2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited ("CDSL") for facilitating voting through electronic means, as the authorized e-Voting's agency. The

facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at Restile.com . The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM i.e. www.evotingindia.com
7. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs

on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- I. The voting period begins on 15th July, 2022 and ends on 17th July, 2022. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Monday, 11th July, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- II. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- III. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
- IV. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.
- V. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
- VI. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e- Voting facility provided by Listed Companies, Individual shareholders

holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

ANNEXURE-B
MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The paid-up equity share capital as at March 31st, 2022 stood at Rs.98.27 crore. During the year under review, the company has not issued shares with differential voting rights nor has granted any stock options or sweat equity. As on March 31, 2022 none of the directors of the company hold instruments convertible into equity shares of the company. Net Revenue from operations during the year was Rs. 59.34 lacs as against Rs.182.54 Lacs during the previous year. During the year there was no production and the revenue was generated out of sale of materials from Stock and from traded goods. On the Expenditure part, there has been decrease in total expenditure compared to previous year. The Following tabular statement depicts the increase/ (decrease) of various types of expenditure

(Rs.in lakhs)

Sl.no	Nature of Expenditure	2021-22	2020-21	Increase/Decrease
1.	Raw Material Consumption (including Movement in Finished Goods Stock)	142.05	159.14	-17.09
2.	Employee Expenses	28.90	41.25	-12.35
3.	Finance Costs	0	0.01	-0.01
4.	Other Expenses	30.07	80.13	-50.06
5.	Depreciation and amortization	571.94	571.94	0
	Total....	688.51	853.28	-164.77

It is clear from the above statement that all the expenditures, except consumption of materials and other expenses, show a decreasing trend compared to previous year.

Internal Controls and systems are reviewed periodically and corrective actions are taken upon requirement.

Opportunities and challenges: No Production during the year. During the year major portion of old materials which were lying in stock for long period were sold. The company has also purchased material from M/s Bell Granito Ceramica Limited, which has resulted in extra revenue on account of sale of these products in the Andhra and Telangana region.

Threats: Since the vitrified market enjoys consistent growth and assured returns, companies in the organized and unorganized sector are expected to come up with latest technology, which may result in pressure on the realizations. However, the uniqueness of the products will help us in garnering the Project and Industrial sector which help in overcoming the competition.

Risks and Concerns: The company specific risks remain by and large the same as enumerated last year. The Company is consuming LPG which is a petroleum product for firing the tiles. The prices of petroleum products depend upon international market and subject to volatility. Some of the competitors who have the facilities of natural gas, tax incentives etc. are dominating the market. There may be a threat from some of the larger capacity players, who have varied range of products, effects and colors to dominate market presence.

Segment wise or Product wise performance: There is only one segment which is full body vitrified Tile

Outlook for the year 2021-2022:

Material Development in Human Resource & Industrial Relations: Majority of Employees were settled in the earlier years. The relationship with the balance employees has been fairly cordial. INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF RESTILE CERAMICS LIMITED

Report on the audit of the Financial Statements

Qualified Opinion

We have audited the accompanying Financial Statements of **RESTILE CERAMICS LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash flows for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, *except for the effect of the matters described in the Basis for qualified opinion paragraph*, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other Accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, the loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

(i)The Company has generated negative operating cash flows, incurred substantial operating losses and significant deterioration in value of assets used to generate cash flows all of which indicate existence of material uncertainty in the Company's ability to continue as a going concern for a reasonable period of time. The attached financial statements do not include any adjustments that might result had the above uncertainties been known.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not

provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

Key Audit Matter Description	Response to Key Audit Matter
<p>A. Revenue Recognition</p> <p>Reference may be made to note 1B.6 of significant accounting policies and note 38 to the financial statements of the Company.</p> <p>Revenue recognition is inherently an area of audit risk, which we have substantially focused on mainly covering the aspects of cut off. Considering the impact of Ind AS 115 and cut-off are key audit matters</p>	<p><u>Principal Audit Procedures</u></p> <p>Audit procedures relating to revenue comprised of test of controls and substantive procedures including the following:</p> <p>i. We performed procedures to assess the design and internal controls established by the management and tested the operating effectiveness of relevant controls related to the recognition of revenue.</p> <p>ii. Selected a sample of continuing and new contracts, and tested the operating effectiveness of the internal control, relating to identification of the distinct performance obligations and determination of transaction price. Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report but does not include the financial statements and our report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls systems in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Companies Act, 2013, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, including other Comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, *except for matters described in the Basis of Qualified Opinion Paragraph*, the aforesaid Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with the relevant rules issued thereunder.
 - (e) The matters described in the Basis for Qualified Opinion paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
 - (f) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Companies Act, 2013.
 - (g) With respect to the adequacy of the Internal Financial Controls Over Financial Reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure "A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, no remuneration other than applicable sitting fees has been paid by the Company to its directors during the year and hence the compliance with the provisions of the section 197 does not arise.
 - (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements. (Refer Note 35)

-
- ii. The company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31,2022.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. There was no dividend declared / paid during the year by the company.

2. As required by the Companies (Auditor’s Report) Order,2020 (“the Order”) issued by the Central Government in terms of Section 143(11) of the Act we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date to the Members of Restile Ceramics Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Restile Ceramics Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date on the accounts of RESTILE CERAMICS LIMITED (“the Company”) for the year ended March 31, 2022)

1. In respect of the Company’s Property, Plant and Equipment:
 - (a) (i) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment. The same however, needs to be updated.
 - (ii) The company doesnot have intangible assets.
 - (b) Property Plant and Equipment were physically verified by management during the year. According to the information and the explanations given to us, no material discrepancies were noticed during the year on such verification.
 - (c) On the basis of documents of title produced to us and the information and explanations produced to us, we are of the opinion that the title deeds of immovable properties of the Company are held in its name.
 - d) The Company has not revalued its Property, Plant and Equipment during the year.
 - e) No proceedings have been initiated during the year or are pending against the company as on March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
2.
 - a) As explained to us, the inventories have been physically verified by the management at the end of the year and the discrepancies noticed on such verification were not material and have been appropriately dealt with in the books of accounts.
 - b) The company has not been sanctioned any working capital during the year from banks or financial institutions.
3. The Company has not made investments in or provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies ,firms, Limited Liability Partnerships or any other parties.
4. According to the information and explanation given to us, the Company has not granted during the year any loans, secured or unsecured, nor made investments, furnished guarantees or provided security to any party covered by provisions of sections 185 and 186 of the Companies Act, 2013. Hence reporting on whether there is a compliance with the said provisions does not arise.

5. According to information and explanations given to us, the Company has not accepted any deposits during the year and there are no unclaimed deposits as at March 31, 2022 to which the provisions of section 73 and section 76 or any other relevant provisions of the Companies Act are applicable. Accordingly, the provisions of clause (v) of paragraph 3 of the Order are not applicable to the Company.
6. The maintenance of cost records for the year has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 considering the turnover from business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.
7. According to the information and explanations given to us and the books of account examined by us, in respect of statutory dues:
- (a) The company is generally regular in depositing amounts of undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Service tax, Goods and Service tax, and other material statutory dues as applicable to the appropriate authorities during the year. Except stated below, there were no material undisputed amounts payable in respect of the aforesaid statutory dues outstanding as at March 31, 2022, for a period of more than six months from the date they became payable.

Name of the Statute	Nature of the dues	Amount Rs in lakhs	Period to which the amount relates to

- (b) There are no dues of service tax, excise duty, goods and services tax, cess and customs duty, which have not been deposited on account of any dispute.
8. As per the information and explanation given to us, there were no transactions that are previously not recorded in the books of account that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961
9. (a) According to information and explanation given to us, the Company does not have any borrowings from any bank or financial institution, Government or by way of Debentures.
- (b) As per the information and explanation given to us, the company has not been declared willful defaulter by any bank or financial institution or other lender.

