respective vesting, in terms of the respective ESOS of the Bank.

As of 31st March 2019, out of the said 27,01,13,700 stock options so granted 24,54,77,475 stock options have been vested, out of which 20,24,96,929 stock options have been exercised and the balance 1,71,38,224 stock options remain unexercised. Further 2,34,94,650 stock options remained unvested and 2,69,83,897 stock options had been treated as lapsed and forfeited.

There were no material changes in the ESOS of the Bank during the financial year 2018-19 and the same is in compliance with the relevant provisions of the SEBI (Share Based Employee Benefits) Regulations, 2014, as amended.

Statutory disclosures as mandated under Regulation 14 of the SEBI (Share Based Employee Benefits) Regulations, 2014, as amended, have been hosted on the website of the Bank at <https://www.axisbank.com/shareholders-corner/corporate-governance/compliance-report>.

The brief outline of the CSR Policy, including overview of the programs undertaken by the Bank, the composition of the CSR Committee, average net profits of the Bank for the past three financial years, prescribed CSR expenditure and details of the amounts spent by the Bank on CSR activities during the year under review, have been provided as an annexure to this report.

During the year, the said Policy has been reviewed by the Board and the same has been hosted on the website of the Bank at <https://www.axisbank.com/csr>.

Plan and Status of Ind AS Implementation

The RBI had issued a circular in February 2016 requiring banks to implement Indian Accounting Standards (Ind AS) and prepare standalone and consolidated Ind AS financial statements with effect from 1st April 2018. Banks were also required to report the comparative financial statements for the financial year 2017-18, to be published along with the financial statement for the year beginning 1st April 2018. However, the RBI in its press release issued on 5th April 2018 deferred the applicability of Ind AS by one year (i.e. 1st April 2019) for Scheduled Commercial Banks. Further, RBI in a circular issued on 22nd March 2019 has deferred the implementation of Ind AS, till further notice.

In line with the RBI guidelines on Ind AS implementation, the Bank has a Steering Committee comprising members from the concerned functional areas, headed by the Executive Director (Wholesale Banking). A quarterly progress report on the status of Ind AS implementation in the Bank is presented to the Audit Committee of the Board. During the FY 2016-17, the Bank had undertaken preliminary diagnostic analysis of the GAAP differences between Indian GAAP vis-a-vis Ind AS.

The Bank has also identified and evaluated data gaps, processes and system changes required to implement Ind AS. The Bank is in the advanced stage of implementing necessary changes in its IT system and other processes. The Bank has been holding workshops and training for its staff, which will continue in the current year. The Bank has also submitted to RBI Proforma Ind AS financial statements for the six months ended 30th September 2016 and three months ended 30th June 2017 and for the first three quarters of FY 2018-19.

The Bank is also examining impact of Ind AS on business planning, budgeting, taxation, capital planning and on capital adequacy.

The Bank is also in the process of preparation of proforma Ind-AS financial statements, for the year ended 31st March 2019.

Statutory Auditor

At the 24th Annual General Meeting of the Shareholders of the Bank held on 20th June 2018, M/s Haribhakti & Co. LLP, Chartered Accountants, Mumbai (Membership Number 103523W/W100048), were appointed as the Statutory Auditors of the Bank to hold office as such from the conclusion of the 24th Annual General Meeting until the conclusion of the 28th Annual General Meeting, subject to the approval of the Reserve Bank of India and on such remuneration, as may be approved by the ACB.

In terms of the relevant provisions of the Banking Regulation Act, 1949, the approval of the RBI is mandatory for appointment of Statutory Auditors of the Bank every year. The Bank will obtain the requisite approval of RBI for the appointment of M/s Haribhakti & Co. LLP as the Statutory Auditors of the Bank, for the financial year 2019-20.

In this regard, the Bank has received a certificate from the said Statutory Auditors to the effect that the appointment, if made, would be in accordance with the relevant provisions of Section 141 of the Companies Act, 2013.

As required under Regulation 33(1)(d) of the Listing Regulations, the Statutory Auditors have confirmed that they have subjected themselves to the peer review process of the Institute of Chartered Accountants of India (ICAI) and that they hold a valid certificate issued by the Peer Review Board of ICAI.

There are no qualifications, reservations or adverse remarks made by M/s Haribhakti & Co. LLP, Chartered Accountants, Statutory Auditors of the Bank, in their report. Further, pursuant to Section 143(12) of the Companies Act, 2013, the Statutory Auditors of the Bank have not reported any instances of frauds committed in the Bank by its officers or employees.

Secretarial Auditor

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the relevant provisions of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Bank appointed M/s BNP & Associates, Company Secretaries, Mumbai, as the Secretarial Auditor of the Bank, for the financial year 2018-19. The secretarial audit of the Bank was conducted in respect of the matters prescribed in the said Rules and as set out in the Secretarial Audit Report for the financial year 2018-19, which is provided as an annexure to this report.

There are no qualifications, reservations or adverse remarks made by the Secretarial Auditor of the Bank, in its report.

In terms of SEBI circular no CIR/CFD/CMD1/27/2019 dated 8th February 2019, relating to Annual Secretarial Compliance Report, the Bank appointed M/s. BNP & Associates, Company Secretaries, to conduct the audit of the Secretarial Compliance for the financial year 2018-19. The Bank will submit the Annual Secretarial Compliance Report to the Stock Exchanges within the prescribed time limit and host the same on its website.

Significant and Material Order Passed by Regulators or Courts or Tribunals Impacting the Going Concern Status and Operations of the Bank

During the financial year 2018-19, no significant or material order was passed by any Regulator, Court or Tribunal against the Bank, which could impact its going concern status or operations.

Adequacy of Internal Financial Controls Related to Financial Statements

The Board has inter alia reviewed the adequacy and effectiveness of the Bank's internal financial controls relating to its financial statements.

The Board has discussed with the Management of the Bank the major financial risk exposures and the steps taken by it to monitor and control such exposures, overseen and reviewed the functioning of the Whistle Blower Mechanism (which is a part of the Bank's Fraud Risk Management Policy) and the findings in respect of the investigations conducted on frauds, which were material in nature and the actions taken by the Management, in this regard.

CEO & CFO Certification

Certificate issued by Shri Amitabh Chaudhry, Managing Director & CEO and Shri Jairam Sridharan, Group Executive & CFO of the Bank, for the financial year ended 31st March 2019, was placed before the Board of Directors at its meeting held on 25th April 2019, in terms of Regulation 17(8) of the Listing Regulations.

Material Changes and Commitments affecting the financial position of the Bank

There are no material changes and commitments which affected the financial position of the Bank, which occurred between the end of the financial year of the Bank to which the financial statements relate and upto the date of this report.

Post adoption of the annual financial statements by the Board of Directors, the Bank has classified an account in the sugar sector as non-performing per instructions received from the RBI, with retrospective effect from 1st February 2016. As the Bank already held substantial provision against this account as on 31st March 2019, no further provisioning is required due to change in the status of the account.

Acknowledgements

The Board of Directors places on record its gratitude to the Reserve Bank of India, Ministry of Corporate Affairs, Securities and Exchange Board of India, other Statutory and Regulatory Authorities, Financial Institutions, Stock Exchanges, Registrar and Share Transfer Agent, Debenture Trustees, Depositories and Correspondent Banks for their continued support and guidance.

The Board also places on record its appreciation to the Shareholders of the Bank for their continued support and to its valued customers for their continued patronage.

The Board also expresses its deep sense of appreciation to all the employees of the Bank for their strong work ethics, excellent performance, professionalism, teamwork, commitment and initiatives which has led to the Bank reinforcing its customer centric image and making commendable progress in today's challenging environment.

Management's Discussion and Analysis

MACRO-ECONOMIC ENVIRONMENT

After a steady start, the global growth slowed notably towards the second half of fiscal 2019 as the macro environment became increasingly challenging. The trade related uncertainty has hurt China and other allied supply chain economies, including Japan. The Euro area economy has also moderated with demand for cars weakening, fiscal concerns in Italy and reform backlash in France. Growth in the US continued to be supported by fiscal stimulus, but expectations going ahead are weaker. Most global central banks have responded to this: the US Fed and the ECB have ruled out rate hikes in 2019 and signalled slower withdrawal of Quantitative easing liquidity.

Although India's macro fundamentals (balance of payments, inflation, etc.) have remained broadly stable, the growth momentum has rapidly deteriorated. Official estimates of fiscal 2019 growth have been lowered to 6.8%, and Q4 FY19 prints of industrial and export activity continue to remain weak. This is particularly evident in shrinking commercial and passenger vehicle sales. The key concern lies in a reversal of the nascent capex revival witnessed earlier in fiscal 2019. The capital goods segment in the Index of Industrial Production (IIP) was seen to be reviving in recent quarters, but this has also come off.

Noting the weaker growth conditions and benign inflation trajectory ahead, the MPC cut the repo rate 50 bps sequentially in February (and then in early April), reversing all the tightening of 2018. However, the stance was maintained at neutral, given the near term risks.

Bank credit growth, despite moderating capex, has remained strong, but this largely reflects diversion of credit from NBFCs. RBI data indicates aggregate credit growth in fiscal 2019 from all intermediaries, including NBFCs, remained lower than in fiscal 2018.

PROSPECTS FOR FISCAL 2020

The IMF had earlier revised 2019 global growth projection down to 3.3%, the weakest since 2009. This is likely to further moderate. US trade frictions with a number of countries (especially China), Brexit and geopolitics are also likely to keep financial markets volatile and hold back investments across major economies, although oil might.

India growth is unlikely to improve significantly in the near term, particularly if exports and private investment underperform. RBI forecasts fiscal 2020 GDP growth at 7.2%, but this will be contingent on assumptions of financial market stability and credit flows, as well as a normal monsoon.

RBI further revised lower its inflation projections, with CPI inflation now forecast below 4% for the rest of fiscal 2020, although H2 numbers are likely to creep higher. With crude oil now reverting back toward \$60/barrel on weaker global demand expectations, a major inflation source is likely to remain moderate. Risks remain, with food prices already trending higher, and potential fiscal slippage especially in state budgets.

With the growth – inflation mix outlined above, monetary policy is likely to retain a fairly strong easing bias in fiscal 2020. We expect another repo rate cut in early June. The monetary policy focus in the near term is likely to be on transmission, with liquidity infusions, but if inflation remains benign, there is room for further cuts in the repo rate. However, this view is subject to a measure of fiscal consolidation. Relatively stable macros imply stability of the Rupee, but global economic and political risks might lead to volatility in foreign exchange and interest rate markets. India's twin deficits – fiscal and Current Account – could still lead to some market volatility, driven by the outlook on fiscal slippages.

Bank credit growth is likely to sustain around 12 – 13% in fiscal 2020, based on the above assumptions of moderate growth, capex improvement, gradually normalising credit markets and monetary policy easing.

OVERVIEW OF FINANCIAL PERFORMANCE

Operating performance

Profit before tax	6,974	122	-
Provision for tax	2,297	(154)	-
Net profit	4,677	276	-

Net profit for the year ended 31 March, 2019 increased and stood at ₹4,677 crore, as compared to the net profit of ₹276 crore last year, primarily on account of higher revenue driven by net interest income, recoveries and lower provisions for non-performing assets (NPAs). Operating profit reported a healthy growth of 22% over the previous year to ₹19,005 crore with core operating profit growth of 29%.

Operating revenue increased by 18% YoY from ₹29,585 crore in fiscal 2018 to ₹34,838 crore in fiscal 2019. Net interest income (NII) rose 17% from ₹18,618 crore in fiscal 2018 to ₹21,708 crore in fiscal 2019. Non-interest income consisting of fee, trading and other income increased by 20% from ₹10,967 crore in fiscal 2018 to ₹13,130 crore in fiscal 2019.

Operating expenses rose 13% from ₹13,990 crore in fiscal 2018 to ₹15,833 crore in fiscal 2019 as the Bank continued to invest in branch infrastructure, technology and human capital to support its business growth. Healthy growth in operating revenues along with comparatively lower growth in operating expenses this fiscal led to a growth in the Bank's operating profit by 22% to ₹19,005 crore from ₹15,595 crore reported last year. Provisions and contingencies declined by 22% from ₹15,473 crore in fiscal 2018 to ₹12,031 crore in fiscal 2019. Consequently, profit before taxes increased to ₹6,974 crore and net profit increased from ₹276 crore in fiscal 2018 to ₹4,677 crore in fiscal 2019.

¹ computed on daily average basis

NII constituted 62% of the operating revenue, and increased by 17% from ₹18,618 crore in fiscal 2018 to ₹21,708 crore in fiscal 2019. The increase is primarily due to an increase in average interest earning assets on a daily average basis by 17%.

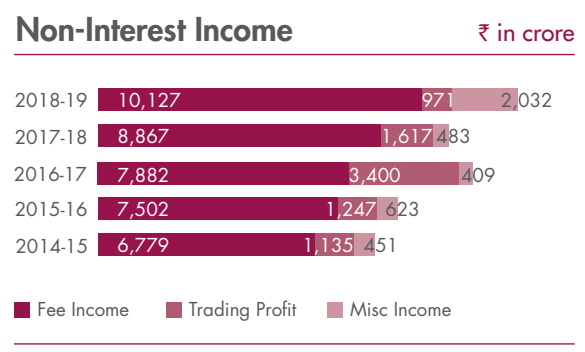

During this period, the yield on interest earning assets increased from 8.44% last year to 8.68%. The yield on advances increased by 32 bps from 9.12% in fiscal 2018 to 9.44% in fiscal 2019 primarily due to lower interest reversals on NPAs and increase marginal cost of funds based lending rate (MCLR) by 50 bps in fiscal 2019. The yield on investments increased by 14 bps during the fiscal 2019. Cost of funds increased by 28 bps from 5.15% in fiscal 2018 to 5.43% in fiscal 2019. During the year, the Bank widened its focus from CASA deposits to CASA plus Retail term deposits (RTD) as part of its overall deposits strategy. As a result, the cost of deposits increased to 5.12% from 4.89% last year, primarily due to increase in cost of term deposits by 22 bps to 7.13% from 6.91% last year. CASA and RTD deposits together, on a daily average basis, reported a healthy increase of 17% to ₹368,017 crore from ₹315,710 crore last year.

Non-interest income

(₹ in crore)			
Particulars	2018-19	2017-18	% change

Trading profit	971	1,617	(40%)
Miscellaneous income	2,032	483	320%
Non-interest income	13,130	10,967	20%

Non-interest income comprising fees, trading profit and miscellaneous income increased by 20% to ₹13,130 crore in fiscal 2019 from ₹10,967 crore last year and constituted 38% of the operating revenue of the Bank.

Fee income increased by 14% to ₹10,127 crore from ₹8,867 crore last year and continued to remain a significant part of the Bank's non-interest income. It constituted 77% of non-interest income and contributed 29% to the operating revenue. The share of granular fees comprising of Retail and Transaction Banking fees witnessed improvement during the year, and stood at 80% compared to 75% last year. Retail card fees, Retail non-card fees and Transaction Banking fees constituted 24%, 37% and 19%, respectively of the total fee income in fiscal 2019. The Corporate Banking fee growth improved during the year as the Bank's continued focus on better rated corporate clients. The share of Corporate fee in the overall fee profile stood at 13%. The rest 7% was contributed by Treasury, and SME segments.

During the year, proprietary trading profits decreased by 40% to ₹971 crore from ₹1,617 crore last year mainly on account of lower profits on SLR and bond portfolio in fiscal 2019 compared to fiscal 2018.

During the year, Bank sold stake in Max Life Insurance Company and National Securities Depository Limited which led to gain of ₹342 crore.

The Bank's miscellaneous income was higher at ₹2,032 crore compared to ₹483 crore in fiscal 2018, mainly on account of recovery in written off accounts. The Bank recovered ₹1,867 crore in fiscal 2019 from written off accounts, compared to ₹183 crore in fiscal 2018. Recoveries primarily came from the iron and steel sector.

Operating revenue

The operating revenue of the Bank increased by 18% to ₹34,838 crore from ₹29,585 crore last year. The core income streams (NII and fees) constituted 91% of the operating revenue, reflecting the stability of the Bank's earnings.

Operating expenses

(₹ in crore)

Particulars	2018-19	2017-18	% change

Operating expenses	15,833	13,990	13%
Cost : Income Ratio	45.45%	47.29%	-
Cost : Asset Ratio	2.13%	2.17%	-

The operating expenses growth for the Bank moderated during the year to 13% as compared to 15% last year as the Bank continued to focus on controlling expenses. However, the Bank continues to invest in expanding branch network and other infrastructure required for supporting the existing and new businesses, as a result of which the operating expenses increased to ₹15,833 crore from ₹13,990 crore last year. The Operating Expenses to Assets ratio stood at 2.13% compared to 2.17% last year.

Staff cost increased by 10% from ₹4,313 crore in fiscal 2018 to ₹4,747 crore in fiscal 2019, primarily on account of increase in employee strength from 59,614 as at end of fiscal 2018 to 61,940 as at the end of fiscal 2019.

Other operating expenses increased by 14% from ₹9,109 crore in fiscal 2018 to ₹10,376 crore in fiscal 2019. The increase is primarily due to investments in branch infrastructure and technology to support business growth. The Bank added 347 branches during fiscal 2019.

Operating profit and Core-operating profit

During the year, the operating profit of the Bank increased by 22% to ₹19,005 crore from ₹15,595 crore last year and core operating profit increased by 29% to ₹18,034 crore from ₹13,978 crore during the same time.

During fiscal 2019, the Bank created total provisions (excluding provisions for tax) of ₹12,031 crore compared to ₹15,473 crore last year. The Bank provided ₹10,221 crore towards non-performing assets compared to ₹16,598 crore last year and ₹829 crore were provided for standard assets including provision for unhedged foreign currency exposure compared to ₹144 crore written back last year. The credit costs for fiscal 2019 stood at 1.91%, 166 bps lower than that of 3.57% witnessed in fiscal 2018.

During the year, the Bank has started maintaining standard asset provision on outstanding corporate standard advances rated 'BB and Below' and all SMA-2 advances as reported to CRILC, at rates that are higher than those prescribed by RBI. Provision for standard assets made during the year includes provision ₹378 crore on these categories of weak standard advances. Provision for other contingencies includes a provision of ₹605 crore on non-banking assets acquired in satisfaction of claims.

As a result of above, provisions and contingencies for the year is lower by ₹3,442 crore with a consequent increase to the profit before tax.

Asset Quality Parameters

The asset quality metrics improved during the fiscal, with slippages having moderated significantly from the highs witnessed last fiscal and consequent reduction in NPA ratios. During the fiscal, the quantum of low rated pool of BB and below accounts reduced materially and stood at ₹7,467 crore as compared to ₹8,994 crore at the end of fiscal 2019. The Bank added ₹6,204 crore of corporate slippages during the year, of which 87% came from lower rated “BB and below” pool.

The Bank added ₹13,871 crore as fresh addition to Gross NPAs during the fiscal year with the Bank’s ratio of Gross NPAs to gross customer assets decreasing to 5.26%, at the end of March 2019 from 6.77% as at end of March 2018.

The Bank added ₹4,770 crore to Net NPAs after adjusting for recoveries and upgradations of ₹4,027 crore and ₹5,074 crore respectively and the Bank’s Net NPA ratio (Net NPAs as percentage of net customer assets) decreased to 2.06% from 3.40%.

The Bank’s provision coverage has increased during the fiscal and stood at 77% after considering prudential write-offs. The Bank’s accumulated prudential write off pool stood at ₹18,772 crore as at end of fiscal 2019 with ₹7,691 crore being written off in the last year.

BUSINESS OVERVIEW

An overview of the Bank's various business segments along with their performance during financial year 2018-19 and future strategies is presented below.

Retail Banking

Over the years, the Bank has developed strong relationships with its customers by providing end to end financial solutions for their savings, payments and investments needs through multiple channels. The Bank's strong digital & technological capabilities, focused execution and wide distribution has helped it to gain market share and improve customer experience. During the financial year 2018-19, Retail segment contributed 81%, 50% and 61% of the Bank's deposits, advances and Fee Income respectively.

Retail Deposits

The Bank has clearly identified that deposit growth will drive its balance sheet growth. As a strategy the Bank has shifted its focus from CASA to CASA+RTD. The focus would be to increase penetration in existing Savings Account (SA) base to improve RTD growth and cross sell the Bank's SA products to its non-SA customers. SA segments like Priority, Burgundy, NRI and Government savings will be primary focus areas of the Bank. New SA customer acquisition to be driven by branches, through scaling up digital SA openings and also leveraging other platform businesses of the Bank.

Savings Bank deposits grew by 4% while the Retail Term Deposits (RTD) grew by 44% during the year. As on 31 March, 2019, the Bank had over 26 million savings account customers, registering a growth of 17%. Total Saving account and Retail Term Deposits grew by 23 % to ₹ 353,043 crore from ₹ 285,997 crore in the preceding year.

RTD has been a key driver in growing the retail deposit business. The year saw many new RTD offerings. The Credit Card against FD and overdraft facility against FD were initiatives which helped tackle the issue of premature closures to address liquidity needs for customers. Green Channel RTD was another initiative used to reduce TAT for Trust accounts. Acknowledging the growing impact of mobile, SMS based auto-renewal and other such features to remove friction in the system were introduced. Use of analytics to retain customers with more beneficial and personalized offers has also played a big part in the success of RTD products.

A concerted effort to serve customers better saw the Bank opening several new branches in the financial year. Branches continue to bring in cross sell and upsell opportunities for the Bank, with almost 48% of retail advances being sourced at branches. The Bank has an evenly distributed branch presence across various geographies catering to the needs of diverse customer groups.

During the year the Bank added 347 domestic branches/banking outlets and Nil offshore banking units. The Bank's geographical reach now extends to 29 states and 6 union territories, covering 2,366 centers and 665 districts. As on 31 March, 2019, the Bank had a network of 4,050 domestic branches/banking outlets as compared to 3,703 last year. Around 16% of the Bank's branches are in rural areas and 13% of the Bank's rural branches are in unbanked locations.

As on 31 March, 2019, the Bank had 11,801 ATMs. The Bank was the first private sector Bank to introduce recyclers, which can both accept and dispense cash. As on 31 March, 2019, the Bank had deployed 4,917 recyclers. The recycler handles 66% of the overall cash deposits at the Bank, leading to efficient use of Bank Staff.

Retail Lending

The Bank has grown its Retail Lending portfolio steadily and strongly with a CAGR growth of 23% over the last 5 years and currently stands at ₹245,812 crore as on 31 March, 2019, up 19% over last year. The Bank continued to increase its share of retail loans to total advances, which stood at 50% as compared to 47% last year.

The proportion of higher yielding Retail Lending products comprising mainly of Personal Loan, Credit Card, Small Business Banking (SBB) stood at 20% as on 31 March 2019 and has consistently increased over the years from 9% as on 31st March 2013. Of the total portfolio, home loans accounted for 38%, auto loans 11% and loans against property 9%. The Bank has been focussing on granularization of the retail loans portfolio, the unsecured retail loans stood at 19% of the total portfolio, with personal loans and credit cards accounting for 12% and 5%, respectively. Growth in Retail Lending was led by Personal Loans, Auto Loans and Small Business Banking Loans.

Building a strong digital channel – As a crucial imperative of establishing a strong digital footprint, the Retail Lending team took significant steps towards increasing the digital presence for loan products by creating a vertical to focus and develop this type of lending. In the first full-fledged year of operations, the digital share of the total business is now at 14.2% of the total sourcing of unsecured Personal Loans. The strong offshoots have shown the scalability of the channel along with the seamless customer experience and lower sourcing cost. The Bank will continue to invest and scale up this opportunity further.

Payments

Payments business plays four important roles in a Bank's strategy. It is the face of the franchise, increases customer engagement, drives profitability and partnerships. Retail electronic payments in India are growing at a tremendous pace, which has rubbed off positively on cards businesses. Cards business at Axis Bank has delivered consistent strong growth which has resulted in strong fee income contribution over the years. Significant headroom remains for continuing its strategy of acquiring cards customers from the Bank's existing deposit base.

Despite being a late entrant in payments solutions, the Bank today is ranked amongst the top players in the credit cards business. The Bank had over 5.96 million credit cards in force, making it the 4th largest credit card issuer in the country. The credit cards portfolio saw a substantial increase in spends by 40% to ₹62,083 crore from ₹44,329 crore last year. The Bank is one of the largest debit card issuers in the country, with a base of 24.51 million as on 31 March, 2019. The Debit Cards portfolio has seen an increase of 35% in spends from ₹32,927 crore in to ₹44,610 crore in FY19.

The Bank's merchant acquiring business continues to be one of the largest acquirers in the country with a base of 5,07,409 installed terminals of which 2,13,697 terminals are enabled for accepting contactless payments. In addition to scaling up the business, the Bank is also focused on scaling up the business profitably. The Bank is also using digital technologies like Bharat QR to drive high volume-low value payments acceptance use cases. From a merchant's perspective, the Bank is focused on making payments acceptance simpler and offer value added services that solve business problems.

Digital technologies today allow for several innovations in payments acceptance. During the year, Axis Bank in partnership with Signcatch launched the first of its kind "smart bill pay" initiative for New Delhi Municipal Corporation (NDMC). The solution allows customers to pay their utility bills by just scanning QR code on "personalised smiley fridge magnets" which are mapped to their consumer account number.

Digital Payments continues to be at the core of the Retail Banking strategy. UPI is growing tremendously and the Bank is leveraging UPI to attract non-Axis Bank customers. The Bank was among the early entrants to work closely with NPCI for UPI launch and continues that momentum for UPI 2.0 as well. UPI 2.0 has new features like Overdraft facility, One Time Mandate, Invoice in the

Inbox, Signed intent and QR. In addition to UPI 2.0, as per SEBI mandate, IPO investments (ASBA) will move completely to UPI in a phased manner and this new process would increase efficiency, eliminate the need for manual intervention at various stages, and is expected to reduce the time duration from issue closure to listing by up to 3 working days.

UPI has been dominating the peer-to-peer (P2P) payments space in the last two years. Going forward merchant acceptance (P2M) of UPI is set to expand and is expected to gain a substantial share of P2M payments. Total UPI on-boarded merchants today stands at more than 90,000.

The Bank has built a strong technology platform and developer friendly API's that allow partners, start-ups to plug & play Axis UPI on their mobile applications. The Bank has used this head start to its advantage by making this platform available to multiple partners like Google Pay, Amazon, Uber, Ola Cabs, Samsung Pay, LIC, IRCTC, Big Bazaar, etc. Today the Bank has a share of 11.1 % in UPI transactions, with over 32.58 million UPI IDs on-boarded.

Wealth

The Bank has built one of the best wealth management franchises among banks in the country. Since 2014, the revenues for the business have grown at 43% CAGR and the AUM at 31% CAGR to cross an overall AUM of ₹ 1,32,702 crore (~[US\$ 19.19 billion]). The challenging investment environment notwithstanding, the business continued on its growth trajectory last year to grow the customer base by 12%. This year, Burgundy was re-positioned as the Wealth Management proposition for the affluent customers. The steady growth and healthy mix of the business has also resulted in the industry recognizing the Bank as a leading player in the wealth management industry. Axis Bank was ranked 4th largest amongst private banks and wealth management firms in India by Asian Private Banker in its 2017 India AUM league table.

As a part of the endeavour to provide an enriching banking experience to NRI customers and provide them seamless assistance in fulfilling their banking requirements, the Bank has introduced NRI Digital Relationship Managers who service customers' as per the local timings in their country of residence and aim to strengthen the relationship and create value for the customers as well as for the Bank.

Remittance business

Globally, inward remittance is a \$600 Bn market with \$69 Bn being transferred specifically to India (Source: World Bank, 2017). Customers are moving from brick and mortar modes to digital platforms to transfer funds. The top 10 digital players are contributing \$80 Bn funds transfers globally.

The Bank offers a range of forex and remittances products to its retail customers, which include forex cards, inward and outward wire transfers, traveller's cheques and foreign currency notes, remittance facilities through online portal as well as through collaboration with correspondent banks and exchange houses. The Bank offers remittances facility to NRI customers through the Bank's Sri Lanka Branch and Axis Bank UK Ltd., for remittances to India. Additionally, the Bank offers remittances from Gulf Co-operation Council (GCC) region to Sri Lanka through tie-up with four exchange houses.

