Dear Sir/Madam,

Meera Industries Limited (MIL), is pleased to inform you that it has received a domestic Order of ₹ **1,45,00,000/-**

We are proud to announce that MEERA Industries Limited have received an Order for Rs. 1.45 Crore from One of India's largest manufacturers and exporters of Technical textiles for our Ring Twisting machines.

This is indeed a confidence booster for us since it is a repeat order of our Ring Twisting machines. Repeated approval of our machines in such big organisations is paving our way in the international market of technical textiles. It was a great honour for us to be chosen by their Technical Team among other international machine manufacturers.

In the Technical Textile Yarn Twisting Space, MEERA is becoming increasingly stronger with each passing day. In the last few years, we have added some excellent companies from the industrial segment to our customer lists, such as SRF Limited and Mehler Engineered Products India Pvt. Ltd., Fenner Conveyor Belting Private Limited, Shakti Cords Pvt Ltd and others. As this progress continues, we hope to accelerate the pace even more.
