Note:

As a result of the unprecedented shutdowns / bankruptcies and consolidation in telecom sector during last 2-3 years, debt of the Company became unsustainable and there is urgent need to restructure the same.

However, in 2018, the Indian rupee lenders of the Company, in their consortium meeting, decided to assign their respective debt to Asset Reconstruction Company as per the provisions of Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances dated July 1, 2015 (IRAC Circular / Prudential Norms).¹ Accordingly, as on September 7, 2018 lenders having debt value more than 75% to total debt assigned and transferred their respective debt to Edelweiss Asset Restructuring Company, acting as a trustee on behalf of EARC – Trust SC 338 (EARC). The Company has initiated several proceedings before multiple forums for enforcement of the IRAC Circular. The question of whether the remaining public sector lenders continue to be entitled to act as “financial creditors” is also the subject matter of the said proceedings. The matter is currently pending before the Supreme Court, which has issued a status quo as on March 6, 2020.

In light of the pendency of the above proceedings, the Company was legally advised to withhold payments to all lenders pending the outcome of the aforementioned proceedings.

¹ As per Prudential Norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances dated July 1, 2015, once 75% or more of the lenders by value have accepted the offer from ARC, the remaining lenders in the consortium are obligated to assign their respective debt to such ARC