The Bank launched RemitMoney in November 2016 with the vision of making money transfers to India fast, economical, safe & seamless. Over the past 21 months the Bank has continuously reinvented at each and every step by listening to customers & building what they wanted. In October'18, the Bank launched the new RemitMoney website with an interactive interface and enhanced features. Some of the enhanced features include Instant money transfer (within 1 Hour) to India, 24x7 Customer support over chat, email and call, cashpoints reward program to increase loyalty, and scheduling future transfers. With thoughtful user experience design, the Bank has reduced the time taken to initiate the 1st transfer from 5 minutes to less than 1 minute and a 30 second time frame to initiate a repeat transaction.

The Bank continues to have a market leadership position in forex cards with 16 currency options other than INR being offered. Additionally, the Bank offers Miles & More Multi-Currency Forex Card in association with Lufthansa airline aimed at frequent flyers, an industry first in this segment.

Third Party Distribution

The Bank today is one of the leading distributors of mutual fund schemes in India and ranks among the top 5 distributors in terms of Assets under Management (AUM). The Bank distributes Mutual Funds schemes of 13 major Asset Management Companies,

through its diversified branch network and digital channels based on a thorough analysis of the customers' lifecycle and investment requirements. The Bank has over 1 million mutual fund customers. The Bank won the Best Performing Bank – Private at the UTI Mutual Fund and CNBC TV18 Financial Advisor Awards 2017-18 and has been nominated for Wall of Fame year 2018-19.

The Bank also offers online trading services to its customers in collaboration with Axis Securities Ltd. (a 100% subsidiary of the Bank) under the name Axis Direct. Axis Direct crossed 2 million total customers during the year. The Bank has a tie up with Max Life and Life Insurance Corporation of India for distributing life insurance products. The Bank continues to provide the best choice of products across both insurance companies to cater to the financial security of Customers and has secured the lives of over 1.2 million customers since the inception of the partnerships.

In General Insurance, the Bank has a tie up with TATA AIG General Insurance Co. Ltd. (American International Group) and for Health Insurance with Apollo Munich Health Insurance Co. Ltd. Mutual Fund & Insurance Distribution contributed 19% of total retail bank fee income in FY 2018-19.

Strengthening the Traditional Digital Channels of Mobile & Internet Banking and Pioneering the New Age of Conversational Banking

The focus of the Bank has been on simplifying the journeys and offerings for its customers. The customers today desire instant gratification and seek to complete tasks across the plethora of channels that the Bank offers. Fully cognizant of this, Axis Bank has aggressively adopted the use of customer journey mapping and design thinking to help prioritize and deliver Omni-channel experiences across physical and digital assets.

In line with what customers sought, the Bank continued to add more features to its Mobile Banking and Internet Banking application, during the year. Some of the features include

- Pre-approved customers can get a credit card in a fully digitised process
- Pre-approved customers can get personal loans disbursed instantly into their account
- App is now enabled with face and touch ID for iOS mobile devices and has also integrated Axis Bank's virtual assistant, Axis Aha!
- The dashboard for Internet Banking was revamped reducing the time taken for users to login by almost 20%
- The Bank launched a new and revamped FD/RD journey that has resulted in reducing the time taken to book FD/RD by 12%.
- The Bank also launched its online investing platform, "Personal Finance Manager" (PFM), which helps customers invest in mutual funds in a quick and easy way. Customers can simply set their risk profile basis a few simple questions on the portal and choose funds through performance and risk ratings filters. Further the customers get a complete view of their investments.

These initiatives have yielded rich results. Axis Bank won the "Best Use of Digital & Channels Technology" at the IBA banking Technology Awards' 2018 and has also been awarded as the "Best Digital Bank" by Financial Express.

Mobile Banking

This year, Axis Mobile achieved the milestone of crossing a user base of 10 million registered users and has been ranked number 3 by mobile banking transactions volumes in December' 2019 as per data published by the RBI. Axis Mobile continues to trend upwards in terms of ranking with its global ranking improving from 32 to 14 (Source: 2018 Global Forrester Rankings). The app ratings on the Play Store and the App Store have also improved from 4.3 and 4.2 respectively in April 2018 to 4.6 in February 2019 on both the stores; making Axis Mobile as one of the highest rated banking apps.

Significant changes were made in Axis Aha! – Axis Bank's AI enabled conversational virtual assistant. Axis Aha!, which helps customers do their banking transactions and get answers to all their banking queries is available on the website (axisbank.com), Axis Bank support page and was introduced on the Mobile App too. Customers can simply chat in their daily conversational lingo or use their voice to enquire about the Bank's products, get their queries or complaints resolved, transfer funds, pay their bills or block their cards.

Axis Aha! has so far handled over 9.4 million interactions, conducted over 7,000 transactions and resolved 2,000 service requests. With Axis Aha!, customers can get their queries resolved in the shortest time. Axis Aha! has been awarded the prestigious IDC Digital Transformation Award for its innovativeness and utility.

Automation at various customer touch points

Empowering and enabling customers has been one of the ways the Bank aims to foster better relationships with customers. The Bank had a network of 11,801 ATMs and 4,917 cash recyclers as at end of March 2019. The Bank was the first in the industry to introduce cash recyclers. These handle 66% of cash deposits at branches now, freeing up the Bank staff to efficiently serve the other needs of the customers.

The Bank is increasing the digital footprint through various Self Service Kiosks for Speed Banking - a flagship initiative, Cheque Deposits and Passbook Printing. Walk in customers can do various financial and non-financial transactions on these kiosks. The Bank has added 190 passbook printing kiosks and 151 cheque deposit kiosks in fiscal 2018-19 and intends to keep increasing the digital footprint further.

Saksham, a pioneering initiative has expanded to all branches of the Bank. It's a unified platform for instant processing of service requests and financial transactions. With a 360 degree view of customer details across relationships, it is a unique tool for better customer engagement. It is also aimed at a 'service-to-sales' initiative with pre-approved product offerings at the servicing window. Saksham currently processes over 78 million transactions and 1.1 million service requests in straight through mode, annually.

The Bank has continued to reinforce its digital presence via mobility solutions. The deployment of 25,000+ on-field tablets has helped transform customer on-boarding experience across CASA, Credit cards & Micro-financing by reducing turnaround times & offering paperless solutions. The Bank's digital solution suite also includes Insta Servicing platform which offers paperless self-servicing options to customers. Presently 30 different types of servicing requests can be processed through this platform.

Wholesale Banking

The financial year 2018-19 has been a year of consolidation for the corporate segment with modest growth. The asset quality issues which have been affecting the banking sector in the last few years finally appeared to be coming under control with majority of the bad loans getting recognised and provided for. The year witnessed the resolution of a few large stressed accounts referred to NCLT under Insolvency and Bankruptcy Code resulting in better recovery for banks.

The credit offtake for the corporate segment improved marginally during financial year 2018-19 compared to previous fiscal. Notwithstanding the transient effects associated with the implementation of the Goods and Services Tax (GST) regime in the initial part of the year, the credit growth to industry had improved to about 14% by 2019 vis a vis 11% growth in March 2018. Credit growth has been witnessed in Infrastructure, Engineering, Chemicals, Oil and Gas segments while Basic Metal and Metal products, Textiles and Gems & Jewellery segments continued to reflect sluggish demand scenario. Services sector continues to reflect high growth.

The Bank is creating an integrated franchise by re-organising its existing coverage groups. The Bank has revamped its risk appetite and internal processes to ensure new lending business is of much healthier quality. The Bank's strategic focus in recent years has been towards building a higher rated lending book, increase the share of working capital loans and reducing the concentration risk.

The Corporate lending business in Axis Bank continued to emphasise doing business with higher rated corporates focussing on having higher share of the cash flows of these corporates through working capital facilities and Cash Management Services arrangements. The Bank also participated in some of the NCLT related resolution cases funding marquee groups and high rated corporates.

Approximately 95% of new sanctions in the corporate book were to companies rated 'A-' or better. Presently, 82% of outstanding standard corporate book is to companies rated 'A' and above. During the year, the share of working capital exposures to overall corporate loan book increased from 32% in 2018 to 34% in 2019.

Further Portfolio diversification through a sectoral approach to credit has helped the Bank to continue reducing the concentration risk. Concentration risk has seen a steady decline in the last few years with exposure to top 20 single borrowers as percentage of Tier-1 capital improving to 112% as on 31.03.2019 vis a vis at 121% as on end March 2018.

During the fiscal 2019, the Bank's corporate loan growth was 5% with working capital loans growing by 11% YOY. The Bank's domestic corporate loan book growth was strong with a YoY growth of 17%. The Bank continued to implement its strategy of de-growing the overseas loan book aligned to the focus shift of top business houses to tap opportunities in the domestic market.

The Wholesale Banking business continues to focus on customers such as the Government, Strategic, Large and Mid-Corporates, and SMEs. The Bank started new relationships as well as deepened relationships with many Navratnas and Maharatnas Public Sector Undertakings (PSUs) during the year as PSUs continue to remain focused client group for the Bank.

The Bank along with its subsidiaries addresses most of financial services requirements of a corporate be it borrowing, trade finance, cash management, remittances, investment banking, security services etc. The holistic approach has moved the Bank away from a sales based approach of offering corporate credit to providing an entire bouquet of products and services.

Treasury

The Bank's Treasury function comprises Asset Liability Management (ALM), Proprietary trading business in Interest rates & Equity, Foreign Exchange & Derivatives and Arrangership business.

The ALM group manages the regulatory requirements of Cash Reserve Ratio (CRR), Statutory Liquidity Ratio (SLR) and Liquidity Coverage Ratio (LCR). The Bank has a strong network across the country offering best in class service through 78 dedicated SME Centres and more than 3,900 Branches.

The Bank has created a dedicated SME business unit to have a focussed approach towards the SME Sector, comprising of three business verticals namely Medium Enterprises Group (MEG), Small Enterprises Group (SEG) and Supply Chain Finance (SCF). The SME Business in the Bank continues to focus towards lending to the Priority sector (PSL) and is a significant contributor to the Bank's overall PSL portfolio. During the fiscal, the Bank's SME advances grew at 12% to ₹65,584 crore from ₹58,740 crore last year. The SME portfolio of the Bank constituted 13% of the Bank's total advances as on 31 March, 2019.

The Bank sees immense potential for growth in the SME sector across the country. The Bank has been taking several initiatives to support the growth and development of MSME sector. The Bank organises "Evolve" series - an educational initiative for SMEs every year. The series is now regarded as a signature initiative of Axis Bank in building SME capacity. The 5th edition of Evolve was organised this year around the concept "Unlocking Growth through Innovation" in 31 cities across the Country where more than 3,200 SMEs participated.

To recognize the efforts and contributions of SMEs, Axis Bank has joined hands with the India SME Forum to felicitate successful SMEs through INDIA SME 100 Awards, which is considered as one of the most prestigious awards in the SME fraternity. With this association, the Bank hopes to inspire able SMEs that have the potential to be world class enterprises and offer a platform to promote to their partners, investors and collaborators and ensure long term sustainable growth.

There has been a lot of focus to encourage the SME sector to go digital. With strong processes and robust IT support, Axis Bank is well poised to drive this digital transformation and create an enabling environment for our esteemed customers.

Asset quality in the SME segment has remained stable with strong focus on sourcing high rated customers. The Bank also has effective monitoring and Early Warning Systems in place which help to take corrective action when necessary.

Business Intelligence Unit

The Bank has invested in a centralized Business Intelligence Unit that provides analytical services to various functions of the Bank. The BIU team monetizes data assets of the Bank for risk management, growth, and operational optimization. Over the years, the Bank has invested in 3 key pillars – adoption of analytics culture; robust data assets and technology; and right people and skill mix, to build a world class Analytics team. There are 300+ members in the dedicated analytics team, who are young, techno-functional and continuously evolving their skillsets.

BIU continues to focus in Artificial Intelligence (AI) & Machine Learning (ML) along with traditional analytics in decision making of different businesses across Retail and Wholesale Bank. BIU team has many use cases live on its newly created Big Data Lake

infrastructure, which allows the Bank to implement customer centric real time analytical solutions. The Big Data Lake platform will become the mainstream analytics engine for the Bank in the next 18-24 months providing significant advantages over current analytics infrastructure.

The Bank has multiple customer centric AI solutions like “simplified transaction narrations” live on the Axis Mobile Banking platform. Computer vision algorithms are helping the Bank to solve critical use cases in the fields of Human Resource and Operational Risk management like ATM Skimming. The BIU’s ML algorithms are providing incremental ability to predict customer affluence and product needs over traditional models and are currently in different phases of deployment.

The Bank is expecting its first analytical cloud application for decision making, to go live soon after requisite Information Security testing. At Axis Bank, we expect our investments in the areas of AI, ML, Cloud and Big Data to start providing meaningful competitive advantage in the coming years.

Risk Management

The risk management objective of the Bank is to balance the trade-off between risk and return, and ensure that the Bank operates within the Board approved risk appetite statement. An independent risk management function ensures that the risk is managed through a risk management architecture as well as through policies and processes approved by the Board of Directors encompassing independent identification, measurement and management of risks across the various businesses of the Bank. The risk management function in the Bank strives to proactively anticipate vulnerabilities at the transaction as well as at the portfolio level, through quantitative or qualitative examination of the embedded risks. The Bank continues to focus on refining and improving its risk measurement systems including automation of processes, not only to ensure compliance with regulatory requirements, but also to ensure better risk-adjusted return and optimal capital utilisation. The Board reviews the risk profile of the Bank at periodic intervals and ensures that risk levels are within the defined risk appetite.

The overall risk appetite and philosophy of the Bank is defined by its Board of Directors. The Risk Appetite framework provides guidance to the management on the desired level of risk for various types of risks in the long term and helps steer critical portfolio decisions. Further, the Internal Capital Adequacy Assessment Process (ICAAP) of the Bank assesses all the significant risks associated with various businesses. The independent risk management structure within the Bank is responsible for managing the credit risk, market risk, liquidity risk, operational risk, other Pillar II risks like reputational risk and strategic risk and exercising oversight on risks associated with subsidiaries. The risk management processes are guided by well-defined policies appropriate for the various risk categories viz. credit risk, market risk, operational risk, liquidity risk, counterparty risk, country risk, reputational risk, strategic risk and subsidiaries risk, supplemented by periodic validations of the methods used and monitoring through the sub-committees of the Board. The Risk Management Committee (RMC), a committee constituted by the Board, approves policies related to risk and reviews various aspects of risk arising from the businesses undertaken by the Bank. The Committee of Directors (COD) and the Audit Committee of the Board (ACB) supervise certain functions and operations of the Bank, which ultimately enhances the risk and control governance framework within the Bank. Various senior management credit and investment committees, Credit Risk Management Committee (CRMC), Asset-Liability Committee (ALCO), Operational Risk Management Committee (ORMC), Subsidiaries Governance Committee (SGC), Information Security Committee (ISSC), Central Outsourcing Committee (COC) and Business Continuity Planning Management Committee (BCPMC) operate within the broad policy framework of the Bank.

Credit Risk

Credit risk is the risk of financial loss if a client, issuer of securities that the Bank holds or any other counterparty fails to meet its contractual obligations. Credit risk arises from all transactions that give rise to actual, contingent or potential claims against any counterparty, borrower or obligor. The goal of credit risk management is to maintain asset quality and concentrations at individual exposures as well as at the portfolio level.

Internal rating forms the core of the risk management process for wholesale lending businesses with internal ratings determining the acceptability of risk, maximum exposure ceiling, sanctioning authority, pricing decisions and review frequency. For the retail portfolio including small businesses and small agriculture borrowers, the Bank uses different product-specific scorecards. Large, risky or complex exposures require to be independently vetted by the risk department for each incremental transaction whereas small, templated exposures are extended within the approved product policies. Both credit and market risk expertise are combined to manage risks arising out of traded credit products such as bonds and market related off-balance sheet transactions.

Credit models used for risk estimation are assessed for their discriminatory power, calibration accuracy and stability independently by a validation committee.

During the year the Bank has brought greater alignment in bank level risk appetite and the operational limits. The key risk metrics are monitored regularly and deviations are discussed with business to decide on the course of remedial action. Overall credit governance structure and processes have been strengthened to ensure credit quality on an ongoing basis.

Market Risk

Market risk is the risk of losses in 'on and off-balance sheet' positions arising from the movements in market price as well as the volatilities of those changes, which may impact the Bank's earnings and capital. The risk may pertain to interest rate related instruments (interest rate risk), equities (equity price risk) and foreign exchange rate risk (currency risk). Market Risk for the Bank emanates from its trading and investment activities, which are undertaken both for the customers and on a proprietary basis. The Bank adopts a comprehensive approach to market risk management for its banking book as well as its trading book for both its domestic and overseas operations. The market risk management framework of the Bank provides necessary inputs regarding the extent of market risk exposures, the performance of portfolios vis-à-vis the market risk limits and comparable benchmarks which provide guidance to the business in optimizing the risk-adjusted rate of return of the Bank's trading and investment portfolio.

Market risk management is guided by clearly laid down policies, guidelines, processes and systems for the identification, measurement, monitoring and reporting of exposures against various risk limits set in accordance with the risk appetite of the Bank. Treasury Mid-Office independently monitors the Bank's investment and trading portfolio in terms of risk limits stipulated in the Market Risk Management Policy and board approved Market Risk appetite and reports deviations, if any, to the appropriate authorities as laid down in the policy. The Bank utilises both statistical as well as non-statistical measures for the market risk management of its trading and investment portfolios. The statistical measures include Value at Risk (VaR), stress tests, back tests and scenario analysis while position limits, marked-to-market (MTM), stop-loss limits, trigger limits, gaps and sensitivities (duration, PVBP, option greeks) are used as non-statistical measures of market risk management.

Historical data calculated at a 99% confidence level for a one-day holding period over a simulation and its variants are used to compute VaR for the trading portfolio time horizon of 250 days. VaR models for different portfolios are back-tested on an ongoing basis and the results are used to maintain and improve the efficacy of the model. VaR measurements are supplemented with a series of stress tests and sensitivity analyses as per a well laid out stress testing framework.

Liquidity Risk

Liquidity is a bank's capacity to fund increase in assets and meet both expected and unexpected cash and collateral obligations at a reasonable cost and without incurring unacceptable losses. Liquidity risk is the inability of a bank to meet such obligations as they become due, without adversely affecting the bank's financial condition. The Asset Liability Management (ALM) Policy of the Bank stipulates a broad framework for liquidity risk management to ensure that the Bank is in a position to meet its liquidity obligations as well as to withstand a period of liquidity stress from bank-level factors, market-wide factors or a combination of both. The ALM policy captures the liquidity risk appetite of the Bank and related governance structures as defined in the Risk Appetite Statement.

The liquidity profile of the Bank is monitored for both domestic as well as overseas operations on a static as well as on a dynamic basis by using the gap analysis technique supplemented by monitoring of key liquidity ratios and conduct of liquidity stress tests periodically. The Bank has laid down liquidity risk policies for its overseas branches in line with host country regulations and the asset-liability management framework as stipulated for domestic operations. Periodical liquidity positions and liquidity stress results are reviewed by the Bank's ALCO and the Risk Management Committee of the Board.

The Bank has integrated into the asset liability management framework the liquidity risk management guidelines issued by RBI pursuant to the Basel III framework on liquidity standards. These include the intraday liquidity management and the Liquidity Coverage Ratio (LCR). The Bank maintains the regulatory mandated LCR as per the transitional arrangement laid down by RBI and also ensures adherence to RBI guidelines on monitoring and management of liquidity including liquidity ratios.

Operational Risk

Operational risks may emanate from inadequate and/or missing controls in internal processes, people and systems or from external events or a combination of all the four. The Bank has in place an Operational Risk Management (ORM) Policy to manage the operational risk in an effective, efficient and proactive manner. The policy aims at assessing and measuring the magnitude of risks, monitoring and mitigating them through a well-defined framework and governance structure.

The RMC at the apex level is the policy making body and is supported by the Operational Risk Management Committee (ORMC), responsible for the implementation of the Operational Risk framework of the Bank and the management of operational risks across the Bank.

All new products and processes, as well as changes in existing products and processes are subjected to risk evaluation by the Operational Risk team. The overall responsibility of new products is vested with the Risk Department through the Bank's Product Management Committee and Change Management Committee. Outsourcing arrangements are examined and approved by the Bank's Outsourcing Committee after due recommendations from the Operational Risk team. The IT Security Committee of the Bank provides directions for mitigating operational risk in the information systems. The Bank has set up a comprehensive Operational Risk Measurement System (ORMS) for documenting, assessing, and periodic monitoring of various risks and controls linked to various processes across all business lines. Over the year, the Bank has focused on strengthening the operational and information security risk frameworks by implementing several initiatives.

The Business Continuity Planning Management Committee (BCPMC) exercises oversight on the implementation of the approved Business Continuity Plan (BCP) framework which has been put in place to ensure continuity of service to its large customer base. The effectiveness of the approved Business Continuity Plan (BCP) framework is tested for all identified critical internal activities to ensure readiness to meet various contingency scenarios. The learning from the BCP exercises are used as inputs to further refine the framework.

Subsidiary Governance

The oversight of Subsidiaries is an essential element for the implementation of robust corporate governance across group entities and is an integral feature of a well-managed business, capable of creating value through enhanced reputation and investor confidence. Towards this objective, the Bank has implemented an integrated subsidiaries governance framework through the Subsidiaries Governance Committee to align governance practices at Axis Group level which is overseen by the Board and Board level committees. The governance framework encompasses group level alignment of key functions such as risk, compliance, audit, human resources, corporate communication, marketing and finance frameworks to achieve group synergy and optimally leverage business opportunities. The framework is supplemented by a set of policies including inter alia, Policy for Oversight of Subsidiaries, Arm's Length Policy, Subsidiary Risk Management Policy etc. for operationalization of the governance framework.

Information Technology and Cyber Security

The Bank has undertaken various technology enabled business initiatives to empower the Bank's journey towards driving sustainable growth and improving customer experience. During the year, a large scale IT transformation was undertaken augmenting our infrastructure to further build capabilities. The Bank upgraded its core systems for better scalability, stability and enhanced security.

In its effort to provide paperless customer onboarding using digital platforms, Bank had last year launched 'ASAP', an online account opening channel, where customers can open an account with their Aadhaar and PAN and get an account number within 3 minutes. Additionally, pre-approved customers can now apply for 'ICC', a virtual credit card which is issued instantaneously. The Bank's award winning Mobile Application has been further enhanced with the introduction of 'Axis AHA!', an Artificial Intelligence & Machine Learning powered conversational banking assistant on Axis Mobile (and website) allowing users to perform various financial and non-financial transactions.

Delivering on its digital-first vision, the Bank has partnered with the Government to implement 'SMART City', facilitating digital transactions by citizens, Government bodies and utility companies. With the launch of Smart City prepaid card, multi-lingual web portal and mobile application; its users will be able to make cashless payments of several services within the city and also consume city centric information.

With a view to drive innovations and customer delight, the Bank utilises an Artificial Intelligence engine to simplify transaction narrations in digital channels for better customer experience and understanding. Bank has also successfully used Artificial Intelligence and Machine Learning in various back office operations, greatly reducing manual intervention and improving both employee productivity and processing time. To leverage on analytics, fuelled by existing customer behaviour, providing precise predictive systems; Bank is building Data Lake infrastructure for discovery, analytics and Business Intelligence.

In order to drive seamless integration with partners, Bank's Open API (Application programming interface) and UPI (Unified Payments Interface) platform has been further enhanced to on-board merchants like Amazon Pay, Google Pay, Uber, Samsung Pay, etc. generating more business and driving volumes.

To improve Branch network and address infrastructure limitations in remote geographies, Bank has now empanelled all national level large reach providers and local broadband providers for improving the overall branch network uptime and efficiency.

The Bank has adopted a holistic cyber security program with a comprehensive Cyber Security Policy (CSP) and standards based on industry best practices with compliance to regulatory guidelines. The Bank has created its cyber security design and framework based on National Institute of Standards and Technology (NIST) standard. The Bank's cyber security framework is built around five fundamental areas including Identify, Protect, Detect, Respond and Recover. Bank is compliant to ISO27001 standard and PCI DSS standard. The Bank has a 24 X 7 Security Operations Centre and Cyber Security Operations System. Bank has augmented its cyber security capabilities during current year by deploying:

- Website Anti-Phishing monitoring solution,
- Email Anti-Spamming and Anti-Phishing solution,
- Dark Web deep insight monitoring capabilities and
- Adopting Cloud Security Framework.

Compliance

The Compliance function is one of the key elements in the Bank's corporate governance structure. It ensures strict observance of all statutory provisions in various legislations such as Banking Regulation Act, Foreign Exchange Management Act, Prevention of Money Laundering Act, Reserve Bank of India Act, etc. as well as the regulatory guidelines issued from time to time, the standards and codes prescribed by BCSBI, FEDAI, FIMMDA, etc. and also the Bank's internal policies and fair practice code. The Compliance function assists the Board and Top Management in managing the compliance risk, that is, the risk of legal or regulatory sanctions, financial loss or reputational loss that the Bank may suffer as a result of its failure to comply with the applicable laws, regulations or code of conduct applicable to banking activities.

The Bank is committed to adhere to the highest standards of compliance vis-à-vis regulatory prescriptions and internal guidelines. The Bank has a robust Compliance Policy, outlining the compliance philosophy of the Bank and roles & responsibilities of the Compliance Department. The Compliance function plays a crucial role in ensuring that the overall business of the Bank is conducted in accordance with regulatory prescriptions. The Compliance function aims to improve compliance culture within the Bank through various enablers like dissemination of regulatory changes, percolation of compliance knowledge through training, newsletters, e-learning initiatives and other means of communication apart from direct interaction. To ensure that all the businesses of the Bank are operating within the ambit of Compliance Framework, the Compliance Department is involved in vetting all new products and processes. It evaluates the adequacy of internal controls and examines any systemic correction required, based on its analysis and interpretation of the regulatory doctrine and the deviations observed during compliance monitoring and testing. It also ensures that internal policies address the regulatory requirements comprehensively. The Audit Committee of the Board reviews the performance of the Compliance Department and the status of compliance with regulatory guidelines on a periodic basis.

As the focal point of contact with RBI and other regulatory entities, the Compliance Department periodically apprises both the Bank's management as well as the Board of Directors on the status of compliance in the Bank and the changes in regulatory environment. The Bank has put in place an Enterprise-wide Governance Risk and Compliance Framework, an online tool, which is pivotal in addressing operational, compliance and financial reporting risk, bringing efficiency in processes and improvement in compliance levels besides facilitating annual assessment of these risks. The Compliance Department also propagates and monitors a Group Compliance approach encompassing the Bank and its subsidiaries

Internal Audit

The Bank's Internal Audit function provides an independent view to its Board of Directors and Senior Management on the quality and efficacy of the internal controls, risk management systems, governance systems and processes in place on an on-going basis. This is provided to primarily ensure that the business and support functions are in compliance with both internal and regulatory guidelines. In line with the RBI's guidelines on Risk Based Internal Audit (RBIA), the Bank has adopted a robust internal audit

policy. The RBIA has been designed after factoring regulatory guidelines and also international best practices. The policy has a well-defined architecture for conducting RBIA across all audit entities. The audit policy articulates the audit strategy in terms of a concerted focus on strategic and emerging business risks. These inputs form a key step in the identification of the audit universe for the audit planning exercise. The audit frequencies are in sync with the risk profile of each unit to be audited. This is in alignment with guidelines relating to RBIA. The scope of RBIA includes examining the adequacy and effectiveness of internal control systems, external compliances and also evaluating the risk residing at the audit entities. Further to augment the internal audit function, concurrent audit and thematic audit reviews have been integrated into the internal audit process in order to make the function more robust.

The Internal Audit function of the Bank, operates independently under the supervision of the Audit Committee of the Board, thereby ensuring its independence. The Audit Committee of the Board reviews the efficacy of the internal audit function, effectiveness of the internal controls laid down by the Bank and compliance with internal and also regulatory guidelines.

Corporate Social Responsibility (CSR)

As one of India's largest private sector banks, Axis Bank's CSR and sustainability strategy has been to move forward in a manner that catalyses positive economic, social and environmental value creation for its stakeholders while ensuring sustainable profitability and growth for the organization. The Bank believes this can be achieved when its business is integrated with the success of its customers, progress of the communities it serves in, well-being of its employees and protection of its environment.

Through its business and non-business activities, the Bank endeavours to play its role in promoting economic development that is equitable and sustainable, and touches myriad sections of society through its products & services, business operations, corporate social responsibility and sustainability initiatives. As a leading financial institution, Axis Bank strives to facilitate financial flows to critical parts of the Indian economy with a strong socio-economic and environmental impact.