-
- (c) The Company has not raised any term loans during the year and hence reporting on the application of such loans does not arise.
- (d) On an overall examination of the financial statements of the company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the company.
- (e) The company does not have any subsidiaries, joint ventures or associate companies. Accordingly, the provisions of Clause 3(ix)(e) and 3(ix)(f) of the Order are not applicable to the Company..
10. (a) The Company has not raised any money by way of initial public offer or further public offers (including debt instruments) or term loans during the year. Hence reporting on utilization of such money under clause 3(ix) of the Order does not arise.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares (covered by section 42 and section 62 (1)c of the Companies Act, 2013) or fully or partly convertible debentures and hence reporting under clause 3(x)(b) of the Order is not applicable.
11. (a) No fraud by the company and no material fraud on the company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As per the information and explanation given to us, there are no whistle-blower complaints received during the year by the company up to the date of this report
12. The Company is not a Nidhi Company and hence reporting under clause (xii) of Paragraph 3 of the Order is not applicable to the Company
13. In our opinion and according to the information and explanations given to us all transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013, where applicable. The details of the transactions during the year have been disclosed in the financial statements as required by the applicable Indian Accounting Standards. (Refer note 33 to financial statements).
14. a) In our opinion, the company has an internal audit system commensurate with the size and nature of its business.

-
- (b) We have considered the internal audit reports for the year under audit issued to the Company during the year, in determining the nature, timing and extent of our audit procedures.
15. In our opinion, the Company has not entered into any non-cash transactions during the year, with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
16. a) The Company is not required to be registered under section 45 - IA of the Reserve Bank of India Act, 1934 and it is not a Core Investment Company. Accordingly, the provisions of Clause 3(xvi)(a), (b) and (c) of the Order are not applicable to the Company.
17. The company has not incurred cash losses during the financial year covered by our audit and for the immediately preceding financial year.
18. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, the provisions of Clause 3(xviii) of the Order are not applicable to the Company.
19. According to the information and explanations given to us and on the basis of: (i) the financial ratios, (ii) ageing and expected dates of realization of financial assets and payment of financial liabilities, (iii) other information accompanying the financial statements, (iv) our knowledge of the Board of Directors and management plans and (v) based on our examination of the evidence supporting the assumptions, we believe that there are indication of existence of material uncertainty as on the date of the audit report indicating that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We have accordingly qualified our report.
20. In our opinion and according to the information and explanations given to us, the provisions of section 135 not applicable to the Company. Accordingly, the provisions of Clause 3(xx) of the order are not applicable to the Company.

Closing balance	-	-

27.2 Unrecognised deductible temporary differences and unused tax losses

Deductible temporary differences, unused tax losses and unused tax credits for which no deferred tax assets have been recognised are attributable to the following:

	March 31, 2022	Rs. In Lakhs March 31, 2021
- Unused tax losses	1,665.53	1,955.81
- Unabsorbed depreciation	10,010.58	9,892.23
	11,676.12	11,848.04

Note: The unused tax losses will expire in various years upto Deferred tax assets and liabilities are recognised for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases and unutilised depreciation carry forward. Timing differences relating to PPE and other items result in a Deferred Tax asset.

Considering the provisions of Ind AS12 'Income taxes' and as a matter of prudence, deferred tax asset is not accrued.

Restile Ceramics Limited**Notes annexed to and forming part of the Financial Statements****28 Retirement benefit plans*****Defined contribution plans***

In accordance with Indian law, eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary. The contributions, as specified under the law, are made to registered provident fund administered by the Government.

The total expense recognised in profit or loss of Rs.0.95 lakhs (for the year ended March 31, 2021: Rs.1.15 lakhs) represents contribution payable to these plans by the Company at rates specified in the rules of the plan.

Defined benefit plans

The Company has an obligation towards gratuity, a defined benefit retirement plan covering eligible employees. The plan provides for a lump-sum payment to vested employees at retirement, death, while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service. Vesting occurs upon completion of five years of service. The Company accounts for the liability for gratuity benefits payable in the future based on an actuarial valuation.

Company's liability towards gratuity (unfunded), other retirement benefits and compensated absences are actuarially determined at each reporting date using the projected unit credit method.

