Cops deal with lockdown violators strictly in Jammu on Monday.
Woman sends fake info on WhatsApp; arrested PREMA RAJARAM
Kolkata
The Kolkata Police has
cracked the whip on fake
news being circulated sur-
rounding the Covid-19 alert
and subsequent lockdown
in the country. A woman,
Pallavi Shivani, was arrest-
ed on Monday for circulat-
ing fake information on a
whatsApp group saying
there were 15 Covid-19 cases
in New Alipore area and the
government was trying to
supress facts.
The message reads, "New
Alipore area has become
hotspot for corona. 15 cases
have been reported in block
P and 2in my lane.Please be
careful everyone." However,
till date there are no such
cases that have been offi-
cially reported from the ar-
eas mentioned in her mes-
sage.
The police received infor-
mation on Sunday morning
and tried to trace the
woman on the basis of the
information on the What
sApp group. The message
was sent on a WhatsApp
group called 'Smart Jun-
iors and her name reflected
as 'Pallavi Kangaroo kids'.
Incidentally Kangaoo Kids
is a Montessori school in

New Alipore area and the
police found out that the school has been closed for
quite some time now after the coronavirus alert and
that there is no staff by the name Pallavi in the school.
The police then trace The police then traced
back the woman to Behala back the woman to Behala
area. She had no valid reasons to support her claims when questioned by the po-
lice. The accused has been lice. The accused has been
charged under section charged under section
$505(1)$ (b) of the Indian Penal Code, intent to cause fear or
alarm in the public and was alarm in the public and was
being produced in court on Monday.
West Bengal Chief Minister Mamata Banerjee said no fake information should
be shared in times of the lockdown and has instructed the police to identify
such persons spreading information on WhatsApp and
social media platforms.
Leopard strays into Chandigarh, rescued

 over five hours. The leo
got injured during the
trapping trapping operation.
With the prevailing eerie
silence owing to the curfew silence owing to the curfew
to limit the spread of coronavirus, the leopard from the nearby Sukhna Wildlife Sanctuary
entered the city in the wee hours and was spotted in a Sector 5 entered the city in the wee hours and was spotted in a Sector 5 I
residential araa. It was spotted at 8.15 a.m. and subsequently locals
alerted the local police and the Widlife Department. The police reached alerted the local police and the Wildlife Department. The police reached
the spot and asked locals to stay away from the wild cat. said a forest official. A few days back, sambars were spotted in residential areas located close to the sanctuary. They were caught on
cameras by locals as they were roaming fearlessly. The Sukha Wild life cameras by locals as they were roaming fearlessly. The Sukhna Wildife
Sancuary, adioining the rain-fed Sukhna Lake, spreads over 25.42 sq Sancuurry, adjoining the rain-ed Sukhna Lake, spreads over 25.42 sq
km . It is home to a variety of butterflies, birds and mammals like the wild boar, pangolin, mongooose, deer and the Indian civet, besides
snakes like the Indian python and Russell's viper.