In alignment with the global sustainable development agenda, underscored by the UN Sustainable Development Goals and the Paris Agreement on climate change, Axis Bank has strived to enhance its 'sustainable financing' portfolio, lending to sectors such as renewable energy generation, mass rapid transport, and low carbon infrastructure development. In addition, through its Debt Capital Markets business, Axis Bank has helped marquee clients raise funds from global capital markets towards green financing.

To better manage the environmental and social risks related to its lending decisions and portfolio, Axis Bank adopted Sustainable Lending Policy and Procedures (SLPP), which works in tandem with its Corporate Credit Policy and applies to all new funding projects, subject to certain threshold criteria. SLPP draws from international frameworks including the Equator Principles and IFC Performance Standards.

In July 2018, the State of Kerala faced widespread flooding and large scale destruction of life and property due to heavy rainfall. Notwithstanding the massive relief operations, there were still families stranded at difficult to reach locations. Axis Sahyog, the Bank's microfinance unit, under the Rural Lending team, which has 32 operating branches in the state, launched project 'Axis Sahaayata' for providing immediate disaster relief to those unable to access government relief's operation.

In the first phase of the initiative, the Bank provided direct relief to 425 flood-affected families in Kottayam, Alappuzha, Palai and Vaikom areas, providing need-based relief items with Bank's employees supporting relief agencies in evacuation of people. During August 2018, when floods hit the state again, the entire microfinance team in the field supported evacuation and extending relief works to approximately 2,220 families, including providing school bags to children from five government schools.

During the year, Axis Bank released its first standalone sustainability report, its fourth overall, in accordance with the Integrated Reporting (IR) framework of the International Integrated Reporting Council. The Report continues to follow the reporting framework of the Global Reporting Initiative and is externally assured. The IR framework recognizes that organizational value is created throughout an organisation, and by adopting an Integrated Thinking, it is in a position to effectively connect its strategy, governance and performance. This Integrated approach groups the organization's inputs, activities and impact into six capitals – Financial, Manufactured, Intellectual, Human, Social & Relationship, and Natural – which together provide a more holistic insight into the value it creates.

As a responsible corporate citizen, Axis Bank makes a conscious effort to reduce the environmental footprint of its business operations and activities. Through diverse initiatives spanning product and process digitization, process improvement, resource consumption management, energy conservation, renewable energy adoption and waste management, the Bank is working towards lowering carbon emissions from its operations while at the same time becoming a leaner and more responsive organization. The Bank has invested in installing rooftop solar panels at various locations, wherever feasible, and in remotely managed smart energy systems to improve energy efficiency and avoid carbon emissions from its operations. As on 31st March 2019, the Bank had an installed solar power capacity of 7.05 MW spread across 248 locations.

At Axis Bank, its employees form the bedrock of the organization, and the Bank strives to provide them the opportunities to perform, learn and engage. Towards building a more inclusive workspace, Axis Bank launched "Access", a program under which it has hired over 35 candidates with differently abled capabilities in this financial year, and aims to hire over 100 candidates over the next year.

The Bank's CSR activities are guided by its CSR Policy and are driven either directly, through the Axis Bank Foundation (ABF), or through any other entity as deemed suitable by the Bank's CSR Committee of the Board. Its activities focus broadly on poverty alleviation, creating sustainable livelihoods, environmental sustainability, financial inclusion & literacy, and skill development. With over 4,000 branches across 29 states and 6 Union Territories as on 31st March 2019, Axis Bank actively tries to leverage its pan-India presence to expand the depth and impact of its programs.

Axis DilSe, the Bank's CSR initiative in the Leh and Kargil districts of the Ladakh region in Jammu & Kashmir, completed its second phase of intervention. The initiative is working in 100 border villages in the two districts, supporting 108 schools to scale up educational and physical infrastructure. Under phase II, the Bank installed 'Digi Labs' in all schools which would enable access to the digitized curriculum both for the students and the teachers. It also facilitates monitoring of the progress of the students through the module tracking system. The initiative is directly covering approximately 5,000 students, and has indirectly touched thousands of parents and teachers.

The Axis Bank Foundation was established in 2006 with a mission to take forward the Bank's community development objectives. Over the years, the Foundation's approach to development has evolved to remain responsive to the needs of marginalized communities with a strong focus on strengthening the role of women in the rural economy. Many of the Foundation's programs are closely aligned with various national rural development initiatives. With its strong network of 29 implementation partners, the Foundation's programs were spread across 151 districts in 23 states /union territories across the country as on 31 March 2019.

An overview of the various CSR initiatives undertaken during the year has been provided in the Annual Report on CSR Activities as part of the Statutory Reports in this Annual Report. Additional information is available on the Bank's corporate website at <https://www.axisbank.com/csr> and on the Foundation's website at <http://www.axisbankfoundation.org/>.

Axis Bank actively pursues a culture of giving and inclusiveness through its employee engagement platform - Axis Cares. The platform enables employees to donate to support several causes across the country in multiple ways. Employees can donate monthly through the payrolls and through one-time donations. Some of the causes that are supported through Axis Cares are Child Needs you, Hand for the Elderly, Wild life and us, Nurture nature, Preserve Heritage and Sports for Everyone. Axis Cares, through employee donations, supports several initiatives in the chosen themes across the country, through select NGOs. Each of the initiatives is purposefully chosen to make a significant difference. Employee not only get an opportunity to recommend causes, but also get the opportunity to volunteer their time and to experience the issues first hand. Axis Cares also enables employees to come together to support communities at the time of disasters by donating cash and in kind, by donating blood for blood banks through camps held frequently at several locations. Employees get to share their experiences in the area of social responsibility through a quarterly newsletter.

During the year, the Bank was recognized awarded at the prestigious CII ITC Sustainability Awards 2018, where it won the "Excellence" certificate in Corporate Social Responsibility category.

It is a matter of significant pride for the Bank to have been included in the prestigious FTSE4Good Emerging Index for the second consecutive year in 2018. Created by the global index provider FTSE Russell, the FTSE4Good Index Series is designed to measure

the performance of companies demonstrating strong Environmental, Social and Governance (ESG) practices, and is widely used by a variety of market participants to create and assess responsible investment funds and other products.

Human Resources

The Bank's people strategy focuses on enhancing key capabilities and embedding a performance centric culture. With this objective, the Bank has made efforts to attract the right talent and build skills aligned to the Bank's aspirations. The Bank ended financial year with a workforce strength of 61,940 employees. Some key focus areas of the Bank were:

Engage the best: attract and nurture

A young and engaged workforce with an average age of 30.8 years and the Bank's policy on being an equal opportunity employer continue to significantly contribute towards the Axis Bank brand. This year, the Bank extended the use of data analytics and technology in making smarter hiring decisions. Interview-less skill inventory algorithm based hiring for our frontline sales staff was introduced to identify the best fit for available roles.

Catalyst – the internal careers portal, was launched in the Bank to provide our employees an opportunity to chart their own careers. Catalyst allows employees to seek and apply for roles across departments within the Bank and also across Axis Group subsidiaries through a transparent and fair process, realizing the vision of 'One Axis'.

The Axis Bank Young Bankers and Axis Sales Academy programs continued to ensure that we have a sustainable supply pool of skilled resources to fulfil our aspirations. The Bank continued to actively engage with potential candidates which aided in attracting a large pool of potential candidates. The Bank maintained its focus on intake of candidates from diverse backgrounds through programmes like We Lead – the women in leadership program and ACCESS – the diversity hiring initiative for differently abled individuals.

Reinforcing meritocracy and building capability

The Bank continues to reward performance and has maintained focus on sharper differentiation for top performers while maintaining fairness and transparency in evaluation. The Bank's promotion process allows for the best performers to be recognized, regardless of their age, gender, background, and tenure.

More than 24,600 employees underwent a 2-day customized training program as part of ACElerate – the Bank's integrated performance management and capability development system. The Bank also offered an Enhancement Program to employees with lower than expected performance as a lever to opt for stretch targets and have a chance at upgrading their performance rating retrospectively.

The Bank encourages its subject matter experts to nurture a culture of learning and sharing which strengthens the learning mindset. Through its various learning interventions, the Bank continues to provide platforms for employees to improve their functional knowledge and behavioural skills. A total of 37,982 employees qualified Axis Competency Profiler, the Bank's online certification platform, which assesses employees on their functional competence and creates a pool of functionally strong employees. Further, training and testing is conducted to cascade bank's Values, code of ethics, and governance.

Foster alignment to strategy and enhance employee experience

This year, the Bank outlined its execution strategy for the next three years which pivots around the delivery of three important vectors - Growth, Profitability, and Sustainability. My GPS, an internal platform for employees, was launched to crowd-source ideas and recommendations from our employees to strengthen these vectors. Axis Blitz, a bi-annual platform for leaders to engage with employees and drive core values, continued as a part of strategy cascade where senior leaders travelled to locations and engaged with regional leadership teams. Axis Champions Awards, the Bank's annual recognition event, was held to recognize employees who displayed Excellence in Customer Service, Leadership, Citizenship Behaviour, Fraud Prevention, and Innovation.

The Bank ensured that the best-in-class technology is deployed to automate HR processes and enhance employee experience. The Bank continued to leverage its integrated employee survey architecture to hear from employees at various stages of the employee lifecycle.

Through the fulfilment of its HR agenda, the Bank continues to strive towards its goal of standing out as an institution in the industry.

Subsidiary Performance

The Bank's subsidiaries remain central to the principle of One Axis and our ability to deliver on our strategy formulated around the three vectors - growth, profitability and sustainability. In a short span of time we have established subsidiaries covering a significant gamut of the financial services space. Axis Direct is the 6th largest brokerage firm by unique traded customers, Axis Mutual Fund is ranked 9th based on average assets under management for the year ended FY19 as compared to 16th rank as at the end of FY12. Axis Capital maintains its leadership position in the ECM segment. Axis Finance has grown at a 36% CAGR with high returns. Axis is the only Bank to have 2 fintech companies as its subsidiaries - A.Treds in B2B and Freecharge in B2C space. During fiscal 2019, the Bank's subsidiaries reported growth in revenue of 5%.

Axis Finance Limited, the Bank's fast growing NBFC that caters to the unique financing requirement of retail and wholesale customers, reported 21% YoY growth in total loans with 40% growth in corporate loans. Axis Finance's net profit increased by 8% and contributed 57% to total subsidiaries' earnings.

Axis Capital, the Bank's investment banking and institutional equities franchise has been the leader in equity and equity linked deals over the last decade and had another great year with highest number of transactions (13 transactions across IPO, OFS, QIP, Rights and REIT) and 10% market share. Axis Capital contributed 16% to the total earnings of the subsidiaries.

Axis AMC and Axis Securities continued to contribute towards the Bank's Retail Franchise building strategy and strengthen the bond with its customers. Axis AMC reported 19% YoY growth in average AUM with 44% growth in total number of folios and contributed 14% to total subsidiaries' earnings. Axis Securities, one of the fastest growing brokerage firms in India reported 12% growth in cumulative client base to 2.10 million and contributed 20% to subsidiaries net profits.

During the fiscal, Freecharge, one of the India's leading digital payment companies has a current user base of 72mn, GMV of ₹2,790 crore and 106 mn transactions. The Bank believes that the Freecharge's unique value proposition in the digital payments space and the strength of its acquisition engine would help to build the Axis franchise further and create significant value for the Bank. With Digital Payments as a hook, the Bank intends to leverage the platform for digital distribution of retail products by targeting digitally native mobile first customers. The post-acquisition activities at Freecharge remain on track with total monthly payment volumes up 84% and monthly active users increasing by 33%.

A.TReDs Limited, the Bank's subsidiary that was set up in partnership with m-Junction, was one of the three entities allowed by RBI to set up the Trade Receivables Discounting System (TReDS), an electronic platform for facilitating cash flows for MSMEs. The Bank's digital invoice discounting platform 'Invoicemart' for MSMEs has done exceptionally well with market share of nearly 40% among all TReDS platforms. It currently has 2,061 participants on the platform and has clocked ₹2,712 crore in financed throughput by e-discounting nearly 1,83,088 invoices.

INDEPENDENT AUDITOR'S CERTIFICATE ON COMPLIANCE WITH THE CORPORATE GOVERNANCE REQUIREMENTS UNDER SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

To The Members of Axis Bank Limited

1. This Certificate is issued in accordance with the terms of our engagement letter dated June 28, 2018.
2. We have examined the compliance of conditions of Corporate Governance by Axis Bank Limited ('the Bank'), for the year ended on March 31, 2019, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of regulation 46 (2) and paragraphs C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

Management's Responsibility

3. The Management is responsible for ensuring that the Bank complies with the conditions of Corporate Governance. This responsibility also includes the design, implementation and maintenance of internal controls and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

4. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Bank for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Bank.
5. We have examined the books of account and other relevant records and documents maintained by the Bank for the purpose of providing reasonable assurance on the compliance with Corporate Governance requirements by the Bank.
6. We conducted our examination in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India ("ICAI"), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements issued by ICAI.

Opinion

8. Based on our examination, as above, and to the best of the information and explanations given to us and representations provided by the management, we certify that the Bank has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46 (2) and paragraphs C, D and E of Schedule V of the Listing Regulations during the year ended March 31, 2019.
9. We further state that such compliance is neither an assurance as to the future viability of the Bank nor the efficiency or effectiveness with which the management has conducted the affairs of the Bank.

Restriction on Use

10. The certificate is addressed and provided to the members of the Bank solely for the purpose to enable the Bank to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update this Certificate for any events or circumstances occurring after the date of this Certificate.

Corporate Governance

(Part of the Directors' Report for the year ended 31st March 2019)

(1) PHILOSOPHY ON CODE OF GOVERNANCE

Your Bank's policy on Corporate Governance has been:

- I. To enhance the long-term interest of its shareholders, provide good management, adopt prudent risk management techniques and comply with the required standards of capital adequacy, thereby safeguarding the interest of its other stakeholders such as depositors, creditors, customers, suppliers and employees.
- II. To institutionalize accountability, transparency and equality of treatment for all its stakeholders, as central tenets of good corporate governance and to articulate this approach in its day-to-day functioning and in dealing with all its stakeholders.

(2) BOARD OF DIRECTORS

- I. The composition of the Board of Directors (the Board) of the Bank is governed under the relevant provisions of the Companies Act, 2013, the relevant Rules made thereunder, the Banking Regulation Act, 1949, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations), the guidelines issued by the Reserve Bank of India (RBI) in this regard and the Articles of Association of the Bank.

The Board of Directors of the Bank has an optimum combination of Independent, Non-Executive and Executive Directors. The Board presently comprises of 14 Directors representing diverse combination of professionalism, knowledge, expertise and experience as relevant for the banking business. The Board has 8 Independent Directors constituting more than one-third of its total strength. The Board comprises of 2 Women Directors including 1 Woman Independent Director. None of the Directors or their relatives are related to each other. The Board has confirmed the veracity of declaration of Independence provided by the Independent Directors and has taken the same on record. In the opinion of the Board, all the Independent Directors fulfil the conditions as specified in the Listing Regulations and are independent of the Management. The Board is led by the Non-Executive (Part-Time) Chairman, who is an Independent Director.

- II. The Board comprises of nominees of the Administrator of the Specified Undertaking of the Unit Trust of India (SUUTI) and Life Insurance Corporation of India (LIC), Promoters of the Bank and BC Asia Investments VII Limited, Integral Investments South Asia IV and BC Asia Investments III Limited (being entities affiliated to BAIN Capital, a Global Private Equity firm).

Board Meetings

Schedule of Board meetings

The schedule in respect of the meetings of the Board / Committees thereof to be held during the next Financial Year and for the ensuing Annual General Meeting is circulated in advance to all the Members of the Board.

Critical themes for review by the Board

The RBI vide its Circular no. DBR No. BC.93/29.67.001/2014-15 dated 14th May 2015 had prescribed 'Seven Critical Themes' to be reviewed by the Board namely business strategy, financial reports and their integrity, risk, compliance, customer protection, financial inclusion and human resources. The agenda for Board meetings includes matters forming part of the said critical themes, as stipulated by the RBI.

Board agenda

The Board agenda is prepared based on inputs received from the concerned departments of the Bank and finalised in consultation with the Chairman of the Board of Directors of the Bank. The Board agenda and notes thereof are sent to the Members of the Board in advance to enable them to read and comprehend the matters to be dealt with and seek further information / clarification. The Members of the Board are free to recommend inclusion of any matter in the agenda for discussion.

The Minutes of the Board meetings are circulated to the Chairman for his review and approval and thereafter circulated to the other Members of the Board for their comments, in accordance with the Secretarial Standards on meetings of the Board of Directors (SS-1) issued by the Institute of Company Secretaries of India (ICSI).

In case of business exigencies or urgency of matters, resolutions are also passed by the Board through circulation. Video conferencing facilities are also used to facilitate participation by Directors who are unable to physically attend the meetings of the Board.

Committees of the Board

The business of the Board is also conducted through the Committees constituted by the Board to deal with specific matters as per delegated powers for different functional areas of the Bank and as mandated under the relevant provisions of the Companies Act, 2013, the relevant Rules made thereunder, the Listing Regulations, Banking Regulation Act, 1949, Guidelines issued by the RBI, in this regard, from time to time and the Articles of Association of the Bank. As part of the Succession Planning Process of the Bank, the Chairman of Board and that of the Nomination and Remuneration Committee has reviewed the composition of the Committees and recommended induction of Directors as members of Committees for the approval of the Board.

The Board has constituted 12 Committees, viz., Committee of Directors (COD), Audit Committee (ACB), Risk Management Committee (RMC), Stakeholders Relationship Committee (SRC), Nomination and Remuneration Committee (NRC), Corporate Social Responsibility Committee (CSR), Special Committee of the Board of Directors for Monitoring of Large Value Frauds (LVF), Customer Service Committee (CSC), IT Strategy Committee (IT), Review Committee (RC), Acquisitions, Divestments and Mergers Committee (ADAM) and Committee of Whole Time Directors (COWTD). During the year, Charter of the said Committees were reviewed by the Board, pursuant to amendments to applicable banking, corporate and securities laws.

The Agenda of the meetings of the Committees is finalised in consultation with the Chairman of the concerned Committees. The Committees ensure that any feedback or observations made by them during the course of the meetings forms part of the Action Taken Report for their review at the subsequent meetings. The Chairman of the Committees briefs the Board on the key decisions taken at its meetings.

In case of business exigencies or urgency of matters, resolutions are also passed by the Committees through circulation. Video conferencing facilities are also used to facilitate participation by Directors who are unable to physically attend the meetings of the Committees.

Whistleblower Policy & Vigil Mechanism

A central tenet in the Bank's Policy on Corporate Governance is commitment to ethics, integrity, accountability and transparency. To ensure that the highest standards are maintained in these aspects on an on-going basis and to provide safeguards to various stakeholders, the Bank has formulated a Whistle-blower Policy and Vigil Mechanism which is in compliance with the relevant provisions of Section 177(9) of the Companies Act, 2013, Rules made thereunder and Regulation 4(2)(d) of the Listing Regulations. The Policy provides an opportunity to address serious concerns arising from irregularities, malpractices and other misdemeanours committed by the Bank's personnel by approaching a Committee set-up for the purpose (known as the Whistle-blower Committee). In case, Senior Management commits an offence, the Policy enables the Bank's staff to report the concerns directly to the Chairman of the Audit Committee of the Board. The Policy is intended to encourage reporting of suspected or actual occurrence of illegal, unethical or inappropriate actions, behaviour or practices by staff without fear of retribution. This Policy can be used regularly as a tool to voice concerns on irregularities, malpractices and other misdemeanours.

To ensure smooth flow and management of complaints under Whistle-blower Policy, a web-based application - 'Corporate Whistle-blower' has been set up which also provides an option for anonymous reporting thereby enabling lodging of complaints online over a secure platform without fear of revelation of identity. This would create a business culture of honesty, integrity and compliance and would encourage speaking up so that preventive action is initiated.

It is hereby affirmed that the Bank has not denied any of its personnel access to the Chairman of the Audit Committee of the Board and that the Policy contains adequate provisions for protecting Whistle blowers from unfair termination and other unfair prejudicial and employment practices.

The Audit Committee of the Board has reviewed, on a quarterly basis, a synopsis of the complaints received and the resolution thereof under the said Policy.

The details of the Whistle-blower Policy and Vigil Mechanism are available on the Bank's website at <https://www.axisbank.com/code-commitment-customers.aspx>.

Green initiatives

Dispatch of documents in Electronic Form

In terms of Rule 18 of the Companies (Management and Administration) Rules, 2014, a company may give notice through electronic mode including e-mail to those Members who have provided their e-mail address either to their Depository Participant (DP) or to the Company.

Further, in terms of Regulation 36 of the Listing Regulations, the listed entity is required to send soft copies of its annual report to all those shareholder(s) who have registered their email address(es) for this purpose.

Accordingly, the Notice dated 22nd May 2019, convening the 25th Annual General Meeting, the annual report of the Bank for the financial year 2018-19 and the annexures stated therein will be sent by e-mail to those Members who have registered their e-mail address with their DP or with Karvy.

Members who have not yet registered their e-mail address are requested to do so, at the earliest.

In case of shares held in electronic form and in case of any change in the e-mail address, Members are requested to update the same with their DP and in case of shares held in physical form, Members are requested to update the same with Karvy.

In case a Member, whose email address has changed, fails to update his new e-mail address, the said documents will be sent to the existing e-mail address and the said documents will be deemed to have been delivered, in compliance with the relevant provisions of the Companies Act, 2013, the relevant Rules made thereunder and the Listing Regulations.

However, in case any Member wishes to receive a physical copy of the said documents, he is requested to write to einward.ris@karvy.com or shareholders@axisbank.com duly quoting his DP ID and Client ID or his Folio number, as the case may be, to enable the Bank to record his decision and provide physical copy of the said documents, free of cost.

Please note that the said documents will also be uploaded on the Bank's website viz. www.axisbank.com and copies thereof will be made available for inspection at the Registered Office of the Bank during business hours on all working days except Saturdays, Sundays, Bank Holidays and Public Holidays up to the date of the ensuing AGM.

We seek your support to the said Green Initiative, as it is designed to protect our fragile environment.

Means of Communication

Procedure for Postal Ballot

In compliance with Sections 108 and 110 of the Companies Act, 2013 read with Rules 20 and 22 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Bank provides e-voting facility to all its Members to enable them to cast their votes electronically on the matters included in Postal Ballot Notice, instead of dispatching the Postal Ballot Form by post. E-voting is optional and all Members are eligible to vote by completing and dispatching the Postal Ballot Form by post, or through e-voting. The Bank has engaged the services of Karvy for the purpose of providing e-voting facility to all its Members.

The Board of Directors of the Bank appointed Scrutinizer for conducting the Postal Ballot process in a fair and transparent manner. The Postal Ballot exercise is conducted in accordance with the provisions of Section 110 of the Companies Act, 2013 read with Rule 22 of the Companies (Management & Administration) Rules, 2014, as amended.

The Bank dispatches the Postal Ballot Notice and relevant forms along with postage prepaid business reply envelope to those Members whose names appear on the Register of Members / Statements of Beneficial Holders provided by the Depositories as on the cut-off date. The postal ballot notice is also sent in electronic form to those Members whose email address is registered with their DP in case shares are held in electronic form or with Karvy in case shares are held in physical form.

The Bank also publishes a notice in the newspaper declaring the details of completion of dispatch and other requirements as mandated under the aforesaid provisions of the Companies Act, 2013 and the said Rules.

Voting rights are reckoned on the paid-up value of the shares registered in the names of the Members as on the said cut-off date. Members desiring to exercise their votes by physical postal ballot forms are required to return the forms duly completed and signed to the Scrutinizer at the address mentioned in the postage prepaid business reply envelope on or before the close of voting period. Members desiring to exercise their votes by electronic mode are requested to exercise their vote using the e-voting facility before the close of business hours on the last date of e-voting as set out in the Postal Ballot Notice.

The Scrutinizer is required to submit his report to the Chairman, after verification of the records and thereafter the consolidated results of the voting can be declared by any one of the Directors of the Bank, duly authorised by the Board of Directors, in this regard.

Subsequently, the said results alongwith the report of the Scrutinizer is disclosed to the Stock Exchanges within 48 hours of such declaration, in terms of Regulation 44(3) of the Listing Regulations, uploaded on the website of the Bank and displayed on the notice board at the Registered and Corporate Offices of the Bank. The resolution, if passed by requisite majority, shall be deemed to have been passed on the last date specified by the Company for receipt of duly completed postal ballot forms or e-voting.

No special resolution is proposed to be passed through postal ballot.

Annual Report on Corporate Social Responsibility (CSR) Activities

(As prescribed under Section 135 of the Companies Act, 2013 and Companies (Corporate Social Responsibility Policy) Rules 2014)

1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs.

The year gone by has been quite memorable for the Bank as it crossed an important milestone in its journey - completion of 25 years since its incorporation in December 1993. Through this momentous journey, the Bank has witnessed several transformations, including flagship CSR programs that have sought to redefine the boundaries of social good.

The transformations facilitated by the Bank's CSR activities - be it economic, social or digital, have left strong imprints in the communities it has touched through its programs.

The Bank's CSR philosophy aims to make a meaningful and measurable impact in the lives of the deprived communities across the country which the Bank achieves through initiatives that seek to create conditions that enable sustainable livelihoods for the communities it serves. The Bank is continually making efforts to align its CSR activities with various Government Schemes like MNRGA.

The CSR activities of the Bank are guided by its Corporate Social Responsibility (CSR) Policy which has been formulated and adopted by the Bank in compliance with the provisions of Section 135 of the Companies Act, 2013 and is hosted on the Bank's website www.axisbank.com. The CSR Policy is reviewed annually by the CSR Committee and new focus areas, as found necessary, are included from time to time.

The Bank executes its CSR activities directly by leveraging its geographical coverage to undertake such initiatives or through Axis Bank Foundation (ABF) or in association with any other Trust or agencies and entities as deemed suitable.

The CSR activities directly undertaken by the Bank majorly focus on poverty alleviation, promoting financial literacy and enabling financial inclusion, environmental sustainability, education and skill development and health and sanitation.

The Bank has been continually striving to create a financially literate society. With this aim in mind, '**Project Akshar**' was launched in 2017 to provide its users with a simple, intelligent and gamified platform to help them improve their financial knowledge. The platform has more than 2 lac registered users with a reach of more than 5 lac people with its geographical presence across the Metros, Tier 2 and Tier 3 cities and the rural areas as well. The program has helped the users to improve their credit portfolios by learning about credit scores and its impact on their credit health, helped delinquent users understand the consequences of non-payment and the future implications of these delinquencies. It has played a pivotal role in reducing the delinquencies by giving the users real-time experience of credit reporting with the help of their virtual credit score feature. Going forward, the platform intends to spread its outreach across geographies through an '**Akshar Ambassador Program**' which will be able to spread financial literacy amongst the masses. The platform aspires to become a one-of-its-kind e-learning platform through adoption of various community based digital practices, which will include a forum where people can post and resolve their queries and can share their feedback and their success stories with the Bank.

The Bank has been working towards strengthening India's MSME sector under its '**Evolve**' initiative, wherein it engages with the MSME sector through a series of knowledge sharing and skill development sessions. The series marked its 5th edition this year and will cover 31 cities with an active participation of more than 3,000 SMEs. The series aims to bring forward Thought Leaders/Experts/Successful Entrepreneurs to give guidance and personal methodologies to SMEs on relevant business topics so as to help them to overcome challenges and compete in a complex environment with large organisations and agile start-ups. In a world of start-ups springing new business ideas, creating new demand, the topic this year was how "**Innovation can help SMEs unlock business growth**". Innovation in any form, be it product, process or pricing is the cornerstone for organisations to remain relevant in the fast paced and rapidly transforming environment they operate in. It is no different

for SMEs, who seek to build long term sustainable businesses. The speakers were industry experts and thought leaders, who shared their valuable experience and mantras for innovation.

India holds forth a great potential in terms of fostering women and youth empowerment especially in the low income group. Towards this end, the Bank reached out to women and youth eager to break the shackles of poverty and attain financial betterment by conducting financial literacy programs. Through a structured program aimed at helping the rural households maintain their household accounts through efficient use of savings, insurance and investment, offering vocational training to up-skill the women to earn better and mass awareness camps that help the community to interact with the financial service providers, the program has been able to bring a gradual turn-around in the lives of these individuals. The Bank is also up-skilling unemployed youth thus brightening their chances to access better employment opportunities. Healthcare has also been another aspect where the Bank facilitated basic diagnostic tests to help the individuals get a better grasp of the health condition and take remedial measures if required. The Bank also pro-actively supported relief measures in disaster-struck areas like Kerala and Odisha and provided relief kits and other measures aimed at alleviating the hardships of the affected disaster victims through its program "Axis Sahaayata".