These plans typically expose the Company to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk/Interest risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to the market yields on government bonds denominated in Indian Rupees. If the actual return on plan asset is below this rate, it will create a plan deficit. Not applicable to the company since it is unfunded.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability. The Company is not exposed to risk of the employees living longer as the benefit under the scheme ceases on the employee separating from the employer for any reason.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected salary increase. The sensitivity analyses below have been determined based on reasonably possible changes of the respective assumption occurring at the end of the reporting period, while holding all other assumptions constant.

	Rs. In Lakhs	
	March 31, 2022	March 31, 2021
Gratuity		
If the discount rate is 100 basis points higher/lower, the defined benefit obligation would:		
decrease to	0.12	0.13
increase to	(0.12)	(0.11)
If the expected salary increases/decreases by 100 basis points, the defined benefit obligation would:		
increase to	(0.12)	0.12
decrease to	0.12	(0.12)
Compensated Absences		
If the discount rate is 100 basis points higher/lower, the defined benefit obligation would:		
decrease to	0.01	(0.02)
increase to	(0.01)	0.01
If the expected salary increases/decreases by 100 basis points, the defined benefit obligation would:		
increase to	0.01	0.02
decrease to	0.01	(0.01)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from previous year.

32 Financial risk management objectives and policies

The Company's principal financial liabilities, comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations and to provide guarantees to support its operations. The Company's principal financial assets include trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company is exposed to market risk, credit risk, and liquidity risk.

The Company's risk management is undertaken by the management under the guidelines and framework approved by the financial risk committee. Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives which is reviewed and adopted by The Board of Directors for managing each of these risks, which are summarised below.

A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include Borrowings, Advances and deposits.

(i) Foreign Currency Risk

There are no foreign currency transactions during the year.

ii) Interest rate risk

There is no exposure to interest rate risk for the current and previous year as there are only short term borrowings. There are no borrowings from banks and thus there is no impact on interest rate risks.

iii) Other Price risk

There are no Equity price risk as there are no investments.

B) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, resulting in a financial loss to the Company. Credit risk arises from outstanding trade receivables.

The Company operates predominantly on cash and carry basis except to certain customers which are on credit basis. The average credit period is in the range of upto 90 days. Customer credit risk is managed based on the Company's established policy, procedures and control relating to customer credit risk management. Outstanding customer receivables are regularly monitored.

An impairment analysis is performed at each reporting date on an individual basis for major clients. The Company makes an allowance for doubtful debts on a case to case basis. To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. During the period the Company has written off certain trade receivables. It does not expect to receive future cash flows or recoveries from cash flows previously

C) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The table below summarises remaining contractual maturities of significant financial liabilities as at the balance sheet date based on undiscounted cash flows. Balance due within 12 months equal their carrying amounts as their impact of discounting is not significant.

RESTILE CERAMICS LIMITED**1A. General information*****Company Background:***

Restile Ceramics Limited (“the Company”) is a public limited company incorporated and domiciled in India and governed by Companies Act, 2013. The Company’s registered office is located at 204, Sarkar Complex, Vaccine Crossing, Old Padra Road, Vadodara, Gujarat-390 015.

The Company is engaged in manufacturing of Vitrified unglazed and glazed ceramic floor.

1B.1 Basis of Preparation and Presentation

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/ or disclosure purposes in these financial statements is determined on such a basis, except for share-based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the schedule III to the Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of current – non-current classification of assets and liabilities.

Compliance with Ind AS

The financial statements have been prepared in accordance with Ind ASs notified under the Companies (Indian Accounting Standards) Rules, 2015.

Estimation of uncertainties relating to the global health pandemic from COVID-19

The Company has taken into account all the possible impacts of COVID-19 in preparation of these financial statements, including but not limited to its assessment of, liquidity and going concern assumption, recoverable values of its financial and non-financial assets, impact on revenue recognition etc. The Company has carried out this assessment based on available internal and external sources of information upto the date of approval of these financial statements and believes that the impact of COVID-19 is not material to these financial statements and expects to recover the carrying amount of its assets. The impact of COVID-19 on the financial statements may differ from that estimated as at the date of approval of these financial statements owing to the nature and duration of COVID-19.

