Dear Sir/Madam,

Sub: IT Security Incident

This is to inform you that an IT security incident occurred earlier this month and the necessary steps to gauge, contain and mitigate the impact of the incident as well as to safeguard the integrity of our systems infrastructure and data have been promptly initiated. We understand that a ransomware group has claimed the responsibility for this incident.

Though the Company believes that there is no direct impact on its business operations so far, there could be a potential breach of certain file systems and the theft of business and personal data.

The Company may incur certain expenses in connection with the incident and the remediation. We are unable to determine the cost of remediation and other potential adverse impacts of the incident at this stage.

The Company shall provide further information on the said incident as necessary.

This is for your information and dissemination.

Yours faithfully,

For **Sun Pharma Advanced Research Company Limited**