"**Axis DilSe**", the flagship program of the Bank that aspires to promote inclusive growth in border villages through education and thus create an enduring change in the region entered its 2nd year. The program is aligned to the developmental model of the Government's Border Area Development Program (BADP). Through this initiative, the Bank supports the transformation of 108 schools in the remote villages of Leh and Kargil districts of Ladakh region in Jammu & Kashmir.

As part of the program, the Bank this year, enabled the setting-up of 'DigiLabs' in the designated schools. The unique feature of DigiLabs has been that it is all powered by green energy viz: Solar power. The children in 108 schools now have access to curated educational content to help them familiarize topics in Maths, General Knowledge (GK), Environmental Studies (EVS), computers and phonetics at a pace that they can be comfortable with and in a joyful manner. The teachers in these schools have been trained in using the content that helps them impart curricular topics to the students thereby improving their learning levels. An impact assessment conducted through an independent third party evaluator brought out that the program has created meaningful impact since its launch including enhanced exposure for the communities, enhanced quality of infrastructure facilities in the schools and active community and Government involvement.

The digital transformation we have witnessed in these schools in some of the most remote areas of our country reaffirms our belief in being able to use technology to reach out to the children in these areas and open up new avenues of learning for them.

The Rights of Persons with Disabilities (RPWD) Act, 2016 is the disability legislation passed by the Indian Parliament to fulfill its obligation to the United Nations Convention on the Rights of Persons with Disabilities, which India ratified in 2007. With a view to increase awareness in this regard, the Bank supported an initiative that led to the conduction of a series of campaigns and seminars across India on the RPWD Act. This initiative also sought to sensitize and equip organizations involved in skilling of youth to ensure that youth with disabilities are also included in mainstream training programmes.

Recognizing the increasing concern of global warming and its ill effects on the environment, the Bank commenced undertaking green energy initiatives in its operations in order to reduce its carbon footprint. Towards this end, the Bank has installed around 5 MW of roof top solar plants in various Branches and Offices since inception of the project in the FY 2014-15. This includes the largest installation of 1.27 MW at Axis House, Noida at one single location. Further, the Bank has set up a 2 MW solar plant by acquiring 8.59 acres of land at Sonalwadi village, Sangola taluka, Solapur through Open Access System which can generate 28 lakhs electricity units per annum and aims to reduce 2,296 tons of carbon emissions annually.

The Bank has invested in "**Social Transformation**" by supporting initiatives aimed at improving the lives of the rural populace. Set up as a Public Charitable Trust in 2006, **Axis Bank Foundation (ABF)**, the Corporate Social Responsibility (CSR) arm of Axis Bank Ltd. spearheads the CSR activities of the Bank with a focus on creating Sustainable Livelihoods. The Bank has also directly partnered with credible NGOs pan-India with an aim to create Sustainable Livelihoods for the intended participants that lead to an increase in their economic and social up-liftment. The Bank has engaged ABF to supervise and monitor these projects to ensure that the targeted objectives are met and the desired impact is created. ABF successfully achieved its first mission of creating 1 million sustainable livelihoods in September 2017. It has now embarked on its next ambition of impacting 2 million households by 2025.

The building blocks of ABF's livelihood approach are centred on creating enabling mechanisms and community centric institutions. Financial support is given to not-for-profit organizations that have a granular understanding of 'what will work' in the 'local context'. The investments in patient capitals across natural, economic, human and social spheres translate into generating sustainable livelihood avenues.

Within the overarching theme of Sustainable livelihoods are the two sub-themes – Rural Livelihoods and Skill Development. The Rural Livelihoods program reaches out to small and marginal farmers and the landless in dryland regions by working on watershed management, agriculture and horticulture enhancement, livestock development, micro-enterprise development and promoting collectives. The approach is to work in areas that are most challenged and with highly depleted natural resources. Financial literacy and bank linkages are among the key elements of these programs. Women are significant contributors to livelihoods and therefore efforts are made to empower them and connect them to enabling platforms. Incidence of migration tends to be high within rural communities, making women responsible for sustaining local livelihoods. It is, therefore, imperative to bring women into mainstream activities and the decision making process, thereby improving local governance. The enabling platforms such as SHGs and Producer Organizations help women take up a more assertive role that helps a faster transformation, which is also sustainable.

Skill development, on the other hand, includes training rural and peri-urban youth, including Persons with Disabilities (PwDs) in market-linked vocational skills and connecting them to jobs and/ or preparing them for entrepreneurial activities. It is important to consider the different aspirations of the rural youth. The practice of women restricting themselves to household chores and labouring in farms without wages is also changing fast, resulting in the need to create alternate livelihood engagements for young women through skill development programs. Close to 50% of our trainees are women.

Capacity building is considered as a key attributor for sustainable outcomes and transformative change. First is strengthening partner organization's capacities, which in turn addresses their potential to scale viable solutions and collaborate further. Second is building capacities of communities that comprise of community resource persons and grassroots leaders who are intrinsically involved with the implementation of core interventions. ABF in parallel, has also focused on developing a learning culture between their partner organizations and the Foundation. The outcomes evidenced have been social and economic transformation for the target communities. The sustainable livelihood programs also leverage Government Schemes like MNREGA. ABF has also signed MoUs with State Governments of Chhattisgarh, Assam, Andhra Pradesh, Kerala, Telangana and Maharashtra for various CSR interventions. The attempt is to collaborate with governments and other likeminded funders to scale up the impact and enable faster transformation.

As part of Mission 2 Million (M2M), 4,47,182 households/trainees have been impacted of which 2,10,050 are new households/trainees onboarded in FY 2018-19. Partnerships have been forged with 29 credible NGOs and the programs cover 151 Districts in 23 States/UTs.

An illustrative list of various programs and activities supported by ABF can be accessed at www.axisbankfoundation.org.

During the year, the Bank was awarded the CI-ITC Sustainability Award for "Excellence in Corporate Social Responsibility". This is the second time, the Bank has been honoured with this award.

Independent Auditor's Report

To the Members of Axis Bank Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Axis Bank Limited ("the Bank"), which comprise the Balance Sheet as at March 31, 2019, the Profit and Loss Account and the Cash Flow Statement for the year then ended and notes to the standalone financial statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 ("the Act") in the manner so required for banking companies and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Bank as at March 31, 2019, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Procedure performed
IT Controls Framework Axis Bank has a complex IT architecture to support its day to day business operations. The volume of transactions processed and recorded is huge. Moreover, a transaction may be required to be recorded across multiple applications depending upon the process. Each application has different rules incorporated in it and a different set of user access and authority matrix. These applications are interlinked using different technologies. Data transfer happens in real time or at a particular time of the day; in batches or at a transaction level and in an automated manner or manually. The Core Banking Solution (CBS) itself has many interfaces. All these data streams directly affect financial reporting.	IT audit specialists are an integral part of our engagement team. Our approach of testing IT General Controls (ITGC) and IT Application Controls (ITAC) is risk based and business centric. As a part of our IT controls testing, we have tested ITGC as well as ITAC. The focus of testing of ITGCs was based on the various parameters such as Completeness, Validity, Identification, Authentication Authorization, Integrity and Accountability. On the other hand, focus of testing automated controls from applications was whether the controls prevent or detect unauthorized transactions and support financial objectives including completeness, accuracy, authorization and validity of transactions. We gathered a comprehensive understanding of IT applications landscape implemented at the Bank. It was followed by process understanding, mapping of applications to the same and understanding financial risks posed by people-process and technology.

Key Audit Matter	Procedure performed
<p>The Bank has a process for identifying the applications where the controls are embedded. It also has a process to ensure that systems, processes and controls remain relevant. The Bank's IT control framework includes automated, semi-automated and manual controls designed to address identified risks. IT controls are stated in Entity Level Controls (ELC), IT General Controls (ITGC) and IT Application Controls (ITAC).</p> <p>We regard this area as a Key Audit Matter as the Bank's business is highly dependent on technology, the IT environment is complex and the design and operating effectiveness of IT controls have a direct impact on a financial reporting process. Review of these controls allows us to provide assurance on the integrity and completeness of data processed through various IT applications which are used for the preparation of financial reports.</p>	<p>In ITGC testing we reviewed, on sample basis, control areas such as User Management, Change Management, Systems Security, Incident Management, Physical & Environmental Security, Backup and Restoration, Business Continuity and Disaster Recovery, Service Level Agreement.</p> <p>For ITAC, we carried out on sample basis, compliance tests of system functionality in order to assess the accuracy of system calculations. We also carried out procedures such as validations and limit checks on data entered into applications, approvals, process dependencies and restriction on time period in which transactions may be recorded.</p> <p>We tested the control environment using various techniques such as inquiry, review of documentation/record/reports, observation and re-performance. We also tested few controls using negative testing technique. We had taken adequate samples of instances for our tests.</p> <p>Wherever deviations were noted either the same were explained to our satisfaction or we suitably modified our testing procedures to draw comfort.</p>
<p>Provisions and Write off of Advances</p> <p>The Bank's portfolio of advances to customers amounts to ₹4,94,79,797 Lacs as at March 31, 2019 comprising of ₹2,37,22,782 Lacs towards its Corporate Customers ("Wholesale Banking" customers) and ₹2,57,57,015 Lacs towards its Retail Customers ("Retail Banking" customers). As required under Income Recognition, Asset Classification and provisioning norms (IRAC norms) and other circulars, notifications and directives issued by the Reserve Bank of India (RBI), the Bank classifies advances into performing and non-performing advances which consists of Standard, Sub-standard, Doubtful and Loss and makes appropriate provisions.</p> <p>The Bank, on case to case basis, as per its governing framework, identifies standard advances which require higher provision based on its evaluation of risk and internal ratings. The Bank also identifies sectors wherein the Bank perceives stress and makes higher provisions. Additionally, the Bank also identifies accounts which are to be technical written off based on the framework approved by the Bank's Board of Directors.</p> <p>The provisions for such advances and technical write off is a Key Audit Matter as the Bank has significant credit risk exposure to a large number of borrowers across a wide range of borrowers, products, industries and geographies and there is a high degree of complexity and judgement involved in recoverability of advances, estimating the provisions thereon and identification of accounts to be written off.</p> <p>The same resulted in significant audit effort to address the risks around loan recoverability and the determination of related provisions and write off.</p>	<p><i>Provisions for Corporate advances against specific individual loans (Wholesale Banking)</i></p> <ol style="list-style-type: none"> Testing the key controls over borrower risk grading for wholesale loans (larger customer exposures that are monitored individually) for classification of such loans as performing or non-performing advances. <ul style="list-style-type: none"> We tested on sample basis, the approval of new lending facilities against the Bank's credit policies, the performance of annual loan assessments, and controls over the monitoring of credit quality. We have assessed the process for classification by the management including identification of non-performing assets. We tested on sample basis loans to form our own assessment as to whether impairment events had occurred and to assess whether impairments had been identified in a timely manner. For the selected non-performing loans, we assessed management's forecast and inputs of recoverable cash flows, valuation of underlying security and collaterals, estimates of recoverable amounts on default and other sources of repayment. <p>This included testing controls over the identification of exposures showing signs of stress, either due to internal factors specific to the borrower or external macroeconomic factors, and testing the timeliness of and the accuracy of risk assessments and risk grading against the requirements of the Bank's lending policies and RBI IRAC norms.</p> Performing credit assessments of a sample of corporate loans managed by a specialised group assessed as high risk or impaired, focusing on larger exposures assessed by the Bank as showing signs of deterioration, or in areas of emerging risk (assessed against external market conditions). We challenged the Bank's risk grading of the loan, their assessment of loan recoverability and the impact on the credit provision. To do this, we used the information on the Borrowers loan file, discussed the case with the concerned officials and senior management, and performed our own assessment of recoverability.

Other Information

The Bank's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report forming part of the Annual Report, but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon and the Pillar III Disclosures under the New Capital Adequacy Framework (Basel III disclosures). The Director's Report is expected to be made available to us after the date of this report.

Our opinion on the standalone financial statements does not cover the other information and the Basel III disclosures and accordingly, we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Director's Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Bank's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows

of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with relevant rules issued thereunder, provision of section 29 of the Banking Regulation Act, 1949 and the circulars, guidelines and directions issued by Reserve Bank of India ("RBI") from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this standalone financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The standalone financial statements of the Bank for the previous year ended March 31, 2018, were audited by another firm of Chartered Accountants who have expressed an unmodified opinion on those statements vide their report dated April 26, 2018.

Annexure to the Independent Auditor's Report

[Referred to in paragraph 3 (h) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Axis Bank Limited on the standalone Financial Statements for the year ended March 31, 2019]

Report on the Internal Financial Controls with reference to Standalone Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Standalone Financial Statements of Axis Bank Limited ("the Bank") as of March 31, 2019 in conjunction with our audit of the standalone Financial Statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Bank's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Bank's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness.

Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Bank's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Bank's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance

with generally accepted accounting principles, and that receipts and expenditures of the Bank are being made only in accordance with authorisations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Bank's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Bank has, in all material respects, an adequate internal financial controls with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2019, based on the internal control with reference to Standalone Financial Statements criteria established by the Bank considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

17 Significant Accounting Policies

For the year ended 31 March, 2019

1 Background

Axis Bank Limited ('the Bank') was incorporated in 1993 and provides a complete suite of corporate and retail banking products. The Bank is primarily governed by the Banking Regulation Act, 1949. The Bank has overseas branches at Singapore, Hong Kong, DIFC - Dubai, Shanghai and Colombo and an Offshore Banking Unit at International Financial Service Centre (IFSC), Gujarat International Finance Tec-City (GIFT City), Gandhinagar, India.

2 Basis of preparation

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting in accordance with the generally accepted accounting principles in India, unless otherwise stated by Reserve Bank of India ('RBI'), to comply with the statutory requirements prescribed under the Third Schedule of the Banking Regulation Act, 1949, the circulars, notifications and guidelines issued by RBI from time to time and the Accounting Standards notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 to the extent applicable and practices generally prevalent in the banking industry in India.

3 Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) at the date of the financial statements, revenues and expenses during the reporting period. Actual results could differ from those estimates. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Any revisions to the accounting estimates are recognised prospectively in the current and future periods.

4 Change in accounting policies/estimates

4.1 Change in estimated useful life of fixed assets

During the year, the Bank has revised the estimated useful life of Electronic Data Capturing machines/Point of Sale terminals from 10 years to 5 years. As a result of the aforesaid revision, the depreciation charge for the year is higher by ₹29.34 crores with a corresponding decrease in the net block of fixed assets.

4.2 Provision on standard advances

With effect from 31 March 2019, in the case of provision on standard advances the Bank adopted a more stringent policy of maintaining provision on corporate standard advances rated 'BB and Below' and all SMA-2 advances as reported to CRILC, at rates that are higher than those prescribed by RBI. As a result, provisions and contingencies for the year are higher by ₹378 crores with a consequent reduction to the profit before tax.

5 Significant accounting policies

5.1 Investments

Classification

In accordance with the RBI guidelines, investments are classified at the time of purchase as:

- Held for Trading ('HFT');
- Available for Sale ('AFS'); and
- Held to Maturity ('HTM')

Investments that are held principally for sale within a short period are classified as HFT securities. As per the RBI guidelines, HFT securities, which remain unsold for a period of 90 days are transferred to AFS securities.

Investments that the Bank intends to hold till maturity are classified under the HTM category. Investments in the equity of subsidiaries/joint ventures are categorised as HTM in accordance with the RBI guidelines.

All other investments are classified as AFS securities.

However, for disclosure in the Balance Sheet, investments in India are classified under six categories - Government Securities, Other approved securities, Shares, Debentures and Bonds, Investment in Subsidiaries/Joint Ventures and Others.

Investments made outside India are classified under three categories – Government Securities, Subsidiaries and/or Joint Ventures abroad and Others.

Transfer of security between categories

Transfer of security between categories of investments is accounted as per the RBI guidelines.

Acquisition cost

Costs including brokerage and commission pertaining to investments, paid at the time of acquisition, are charged to the Profit and Loss Account.

Broken period interest is charged to the Profit and Loss Account.

Cost of investments is computed based on the weighted average cost method.

Valuation

Investments classified under the HTM category: Investments are carried at acquisition cost unless it is more than the face value, in which case the premium is amortised over the period remaining to maturity on a constant yield to maturity basis. In terms of RBI guidelines, discount on securities held under HTM category is not accrued and such securities are held at the acquisition cost till maturity.

Investments classified under the AFS and HFT categories: Investments under these categories are marked to market. The market/fair value of quoted investments included in the 'AFS' and 'HFT' categories is the market price of the scrip as available from the trades/quotes on the stock exchanges or prices declared by Primary Dealers Association of India ('PDAI') jointly with Fixed Income Money Market and Derivatives Association of India ('FIMMDA')/Financial Benchmark India Private Limited ('FBIL'), periodically. Net depreciation, if any, within each category of each investment classification is recognised in the Profit and Loss Account. The net appreciation, if any, under each category of each investment classification is ignored. The depreciation on securities acquired by way of conversion of outstanding loans is provided in accordance with the RBI guidelines. The book value of individual securities is not changed consequent to the periodic valuation of investments.

Non-performing investments are identified and provision is made thereon as per RBI guidelines.

Treasury Bills, Exchange Funded Bills, Commercial Paper and Certificate of Deposits being discounted instruments, are valued at carrying cost.

Units of mutual funds are valued at the latest repurchase price/net asset value declared by the mutual fund.

Market value of investments where current quotations are not available, is determined as per the norms prescribed by the RBI as under:

- the market/fair value of unquoted government securities which are in the nature of Statutory Liquidity Ratio ('SLR') securities included in the AFS and HFT categories is computed as per the rates published by FIMMDA/FBIL;

- in case of unquoted bonds, debentures and preference shares where interest/dividend is received regularly (i.e. not overdue beyond 90 days), the market price is derived based on the YTM for Government Securities as published by FIMMDA/PDAI/FBIL and suitably marked up for credit risk applicable to the credit rating of the instrument. The matrix for credit risk mark-up for each category and credit ratings along with residual maturity issued by FIMMDA/FBIL is adopted for this purpose;
- in case of bonds and debentures (including Pass Through Certificates) where interest is not received regularly (i.e. overdue beyond 90 days), the valuation is in accordance with prudential norms for provisioning as prescribed by RBI;
- equity shares, for which current quotations are not available or where the shares are not quoted on the stock exchanges, are valued at break-up value (without considering revaluation reserves, if any) which is ascertained from the company's latest Balance Sheet. In case the latest Balance Sheet is not available, the shares are valued at ₹1 per company;
- units of Venture Capital Funds ('VCF') held under AFS category where current quotations are not available are valued based on the latest audited financials of the fund. In case the audited financials are not available for a period beyond 18 months, the investments are valued at ₹1 per VCF. Investment in unquoted VCF after 23 August, 2006 are categorised under HTM category for the initial period of three years and valued at cost as per RBI guidelines and
- in case of investments in security receipts on or after 1 April, 2017 which are backed by more than 50 percent of the stressed assets sold by the Bank, provision for depreciation in value is made at the higher of - provisioning rate required in terms of net asset value declared by the Reconstruction Company ('RC')/Securitisation Company ('SC') or the provisioning rate as per the extant asset classification and provisioning norms as applicable to the underlying loans, assuming that the loan notionally continued in the books of the bank. All other investments in security receipts are valued as per the NAV obtained from the issuing RC/SCs.

Investments in subsidiaries/joint ventures are categorised as HTM and assessed for impairment to determine permanent diminution, if any, in accordance with the RBI guidelines.

All investments are accounted for on settlement date, except investments in equity shares which are accounted for on trade date.

Disposal of investments

Investments classified under the HTM category: Realised gains are recognised in the Profit and Loss Account and subsequently appropriated to Capital Reserve account (net of taxes and transfer to statutory reserves) in accordance with the RBI guidelines. Losses are recognised in the Profit and Loss Account.

Investments classified under the AFS and HFT categories: Realised gains/losses are recognised in the Profit and Loss Account.

Repurchase and reverse repurchase transactions

Repurchase and reverse repurchase transactions in government securities and corporate debt securities including those conducted under the Liquidity Adjustment Facility ('LAF') and Marginal Standby Facility ('MSF') with RBI are accounted as collateralised borrowing and lending respectively. Borrowing cost on repo transactions is accounted as interest expense and revenue on reverse repo transactions is accounted as interest income.

Short Sales

In accordance with the RBI guidelines, the Bank undertakes short sale transactions in Central Government dated securities. The short positions are reflected in 'Securities Short Sold ('SSS') A/c', specifically created for this purpose. Such short positions are categorised under HFT category and netted off from investments in the Balance Sheet. These positions are marked-to-market along with the other securities under HFT portfolio and the resultant mark-to-market gains/losses are accounted for as per the relevant RBI guidelines for valuation of investments discussed earlier.

5.2 Advances

Advances are classified into performing and non-performing advances ('NPAs') as per the RBI guidelines and are stated net of bills rediscounted, inter-bank participation certificates, specific provisions made towards NPAs, interest in suspense for NPAs, claims received from Export Credit Guarantee Corporation, provisions for funded interest on term loan classified as NPAs, provisions in lieu of diminution in the fair value of restructured assets and floating provisions.

NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by the RBI. Advances held at the overseas branches that are identified as impaired as per host country regulations for reasons other than record of recovery, but which are standard as per the RBI guidelines, are classified as NPAs to the extent of amount outstanding in the host country. Provisions for NPAs are made for sub-standard and doubtful assets at rates as prescribed by the RBI with the exception for agriculture advances and schematic retail advances. In respect of schematic retail advances, provisions are made in terms of a bucket-wise policy upon reaching specified stages of delinquency (90 days or more of delinquency) under each type of loan, which satisfies the RBI prudential norms on provisioning. Provisions in respect of agriculture advances classified into sub-standard and doubtful assets are made at rates which are higher than those prescribed by the RBI. Provisions for advances booked in overseas branches, which are standard as per the RBI guidelines but are classified as NPAs based on host country guidelines, are made as per the host country regulations. In case of NPAs referred to National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code (IBC) where resolution plan or liquidation order has been approved by NCLT, provision is maintained at higher of the requirement under RBI guidelines or the likely haircut as per resolution plan or liquidation order.

Restructured assets are classified and provided for in accordance with the guidelines issued by RBI from time to time.

Loss assets and unsecured portion of doubtful assets are provided/written off as per the extant RBI guidelines.

Amounts recovered against debts written off are recognised in the Profit and Loss account and included under "Other Income".

The Bank holds provision in accordance with the RBI guidelines, on assets where change in ownership under Strategic Debt Restructuring (SDR) scheme/Outside SDR scheme has been implemented before 12 February, 2018 or Scheme for Sustainable Structuring of Stressed Asset (S4A) has been implemented before 12 February, 2018.

In respect of borrowers classified as non-cooperative and willful defaulters, the Bank makes accelerated provisions as per extant RBI guidelines.

Loans reported as fraud are classified as loss assets, and fully provided immediately without considering the value of security.

For entities with Unhedged Foreign Currency Exposure (UFCE), provision is made in accordance with the guidelines issued by RBI, which requires to ascertain the amount of UFCE, estimate the extent of likely loss and estimate the riskiness of unhedged position. This provision is classified under Schedule 5 – Other Liabilities in the Balance Sheet.

The Bank maintains a general provision on standard advances at the rates prescribed by RBI other than for corporate standard advances rated 'BB and Below' and all SMA-2 advances as reported to CRILC, where general provision is maintained at rates that are higher than those prescribed by RBI. In case of overseas branches, general provision on standard advances is maintained at the higher of the levels stipulated by the respective overseas regulator or RBI. The Bank also maintains general provision on positive Mark-to-Market (MTM) on derivatives at the rates prescribed by RBI.

Under its home loan portfolio, the Bank offers housing loans with certain features involving waiver of Equated Monthly Installments ('EMIs') of a specific period subject to fulfilment of a set of conditions by the borrower. The Bank makes provision against the probable loss that could be incurred in future on account of waivers to eligible borrowers in respect of such loans based on actuarial valuation conducted by an independent actuary. This provision is classified under Schedule 5 – Other Liabilities in the Balance Sheet.

5.3 Country risk

In addition to the provisions required to be held according to the asset classification status, provisions are held for individual country exposure (other than for home country as per the RBI guidelines). Such provisions are held only in respect of those countries where the net funded exposure of the Bank exceeds 1% of its total assets. For this purpose, the countries are categorised into seven risk categories namely insignificant, low, moderate, high, very high, restricted and off-credit as per RBI guidelines. Provision is made on exposures exceeding 180 days on a graded scale ranging from 0.25% to 100%. For exposures with contractual maturity of less than 180 days, 25% of the normal provision requirement is held. If the net funded exposure of the Bank in respect of each country does not exceed 1% of the total assets, no provision is maintained on such country exposure in accordance with RBI guidelines. This provision is classified under Schedule 5 – Other Liabilities in the Balance Sheet.

5.4 Securitisation

The Bank enters into purchase/sale of corporate and retail loans through direct assignment/Special Purpose Vehicle ('SPV'). In most cases, post securitisation, the Bank continues to service the loans transferred to the assignee/SPV. The Bank also provides credit enhancement in the form of cash collaterals and/or by subordination of cash flows to Senior Pass through Certificate ('PTC') holders. In respect of credit enhancements provided or recourse obligations (projected delinquencies, future servicing etc.) accepted by the Bank, appropriate provision/disclosure is made at the time of sale in accordance with AS-29, Provisions, Contingent Liabilities and Contingent Assets as notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016.

In accordance with RBI guidelines of 7 May, 2012, on 'Guidelines on Securitisation of Standard Assets', gain on securitisation transaction is recognised over the period of the underlying securities issued by the SPV. Loss on securitisation is immediately debited to the Profit and Loss Account.

5.5 Foreign currency transactions

In respect of domestic operations, transactions denominated in foreign currencies are accounted for at the rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated at the Balance Sheet date at rates notified by Foreign Exchange Dealers Association of India ('FEDAI'). All profits/losses resulting from year end revaluations are recognised in the Profit and Loss Account.

Financial statements of foreign branches classified as non-integral foreign operations as per the RBI guidelines are translated as follows:

- Assets and liabilities (both monetary and non-monetary as well as contingent liabilities) are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.
- Income and expenses are translated at the rates prevailing on the date of the transactions.
- All resulting exchange differences are accumulated in a separate 'Foreign Currency Translation Reserve' till the disposal of the net investments. Any realised gains or losses on such disposal are recognised in the Profit and Loss Account.

Outstanding forward exchange contracts including tom/spot contracts (excluding currency swaps undertaken to hedge foreign currency assets/liabilities and funding swaps which are not revalued) are revalued at year end on PV basis by discounting the forward value till spot date and converting the FCY amount using the respective spot rates as notified by FEDAI. The resulting gains or losses on revaluation are included in the Profit and Loss Account in accordance with RBI/FEDAI guidelines.

Premium/discount on currency swaps undertaken to hedge foreign currency assets and liabilities and funding swaps is recognised as interest income/expense and is amortised on a pro-rata basis over the underlying swap period.

Contingent liabilities on account of forward exchange and derivative contracts, guarantees, acceptances, endorsements and other obligations denominated in foreign currencies are disclosed at closing rates of exchange notified by FEDAI.

5.6 Derivative transactions

Derivative transactions comprise of forward contracts, swaps and options which are disclosed as contingent liabilities. The forwards, swaps and options are categorised as trading or hedge transactions. Trading derivative contracts are revalued at the Balance Sheet date with the resulting unrealised gain or loss being recognised in the Profit and Loss Account and correspondingly in other assets (representing positive Mark-to-Market) and in other liabilities (representing negative Mark-to-Market (MTM)) on a gross basis. For hedge transactions, the Bank identifies the hedged item (asset or liability) at the inception of transaction itself. The effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. Hedge swaps are accounted for on accrual basis except in case of swaps designated with an asset or liability that is carried at market value or lower of cost or market value in the financial statements. In such cases, the swaps are marked-to-market with the resulting gain or loss recorded as an adjustment to the market value of designated asset or liability. Pursuant to the RBI guidelines, any receivables under derivative contracts comprising of crystallised receivables as well as positive Mark-to-Market (MTM) in respect of future receivables which remain overdue for more than 90 days are reversed through the Profit and Loss account and are held in separate Suspense Account.

Premium on options is recognized as income/expense on expiry or early termination of the transaction.

Currency futures contracts are marked-to-market using daily settlement price on a trading day, which is the closing price of the respective futures contracts on that day. While the daily settlement price is computed based on the last half an hour weighted average price of such contracts, the final settlement price is taken as the RBI reference rate on the last trading day of the futures contracts or as may be specified by the relevant authority from time to time. All open positions are marked-to-market based on the settlement price and the resultant marked-to-market profit/loss is daily settled with the exchange.