Recent Pronouncements

Ministry of Corporate Affairs (“MCA”) notified new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below

Ind AS 16 – Property Plant and equipment - The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its financial statements.

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets – The amendment specifies that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

Statement of profit and loss:

Additional disclosures relating to Code of Social security, undisclosed income and crypto or virtual currency specified under the head ‘additional information’ in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

1B.2 Property, Plant and Equipment depreciation

Cost of all assets, where the cost exceeds Rs. 10,000 and the estimated useful life is two years or more, is capitalized. Property Plant and Equipment are carried at cost less accumulated depreciation and impairment losses, if any. Cost of property Plant and Equipment is net of eligible credits under applicable Indirect Tax Scheme. Expenditure directly related and incidental to construction are capitalized up to the date of attainment of commercial production. Interest and other related costs, including amortized cost of borrowings attributable only to qualifying assets are capitalized as part of the cost of the respective assets. Expenses incurred on major refurbishment extending the life of Plant and Machinery has been capitalized to the respective Asset. Capital work-in-progress is carried at cost, comprising direct cost, related incidental expenses and attributable interest.

Assets are depreciated on straight line basis, over their estimated useful life as below.

- a) Assets subject to impairment, on the asset's revised carrying amount, over its remaining useful life.
- b) Other assets over the estimated useful life prescribed in Schedule II to the Companies Act, 2013.

Deemed cost on transition to Ind AS:

The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2016 (the transition date) measured as per the previous GAAP and use such carrying value as its deemed cost as of the transition date.

Depreciation/ amortisation:

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Freehold land is not depreciated

De-recognition:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Impairment losses

At the end of each reporting period, the Company determines whether there is any indication that its assets (property, plant and equipment, intangible assets and investments in equity instruments in subsidiaries carried at cost) have suffered an impairment loss with reference to their carrying amounts. If any indication of impairment exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value in use) of such assets is estimated and impairment is recognised, if the carrying amount exceeds the recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

1B.3 Leases

The Indian Accounting Standard (Ind AS) 116 is applicable from FY 2019-20 and it replaces Ind AS 17.

Ind AS 116 requires entity to determine whether a contract is or contains a lease at the inception of the contract.

Ind AS 116 requires lessee to recognise a liability to make lease payments and an asset representing the right to use asset during the lease term for all leases except for short term leases and leases of low-value assets.

Ind AS 116 requires lessee company to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as costs relating to the termination of the lease and the importance of the underlying asset to the Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

The cost of the right-of-use asset comprised of, the amount of the initial measurement of the lease liability, any lease payments made at or before the commencement date, less any lease incentives received, any initial direct costs incurred by the lessee.

The lease liability comprises of (a) fixed payments less any lease incentives receivable; (b) variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date (c) amounts expected to be payable by the company under residual value guarantees;(d) the exercise price of a purchase option if the company is reasonably certain to exercise that option and (e) payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease.

Depreciation on Right to use asset and impairment losses if any is recognised in Statement of Profit and Loss. Computed on a straight line basis over the period of lease. Also the company separately recognises interest on lease liability as a component of finance cost in Statement of Profit and Loss.

The Company currently does not have an lease arrangements.

1B.4 Inventories

Inventories are valued at lower of cost and net realisable value; cost being ascertained on the following basis:

Stores, spares, consumable tools, and raw materials: on weighted average cost basis.

Work-in-progress, finished goods: under absorption costing method with the cost of incomplete work at the end of the year, being estimated.

Cost includes taxes and duties and is net of eligible credits under Indirect taxes applicable.

Obsolete / slow moving inventories are adequately provided for.

1B.5 Foreign currency transactions and derivatives

Foreign currency transactions are recorded at the rates prevailing on the date of the transaction. Monetary assets and liabilities in foreign currency are translated at closing rate. Exchange differences arising on settlement or translation of monetary items are recognized as income or expense in the Statement of Profit and Loss.

