

Greaves Cotton Limited appoints Varghese M Thomas as its Chief Communications Officer

Bangalore; April 3, 2023: Greaves Cotton Limited, a leading diversified engineering company in the world, is pleased to announce the appointment of Varghese M Thomas as Chief Communication Officer. Varghese, an accomplished communication professional with over two and half decades of experience, will oversee all internal and external communication and social media communication strategies for the Greaves Cotton. In his new role, he will work closely with the leadership team to promote the company's global brand, vision, and mission.

"Greaves Cotton is well on its way to make the challenging yet important transition to a sustainable mobility company. Our stakeholders are varied, and strategic communications will play a pivotal role in our success," said **Nagesh Basavanhalli, Executive Vice Chairman of Greaves Cotton Limited**. "We are pleased to welcome Varghese M. Thomas to our team as the new Chief Communication Officer for the Group. His extensive experience in communication, strategic planning, and brand management will be instrumental in driving seamless communication across the Group and elevating our global communication efforts."

Prior to joining Greaves Cotton, Varghese had an illustrious career holding senior communication positions in leading global organisations such as TVS Motor Company, BlackBerry, Cisco and Intel. He has a proven track record of developing and executing successful communication strategies, building high-performing teams, and establishing strong stakeholder relationships.

About Greaves Cotton Limited:

Greaves Cotton Limited (GCL) is a diversified multi-product and multi-location engineering Company with a rich legacy and brand trust of over 163 years, and has established itself as a key player impacting a billion lives every day. The Company is a leading name in Fuel Agnostic Powertrain Solutions, E-Mobility, Aftermarket & Retail. The Company's diversification strategy is driven by customer centricity and sustainability. As a part of this diversification strategy, the Company has recently announced the acquisition of Excel Controlinkage Pvt Ltd to unlock new avenues of growth and continue to build expertise in forward looking technologies. GCL is on a mission to redefine the sustainable, cleantech mobility ecosystem through transformative technologies. It is powered by the purpose to touch a billion lives by 2030 and enable them to make sustainable transition to green mobility.