Valuation of Exchange Traded Currency Options (ETCO) is carried out on the basis of the daily settlement price of each individual option provided by the exchange and valuation of Interest Rate Futures (IRF) is carried out on the basis of the daily settlement price of each contract provided by the exchange.

5.7 Revenue recognition

Interest income is recognised on an accrual basis in accordance with AS-9, Revenue Recognition as notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014, the Companies (Accounting Standards) Amendment Rules, 2016 and the RBI guidelines, except in the case of interest income on non-performing assets and loans under Strategic Debt Restructuring (SDR) scheme and Scheme for Sustainable Structuring of Stressed Asset (S4A) of RBI, where it is recognised on receipt basis if overdue for more than 90 days. Income on non-coupon bearing discounted instruments or low-coupon bearing instruments is recognised over the tenor of the instrument on a constant yield basis.

Guarantee commission is recognized on a pro-rata basis over the period of the guarantee. Locker rent and annual fees for credit cards are recognised on a straight-line basis over the period of contract. Arrangership/syndication fee is accounted for on completion of the agreed service and when right to receive is established. Other fees and commission income are recognised when due.

Interest income on investments in discounted PTCs is recognized on a constant yield basis.

Dividend is accounted on an accrual basis when the right to receive the dividend is established.

Gain/loss on sell down of loans and advances through direct assignment is recognised at the time of sale.

Fees paid/received for Priority Sector Lending Certificates ('PSLC') is amortised on straight-line basis over the tenor of the certificate.

In accordance with RBI guidelines on sale of non-performing advances, if the sale is at a price below the net book value (i.e. book value less provisions held), the shortfall is charged to the Profit and Loss Account. If the sale is for a value higher than the net book value, the excess provision is credited to the Profit and Loss Account in the year the amounts are received.

The Bank deals in bullion business on a consignment basis. The difference between the price recovered from customers and cost of bullion is accounted for at the time of sale to the customers. The Bank also deals in bullion on a borrowing and lending basis and the interest paid/received is accounted on an accrual basis.

5.8 Fixed assets and depreciation/impairment

Fixed assets are carried at cost of acquisition less accumulated depreciation and impairment, if any. Cost includes initial handling and delivery charges, duties, taxes and incidental expenses related to the acquisition and installation of the asset.

Capital work-in-progress includes cost of fixed assets that are not ready for their intended use and also includes advances paid to acquire fixed assets.

Depreciation is provided over the estimated useful life of a fixed asset on the straight-line method from the date of addition. The management believes that depreciation rates currently used, fairly reflect its estimate of the useful lives and residual values of fixed assets based on historical experience of the Bank, though these rates in certain cases are different from lives prescribed under Schedule II of Companies Act, 2013.

Asset	Estimated useful life
Leased Land	As per the term of the agreement
Owned premises	60 years
Locker cabinets/cash safe/strong room door	10 years
EPABX, telephone instruments	8 years
Modem, scanner, routers, hubs, switches, racks/cabinets for IT equipment	5 years
UPS, VSAT, fax machines	5 years
Cheque book/cheque encoder, currency counting machine, fake note detector	5 years
Application software	5 years
Electronic Data Capture (EDC)/ Point of Sale (POS) machines	5 years
Vehicles	4 years
Computer hardware including printers	3 years
CCTV and video conferencing equipment	3 years
Assets at staff residence	3 years
Mobile phone	2 years
All other fixed assets	10 years

Depreciation on assets sold during the year is recognised on a pro-rata basis to the Profit and Loss Account till the date of sale.

Profit on sale of premises is appropriated to Capital Reserve account (net of taxes and transfer to statutory reserve) in accordance with RBI instructions.

The carrying amounts of assets are reviewed at each Balance Sheet date to ascertain if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

5.9 Non-banking assets

Non-banking assets ('NBAs') acquired in satisfaction of claims include land and other immovable property. In the case of land, the Bank creates provision and follows the accounting treatment as per specific RBI directions. Other non-banking assets are carried at lower of net book value and net realizable value.

5.10 Lease transactions

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Lease payments for assets taken on operating lease are recognised as an expense in the Profit and Loss Account on a straight-line basis over the lease term. Lease income from assets given on operating lease is recognized as income in Profit and Loss account on a straight-line basis over the lease term.

5.11 Retirement and other employee benefits

Provident Fund

Retirement benefit in the form of provident fund is a defined benefit plan wherein the contributions are charged to the Profit and Loss Account of the year when the contributions to the fund are due and when services are rendered by the employees. Further, an actuarial valuation is conducted by an independent actuary using the Projected Unit Credit Method as at 31 March each year to determine the deficiency, if any, in the interest payable on the contributions as compared to the interest liability as per the statutory rate. Actuarial gains/losses are immediately taken to the Profit and Loss Account and are not deferred.

Gratuity

The Bank contributes towards gratuity fund (defined benefit retirement plan) administered by various insurers for eligible employees. Under this scheme, the settlement obligations remain with the Bank, although various insurers administer the scheme and determine the contribution premium required to be paid by the Bank. The plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee's salary and the years of employment with the Bank. Liability with regard to gratuity fund is accrued based on actuarial valuation conducted by an independent actuary using the Projected Unit Credit Method as at 31 March each year. In respect of employees at overseas branches (other than expatriates) liability with regard to gratuity is provided on the basis of a prescribed method as per local laws, wherever applicable. Actuarial gains/losses are immediately taken to the Profit and Loss Account and are not deferred.

Compensated Absences

Compensated absences are short term in nature for which provision is held on accrual basis.

Superannuation

Employees of the Bank are entitled to receive retirement benefits under the Bank's Superannuation scheme either under a cash-out option through salary or under a defined contribution plan. Through the defined contribution plan, the Bank contributes annually a specified sum of 10% of the employee's eligible annual basic salary to LIC, which undertakes to pay the lump sum and annuity benefit payments pursuant to the scheme. Superannuation contributions are recognised in the Profit and Loss Account in the period in which they accrue.

New Pension Scheme ('NPS')

In respect of employees who opt for contribution to the 'NPS', the Bank contributes certain percentage of the total basic salary of employees to the aforesaid scheme, a defined contribution plan, which is managed and administered by pension fund management companies. NPS contributions are recognised in the Profit and Loss Account in the period in which they accrue.

5.12 Reward points

The Bank runs a loyalty program which seeks to recognize and reward customers based on their relationship with the Bank. Under the program, eligible customers are granted loyalty points redeemable in future, subject to certain conditions. In addition, the Bank continues to grant reward points in respect of certain credit cards (not covered under the loyalty program). The Bank estimates the probable redemption of such loyalty/reward points using an actuarial method at the Balance Sheet date by employing an independent actuary. Provision for the said reward points is then made based on the actuarial valuation report as furnished by the said independent actuary.

5.13 Taxation

Income tax expense is the aggregate amount of current tax and deferred tax charge. Current year taxes are determined in accordance with the relevant provisions of Income tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off assets against liabilities representing current tax and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The impact of changes in the deferred tax assets and liabilities is recognised in the Profit and Loss Account.

Deferred tax assets are recognised and reassessed at each reporting date, based upon the Management's judgement as to whether realisation is considered as reasonably certain. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax asset can be realised against future profits.

5.14 Share issue expenses

Share issue expenses are adjusted from Share Premium Account in terms of Section 52 of the Companies Act, 2013.

5.15 Earnings per share

The Bank reports basic and diluted earnings per share in accordance with AS-20, Earnings per Share, as notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016. Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at the year end except where the results are anti-dilutive.

5.16 Employee stock option scheme

The 2001 Employee Stock Option Scheme ('the Scheme') provides for grant of stock options on equity shares of the Bank to employees and Directors of the Bank and its subsidiaries. The Scheme is in accordance with the Securities and Exchange Board of India (SEBI) (Employees Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 ('the Guidelines'). These Guidelines have been repealed in the month of October, 2014 and were substituted by Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. The Scheme is in compliance with the said regulations. The Bank follows the intrinsic value method to account for its stock based employee compensation plans as per the Guidelines. Options are granted at an exercise price, which is equal to/ less than the fair market price of the underlying equity shares. The excess of such fair market price over the exercise price of the options as at the grant date, if any, is recognised as a deferred compensation cost and amortised on a straight-line basis over the vesting period of such options.

The fair market price is the latest available closing price, prior to the date of grant, on the stock exchange on which the shares of the Bank are listed. If the shares are listed on more than one stock exchange, then the stock exchange where there is highest trading volume on the said date is considered.

5.17 Provisions, contingent liabilities and contingent assets

A provision is recognised when the Bank has a present obligation as a result of past event where it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the

obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

A disclosure of contingent liability is made when there is:

- a possible obligation arising from a past event, the existence of which will be confirmed by occurrence or non-occurrence of one or more uncertain future events not within the control of the Bank; or
- a present obligation arising from a past event which is not recognised as it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

5.18 Accounting for dividend

As per AS-4 'Contingencies and Events occurring after the Balance sheet date' as notified by the Ministry of Corporate Affairs through amendments to Companies (Accounting Standards) Amendment Rules, 2016, dated 30 March, 2016, the Bank does not account for proposed dividend (including tax) as a liability through appropriation from the profit and loss account. The same is recognised in the year of actual payout post approval of shareholders. However, the Bank reckons proposed dividend in determining capital funds in computing the capital adequacy ratio.

5.19 Cash and cash equivalents

Cash and cash equivalents include cash in hand, balances with RBI, balances with other banks and money at call and short notice.

viii) Divergence in Asset Classification and Provisioning for NPAs

In terms of the RBI circular no. DBR.BP.BC.No.32/21.04.018/2018-19 dated 1 April, 2019, banks are required to disclose the divergences in asset classification and provisioning consequent to RBI's annual supervisory process in their notes to accounts to the financial statements, wherever either or both of the following conditions are satisfied: (a) the additional provisioning for NPAs assessed by RBI exceeds 10 per cent of the reported profit before provisions and contingencies for the reference period and (b) the additional Gross NPAs identified by RBI exceed 15 per cent of the published incremental Gross NPAs for the reference period.

Based on the above, no disclosure on divergence in asset classification and provisioning for NPAs is required with respect to RBI's annual supervisory process for the year ended 31 March, 2018.

Classification of assets and liabilities under the different maturity buckets is based on the same estimates and assumptions as used by the Bank for compiling the return submitted to the RBI, which has been relied upon by the auditors. Maturity profile of foreign currency assets and liabilities excludes off balance sheet items.

* For the purpose of disclosing the maturity pattern, loans and advances that have been subject to risk participation vide Inter-Bank Participation Certificates ('IBPCs') and Funded Risk Participation ('FRPs') have been classified in the maturity bucket corresponding to the contractual maturities of such underlying loans and advances gross of any risk participation. The IBPC and FRP amounts have been classified in the respective maturities of the corresponding underlying loans.

1.1.28 Disclosure in respect of Interest Rate Swaps ('IRS'), Forward Rate Agreement ('FRA') and Cross Currency Swaps ('CCS') outstanding is set out below:

An 'IRS' is a financial contract between two parties exchanging or swapping a stream of interest payments for a 'notional principal' amount on multiple occasions during a specified period. The Bank deals in interest rate benchmarks like Mumbai Inter-Bank Offered Rate (MIBOR), Indian Government Securities Benchmark Rate (INBMK), Mumbai Inter-Bank Forward Offer Rate (MIFOR) and LIBOR of various currencies.

A 'FRA' is a financial contract between two parties to exchange interest payments for 'notional principal' amount on settlement date, for a specified period from start date to maturity date. Accordingly, on the settlement date cash payments based on contract rate and the settlement rate, which is the agreed bench-mark/reference rate prevailing on the settlement date, are made by the parties to one another. The benchmark used in the FRA contracts of the Bank is London Inter-Bank Offered Rate (LIBOR) of various currencies.

A 'CCS' is a financial contract between two parties exchanging interest payments and principal, wherein interest payments and principal in one currency would be exchanged for an equally valued interest payments and principal in another currency.

The Bank has not undertaken any transactions in Credit Default Swaps (CDS) during the year ended 31 March, 2019 and 31 March, 2018.

1.1.29 Disclosure on risk exposure in Derivatives

Qualitative disclosures:

- (a) Structure and organisation for management of risk in derivatives trading, the scope and nature of risk measurement, risk reporting and risk monitoring systems, policies for hedging and/or mitigating risk and strategies and processes for monitoring the continuing effectiveness of hedges/mitigants:

Derivatives are financial instruments whose characteristics are derived from an underlying asset, or from interest and exchange rates or indices. The Bank undertakes over the counter and Exchange Traded derivative transactions for Balance Sheet management and also for proprietary trading/market making whereby the Bank offers derivative products to the customers to enable them to hedge their interest rate and currency risks within the prevalent regulatory guidelines.

Proprietary trading includes Interest Rate Futures, Currency Futures and Rupee Interest Rate Swaps under different benchmarks (viz. MIBOR, MIFOR and INBMK), and Currency Options. The Bank also undertakes transactions in Cross Currency Swaps, Principal Only Swaps, Coupon Only Swaps and Long Term Forex

Contracts (LTFX) for hedging its Balance Sheet and also offers them to its customers. These transactions expose the Bank to various risks, primarily credit, market, legal, reputation and operational risk. The Bank has adopted the following mechanism for managing risks arising out of the derivative transactions.

There is a functional separation between the Treasury Front Office, Treasury Mid Office and Treasury Back Office to undertake derivative transactions. The customer and interbank related derivative transaction are originated by Derivative sales and Treasury Front Office team respectively which ensures compliance with the trade origination requirements as per the bank's policy and the RBI guidelines. The Market Risk Group within the Bank's Risk Department independently identifies measures and monitors the market risks associated with derivative transactions and apprises the Asset Liability Management Committee (ALCO) and the Risk Management Committee of the Board (RMC) on the compliance with the risk limits. The Treasury Back Office undertakes activities such as trade confirmation, settlement, ISDA documentation, accounting, valuation and other MIS reporting.

The derivative transactions are governed by the derivative policy, market risk management policy, hedging policy and the Asset Liability Management (ALM) policy of the Bank as well as by the extant RBI guidelines. As a part of the derivative policy, the Bank has implemented policy on customer suitability & appropriateness to ensure that derivative transactions entered into are appropriate and suitable to the customer. The Bank has put in place a detailed process flow on documentation for customer derivative transactions for effective management of operational risk/reputation risk.

Various risk limits are set up and actual exposures are monitored vis-à-vis the limits allocated. These limits are set up taking into account market volatility, risk appetite, business strategy and management experience. Risk limits are in place for risk parameters viz. PV01, VaR, Stop Loss, Delta, Gamma and Vega. Actual positions are monitored against these limits on a daily basis and breaches, if any, are dealt with in accordance with board approved Risk Appetite Statement. Risk assessment of the portfolio is undertaken periodically. The Bank ensures that the Gross PV01 (Price value of a basis point) position arising out of all non-option rupee derivative contracts are within 0.25% of net worth of the Bank as on Balance Sheet date.

Hedging transactions are undertaken by the Bank to protect the variability in the fair value or the cash flow of the underlying Balance Sheet item. These deals are accounted on an accrual basis except the swap designated with an asset/liability that is carried at market value or lower of cost or market value. In that case, the swap is marked to market with the resulting gain or loss recorded as an adjustment to the market value of designated asset or liability. These transactions are tested for hedge effectiveness and in case any transaction fails the test, the same is re-designated as a trading deal and appropriate accounting treatment is followed.

- (b) Accounting policy for recording hedge and non-hedge transactions, recognition of income, premiums and discounts, valuation of outstanding contracts:

The Hedging Policy of the Bank governs the use of derivatives for hedging purpose. Subject to the prevailing RBI guidelines, the Bank deals in derivatives for hedging fixed rate and floating rate coupon or foreign currency assets/liabilities. Transactions for hedging and market making purposes are recorded separately. For hedge transactions, the Bank identifies the hedged item (asset or liability) at the inception of the transaction itself. The effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. Hedge derivative transactions are accounted for in accordance with the hedge accounting principles. Derivatives for market making purpose are marked to market and the resulting gain/loss is recorded in the Profit and Loss Account. The premium on option contracts is accounted for as per FEDAI guidelines. Derivative transactions are covered under International Swaps and Derivatives Association (ISDA) master agreements with respective counterparties. The exposure on account of derivative transactions is computed as per the RBI guidelines and is marked against the credit limits approved for the respective counterparties.

(c) Provisioning, collateral and credit risk mitigation:

Derivative transactions comprise of swaps, FRAs, futures, forward contracts and options which are disclosed as contingent liabilities. Trading swaps/FRAs/futures/options/forward contracts are revalued at the Balance Sheet date with the resulting unrealised gain or loss being recognised in the Profit and Loss Account and correspondingly in other assets or other liabilities respectively. Hedged swaps are accounted for as per the RBI guidelines. In accordance with RBI guidelines, any receivables (crystallised receivables and positive MTM) under derivative contracts, which remain overdue for more than 90 days, are reversed through the Profit and Loss Account and are held in a separate Suspense account.

Collateral requirements for derivative transactions are laid down as part of credit sanction terms on a case by case basis. Such collateral requirements are determined, based on usual credit appraisal process. The Bank retains the right to terminate transactions as a risk mitigation measure in certain cases.

The credit risk in respect of customer derivative transactions is sought to be mitigated through a laid down policy on sanction of Loan Equivalent Risk (LER) limits, monitoring mechanism for LER limits and trigger events for escalation/margin calls/termination.

1.1.35 Disclosure on Remuneration

Qualitative disclosures**a) Information relating to the bodies that oversee remuneration:**

- ❖ Name, composition and mandate of the main body overseeing remuneration:

The Nomination and Remuneration Committee of the Board oversees the framing, review and implementation of the compensation policy of the Bank on behalf of the Board. The Committee works in close co-ordination with the Risk Management Committee of the Bank, in order to achieve effective alignment between remuneration and risks.

As at 31 March, 2019, the Nomination and Remuneration Committee comprises of the following Non-Executive Directors:

1. Shri Rakesh Makhija - Chairman
2. Shri Rohit Bhagat
3. Shri Som Mittal
4. Shri Stephen Pagliuca

In respect of Remuneration/HR matters, the Nomination and Remuneration Committee of the Board, functions with the following main objectives:

- a. Review and recommend to the Board for approval, the overall remuneration framework and associated policy of the Bank (including remuneration policy for Directors and key managerial personnel) including the level and structure of fixed pay, variable pay, perquisites, bonus pool, stock-based compensation and any other form of compensation as may be included from time to time to all the employees of the Bank including the Managing Director & CEO (MD & CEO), other Whole-Time Directors (WTD) and senior managers one level below the Board.

- b. Review and recommend to the Board for approval, the total increase in manpower cost budget of the Bank as a whole, at an aggregate level, for the next year.
- c. Recommend to the Board the compensation payable to the Chairman of the Bank.
- d. Review the Code of Conduct and HR strategy, policy and performance appraisal process within the Bank, as well as any fundamental changes in organisation structure which could have wide ranging or high risk implications.
- e. Review and recommend to the Board for approval, the talent management and succession policy and process in the Bank for ensuring business continuity, especially at the level of MD & CEO, the other WTDs, senior managers one level below the Board and other key roles and their progression to the Board.
- f. Review and recommend to the Board for approval:
 - the creation of new positions one level below MD & CEO
 - appointments, promotions and exits of senior managers one level below the MD & CEO
- g. Set the goals, objectives and performance benchmarks for the Bank and for MD & CEO, WTDs and Group Executives for the financial year and over the medium to long term.
- h. Review the performance of the MD & CEO and other WTDs at the end of each year.
- i. Review organisation health through feedback from employee surveys conducted on a regular basis.
- j. Perform such other duties as may be required to be done under any law, statute, rules, regulations etc. enacted by Government of India, Reserve Bank of India or by any other regulatory or statutory body.

- ❖ External consultants whose advice has been sought, the body by which they were commissioned, and in what areas of the remuneration process:

The Nomination and Remuneration Committee has commissioned Aon Hewitt, a globally renowned compensation benchmarking firm, to conduct market benchmarking of employee compensation. The Bank participates in the salary benchmarking survey conducted by Aon Hewitt every year. Aon Hewitt collects data from multiple private sector peer banks across functions, levels and roles which is then used by the Bank to assess market competitiveness of remuneration offered to Bank employees.

- ❖ A description of the scope of the Bank's remuneration policy, including the extent to which it is applicable to foreign subsidiaries and branches:

The Committee monitors the remuneration policy for both domestic and overseas branches of the Bank on behalf of the Board. However, it does not oversee the compensation policy for subsidiaries of the Bank.

- ❖ A description of the type of employees covered and number of such employees:

Employees are categorised into following three categories from remuneration structure and administration standpoint:

Category 1

MD & CEO and WTDs. This category includes 5 employees.

Category 2

All the employees in the Grade of Vice President and above engaged in the functions of Risk Control and Compliance. This category includes 27 employees.

Category 3: Other Staff

'Other Staff' has been defined as a "group of employees who pose a material risk". This category includes all the employees of the Bank in the grade of Executive Vice President (EVP) and above and also few other key business roles in case they are below the grade of Executive Vice President. This category includes 32 employees.

b) Information relating to the design and structure of remuneration processes:

- ❖ An overview of the key features and objectives of remuneration policy:

The compensation philosophy of the Bank aims to attract, retain and motivate professionals in order to enable the Bank to attain its strategic objectives and develop a strong performance culture in the competitive environment in which it operates. To achieve this, the following principles are adopted:

- Affordability: Pay to reflect productivity improvements to retain cost-income competitiveness
- Maintain competitiveness on fixed pay in talent market
- Pay for performance to drive meritocracy through variable pay
- Employee Stock Options for long-term value creation
- Benefits and perquisites to remain aligned with market practices and provide flexibility

Apart from the above, the compensation structure for MD & CEO and WTDs is aligned to RBI's guidelines for sound compensation practices (effective FY 2012-13) and addresses the general principles of:

- Effective and independent governance and monitoring of compensation
- Alignment of compensation with prudent risk-taking through well designed and consistent compensation structures
- Clear and timely disclosure to facilitate supervisory oversight by all stakeholders

Accordingly, the compensation policy for MD & CEO and WTDs seeks to:

- a) Ensure that the compensation, in terms of structure and total amount, is in line with the best practices, as well as competitive vis-à-vis that of peer banks
- b) Establish the linkage of compensation with individual performance as well as achievement of the corporate objectives of the Bank
- c) Include an appropriate variable pay component tied to the achievement of pre-established objectives in line with Bank's scorecard while ensuring that the compensation is aligned with prudent risk taking

- d) Encourage attainment of long term shareholder returns through inclusion of equity linked long-term incentives as part of compensation

Compensation is structured in terms of fixed pay, variable pay and employee stock options (for selective employees), with a strong linkage of variable pay to performance. The compensation policy of the Bank is approved by the Nomination and Remuneration Committee. Additional approval from Shareholders and RBI is obtained specifically for compensation of MD & CEO and WTDs.

- ❖ Whether the remuneration committee reviewed the firm's remuneration policy during the past year, and if so, an overview of any changes that were made:

The Nomination and Remuneration committee reviews the Bank's remuneration policy every year. There were no major changes made in the remuneration policy during the year.

- ❖ A discussion of how the Bank ensures that risk and compliance employees are remunerated independently of the businesses they oversee:

The Bank ensures that risk and compliance employees are remunerated independently of the businesses they oversee and is guided by the individual employee performance. The remuneration is determined on the basis of relevant risk measures included in the Balanced Scorecard / key deliverables of staff in these functions. The parameters reviewed for performance based rewards are independent of performance of the business area they oversee and commensurate with their individual role in the Bank. Additionally, the ratio of fixed and variable compensation is weighed towards fixed compensation.

- c) **Description of the ways in which current and future risks are taken into account in the remuneration processes:**

- ❖ An overview of the key risks that the Bank takes into account when implementing remuneration measures:

The business activity of the Bank is undertaken within the limits of the following risk measures to achieve the financial plan. The Financial Perspective in the Bank's BSC contains metrics pertaining to growth, profitability and asset quality. These metrics along with other metrics in customer, internal process and compliance and people perspective are taken into account while arriving at the remuneration decisions. The metrics on internal process and compliance ensure due weightage to non – financial risk that bank may be exposed to.

- ❖ An overview of the nature and type of key measures used to take account of these risks, including risk difficult to measure:

The Bank has a robust system of measuring and reviewing these risks. The risk parameters are a part of the Balanced Scorecard used for setting of performance objectives and for measuring performance which includes, besides financial performance, adherence to internal processes, compliance and people perspectives. Weightage is placed on not only financial or quantitative achievement of objectives but also on qualitative aspects detailing how the objectives were achieved.

- ❖ A discussion of the ways in which these measures affect remuneration:

The relevant risk measures are included in the scorecards of MD & CEO and WTDs. Inclusion of the above mentioned measures ensures that performance parameters are aligned to risk measures at the time of performance evaluation. The Nomination and Remuneration Committee takes into consideration all the above aspects while assessing organisational and individual performance and making compensation related recommendations to the Board.

- ❖ A discussion of how the nature and type of these measures have changed over the past year and reasons for the changes, as well as the impact of changes on remuneration:

During FY 2018-19, the risk measures were reviewed and certain additional metrics pertaining to Operations Risk were incorporated in the Balanced Scorecards, in view of the challenges faced by the Banking industry in recent years.

d) **Description of the ways in which the Bank seeks to link performance during a performance measurement period with levels of remuneration:**

The Bank's performance management and compensation philosophies are structured to support the achievement of the Bank's on-going business objectives by rewarding achievement of objectives linked directly to its strategic business priorities. These strategic priorities are cascaded through annualised objectives to the employees.

The Bank follows the Balanced Scorecard approach in designing its performance management system. Adequate attention is given to the robust goal setting process to ensure alignment of individual objectives to support the achievement of business strategy, financial and non-financial goals across and through the organisation. The non-financial goals for employees includes customer service, process improvement, adherence to risk and compliance norms, operations and process control, learning and knowledge development.

❖ An overview of main performance metrics for Bank, top level business lines and individuals:

The Bank follows a Balanced Scorecard approach for measuring performance for the Bank, top business lines and individuals. The approach broadly comprises financial, customer, internal processes, compliance and people perspectives and includes parameters on revenue and profitability, business growth, customer initiatives, operational efficiencies, regulatory compliance, risk management and people management.

❖ A discussion of how amounts of individual remuneration are linked to the Bank-wide and individual performance:

The Bank's remuneration practices are underpinned by principles of meritocracy and fairness. The remuneration system strives to maintain the ability to attract, retain, reward and motivate the talent in order to enable the Bank to attain its strategic objectives within the increasingly competitive context in which it operates. The Bank's pay-for-performance approach strives to ensure both internal and external equity in line with emerging market trends. However, the business model and affordability form the overarching boundary conditions.

The Bank follows a Balanced Scorecard approach for measuring performance at senior levels. The Balanced scorecard parameters for individuals are cascaded from the Bank's Balanced Scorecard. The Management Committee or the Nomination and Remuneration Committee reviews the achievements against the set of parameters which determines the performance of the individuals. For all other employees, performance appraisals are conducted annually and initiated by the employee with self-appraisal. The immediate supervisor reviews the appraisal ratings in a joint consultation meeting with the employee and assigns the performance rating. The final ratings are discussed by a Moderation Committee comprising of senior officials of the Bank. Both relative and absolute individual performances are considered for the moderation process. Individual fixed pay increases, variable pay and ESOPs are linked to the final performance ratings.

❖ A discussion of the measures the Bank will in general implement to adjust remuneration in the event that performance metrics are weak:

In cases where the performance metrics are weak or not well defined to measure the performance effectively, the Bank uses discretion to reward such employees. The remuneration is then influenced by the operational performance parameters of the Bank along with individual performance achievement.

Whilst determining fixed and variable remuneration, relevant risk measures are included in scorecards of senior employees. The Financial Perspective in the Bank's BSC contains metrics pertaining to growth,

profitability and asset quality. These metrics along with other metrics in customer, internal process and compliance and people perspective are taken into account while arriving at the remuneration decisions. The metrics on internal process and compliance ensure due weightage to non – financial risk that bank may be exposed to.