1B.6 Revenue recognition

Ind AS 115 Revenue from Contracts with Customers

Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. It also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. The company has adopted the modified retrospective method of applying Ind AS 115 Revenue from Contract with customers in its initial year of application. Revenue is measured at the fair value of the consideration received or receivable.

Sale of goods

Revenue from sale of products is recognised at the point in time when control of the asset is transferred to the customer, generally when the product is shipped to the customer.

Other Revenues

Other operating revenues comprise of income from ancillary activities (eg: scrap sales) incidental to the operations of the Company and is recognised when the right to receive the income is established as per the terms of the contract.

Revenue in excess of invoicing (referred to also as unbilled revenue) are classified as Contract Assets while invoicing in excess of revenues (referred to also as unearned revenue) are classified as Contract liabilities.

1B.7 Employee benefits

(a) Short term employee benefit obligations are estimated and provided for.

(b) Post-employment benefits and other long term employee benefits

Retirement benefit costs and termination benefits:

Payments to defined contribution plans i.e., Company's contribution to provident fund, employee state insurance and other funds are determined under the relevant schemes and/ or statute and charged to the Statement of Profit and Loss in the period of incurrence when the services are rendered by the employees.

For defined benefit plans i.e. Company's liability towards gratuity (unfunded), other retirement/ terminations benefits and compensated absences, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Defined benefit costs are comprised of:

- service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- net interest expense or income; and
- re-measurement.

The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

Re-measurement of net defined benefit liability/ asset pertaining to gratuity comprise of actuarial gains/ losses (i.e. changes in the present value resulting from experience adjustments and effects of changes in actuarial assumptions) and is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss.

A liability for a termination benefits like expenditure on Voluntary Retirement Scheme is recognised at the earlier of when the Company can no longer withdraw the offer of termination benefit or when the Company recognises any related restructuring costs.

Short-term and other long-term employee benefits:

A liability is recognised for benefits accruing to employees in respect of salaries, wages, performance incentives, medical benefits and other short term benefits in the period the related service is rendered, at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

1B.8 Income taxes

Income tax expense represents the sum of the tax currently payable and deferred tax. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Current tax: Current tax is determined on taxable profits for the year chargeable to tax in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 including other applicable tax laws that have been enacted or substantively enacted.

Deferred tax: Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. Deferred tax asset is recognised for the carry forward of unused tax losses and unused tax credits to the extent that it is probable that future taxable profit will be available against which the unused tax losses and unused tax credits can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

1B.9 Provisions and contingencies

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

1B.10 Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in

profit or loss. Financial assets: All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Classification of financial assets

The financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition.

Initial recognition:

(i) Financial assets (other than investments) are subsequently measured at amortised cost using the effective interest method. Effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition. Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments on principal and interest on the principal amount outstanding.

Impairment of financial assets:

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

De-recognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in the Statement of profit and loss.

The Company has applied the de-recognition requirements of financial assets prospectively for transactions occurring on or after April 1, 2016 (the transition date).

Financial liabilities and equity instruments:

Classification as debt or equity Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method. Interest expense that is not capitalised as part of costs of an asset is included in the "Finance Costs".

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

De-recognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

The Company has applied the de-recognition requirements of financial liabilities prospectively for transactions occurring on or after April 1, 2016 (the transition date).

1C. Critical accounting judgments and key sources of estimation uncertainty

The preparation of financial statements in conformity with Ind AS requires the Company's Management to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities recognised in the financial statements that are not readily apparent from other sources. The judgements, estimates and associated assumptions are based on historical experience and other

factors including estimation of effects of uncertain future events that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates (accounted on a prospective basis) and recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods of the revision affects both current and future periods.

The following are the critical judgements and estimations that have been made by the Management in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognised in the financial statements and/or key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Inventories

An inventory provision is recognised for cases where the realisable value is estimated to be lower than the inventory carrying value. The inventory provision is estimated taking into account various factors, including prevailing sales prices of inventory item, losses associated with obsolete / slow-moving / redundant inventory items. The Company has, based on these assessments, made adequate provision in the books.

Dear Shareholder,