As a prudent measure, a portion of variable pay if it exceeds a certain threshold is deferred and is paid proportionately over a period of 3 years. The deferred variable pay amount of reference year would be held back in case of any misrepresentation or gross inaccuracy resulting in a wrong risk assessment.

e) **Description of the ways in which the Bank seeks to adjust remuneration to take account of the longer term performance:**

- ❖ A discussion of the Bank's policy on deferral and vesting of variable remuneration and, if the fraction of variable remuneration that is deferred differs across employees or groups of employees, a description of the factors that determine the fraction and their relative importance:

The deferral of the Variable Pay for the three categories of employees as stated earlier is given below:

Category 1: MD & CEO and WTDs

Variable Pay will not exceed 70% of the Fixed Pay

To ensure that risk measures do not focus only on achieving short term goals, variable payout is deferred. If the variable pay exceeds 40% of fixed pay, 45% of the variable pay to be deferred proportionately over a period of three years.

Category 2: All the employees in the Grade of Vice President and above engaged in the functions of Risk Control and Compliance

- Variable Pay will be paid on the basis of laid down risk control, compliance and process improvement parameters in the balanced scorecard / key deliverables of staff in this function
- The parameters will be independent of performance of the business area they oversee and will commensurate with their key role in the Bank
- The ratio of fixed and variable compensation will be weighed towards fixed compensation
- Percentage of variable pay to be capped at 70% of fixed pay
- Appropriate deferral structure as approved by the Nomination and Remuneration Committee will be applicable to this category of employees

Category 3: Other Staff

- Variable Pay will be paid on the basis of performance against key deliverables and overall business performance for the financial year
- Percentage of variable pay to be capped at 70% of fixed pay
- Appropriate deferral structure as approved by the Nomination and Remuneration Committee will be applicable to this category of employees

- ❖ A discussion of the Bank's policy and criteria for adjusting deferred remuneration before vesting and (if permitted by national law) after vesting through claw back arrangements:

The deferred portion of the variable pay may be delayed in the event of an enquiry determining gross negligence or breach of integrity. The deferred portion is withheld by the Bank till the completion of such enquiries, if any. As a result, no claw back arrangements are made on the deferred portion of the variable pay.

f) Description of the different forms of variable remuneration that the Bank utilizes and the rationale for using these different forms:

- ❖ An overview of the forms of variable remuneration offered:
 - Variable Pay: Variable Pay is linked to corporate performance, business performance and individual performance and ensures differential pay based on the performance levels of employees
 - Employee Stock Options (ESOPs): ESOPs are given to selective set of employees at senior levels based on their level of performance and role. ESOP scheme has an inbuilt deferred vesting design which helps in directing long term performance orientation among employees
- ❖ A discussion of the use of different forms of variable remuneration and, if the mix of different forms of variable remuneration differs across employees or group of employees, a description of the factors that determine the mix and their relative importance:

Variable pay in the form of performance based bonus is paid out annually and is linked to performance achievement against balanced performance measures and aligned with the principles of meritocracy. The proportion of variable pay in total pay shall be higher at senior management levels. The payment of all forms of variable pay is governed by the affordability of the Bank and based on profitability and cost income ratios. At senior management levels (and for certain employees with potential to cause material impact on risk exposure), a portion of variable compensation may be paid out in a deferred manner in order to drive prudent behaviour as well as long term & sustainable performance orientation. Long term variable pay is administered in the form of ESOPs with an objective of enabling employee participation in the business as an active stakeholder and to usher in an 'owner-manager' culture. The quantum of grant of stock options is determined and approved by the Nomination and Remuneration Committee, in terms of the said Regulations and in line with best practices, subject to the approval of RBI. The current ESOP design has an inbuilt deferral intended to spread and manage risk.

The above information is as certified by the Management and relied upon by the auditors.

1.1.42 Unhedged Foreign Currency Exposure

The Bank's Corporate Credit Policy lays down the framework to manage credit risk arising out of unhedged foreign currency exposures of the borrowers. Both at the time of initial approval as well as subsequent reviews/renewals, the assessment of credit risk arising out of foreign currency exposure of the borrowers include details of imports, exports, repayments of foreign currency borrowings, as well as hedges done by the borrowers or naturally enjoyed by them vis-a-vis their intrinsic financial strength, history of hedging and losses arising out of foreign currency volatility. The extent of hedge/cover required on the total foreign currency exposure including natural hedge and hedged positions, is guided through a matrix of internal ratings. The hedging policy is applicable for existing as well as new clients with foreign currency exposures above a predefined threshold. The details of un-hedged foreign currency exposure of customers for transactions undertaken through the Bank are monitored periodically. The Bank also maintains additional provision and capital, in line with RBI guidelines.

During the year ended 31 March, 2019, the Bank made a provision of ₹18.79 crores (previous year write back of ₹9.30 crores) towards un-hedged foreign currency exposures. As on 31 March, 2019, the Bank held incremental capital of ₹191.52 crores (previous year ₹220.11 crores) towards borrowers having un-hedged foreign currency exposures.

1.1.46 Disclosure on Liquidity Coverage Ratio

Qualitative disclosure

The Bank has adopted the Basel III framework on liquidity standards as prescribed by RBI and has put in place requisite systems and processes to enable periodical computation and reporting of the Liquidity Coverage Ratio (LCR). The mandated regulatory threshold is embedded into the Risk Appetite Statement of the Bank thus subjecting LCR

maintenance to Board oversight and periodical review. The Bank computes the LCR and reports the same to the Asset Liability Management Committee (ALCO) every month for review as well as to the Risk Management Committee of the Board.

The Bank computes LCR on a daily basis and in accordance with RBI guidelines the quarterly disclosures of LCR contain data on the simple average calculated on daily observations over a period of 90 days.

The Bank follows the criteria laid down by RBI for calculation of High Quality Liquid Assets (HQLA), gross outflows and inflows within the next 30-day period. HQLA predominantly comprises Government securities viz. Treasury Bills, Central and State Government securities. A relatively smaller part of HQLA is accounted for by the corporate bonds with mandated haircuts applied thereto.

The Bank monitors the concentration of funding sources from significant counterparties, significant instruments/products as part of the asset liability management framework. The Bank adheres to the regulatory and internal limits on Inter-bank liability and call money borrowings which form part of the ALM policy. The Bank's funding sources are fairly dispersed across sources and maturities.

Expected derivative cash outflows and inflows are calculated for outstanding contracts in accordance with laid down valuation methodologies. Cash flows, if any, from collaterals posted against derivatives are not considered.

Apart from the LCR position in all currencies put together, the Bank monitors the LCR in US Dollar currency which qualifies as a significant currency as per RBI guidelines.

The liquidity risk management of the Bank is undertaken by the Asset Liability Management group in the Treasury in accordance with the Board approved policies and ALCO approved funding plans. The Risk department measures and monitors the liquidity profile of the Bank with reference to the Board approved limits, for both domestic as well as overseas operations, on a static as well as on a dynamic basis by using the gap analysis technique supplemented by monitoring of key liquidity ratios and periodical liquidity stress testing. Periodical reports are placed before the Bank's ALCO for perusal and review.

All significant outflows and inflows determined in accordance with RBI guidelines are included in the prescribed LCR computation template.

1.2.5 Employee Stock Options Scheme ('the Scheme')

Pursuant to the approval of the shareholders in February 2001, the Bank approved an Employee Stock Option Scheme under which eligible employees are granted an option to purchase shares subject to vesting conditions. Over the period till March 2019, pursuant to the approval of the shareholders, the Bank approved ESOP schemes for options aggregating 265,087,000 that vest in a graded manner over 3 years. The options can be exercised within three/five years from the date of the vesting as the case may be. Within the overall ceiling of 265,087,000 stock options approved for grant by the shareholders as stated earlier, the Bank is authorised to issue options to eligible employees and Whole Time Directors of the subsidiary companies.

253,158,700 options have been granted under the Scheme till the previous year ended 31 March, 2018.

On 25 April, 2018, the Bank granted 5,825,000 stock options (each option representing entitlement to one equity share of the Bank) to its eligible employees/directors of the Bank/subsidiary companies at a grant price of ₹504.85 per option. Further, on 7 January, 2019, the Bank granted 630,000 stock options (each option representing entitlement to one equity share of the Bank) to its MD & CEO at a grant price of ₹619.60 per option.

Fair Value Methodology

On applying the fair value based method in Guidance Note on 'Accounting for Employee Share-based Payments' the impact on reported net profit and EPS would be as follows:

	31 March, 2019	31 March, 2018
Net Profit (as reported) (₹ in crores)	4,676.61	275.68
Add: Stock based employee compensation expense included in net income (₹ in crores)	-	-
Less: Stock based employee compensation expense determined under fair value based method (Proforma) (₹ in crores)	(95.04)	(102.86)
Net Profit (Proforma) (₹ in crores)	4,581.57	172.82
Earnings per share: Basic (in ₹)		
As reported	18.20	1.13
Proforma	17.83	0.71
Earnings per share: Diluted (in ₹)		
As reported	18.09	1.12
Proforma	17.77	0.70

During the years ended, 31 March, 2019 and 31 March, 2018, no cost has been incurred by the Bank on ESOPs

issued to the employees of the Bank and employees of subsidiaries under the intrinsic value method.

The fair value of the options is estimated on the date of the grant using the Black-Scholes options pricing model, with the following assumptions:

	31 March, 2019	31 March, 2018
Dividend yield	0.76%	1.16%
Expected life	2.57-4.57 years	2.57-4.57 years
Risk free interest rate	7.07% to 7.63%	6.55% to 6.82%
Volatility	28.78% to 30.82%	31.80% to 33.56%

Volatility is the measure of the amount by which a price has fluctuated or is expected to fluctuate during a period. The measure of volatility used in the Black-Scholes options pricing model is the annualised standard deviation of the continuously compounded rates of return on the stock over a period of time. For calculating volatility, the daily volatility of the stock prices on the National Stock Exchange, over a period prior to the date of grant, corresponding with the expected life of the options has been considered.

The weighted average fair value of options granted during the year ended 31 March, 2019 is ₹164.10 (previous year ₹155.53).

On 27 March, 2019, the Nomination and Remuneration Committee of the Board of Directors of the Bank has approved the grant of upto 10,500,000 stock options to eligible employees. As on March 31, 2019, there have been no allotments of options under this grant. Accordingly, these options have not been considered in the above disclosure and for disclosure of proforma net profit and EPS under fair value method for FY 2018-19.

1.2.6 Proposed Dividend

The Board of Directors, in their meeting held on 25 April, 2019 have proposed a final dividend of ₹1 per equity share amounting to ₹283.08 crores, inclusive of corporate dividend tax. The proposal is subject to the approval of shareholders at the Annual General Meeting.

1.2.7 Segmental reporting

The business of the Bank is divided into four segments: Treasury, Retail Banking, Corporate/Wholesale Banking and Other Banking Business. These segments have been identified based on the RBI's revised guidelines on Segment Reporting issued on 18 April, 2007 vide Circular No. DBOD.No.BP.BC.81/21.04.018/2006-07. The principal activities of these segments are as under:

Segment	Principal Activities

Retail Banking activities also include liability products, card services, internet banking, mobile banking, ATM services, depository, financial advisory services and NRI services.

Segment	Principal Activities
Corporate/Wholesale Banking	Includes corporate relationships not included under Retail Banking, corporate advisory services, placements and syndication, project appraisals, capital market related services and cash management services.
Other Banking Business	Includes para banking activities like third party product distribution and other banking transactions not covered under any of the above three segments.

Unallocated assets and liabilities - All items which are reckoned at an enterprise level are classified under this segment such as deferred tax, money received against share warrants, tax paid in advance net of provision etc.

Revenues of the Treasury segment primarily consist of fees and gains or losses from trading operations and interest income on the investment portfolio. The principal expenses of the segment consist of interest expense on funds borrowed from external sources and other internal segments, premises expenses, personnel costs, other direct overheads and allocated expenses.

Revenues of the Corporate/Wholesale Banking segment consist of interest and fees earned on loans given to customers falling under this segment and fees arising from transaction services and merchant banking activities such as syndication and debenture trusteeship. Revenues of the Retail Banking segment are derived from interest earned on loans classified under this segment, fees for banking and advisory services, ATM interchange fees and cards products. Expenses of the Corporate/Wholesale Banking and Retail Banking segments primarily comprise interest expense on deposits and funds borrowed from other internal segments, infrastructure and premises expenses for operating the branch network and other delivery channels, personnel costs, other direct overheads and allocated expenses.

Segment income includes earnings from external customers and from funds transferred to the other segments. Segment result includes revenue as reduced by interest expense and operating expenses and provisions, if any, for that segment. Segment-wise income and expenses include certain allocations. Inter segment interest income and interest expense represent the transfer price received from and paid to the Central Funding Unit (CFU) respectively. For this purpose, the funds transfer pricing mechanism presently followed by the Bank, which is based on historical matched maturity and internal benchmarks, has been used. Operating expenses other than those directly attributable to segments are allocated to the segments based on an activity-based costing methodology. All activities in the Bank are segregated segment-wise and allocated to the respective segment.

1.2.12 Employee Benefits

Provident Fund

The rules of the Bank's Provident Fund administered by a Trust require that if the Board of Trustees are unable to pay interest at the rate declared for Employees' Provident Fund by the Government under para 60 of the Employees' Provident Fund Scheme, 1952 for the reason that the return on investment is less or for any other reason, then the deficiency shall be made good by the Bank. Based on an actuarial valuation conducted by an independent actuary, there is no deficiency as at the Balance Sheet date.

The following tables summarise the components of net benefit expenses recognised in the Profit and Loss Account and funded status and amounts recognised in the Balance Sheet for the Provident Fund benefit plan (including staff deputed at subsidiaries).

The contribution to the employee's provident fund (including Employee Pension Scheme) amounted to ₹161.28 crores (previous year ₹149.49 crores) for the year.

The Hon'ble Supreme Court of India ("SC") by an order dated 28 February, 2019 in one case, set out the principles based on which allowances paid to the employees should be identified for inclusion in basic wages for the purposes of computation of Provident Fund contribution. Subsequently, a review petition against this decision has been filed and is pending before the SC for disposal. Pending decision on the subject review petition and directions from the Employees' Provident Fund Organisation, no effect of the said order has been given in the financial statements.

Superannuation

The Bank contributed ₹16.29 crores (previous year ₹15.91 crores) to the employees' superannuation plan for the year.

- 45 to 59 (age in years)	5.00%	5.00%

The estimates of future salary increases considered in actuarial valuation take account of inflation, seniority, promotion and other relevant factors.

The expected rate of return on plan assets is based on the average long-term rate of return expected on investments of the Fund during the estimated term of the obligations.

As the contribution expected to be paid to the plan during the annual period beginning after the balance sheet date is based on various internal/external factors, a best estimate of the contribution is not determinable.

The above information is as certified by the actuary and relied upon by the auditors.

Closing provision at the end of the year	187.99	150.66

Closing provision includes provision for legal cases and other contingencies. Provisions made and reductions during the year also include contingent provision for advances.

1.2.14 Small and Micro Enterprises

Under the Micro, Small and Medium Enterprises Development Act, 2006 which came into force from 2 October, 2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. There have been no reported cases of delays in payments to micro and small enterprises or of interest payments due to delays in such payments. The above is based on the information available with the Bank which has been relied upon by the auditors.

1.2.15 Corporate Social Responsibility (CSR)

- a) Amount required to be spent by the Bank on CSR during the year ₹127.94 crores (previous year ₹186.82 crores).
- b) Amount spent towards CSR during the year and recognized as expense in the statement of profit and loss on CSR related activities is ₹137.59 crores (previous year ₹133.77 crores), which comprise of following –

	31 March, 2019			31 March, 2018

On purpose other than above	125.13	0.57	125.70	124.28	7.27	131.55

1.2.16 Description of contingent liabilities

- a) Claims against the Bank not acknowledged as debts

These represent claims filed against the Bank in the normal course of business relating to various legal cases currently in progress. These also include demands raised by income tax authorities and disputed by the Bank. Apart from claims assessed as possible, the Bank holds provision of ₹56.06 crores as on 31 March, 2019 (previous year ₹42.70 crores) towards claims assessed as probable.

- b) Liability for partly paid investments

This represents amounts remaining unpaid towards liability for partly paid investments.

c) Liability on account of forward exchange and derivative contracts

The Bank enters into foreign exchange contracts, currency options/swaps, interest rate/currency futures and forward rate agreements on its own account and for customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. Currency swaps are commitments to exchange cash flows by way of interest/principal in two currencies, based on ruling spot rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. Interest rate futures are standardised, exchange-traded contracts that represent a pledge to undertake a certain interest rate transaction at a specified price, on a specified future date. Forward rate agreements are agreements to pay or receive a certain sum based on a differential interest rate on a notional amount for an agreed period. A foreign currency option is an agreement between two parties in which one grants to the other the right to buy or sell a specified amount of currency at a specific price within a specified time period or at a specified future time. An Exchange Traded Currency Option contract is a standardised foreign exchange derivative contract, which gives the owner the right, but not the obligation, to exchange money denominated in one currency into another currency at a pre-agreed exchange rate on a specified date on the date of expiry. Currency Futures contract is a standardised, exchange-traded contract, to buy or sell a certain underlying currency at a certain date in the future, at a specified price. The amount of contingent liability represents the notional principal of respective forward exchange and derivative contracts.

d) Guarantees given on behalf of constituents

As a part of its banking activities, the Bank issues guarantees on behalf of its customers to enhance their credit standing. Guarantees represent irrevocable assurances that the Bank will make payments in the event of the customer failing to fulfill its financial or performance obligations.

e) Acceptances, endorsements and other obligations

These include documentary credit issued by the Bank on behalf of its customers and bills drawn by the Bank's customers that are accepted or endorsed by the Bank.

f) Other items

Other items represent outstanding amount of bills rediscounted by the Bank, estimated amount of contracts remaining to be executed on capital account, notional principal on account of outstanding Tom/Spot foreign exchange contracts, commitments to venture capital funds/alternate investment funds, commitments towards underwriting and investment in equity through bids under Initial Public Offering (IPO) of corporates as at the year end, demands raised by statutory authorities (other than income tax) and disputed by the Bank and amount transferred to Depositor Education and Awareness Fund (DEAF).

During earlier years, the Bank, through one of its overseas branches, had arranged Trade Credit (Buyers Credit loans) against Letters of Undertaking (LOUs) issued by Punjab National Bank (PNB), which were subsequently alleged as fraudulent by PNB. Prior to this declaration by PNB, such buyer's credit loans were sold down in the secondary market by the overseas branch to various participating banks under Risk Participation Agreements. As on 31 March 2019, there is no funded exposure outstanding in the overseas branch pursuant to such sell down. PNB has repaid the aggregate amount of all LOUs due upto 31 March 2019, pursuant to an undertaking issued to PNB, and made remittance to the overseas branch which has been passed on for onward payment to the participating banks. Based on the facts and circumstances of the case, internal findings and legal opinion, the Bank does not expect PNB has any valid right at this point in time, for refund by the Bank of the aggregate amount paid by PNB towards LOUs due upto 31 March 2019. However, as a matter of prudence, the aggregate amount of LOUs issued by PNB to the overseas branch against which buyer's credit was extended, aggregating to ₹4,082.51 crores has been disclosed as part of Contingent Liabilities in the Balance Sheet.

The Bank has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Bank has reviewed and recorded adequate provision as required under any law/accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements, where applicable.

1.2.17 Previous year figures have been regrouped and reclassified, where necessary to conform to current year's presentation.

Independent Auditor's Report

To the Members of Axis Bank Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Axis Bank Limited (hereinafter referred to as "the Bank") and its subsidiaries (the Bank and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, the consolidated profit and the consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Procedure performed
<p>IT Controls Framework</p> <p>Axis Bank has a complex IT architecture to support its day to day business operations. The volume of transactions processed and recorded is huge. Moreover, a transaction may be required to be recorded across multiple applications depending upon the process. Each application has different rules incorporated in it and a different set of user access and authority matrix. These applications are interlinked using different technologies. Data transfer happens in real time or at a particular time of the day; in batches or at a transaction level and in an automated manner or manually. The Core Banking Solution (CBS) itself has many interfaces. All these data streams directly affect financial reporting.</p>	<p>IT audit specialists are an integral part of our engagement team. Our approach of testing IT General Controls (ITGC) and IT Application Controls (ITAC) is risk based and business centric.</p> <p>As a part of our IT controls testing, we have tested ITGC as well as ITAC. The focus of testing of ITGCs was based on the various parameters such as Completeness, Validity, Identification, Authentication, Authorization, Integrity and Accountability. On the other hand, focus of testing automated controls from applications was whether the controls prevent or detect unauthorized transactions and support financial objectives including completeness, accuracy, authorization and validity of transactions.</p>

Key Audit Matter

The Bank has a process for identifying the applications where the controls are embedded. It also has a process to ensure that systems, processes and controls remain relevant. The Bank's IT control framework includes automated, semi-automated and manual controls designed to address identified risks. IT controls are stated in Entity Level Controls (ELC), IT General Controls (ITGC) and IT Application Controls (ITAC).

We regard this area as a Key Audit Matter as the Bank's business is highly dependent on technology, the IT environment is complex and the design and operating effectiveness of IT controls have a direct impact on a financial reporting process. Review of these controls allows us to provide assurance on the integrity and completeness of data processed through various IT applications which are used for the preparation of financial reports.

Procedure performed

We gathered a comprehensive understanding of IT applications landscape implemented at the Bank. It was followed by process understanding, mapping of applications to the same and understanding financial risks posed by people-process and technology.

In ITGC testing we reviewed, on sample basis, control areas such as User Management, Change Management, Systems Security, Incident Management, Physical & Environmental Security, Backup and Restoration, Business Continuity and Disaster Recovery, Service Level Agreement.

For ITAC, we carried out on sample basis, compliance tests of system functionality in order to assess the accuracy of system calculations. We also carried out procedures such as validations and limit checks on data entered into applications, approvals, process dependencies and restriction on time period in which transactions may be recorded.

We tested the control environment using various techniques such as inquiry, review of documentation/record/reports, observation and re-performance. We also tested few controls using negative testing technique. We had taken adequate samples of instances for our tests.

Wherever deviations were noted either the same were explained to our satisfaction or we suitably modified our testing procedures to draw comfort.

Provisions and Write off of Advances

The Bank's portfolio of advances to customers amounts to ₹4,94,79,797 Lacs as at March 31, 2019 comprising of ₹2,37,22,782 Lacs towards its Corporate Customers ("Wholesale Banking" customers) and ₹2,57,57,015 Lacs towards its Retail Customers ("Retail banking" customers). As required under Income Recognition, Asset Classification and provisioning norms (IRAC norms) and other circulars, notifications and directives issued by the Reserve Bank of India (RBI), the Bank classifies advances into performing and non-performing advances which consists of Standard, Sub-standard, Doubtful and Loss and makes appropriate provisions.

The Bank, on case to case basis, as per its governing framework, identifies standard advances which require higher provision based on its evaluation of risk and internal ratings. The Bank also identifies sectors wherein the Bank perceives stress and makes higher provisions. Additionally, the Bank also identifies accounts which are to be technical written off based on the framework approved by the Bank's Board of Directors.

The provisions for such advances and technical write off is a Key Audit Matter as the Bank has significant credit risk exposure to a large number of borrowers across a wide range of borrowers, products, industries and geographies and there is a high degree of complexity and judgement involved in recoverability of advances, estimating the provisions thereon and identification of accounts to be written off.

The same resulted in significant audit effort to address the risks around loan recoverability and the determination of related provisions and write off.

Provisions for Corporate advances against specific individual loans (wholesale banking)

1. Testing the key controls over borrower risk grading for wholesale loans (larger customer exposures that are monitored individually) for classification of such loans as performing or non-performing advances.
 - We tested on sample basis, the approval of new lending facilities against the Bank's credit policies, the performance of annual loan assessments, and controls over the monitoring of credit quality.
 - We have assessed the process for classification by the management including identification of non-performing assets.
 - We tested on sample basis loans to form our own assessment as to whether impairment events had occurred and to assess whether impairments had been identified in a timely manner.
 - For the selected non-performing loans, we assessed management's forecast and inputs of recoverable cash flows, valuation of underlying security and collaterals, estimates of recoverable amounts on default and other sources of repayment.

Key Audit Matter

Procedure performed

This included testing controls over the identification of exposures showing signs of stress, either due to internal factors specific to the borrower or external macroeconomic factors, and testing the timeliness of and the accuracy of risk assessments and risk grading against the requirements of the Bank's lending policies and RBI IRAC norms.

2. Performing credit assessments of a sample of corporate loans managed by a specialised group assessed as high risk or impaired, focusing on larger exposures assessed by the Bank as showing signs of deterioration, or in areas of emerging risk (assessed against external market conditions). We challenged the Bank's risk grading of the loan, their assessment of loan recoverability and the impact on the credit provision. To do this, we used the information on the Borrowers loan file, discussed the case with the concerned officials and senior management, and performed our own assessment of recoverability.

Provisions for Retail advances against specific individual loans (Retail banking)

For retail loans (smaller customer exposures not monitored individually), testing controls over the systems which record lending arrears, group exposures into delinquency buckets based on the number of days loans are overdue, and calculate individual provisions. We tested automated calculation and change management controls and evaluated the Bank's oversight of the portfolios, with a focus on controls over delinquency statistics monitoring. We tested on sample basis the level of provisions held against different loan products based on the delinquency profile and challenged assumptions made in respect of expected recoveries, primarily from collateral held. We also carried out extensive data analytics procedures to identify exceptions and outliers.

Provisions estimated across loan portfolios (collective provision)

1. Testing the Bank's processes for making collective provision
2. Review of the Policy for higher provision for weak standard advances and stressed sectors adopted by the Bank
3. Validating the parameters used to calculate collective provisions with reference to IRAC norms and internal policy on higher provisions on weak standard advances;
4. Testing the completeness and accuracy of data transferred from underlying source systems used for computing collective provision;
5. Re-performing, for a sample of retail and wholesale portfolios, the calculation of collective provisions, to determine the accuracy of the same.

Technical write off across loan portfolios

The Bank has adopted a framework for technical write off. We reviewed the framework and understood the process for identification of loan portfolios to be technically written off. We tested on sample basis, the accounts identified during the year to be written off for compliance with the aforesaid framework.

Other Information

The Bank's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report forming part of the Annual Report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon and the Pillar III Disclosures under the New Capital Adequacy Framework (Basel III disclosures). The Director's Report is expected to be made available to us after the date of this auditors report.

Our opinion on the consolidated financial statements does not cover the other information and the Basel III disclosures we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Director's Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Bank's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with relevant rules issued thereunder, provision of Section 29 of the Banking Regulation Act, 1949 and the circulars, guidelines and directions issued by Reserve Bank of India ("RBI") from time to time. The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Bank, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the entities included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Bank and its subsidiaries, which are companies incorporated in India, have adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Bank and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of 9 subsidiaries, whose financial statements reflects total assets of ₹14,94,461.55 lacs and net asset of ₹2,43,992.23 lacs as at March 31, 2019, and total revenues of ₹2,45,731.54 lacs and net cash inflows amounting to ₹4,714.61 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

One of above subsidiary is located outside India whose financial statements have been prepared in accordance with accounting principles generally accepted in that country and which have been audited by other auditors under generally accepted auditing standards applicable in that country. The Company's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in that country to accounting principles

generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Company and audited by us.

- (b) We did not audit the financial statements of 1 step down subsidiary, whose financial statements reflects total assets of ₹411.53 lacs and net assets of ₹369.67 lacs as at March 31, 2019, total revenues of ₹0.79 lacs and net cash inflows amounting to ₹24.89 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this step down subsidiary, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid step down subsidiary, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the management, these financial statements are not material to the Group.

Our opinion on the consolidated financial statements and our report on the Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the management.

- (c) The consolidated financial statements of the Bank for the previous year ended March 31, 2018, were audited by another firm of Chartered Accountants who have expressed an unmodified opinion on those statements vide their report dated May 16, 2018.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act and, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- c) The Consolidated Balance Sheet, the Consolidated Profit and Loss Account and the Consolidated Cash Flow Statement dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act read with relevant rules issued thereunder to the extent they are not inconsistent with accounting policies prescribed by RBI;
- e) On the basis of the written representations received from the directors of the Bank as on March 31, 2019 taken on record by the Board of Directors of the Bank and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Companies of the Group incorporated in India is disqualified as on March 31, 2019 from being appointed as a director in terms of section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Bank and its subsidiary companies incorporated in India and the operating effectiveness of such controls, we give our separate report in the "Annexure".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us in case of subsidiary Companies incorporated in India, the remuneration paid/provided by those subsidiaries to their directors during the year is in accordance with the provisions of section 197 of the Act. Further, Section 197 of the Act is not applicable by virtue of Section 35B (2A) of the Banking Regulation Act, 1949 to the Bank.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group - Refer Schedule 12 – Contingent Liabilities to the consolidated financial statements;
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Bank and its subsidiary companies incorporated in India,

Annexure to the Independent Auditor's Report

[Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Axis Bank Limited on the Consolidated Financial Statements for the year ended March 31, 2019]

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Financial Statements of the Axis Bank Limited ("the Bank") as of and for the year ended March 31, 2019, we have audited the internal financial controls with reference to Consolidated Financial Statements of the Bank and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Bank and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Consolidated Financial Statements criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Consolidated Financial Statements of the Bank and its subsidiary companies, which are companies incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of

records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reporting of other auditors as mentioned in Other Matter paragraph, the Bank and its subsidiary companies which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at March 31, 2019, based on the internal control with reference to Consolidated Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements in so far as it relates to 8 subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

3 Use of estimates

The preparation of the financial statements in conformity with the generally accepted accounting principles requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) at the date of the financial statements, revenues and expenses during the reporting period. Actual results could differ from those estimates. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Any revisions to the accounting estimates are recognised prospectively in the current and future periods.

4 Change in accounting policies/estimates

4.1 Change in estimated useful life of fixed assets

During the year, the Bank has revised the estimated useful life of Electronic Data Capturing machines/Point of Sale terminals from 10 years to 5 years. As a result of the aforesaid revision, the depreciation charge for the year is higher by ₹29.34 crores with a corresponding decrease in the net block of fixed assets.

4.2 Provision on standard advances

With effect from 31 March 2019, in the case of provision on standard advances the Bank adopted a more stringent policy of maintaining provision on corporate standard advances rated 'BB and Below' and all SMA-2 advances as reported to CRILC, at rates that are higher than those prescribed by RBI. As a result, provisions and contingencies for the year are higher by ₹378 crores with a consequent reduction to the profit before tax.

5 Significant accounting policies

5.1 Investments

Axis Bank Ltd.

Classification

In accordance with the RBI guidelines, investments are classified at the time of purchase as:

- Held for Trading ('HFT');
- Available for Sale ('AFS'); and
- Held to Maturity ('HTM').

Investments that are held principally for sale within a short period are classified as HFT securities. As per the RBI guidelines, HFT securities, which remain unsold for a period of 90 days are transferred to AFS securities.

Investments that the Bank intends to hold till maturity are classified under the HTM category. Investments in the equity of subsidiaries/joint ventures are categorised as HTM in accordance with the RBI guidelines.

All other investments are classified as AFS securities.

However, for disclosure in the Balance Sheet, investments in India are classified under six categories - Government Securities, Other approved securities, Shares, Debentures and Bonds, Investment in Subsidiaries/Joint Ventures and Others.

Investments made outside India are classified under three categories – Government Securities, Subsidiaries and/or Joint Ventures abroad and Others.

Transfer of security between categories

Transfer of security between categories of investments is accounted as per the RBI guidelines.

Acquisition cost

Costs including brokerage and commission pertaining to investments, paid at the time of acquisition, are charged to the Profit and Loss Account.

Broken period interest is charged to the Profit and Loss Account.

Cost of investments is computed based on the weighted average cost method.

Valuation

Investments classified under the HTM category: Investments are carried at acquisition cost unless it is more than the face value, in which case the premium is amortised over the period remaining to maturity on a constant yield to maturity basis. In terms of RBI guidelines, discount on securities held under HTM category is not accrued and such securities are held at the acquisition cost till maturity.

Investments classified under the AFS and HFT categories: Investments under these categories are marked to market. The market/fair value of quoted investments included in the 'AFS' and 'HFT' categories is the market price of the scrip as available from the trades/quotes on the stock exchanges or prices declared by Primary Dealers Association of India ('PDAI') jointly with Fixed Income Money Market and Derivatives Association of India ('FIMMDA')/ Financial Benchmark India Private Limited ('FBIL'), periodically. Net depreciation, if any, within each category of each investment classification is recognised in the Profit and Loss Account. The net appreciation if any, under each category of each investment classification is ignored. The depreciation on securities acquired by way of conversion of outstanding loans is provided in accordance with the RBI guidelines. The book value of individual securities is not changed consequent to the periodic valuation of investments.

Non-performing investments are identified and provision is made thereon as per RBI guidelines.

Treasury Bills, Exchange Funded Bills, Commercial Paper and Certificate of Deposits being discounted instruments, are valued at carrying cost.

Units of mutual funds are valued at the latest repurchase price/net asset value declared by the mutual fund.

Market value of investments where current quotations are not available, is determined as per the norms prescribed by the RBI as under:

- the market/fair value of unquoted government securities which are in the nature of Statutory Liquidity Ratio ('SLR') securities included in the AFS and HFT categories is computed as per the rates published by FIMMDA/FBIL;
- in case of unquoted bonds, debentures and preference shares where interest/dividend is received regularly (i.e. not overdue beyond 90 days), the market price is derived based on the YTM for Government Securities as published by FIMMDA/PDAI/FBIL and suitably marked up for credit risk applicable to the credit rating of the instrument. The matrix for credit risk mark-up for each category and credit ratings along with residual maturity issued by FIMMDA/FBIL is adopted for this purpose;
- in case of bonds and debentures (including Pass Through Certificates) where interest is not received regularly (i.e. overdue beyond 90 days), the valuation is in accordance with prudential norms for provisioning as prescribed by RBI;

- equity shares, for which current quotations are not available or where the shares are not quoted on the stock exchanges, are valued at break-up value (without considering revaluation reserves, if any) which is ascertained from the company's latest Balance Sheet. In case the latest Balance Sheet is not available, the shares are valued at ₹1 per company;
- units of Venture Capital Funds ('VCF') held under AFS category where current quotations are not available are value based on the latest audited financials of the fund. In case the audited financials are not available for a period beyond 18 months, the investments are valued at ₹1 per VCF. Investment in unquoted VCF after 23 August, 2006 are categorised under HTM category for the initial period of three years and valued at cost as per RBI guidelines; and
- in case investments in security receipts on or after 1 April, 2017 which are backed by more than 50 percent of the stressed assets sold by the Bank, provision for depreciation in value is made at the higher of - provisioning rate required in terms of net asset value declared by the Reconstruction Company ('RC')/Securitisation Company ('SC') or the provisioning rate as per the extant asset classification and provisioning norms as applicable to the underlying loans, assuming that the loan notionally continued in the books of the bank. All other investments in security receipts are valued as per the NAV obtained from the issuing RC/SCs.

All investments are accounted for on settlement date, except investments in equity shares which are accounted for on trade date.

Disposal of investments

Investments classified under the HTM category: Realised gains are recognised in the Profit and Loss Account and subsequently appropriated to Capital Reserve account (net of taxes and transfer to statutory reserves) in accordance with the RBI guidelines. Losses are recognised in the Profit and Loss Account.

Investments classified under the AFS and HFT categories: Realised gains/losses are recognised in the Profit and Loss Account.

Repurchase and reverse repurchase transactions

Repurchase and reverse repurchase transactions in government securities and corporate debt securities including those conducted under the Liquidity Adjustment Facility ('LAF') and Marginal Standby Facility ('MSF') with RBI are accounted as collateralised borrowing and lending respectively. Borrowing cost on repo transactions is accounted as interest expense and revenue on reverse repo transactions is accounted as interest income.

Short Sales

In accordance with the RBI guidelines, the Bank undertakes short sale transactions in Central Government dated securities. The short positions are reflected in 'Securities Short Sold ('SSS') A/c', specifically created for this purpose. Such short positions are categorised under HFT category and netted off from investments in the Balance Sheet. These positions are marked-to-market along with the other securities under HFT portfolio and the resultant mark-to-market gains/losses are accounted for as per the relevant RBI guidelines for valuation of investments discussed earlier.

Subsidiaries

Investments are initially recognised at cost which comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Any reduction in the carrying amount and any reversal of such reductions are charged or credited to the Profit and Loss Account.

Long term investments are stated at cost. Provision is made to recognise a decline, other than temporary, in the value of such investments.

5.2 Advances

Axis Bank Ltd.

Advances are classified into performing and non-performing advances ('NPAs') as per the RBI guidelines and are stated net of bills rediscounted, inter-bank participation certificates, specific provisions made towards NPAs, interest in suspense for NPAs, claims received from Export Credit Guarantee Corporation, provisions for funded interest on term loan classified as NPAs, provisions in lieu of diminution in the fair value of restructured assets and floating provisions.

NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by the RBI. Advances held at the overseas branches that are identified as impaired as per host country regulations for reasons other than record of recovery, but which are standard as per the RBI guidelines, are classified as NPAs to the extent of amount outstanding in the host country. Provisions for NPAs are made for sub-standard and doubtful assets at rates as prescribed by the RBI with the exception for agriculture advances and schematic retail advances. In respect of schematic retail advances, provisions are made in terms of a bucket-wise policy upon reaching specified stages of delinquency (90 days or more of delinquency) under each type of loan, which satisfies the RBI prudential norms on provisioning. Provisions in respect of agriculture advances classified into sub-standard and doubtful assets are made at rates which are higher than those prescribed by the RBI. Provisions for advances booked in overseas branches, which are standard as per the RBI guidelines but are classified as NPAs based on host country guidelines, are made as per the host country regulations. In case of NPAs referred to National Company Law Tribunal (NCLT) under Insolvency and Bankruptcy Code (IBC) where resolution plan or liquidation order has been approved by NCLT, provision is maintained at higher of the requirement under RBI guidelines or the likely haircut as per resolution plan or liquidation order.

Restructured assets are classified and provided for in accordance with the guidelines issued by RBI from time to time.

Loss assets and unsecured portion of doubtful assets are provided/written off as per the extant RBI guidelines.

Amounts recovered against debts written off are recognised in the Profit and Loss account and included under "Other Income".

The Bank holds provision in accordance with the RBI guidelines, on assets where change in ownership under Strategic Debt Restructuring (SDR) scheme/Outside SDR scheme has been implemented before 12 February, 2018 or Scheme for Sustainable Structuring of Stressed Asset (S4A) has been implemented before 12 February, 2018.

In respect of borrowers classified as non-cooperative and willful defaulters, the Bank makes accelerated provisions as per extant RBI guidelines.

Loans reported as fraud are classified as loss assets, and fully provided immediately without considering the value of security.

For entities with Unhedged Foreign Currency Exposure (UFCE), provision is made in accordance with the guidelines issued by RBI, which requires to ascertain the amount of UFCE, estimate the extent of likely loss and estimate the riskiness of unhedged position. This provision is classified under Schedule 5 – Other Liabilities in the Balance Sheet.

The Bank maintains a general provision on standard advances at the rates prescribed by RBI other than for corporate standard advances rated 'BB and Below' and all SMA-2 advances as reported to CRILC where general provision is maintained at rates that are higher than those prescribed by RBI. In case of overseas branches, general provision on standard advances is maintained at the higher of the levels stipulated by the respective overseas regulator or RBI. The Bank also maintains general provision on positive Mark-to-Market (MTM) on derivatives at the rates prescribed by RBI.

Under its home loan portfolio, the Bank offers housing loans with certain features involving waiver of Equated Monthly Installments ('EMIs') of a specific period subject to fulfilment of a set of conditions by the borrower. The Bank makes provision against the probable loss that could be incurred in future on account of waivers to eligible borrowers in respect of such loans based on actuarial valuation conducted by an independent actuary. This provision is classified under Schedule 5 – Other Liabilities in the balance sheet.

Axis Finance Ltd.

Advances are classified into performing and non-performing advances ('NPAs') as per the RBI guidelines and are stated net of specific provisions made towards NPAs. Further, NPAs are classified into sub-standard, doubtful and loss assets based on the criteria stipulated by the RBI. Provisions for NPAs are made at rates as prescribed by the RBI.

Non-performing loans are written off / provided for, as per management estimates, subject to the minimum provision required as per Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016.

5.3 Country risk

Axis Bank Ltd.

In addition to the provisions required to be held according to the asset classification status, provisions are held for individual country exposure (other than for home country as per the RBI guidelines). Such provisions are held only in respect of those countries where the net funded exposure of the Bank exceeds 1% of its total assets. For this purpose the countries are categorised into seven risk categories namely insignificant, low, moderate, high, very high, restricted and off-credit as per RBI guidelines. Provision is made on exposures exceeding 180 days on a graded scale ranging from 0.25% to 100%. For exposures with contractual maturity of less than 180 days, 25% of the normal provision requirement is held. If the net funded exposure of the Bank in respect of each country does not exceed 1% of the total assets, no provision is maintained on such country exposure in accordance with RBI guidelines. This provision is classified under Schedule 5 – Other Liabilities in the Balance Sheet.

5.4 Securitisation

Axis Bank Ltd.

The Bank enters into purchase/sale of corporate and retail loans through direct assignment/Special Purpose Vehicle ('SPV'). In most cases, post securitisation, the Bank continues to service the loans transferred to the assignee/SPV. The Bank also provides credit enhancement in the form of cash collaterals and/or by subordination of cash flows to Senior Pass through Certificate ('PTC') holders. In respect of credit enhancements provided or recourse obligations (projected delinquencies, future servicing etc.) accepted by the Bank, appropriate provision/disclosure is made at the time of sale in accordance with AS-29, Provisions, Contingent Liabilities and Contingent Assets as notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016.

In accordance with RBI guidelines of 7 May, 2012 on 'Guidelines on Securitisation of Standard Assets', gain on securitisation transaction is recognised over the period of the underlying securities issued by the SPV. Loss on securitisation is immediately debited to the Profit and Loss Account.

5.5 Foreign currency transactions

Group

In respect of domestic operations, transactions denominated in foreign currencies are accounted for at the rates prevailing on the date of the transaction. Monetary foreign currency assets and liabilities are translated at the Balance Sheet date at rates notified by Foreign Exchange Dealers Association of India ('FEDAI'). All profits/losses resulting from year end revaluations are recognised in the Profit and Loss Account.

Financial statements of foreign operations classified as non-integral foreign operations as per the RBI guidelines are translated as follows:

- Assets and liabilities (both monetary and non-monetary as well as contingent liabilities) are translated at closing exchange rates notified by FEDAI at the Balance Sheet date.

- Income and expenses are translated at the rates prevailing on the date of the transactions.
- All resulting exchange differences are accumulated in a separate 'Foreign Currency Translation Reserve' till the disposal of the net investments. Any realised gains or losses on such disposal are recognised in the Profit and Loss Account.

Outstanding forward exchange contracts including tom/spot contracts (excluding currency swaps undertaken to hedge foreign currency assets/liabilities and funding swaps which are not revalued) are revalued at year end on PV basis by discounting the forward value till spot date and converting the FCY amount using the respective spot rates as notified by FEDAI. The resulting gains or losses on revaluation are included in the Profit and Loss Account in accordance with RBI/FEDAI guidelines.

Premium/discount on currency swaps undertaken to hedge foreign currency assets and liabilities and funding swaps is recognised as interest income/expense and is amortised on a pro-rata basis over the underlying swap period.

Contingent liabilities on account of forward exchange and derivative contracts, guarantees, acceptances, endorsements and other obligations denominated in foreign currencies are disclosed at closing rates of exchange notified by FEDAI.

5.6 Derivative transactions

Axis Bank Ltd.

Derivative transactions comprise of forward contracts, swaps and options which are disclosed as contingent liabilities. The forwards, swaps and options are categorised as trading or hedge transactions. Trading derivative contracts are revalued at the Balance Sheet date with the resulting unrealised gain or loss being recognised in the Profit and Loss Account and correspondingly in other assets (representing positive Mark-to-Market) and in other liabilities (representing negative Mark-to-Market (MTM)) on a gross basis. For hedge transactions, the Bank identifies the hedged item (asset or liability) at the inception of transaction itself. The effectiveness is ascertained at the time of inception of the hedge and periodically thereafter. Hedge swaps are accounted for on accrual basis except in case of swaps designated with an asset or liability that is carried at market value or lower of cost or market value in the financial statements. In such cases the swaps are marked-to-market with the resulting gain or loss recorded as an adjustment to the market value of designated asset or liability. Pursuant to the RBI guidelines any receivables under derivative contracts comprising of crystallised receivables as well as positive MTM in respect of future receivables which remain overdue for more than 90 days are reversed through the Profit and Loss account and are held in separate Suspense Account.

Premium on options is recognized as income/expense on expiry or early termination of the transaction.

Currency futures contracts are marked-to-market using daily settlement price on a trading day, which is the closing price of the respective futures contracts on that day. While the daily settlement price is computed based on the last half an hour weighted average price of such contract, the final settlement price is taken as the RBI reference rate on the last trading day of the futures contract or as may be specified by the relevant authority from time to time. All open positions are marked-to-market based on the settlement price and the resultant marked-to-market profit/loss is daily settled with the exchange.

Valuation of Exchange Traded Currency Options (ETCO) is carried out on the basis of the daily settlement price of each individual option provided by the exchange and valuation of Interest Rate Futures (IRF) is carried out on the basis of the daily settlement price of each contract provided by the exchange.

5.7 Revenue recognition

Subsidiaries other than Axis Asset Management company Ltd.

The Group provides for compensated absences based on actuarial valuation conducted by an independent actuary. The actuarial valuation is carried out as per the Projected Unit Credit Method as at 31 March each year. Actuarial gains/losses are immediately taken to the Profit and Loss Account and are not deferred.

Superannuation

Axis Bank Ltd.

Employees of the Bank are entitled to receive retirement benefits under the Bank's Superannuation scheme either under a cash-out option through salary or under a defined contribution plan. Through the defined contribution plan the Bank contributes annually a specified sum of 10% of the employee's eligible annual basic salary to LIC, which undertakes to pay the lumpsum and annuity benefit payments pursuant to the scheme. Superannuation contributions are recognised in the Profit and Loss Account in the period in which they accrue.

New Pension Scheme ('NPS')

Group

In respect of employees who opt for contribution to the 'NPS', the Group contributes certain percentage of the total basic salary of employees to the aforesaid scheme, a defined contribution plan, which is managed and administered by pension fund management companies. NPS contributions are recognised in the Profit and Loss Account in the period in which they accrue.

Long term deferred variable pay structure

Axis Capital Ltd.

As part of its variable pay structure, the company operates long term deferred variable pay structure plan in which it defers a part of the entitlement which is to be settled in installments over a period of three years at an amount which would be equivalent to the prevailing price of equity share of Bank at the time of settlement. The costs of providing benefits under this plan is determined on the basis of actuarial valuation at the year-end using projected unit credit method.

5.13 Long Term Incentive Plan (LTIP)

Axis Asset Management Company Ltd.

The Company has initiated Axis AMC - Long Term Incentive plan. The points granted to employees as per the guidelines laid down in the plan are encashable after they are held for a specified period as per the terms of the plan. The Company accounts for the liability arising on points granted proportionately over the period from the date of grant till the end of the exercise window. The liability is assessed and provided on the basis of valuation carried out by an independent valuer.

5.14 Reward points

Axis Bank Ltd.

The Bank runs a loyalty program which seeks to recognize and reward customers based on their relationship with the Bank. Under the program, eligible customers are granted loyalty points redeemable in future, subject to certain conditions. In addition, the Bank continues to grant reward points in respect of certain credit cards (not covered under the loyalty program). The Bank estimates the probable redemption of such loyalty/reward points using an actuarial method at the Balance Sheet date by employing an independent actuary. Provision for the said reward points is then made based on the actuarial valuation report as furnished by the said independent actuary.

5.15 Taxation

Group

Income tax expense is the aggregate amount of current tax and deferred tax charge. Current year taxes are determined in accordance with the relevant provisions of Income tax Act, 1961. In case of overseas subsidiary the local tax laws prevailing in that country are followed. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off assets against liabilities representing current tax and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws.

Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. The impact of changes in the deferred tax assets and liabilities is recognised in the Profit and Loss Account.

Deferred tax assets are recognised and reassessed at each reporting date, based upon the Management's judgement as to whether realisation is considered as reasonably certain. Deferred tax assets are recognised on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty supported by convincing evidence that such deferred tax asset can be realised against future profits.

5.16 Share issue expenses

Group

Share issue expenses are adjusted from Share Premium Account in terms of Section 52 of the Companies Act, 2013.

5.17 Earnings per share

Group

The group reports basic and diluted earnings per share in accordance with AS-20, Earnings per Share, as notified under Section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016. Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding for the year.

Diluted earnings per share reflect the potential dilution that could occur if securities or other contracts to issue equity shares were exercised or converted during the year. Diluted earnings per share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding at the year end except where the results are anti-dilutive.

5.18 Employee stock option scheme

Axis Bank Ltd.

The 2001 Employee Stock Option Scheme ('the Scheme') provides for grant of stock options on equity shares of the Bank to employees and Directors of the Bank and its subsidiaries. The Scheme is in accordance with the Securities and Exchange Board of India (SEBI) (Employees Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 ('the Guidelines'). These Guidelines have been repealed in the month of October, 2014 and were substituted by Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014. The Scheme is in compliance with the said regulations. The Bank follows the intrinsic value method to account for its stock based employee compensation plans as per the Guidelines. Options are granted at an exercise price, which is equal to/ less than the fair market price of the underlying equity shares. The excess of such fair market price over the exercise price of the options as at the grant date, if any, is recognised as a deferred compensation cost and amortised on a straight-line basis over the vesting period of such options.

The fair market price is the latest available closing price, prior to the date of grant, on the stock exchange on which the shares of the Bank are listed. If the shares are listed on more than one stock exchange, then the stock exchange where there is highest trading volume on the said date is considered.

5.19 Provisions, contingent liabilities and contingent assets

Group

A provision is recognised when the Group has a present obligation as a result of past event where it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

A disclosure of contingent liability is made when there is:

- a possible obligation arising from a past event, the existence of which will be confirmed by occurrence or non-occurrence of one or more uncertain future events not within the control of the Group; or
- a present obligation arising from a past event which is not recognised as it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

5.20 Accounting for dividend

Group

As per AS-4 'Contingencies and Events occurring after the Balance sheet date' as notified by the Ministry of Corporate Affairs through amendments to Companies (Accounting Standards) Amendment Rules, 2016, dated 30 March, 2016, the group does not account for proposed dividend (including tax) as a liability through appropriation from the profit and loss account. The same is recognised in the year of actual payout post approval of shareholders. However, the Bank reckons proposed dividend in determining capital funds in computing the capital adequacy ratio.

5.21 Cash and cash equivalents

Group

Cash and cash equivalents include cash in hand, balances with RBI, balances with other banks and money at call and short notice.

1.1.5 Employee Stock Options Scheme ('the Scheme')

Pursuant to the approval of the shareholders in February 2001, the Bank approved an Employee Stock Option Scheme under which eligible employees are granted an option to purchase shares subject to vesting conditions. Over the period till December 2018, pursuant to the approval of the shareholders the Bank approved ESOP schemes for options aggregating 265,087,000 that vest in a graded manner over 3 years. The options can be exercised within three/five years from the date of the vesting as the case may be. Within the overall ceiling of 265,087,000 stock options approved for grant by the shareholders as stated earlier, the Bank is also authorised to issue options to eligible employees and Whole Time Directors of the subsidiary companies.

253,158,700 options have been granted under the Scheme till the previous year ended 31 March, 2018.

On 25 April, 2018, the Bank granted 5,825,000 stock options (each option representing entitlement to one equity share of the Bank) to its eligible employees/directors of the Bank/subsidiary companies at a grant price of ₹504.85 per option. Further, on 7 January, 2019, the Bank granted 630,000 stock options (each option representing entitlement to one equity share of the Bank) to its MD & CEO at a grant price of ₹619.60 per option.

The weighted average share price in respect of options exercised during the year was ₹524.51.

Fair Value Methodology

On applying the fair value based method in Guidance Note on 'Accounting for Employee Share-based Payments' the impact on reported net profit and EPS would be as follows:

	31 March, 2019	31 March, 2018
Net Profit (as reported) (₹ in crores)	5,038.59	455.82
Add: Stock based employee compensation expense included in net income (₹ in crores)	-	-
Less: Stock based employee compensation expense determined under fair value based method (proforma) (₹ in crores)	(95.04)	(102.86)
Net Profit (Proforma) (₹ in crores)	4,943.55	352.96
Earnings per share: Basic (in ₹)		
As reported	19.61	1.86
Proforma	19.24	1.44
Earnings per share: Diluted (in ₹)		
As reported	19.49	1.86
Proforma	19.18	1.44

During the years ended, 31 March, 2019 and 31 March, 2018, no cost has been incurred by the Bank on ESOPs issued to the employees of the Bank and employees of subsidiaries under the intrinsic value method.

The fair value of the options is estimated on the date of the grant using the Black-Scholes options pricing model, with the following assumptions:

	31 March, 2019	31 March, 2018
Dividend yield	0.76%	1.16%
Expected life	2.57-4.57 years	2.57-4.57 years
Risk free interest rate	7.07% to 7.63%	6.55% to 6.82%
Volatility	28.78% to 30.82%	31.80% to 33.56%

Volatility is the measure of the amount by which a price has fluctuated or is expected to fluctuate during a period. The measure of volatility used in the Black-Scholes options pricing model is the annualised standard deviation of the continuously compounded rates of return on the stock over a period of time. For calculating volatility, the daily volatility of the stock prices on the National Stock Exchange, over a period prior to the date of grant, corresponding with the expected life of the options has been considered.

The weighted average fair value of options granted during the year ended 31 March, 2019 is ₹164.10 (previous year ₹155.53).

On 27 March, 2019, the Nomination and Remuneration Committee of the Board of Directors of the Bank has approved the grant of upto 10,500,000 stock options to eligible employees. As on 31 March, 2019, there have been no allotments of options under this grant. Accordingly, these options have not been considered in the above disclosure and for disclosure of proforma net profit and EPS under fair value method for FY 2018-19.

1.1.6 Proposed Dividend

The Board of Directors, in their meeting held on 25 April, 2019 have proposed a final dividend of ₹1 per equity share amounting to ₹283.08 crore, inclusive of corporate dividend tax. The proposal is subject to the approval of shareholders at the Annual General Meeting.

1.1.7 Segmental reporting

The business of the Bank is divided into four segments: Treasury, Retail Banking, Corporate/Wholesale Banking and Other Banking Business. These segments have been identified and based on RBI's revised guidelines on Segment Reporting issued on 18 April 2007 vide Circular No. DBOD.No.BP.BC.81/21.04.018/2006-07. The principal activities of these segments are as under.

Segment	Principal Activities
Treasury	Treasury operations include investments in sovereign and corporate debt, equity and mutual funds, trading operations, derivative trading and foreign exchange operations on the proprietary account and for customers. The Treasury segment also includes the central funding unit.
Retail Banking	Constitutes lending to individuals/small businesses through the branch network and other delivery channels subject to the orientation, nature of product, granularity of the exposure and the quantum thereof. Retail Banking activities also include liability products, card services, internet banking, mobile banking, ATM services, depository, financial advisory services and NRI services.
Corporate/Wholesale Banking	Includes corporate relationships not included under Retail Banking, corporate advisory services, placements and syndication, project appraisals, capital market related services and cash management services.
Other Banking Business	Includes para banking activities like third party product distribution and other banking transactions not covered under any of the above three segments.

Unallocated assets and liabilities - All items which are reckoned at an enterprise level are classified under this segment such as deferred tax, money received against share warrants, tax paid in advance net of provision etc.

Business segments in respect of operations of the subsidiaries have been identified and reported taking into account the customer profile, the nature of product and services and the organisation structure.

Revenues of the Treasury segment primarily consist of fees and gains or losses from trading operations and interest income on the investment portfolio. The principal expenses of the segment consist of interest expense on funds borrowed from external sources and other internal segments, premises expenses, personnel costs, other direct overheads and allocated expenses.

Revenues of the Corporate/Wholesale Banking segment consist of interest and fees earned on loans given to customers falling under this segment and fees arising from transaction services and merchant banking activities such as syndication and debenture trusteeship. Revenues of the Retail Banking segment are derived from interest earned on loans classified under this segment and fees for banking and advisory services, ATM interchange fees and cards products. Expenses of the Corporate/Wholesale Banking and Retail Banking segments primarily comprise interest expense on deposits and funds borrowed from other internal segments, infrastructure and premises expenses for operating the branch network and other delivery channels, personnel costs, other direct overheads and allocated expenses.

Segment income includes earnings from external customers and from funds transferred to the other segments. Segment result includes revenue as reduced by interest expense and operating expenses and provisions, if any, for that segment. Segment-wise income and expenses include certain allocations. Inter segment interest income and interest expense represent the transfer price received from and paid to the Central Funding Unit (CFU) respectively. For this purpose, the funds transfer pricing mechanism presently followed by the Bank, which is based on historical matched maturity and internal benchmarks, has been used. Operating expenses other than those directly attributable to segments are allocated to the segments based on an activity-based costing methodology. All activities in the Bank are segregated segment-wise and allocated to the respective segment.

1.1.16 Description of contingent liabilities

a) Claims against the Group not acknowledged as debts

These represent claims filed against the Group in the normal course of business relating to various legal cases currently in progress. These also include demands raised by income tax authorities and disputed by the Group. Apart from claims assessed as possible, the Group holds provision of ₹56.06 crores as on 31 March, 2019 (previous year ₹43.28 crores) towards claims assessed as probable.

b) Liability for partly paid investments

This represents amounts remaining unpaid towards liability for partly paid investments.

c) Liability on account of forward exchange and derivative contracts

The Group enters into foreign exchange contracts, currency options/swaps, interest rate/currency futures and forward rate agreements on its own account and for customers. Forward exchange contracts are commitments to buy or sell foreign currency at a future date at the contracted rate. Currency swaps are commitments to exchange cash flows by way of interest/principal in two currencies, based on ruling spot rates. Interest rate swaps are commitments to exchange fixed and floating interest rate cash flows. Interest rate futures are standardised, exchange-traded contracts that represent a pledge to undertake a certain interest rate transaction at a specified price, on a specified future date. Forward rate agreements are agreements to pay or receive a certain sum based on a differential interest rate on a notional amount for an agreed period. A foreign currency option is an agreement between two parties in which one grants to the other the right to buy or sell a specified amount of currency at a specific price within a specified time period or at a specified future time. An Exchange Traded Currency Option contract is a standardised foreign exchange derivative contract, which gives the owner the right, but not the obligation, to exchange money denominated in one currency into another currency at a pre-agreed exchange rate on a specified date on the date of expiry. Currency Futures contract is a standardised, exchange-traded contract, to buy or sell a certain underlying currency at a certain date in the future, at a specified price. The amount of contingent liability represents the notional principal of respective forward exchange and derivative contracts.

d) Guarantees given on behalf of constituents

As a part of its banking activities, the Bank issues guarantees on behalf of its customers to enhance their credit standing. Guarantees represent irrevocable assurances that the Bank will make payments in the event of the customer failing to fulfill its financial or performance obligations.

e) Acceptances, endorsements and other obligations

These include documentary credit issued by the Bank on behalf of its customers and bills drawn by the Bank's customers that are accepted or endorsed by the Bank.

f) Other items for which the Group is contingently liable

Other items represent outstanding amount of bills rediscounted by the Bank, estimated amount of contracts remaining to be executed on capital account, notional principal on account of outstanding Tom/Spot foreign exchange contracts, commitments to venture capital funds/alternate investment funds, commitments towards underwriting and investment in equity through bids under Initial Public Offering (IPO) of corporates as at the year end, demands raised by statutory authorities (other than income tax) and disputed by the Group and the amount transferred to Depositor Education and Awareness Fund (DEAF).

During earlier years, the Bank, through one of its overseas branches, had arranged Trade Credit (Buyers Credit loans) against Letters of Undertaking (LOUs) issued by Punjab National Bank (PNB), which were subsequently alleged as fraudulent by PNB. Prior to this declaration by PNB, such buyer's credit loans were sold down in the secondary market by the overseas branch to various participating banks under Risk Participation Agreements. As on 31 March, 2019, there is no funded exposure outstanding in the overseas branch pursuant to such sell down. PNB has repaid the aggregate amount of all LOUs due upto 31 March, 2019, pursuant to an undertaking issued to PNB, and made remittance to the overseas branch which has been passed on for onward payment to the participating banks. Based on the facts and circumstances of the case, internal findings and legal opinion, the Bank does not expect PNB has any valid right at this point in time, for refund by the Bank of the aggregate amount paid by PNB towards LOUs due upto 31 March, 2019. However, as a matter of prudence, the aggregate amount of LOUs issued by PNB to the overseas branch against which buyer's credit was extended, aggregating to ₹4,082.51 crores has been disclosed as part of Contingent Liabilities in the Balance Sheet.

The Group has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Bank has reviewed and recorded adequate provision as required under any law/accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements, where applicable.

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 SETTING OUT ALL THE MATERIAL FACTS RELATING TO THE SPECIAL BUSINESS AS SET OUT IN ITEMS NOS. 4 TO 13 OF THIS NOTICE.

Item No. 4:

As the current tenure of Dr. Sanjiv Misra, Non-Executive (Part-time) Chairman of the Bank, is due to expire on 17th July 2019 and as part of the succession planning process of the Bank, the Nomination and Remuneration Committee ("the **Committee**") of Directors of Axis Bank Limited (the "**Bank**") at its meeting held on 12th March 2019, considered and approved the appointment of Shri Rakesh Makhija, Independent Director, as the Non-Executive (Part-time) Chairman of the Bank, for a period of 3 (three) years, with effect from 18th July 2019 up to 17th July 2022 (both days inclusive) and the terms and conditions relating to the said appointment, including remuneration payable to Shri Rakesh Makhija, as the Non-Executive (Part-time) Chairman of the Bank and recommended the same for the approval of the Board of Directors (the "**Board**") of the Bank.

Pursuant to the said recommendation, the Board at its meeting held on 12th March 2019, had approved the said appointment and the terms and conditions in respect thereof, including remuneration, more particularly set out in Item No. 4 of this Notice, subject to the approval of the RBI and the Members of the Bank.

The Committee has determined that Shri Rakesh Makhija is a fit and proper person to be appointed as a director of the Bank and as the Non-Executive (Part-time) Chairman of the Bank, as per the norms prescribed by the Reserve Bank of India (the "**RBI**"). The Bank has also received a declaration from Shri Rakesh Makhija that he meets the criteria of independence as prescribed under Section 149(6) of the Companies Act 2013 (the "**Act**") and Regulation 16 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "**SEBI Listing Regulations**"). The Board has established the veracity of the said declaration as provided by Shri Rakesh Makhija and based on the said declaration submitted by him, the Board has opined that Shri Rakesh Makhija is independent from the Management. During the said tenure, Shri Rakesh Makhija shall not be liable to retire by rotation, in terms of the provisions of Section 149(13) of the Act.

Shri Rakesh Makhija is not disqualified from being appointed as a Director, in terms of Section 164 of the Act and has given his consent to act as a Director of the Bank. In the opinion of the Board, he fulfils the conditions for the said appointment as prescribed under the relevant provisions of the Act and the relevant Rules made thereunder, the SEBI Listing Regulations, the Banking Regulation, Act, 1949 and the Guidelines issued by the RBI, in this regard, from time to time.

Shri Rakesh Makhija has the requisite qualifications, skills, experience and expertise in specific functional areas, which are beneficial to the Bank. The brief profile of Shri Rakesh Makhija, in terms of Regulation 36(3) of the SEBI Listing Regulations and the Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India, have been provided after this Notice.

As on 31st March 2019, Shri Rakesh Makhija does not hold any equity shares of the Bank. Shri Rakesh Makhija is not related to any other Director or Key Managerial Personnel of the Bank.

The Board recommends passing of the Ordinary Resolution as set out in Item No. 4 of this Notice, for the approval of the Members.

Except for Shri Rakesh Makhija and his relatives, none of the other Directors or the Key Managerial Personnel of the Bank and their relatives are in any way financially or otherwise concerned or interested in the passing of this Ordinary Resolution as set out in Item No. 4 of this Notice.

Item No. 5:

Pursuant to the recommendation of the Nomination and Remuneration Committee ("the **Committee**") of the Directors of Axis Bank Limited ("the **Bank**"), the Board of Directors ("the **Board**") at its meeting held on 9th July 2018, shortlisted the candidature of Shri Amitabh Chaudhry for the post of the Managing Director & CEO of the Bank, with effect from 1st January 2019 and recommended the same for the approval of the Reserve Bank of India ("**RBI**"). Thereafter, the RBI granted its approval to the appointment of Shri Amitabh Chaudhry as the Managing Director & CEO, of the Bank, for a period of 3 (three) years, with effect from 1st January 2019 upto 31st December 2021 (both days inclusive) and to the terms and conditions relating to the said appointment, including remuneration.

In order to facilitate smooth transition and help Shri Amitabh Chaudhry familiarize with the business and operations of the Bank, the Board at its meeting held on 2nd November 2018, approved the appointment of Shri Amitabh Chaudhry, as the Managing Director (Designate) in executive position of the Bank, with effect from 19th November 2018 upto 31st December 2018 (both days inclusive).

Thereafter, pursuant to the recommendation of the Committee, the Board at its meeting held on 8th December 2018, approved the appointment of Shri Amitabh Chaudhry as the Managing Director & CEO of the Bank, for a period of 3 (three) years, with effect from 1st January 2019 up to 31st December 2021 (both days inclusive) on the terms and conditions, including remuneration, as approved by the RBI. The said appointment of Shri Amitabh Chaudhry as the Managing Director & CEO of the Bank and the terms and conditions in respect thereof, including remuneration was also approved by the Shareholders of the Bank, through Postal Ballot on 17th January 2019.

Basis the outcome of the performance evaluation conducted by the Committee and in line with the Comprehensive Remuneration Policy of the Bank, the Committee at its meeting held on 14th May 2019, reviewed the remuneration being paid to Shri Amitabh Chaudhry as the Managing Director & CEO of the Bank, in comparison with the remuneration of the CEOs of other peer group banks, and recommended a revision in the remuneration by way of salary, allowance and perquisites payable to Shri Amitabh Chaudhry as the Managing Director & CEO of the Bank, for the approval of the Board.

Pursuant to the said recommendation, the Board at its meeting held on 22nd May 2019, considered and approved the revision in the remuneration by way of salary, allowance and perquisites payable to Shri Amitabh Chaudhry as the Managing Director & CEO of the Bank, with effect from 1st April 2019, more particularly set out in Item No. 5 of this Notice, subject to the approval of the RBI and the Members of the Bank.

The brief profile of Shri Amitabh Chaudhry, in terms of the Regulation 36(3) of the SEBI Listing Regulations and the Secretarial Standards on General Meetings (SS-2), issued by the Institute of Company Secretaries of India, and details of his remuneration last drawn, have been provided after this Notice.

As on 31st March 2019, Shri Amitabh Chaudhry does not hold any equity shares in the Bank. Shri Amitabh Chaudhry is not related to any other Directors or Key Managerial Personnel of the Bank.

The Board recommends passing of the Ordinary Resolution, as set out in Item No. 5 of this Notice, for the approval of the Members.

Except for Shri Amitabh Chaudhry and his relatives, none of the other Directors and the Key Managerial Personnel of the Bank and their relatives, are in any way financially or otherwise concerned or interested in the passing of the Ordinary Resolution, as set out in Item No. 5 of this Notice.

Item Nos. 6 and 7:

Shri Rajiv Anand was appointed as the Executive Director (Retail Banking) of Axis Bank Limited ("the **Bank**"), for a period of 3 (three) years, with effect from 4th August 2016, in terms of the approvals granted by the Reserve Bank of India ("**RBI**") and the Members of the Bank.

Pursuant to Shri V. Srinivasan's retirement as the Deputy Managing Director of the Bank, with effect from the close of business hours on 20th December 2018 and considering Shri Rajiv Anand's wealth of experience in capital markets which led to rapid growth in the Retail businesses of the Bank and his leadership in building a retail franchise and as part of the succession planning process of the Bank, the Nomination and Remuneration Committee ("the **Committee**") of the Directors of the Bank felt that Shri Rajiv Anand was the best candidate to pivot the Wholesale Banking business of the Bank to gain market leadership position and to drive this change. Accordingly, Shri Rajiv Anand assumed charge as the Executive Director (Wholesale Banking) of the Bank, with effect from 21st December 2018, on the same terms and conditions relating to his appointment as the Executive Director (Retail Banking), including remuneration, as approved by the RBI and Members of the Bank. The current tenure of Shri Rajiv Anand as the Executive Director (Wholesale Banking) of the Bank, will expire at the close of the business hours on 3rd August 2019.

Considering the remuneration trends in peer private sector banks and basis the outcome of the performance evaluation, the Committee at its meeting held on 14th May 2019, considered and approved revision in the remuneration by way of salary, allowance and perquisites payable to Shri Rajiv Anand as the Executive Director (Wholesale Banking) of the Bank, for the remainder of his existing term i.e. from 1st April 2019 upto 3rd August 2019 (both days inclusive) and recommended the same for the approval of the Board. The Committee also considered and approved his re-appointment as the Executive Director (Wholesale Banking) of the Bank, for a period of 3 (three) years, with effect from 4th August 2019 up to 3rd August 2022 (both days inclusive) on the same terms and conditions, including remuneration and recommended the same for the approval of the Board of Directors ("the **Board**") of the Bank.

The Committee has determined that Shri Rajiv Anand is a fit and proper person to be re-appointed as a Director of the Bank, as per the norms prescribed by the Reserve Bank of India (the "**RBI**"). During his tenure, Shri Rajiv Anand shall be liable to retire by rotation, in terms of the provisions of Section 152(6) of the Companies Act 2013 (the "**Act**").

Shri Rajiv Anand is not disqualified from being appointed as a Director, in terms of Section 164 of the Act and has given his consent to act as a Director of the Bank. In the opinion of the Board, he fulfils the conditions for the said re-appointment as prescribed under the relevant provisions of the Act and the relevant Rules made thereunder, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "**SEBI Listing Regulations**"), the Banking Regulation, Act, 1949 and the Guidelines issued by the RBI, in this regard, from time to time.

Pursuant to the recommendation of the Committee, the Board at its meeting held on 22nd May 2019, considered and approved revision in the remuneration by way of salary, allowance and perquisites payable to Shri Rajiv Anand as the Executive Director (Wholesale Banking) of the Bank for the remainder of his existing term as aforesaid and the re-appointment of Shri Rajiv Anand as the Executive Director (Wholesale Banking) of the Bank, for a period of 3 (three) years, with effect from 4th August 2019 up to 3rd August 2022 (both days inclusive) on the same terms and conditions including remuneration, more particularly set out in Item Nos. 6 and 7 of this Notice, subject to the approval of the RBI and the Members of the Bank.

Shri Rajiv Anand has the requisite qualification, skills, experience and expertise in specific functional areas, which are beneficial to the Bank. The brief profile of Shri Rajiv Anand, in terms of the Regulation 36(3) of the SEBI Listing Regulations and the Secretarial Standards on General Meetings (SS-2), issued by the Institute of Company Secretaries of India, and details of his remuneration last drawn, have been provided after this Notice.

As on 31st March 2019, Shri Rajiv Anand held 3,76,069 equity shares of ₹ 2/- each of the Bank, allotted to him under various employee stock option scheme(s) of the Bank. Shri Rajiv Anand is not related to any other Directors or Key Managerial Personnel of the Bank.

The Board recommends passing of the Ordinary Resolutions, as set out in Item Nos. 6 and 7 of this Notice, for the approval of the Members.

Except for Shri Rajiv Anand and his relatives, none of the other Directors and the Key Managerial Personnel of the Bank and their relatives, are in any way financially or otherwise concerned or interested in the passing of the Ordinary Resolution, as set out in Item Nos. 6 and 7 of this Notice.

Item Nos. 8 and 9:

Shri Rajesh Dahiya was appointed as the Executive Director (Corporate Centre) of Axis Bank Limited ("the **Bank**"), for a period of 3 (three) years, with effect from 4th August 2016, in terms of the approval granted by the Reserve Bank of India ("**RBI**") and the Members of the Bank. The current term of Shri Rajesh Dahiya, Executive Director (Corporate Centre) of the Bank, will expire at the close of the business hours on 3rd August 2019.

Pursuant to the outcome of the performance evaluation conducted by the Nomination and Remuneration Committee ("the **Committee**") of the Directors of the Bank and as part of the succession planning process of the Bank, the Committee felt that Shri Rajesh Dahiya has effectively managed the broader role as Head - Corporate Centre and the set of diverse Portfolios which included Internal Audit, Human Resources, Compliance, Company Secretary, Corporate Affairs, Administration, Corporate Real Estate Services, Chief Business Relations Officer (CBRO), Financial Crime Management, Law and Retail & Wholesale Banking Operations. In addition, Shri Rajesh Dahiya also oversees the functioning of the Axis Bank Foundation.

Considering the remuneration trends in peer private sector banks and basis the outcome of the performance evaluation, the Committee at its meeting held on 14th May 2019, considered and approved revision in the remuneration by way of salary, allowance and perquisites payable to Shri Rajesh Dahiya as the Executive Director (Corporate Centre) of the Bank, for the remainder of his existing term i.e. from 1st April 2019 upto 3rd August 2019 (both days inclusive) and recommended the same for the approval of the Board. The Committee also considered and approved his re-appointment as the Executive Director (Corporate Centre) of the Bank, for a period of 3 (three) years, with effect from 4th August 2019 up to 3rd August 2022 (both days inclusive) on the same terms and conditions, including remuneration and recommended the same for the approval of the Board of Directors ("the **Board**") of the Bank.

The Committee has determined that Shri Rajesh Dahiya is a fit and proper person to be re-appointed as a Director of the Bank, as per the norms prescribed by the Reserve Bank of India (the "**RBI**"). During his tenure, Shri Rajesh Dahiya shall be liable to retire by rotation, in terms of the provisions of Section 152(6) of the Companies Act 2013 (the "**Act**").

Shri Rajesh Dahiya is not disqualified from being appointed as a Director, in terms of Section 164 of the Act and has given his consent to act as a Director of the Bank. In the opinion of the Board, he fulfils the conditions for the said re-appointment as prescribed under the relevant provisions of the Act and the relevant Rules made thereunder, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "**SEBI Listing Regulations**"), the Banking Regulation, Act, 1949 and the Guidelines issued by the RBI, in this regard, from time to time.

Pursuant to the recommendation of the Committee, the Board at its meeting held on 22nd May 2019, considered and approved revision in the remuneration by way of salary, allowance and perquisites payable to Shri Rajesh Dahiya as the Executive Director (Corporate Centre) of the Bank for the remainder of his existing term as aforesaid and the re-appointment of Shri Rajesh Dahiya as the Executive Director (Corporate Centre) of the Bank, for a period of 3 (three) years, with effect from 4th August 2019 up to 3rd August 2022 (both days inclusive) on the same terms and conditions including remuneration, more particularly set out in Item Nos. 8 and 9 of this Notice, subject to the approval of the RBI and the Members of the Bank.

Shri Rajesh Dahiya has the requisite qualification, skills, experience and expertise in specific functional areas, which are beneficial to the Bank. The brief profile of Shri Rajesh Dahiya, in terms of the Regulation 36(3) of the SEBI Listing Regulations and the Secretarial Standards on General Meetings (SS-2), issued by the Institute of Company Secretaries of India, and details of his remuneration last drawn, have been provided after this Notice.

As on 31st March 2019, Shri Rajesh Dahiya does not hold any equity shares in the Bank. Shri Rajesh Dahiya is not related to any other Directors or Key Managerial Personnel of the Bank.

The Board recommends passing of the Ordinary Resolutions, as set out in Item Nos. 8 and 9 of this Notice, for the approval of the Members.

Except for Shri Rajesh Dahiya and his relatives, none of the other Directors and the Key Managerial Personnel of the Bank and their relatives, are in any way financially or otherwise concerned or interested in the passing of the Ordinary Resolutions, as set out in Item Nos. 8 and 9 of this Notice.

Item Nos. 10 and 11:

Shri Rajiv Anand assumed charge as the Executive Director (Wholesale Banking) of the Bank, with effect from 21st December 2018. Pursuant to the change in the organisation structure of the Bank and as part of the succession planning process of the Bank, the Nomination and Remuneration Committee ("the **Committee**") of Directors of Axis Bank Limited ("the **Bank**"), at its meeting held on 26th March 2019, recommended the appointment of Shri Pralay Mondal, as the Group Executive (Retail Banking) of the Bank, with effect from 1st April 2019, for the approval of the Board, which was duly approved by the Board at its meeting held on 26th April 2019.

Considering Shri Pralay Mondal's vast experience of over 30 years in retail banking, business banking, products and technology and given the fact that Shri Pralay Mondal would be managing a set of diverse Portfolios, which includes Branch Banking, Retail Lending, Cards and Acquiring, Affluent, NRI Business & Retail Forex, Liabilities Product and Digital Banking, Marketing, Retail

Underwriting and Collections, the Committee at its meeting held on 14th May 2019, felt that it would be in the business interest of the Bank to appoint Shri Pralay Mondal as the Executive Director (Retail Banking) of the Bank. Accordingly, the Committee considered and approved the appointment of Shri Pralay Mondal as a Director of the Bank and as the Whole Time Director designated as the 'Executive Director (Retail Banking) of the Bank, for a period of 3 (three) years, with effect from 1st August 2019 up to 31st July 2022 (both days inclusive) and the terms and conditions relating to the said appointment, including remuneration and recommended the same for the approval of the Board of Directors ("the **Board**") of the Bank.

The Committee has determined that Shri Pralay Mondal is a fit and proper person to be appointed as a Director of the Bank, as per the norms prescribed by the Reserve Bank of India (the "**RBI**"). During his tenure, Shri Pralay Mondal shall be liable to retire by rotation, in terms of the provisions of the Section 152(6) of the Act.

Since the said appointment has been recommended by the Committee, the requirement of submission of a Notice by a Member proposing the candidature of Shri Pralay Mondal as a Director of the Bank, under the provisions of Section 160 of the Companies Act, 2013 (the "**Act**"), is not applicable.

Shri Pralay Mondal is not disqualified from being appointed as a Director, in terms of Section 164 of the Act and has given his consent to act as a Director of the Bank. In the opinion of the Board, he fulfils the conditions for the said appointment as prescribed under the relevant provisions of the Act and the relevant Rules made thereunder, the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "**SEBI Listing Regulations**"), the Banking Regulation Act, 1949 and the Guidelines issued by the RBI, in this regard, from time to time.

Pursuant to the recommendation of the Committee, the Board at its meeting held on 22nd May 2019, considered and approved the appointment of Shri Pralay Mondal as a Director of the Bank and as the Whole Time Director designated as the "Executive Director (Retail Banking)" of the Bank and the terms and conditions relating to the said appointment, including remuneration by way of salary, allowance and perquisites payable to Shri Pralay Mondal as the Executive Director (Retail Banking) of the Bank, more particularly set out in Item Nos. 10 and 11 of this Notice, subject to the approval of the RBI and the Members of the Bank.

Shri Pralay Mondal has the requisite qualification, skills, experience and expertise in specific functional areas, which are beneficial to the Bank. The brief profile of Shri Pralay Mondal, in terms of Regulation 36(3) of the SEBI Listing Regulations and the Secretarial Standards on General Meetings (SS-2) issued by the Institute of Company Secretaries of India, and details of his remuneration last drawn, have been provided after this Notice.

As on 31st March 2019, Shri Pralay Mondal does not hold any equity shares of the Bank. Shri Pralay Mondal is not related to any other Directors or Key Managerial Personnel of the Bank.

The Board recommends passing of the Ordinary Resolutions, as set out in Item Nos. 10 and 11 of this Notice, for the approval of the Members.

None of the Directors and the Key Managerial Personnel of the Bank and their relatives, are in any way financially or otherwise concerned or interested in the passing of the Ordinary Resolutions, as set out in Item Nos. 10 and 11 of this Notice.

Item No. 12:

Section 42 of the Companies Act, 2013 read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 provides that a company can issue securities, including but not limited to non-convertible debentures ("**NCDs**"), on a private placement basis, subject to the condition that the proposed offer of debt securities or invitation to subscribe to debt securities has been previously approved by the Members of the company, by means of a special resolution, for each of the offers or invitations. It further provides that in case of an offer or invitation for NCDs, it shall be sufficient if the company passes a special resolution only once in a year for all offer(s) or invitation(s) for issue of such NCDs on a private placement basis, during the period of one (1) year, from the date of passing of such special resolution.

Keeping in view the projections of the Bank in domestic and overseas operations, the Bank may need to raise additional funds in one or more tranches in Indian as well as overseas market in the form of capital to maintain the desired capital to risk weighted

assets ratio (CRAR) by issue of debt securities denominated in Indian rupees or any other permitted foreign currency (including but not limited to long term bonds, green bonds, masala bonds, non-convertible debentures, perpetual debt instruments and Tier II capital bonds or such other debt securities as may be permitted by the Reserve Bank of India ("RBI") in this regard, from time to time), on a private placement basis and/or for making offers and/or invitations thereof and /or issue(s)/ issuances thereof, on a private placement basis, during the period of one (1) year, from the date of passing of this special resolution.

Considering the above, the Board of Directors of the Bank at its meeting held on 26th April 2019 has proposed to obtain the consent of the Members of the Bank for borrowing/raising funds in Indian currency/ foreign currency by issue of debt securities (including, but not limited to, long term bonds, green bonds, masala bonds, non-convertible debentures, perpetual debt instruments and Tier II capital bonds or such other debt securities as may be permitted under the RBI guidelines issued in this regard, from time to time) in domestic and/ or overseas market, in one (1) or more tranches as per the structure and within the limits permitted by the RBI and other regulatory authorities to eligible investors of an amount not exceeding ₹ 35,000 crore, on a private placement basis, during a period of one (1) year from the date of passing of the special resolution. The said debt securities would be issued by the Bank in accordance with the applicable statutory guidelines, for cash either at par or premium or at a discount to face value depending upon the prevailing market conditions, rates prevailing for risk free instruments, rates on other competing instruments of similar rating and tenor in the domestic or overseas market, investor appetite for such instruments etc., as would be approved by the Board or Committee of the Board. The said limit of ₹ 35,000 crore shall be within the overall borrowing limit of ₹ 200,000 crore as approved by the Members of the Bank at the 24th Annual General Meeting of the Bank held on 20th June 2018.

The Board recommends passing of the Special Resolution, as set out in Item No. 12 of this Notice.

None of the Directors and Key Managerial Personnel of the Bank and their relatives are in any way financially or otherwise concerned or interested in the passing of the Special Resolution, as set out in Item No. 12 of this Notice.

Item No. 13:

The Reserve Bank of India (the "RBI") vide circular no. RBI/2014-15/617/DBR.NO.BC.97/29.67.001/2014-15 dated 1st June, 2015 had issued guidelines on compensation for Non-Executive Directors (NED) (other than Non-Executive Chairman) of Private Sector Banks.

In terms of the said RBI Circular, the Board of Directors ("the **Board**") of the Bank in consultation with the Nomination & Remuneration Committee ("the **Committee**") of Directors of Axis Bank Limited ("the **Bank**"), formulated and adopted a Comprehensive Remuneration Policy for its Non-Executive Directors ("**NED**"), in compliance with the relevant provisions of the Companies Act, 2013. In terms of the said Policy, compensation can be paid to each NED of the Bank (other than Non-Executive Chairman) in the form of profit related commission, subject to the Bank making profits and within the overall limit of ₹ 10 lacs p.a.

In terms of the said RBI Circular and the Comprehensive Remuneration Policy of the Bank, the Members of the Bank at the 22nd Annual General Meeting held on 22nd July 2016, had approved the payment of profit related commission of an amount not exceeding ₹ 10 lacs, to be paid to each of the NEDs of the Bank (excluding Non-Executive (Part-time) Chairman). The profit related commission was approved to be paid every year, subject to the Bank making profits, for a period of five (5) years, with effect from 1st April 2015. The profit related commission would be payable in addition to sitting fees being paid/payable to them for attending the meetings of the Board / Committee(s) thereof.

The Board at its meeting held 26th April 2019, had considered and approved the payment of profit related commission of an amount not exceeding ₹10 lacs to be paid every year [subject to an overall ceiling of 1% (one percent) of the net profits of the Bank computed in the manner referred to under Section 198 of the Act], for a further period of five (5) years, with effect from 1st April 2020, to the NEDs of the Bank [excluding Non-Executive (Part-Time) Chairman], subject to the outcome of their performance evaluation and availability of profits every year, in addition to the sitting fees being paid/payable to them for attending the meetings of the Board or Committee(s) thereof, subject to the approval of the Members of the Bank.

Accordingly, the approval of the Members of the Bank is sought by means of an Ordinary Resolution as set out in Item No. 13 of this Notice.

The Board recommends passing of the Ordinary Resolution as set out in Item No. 13 of this Notice.

Except for the NEDs (other than the Non-Executive (Part-time) Chairman) of the Bank and their relatives, none of the other Directors nor the Key Managerial Personnel of the Bank and their relatives are in any way, concerned or interested, financially or otherwise, in the passing of this Ordinary Resolution.
