The Board of Directors of your Company is of the opinion that the appointment of Ms. Joshi as an Independent Director of the Company would be beneficial to the Company and hence recommends the Resolution at Item no. 7 for the approval of the Members as a Special Resolution.

Item no. 8 and 9:

Background:

The Company has implemented the 'Persistent Employee Stock Option Scheme 2014' ('PESOS 2014') to provide incentives to the select senior management to achieve the ambitious growth targets set by the Company motivating them to contribute towards the growth and profitability of the Company. The Company uses this Scheme to attract and retain the top talent in the organisation who would contribute directly to the growth and profitability.

Establishing a reward system for senior management is pivotal for ensuring sustained performance and increased profits for the Company and better returns for its Members. By offering competitive incentives, such as performance-based Stock Options, the Company endeavors to motivate its senior management to consistently drive profitable growth and make strategic decisions that contribute to the long-term success of the Company. The stock incentives granted to the senior management are in the nature of Long-Term Incentives (LTI) and are an integral part of their overall remuneration.

The PESOS 2014 Scheme was originally approved by the Members of the Company by way of a Special Resolution dated July 26, 2014, and subsequently amended during AGM 2021 and AGM 2023 by way of Special Resolutions dated July 21, 2021 and dated July 18, 2023 respectively and through Postal Ballot on March 11, 2024, in due compliance with the then prevailing provisions of the Companies Act, 2013 and that of the erstwhile Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 read with relevant circular issued thereunder.

*Note: Details after giving Sub-Division/ Split effect

The rationale for the proposed increase in the Pool Size:

Over the last four years, the Company has displayed consistent industry-leading growth coupled with improved profitability. This has resulted in several industry analysts' recognition such as ISG Global Index, Everest Group, IDC MarketScape, Gartner, Zinnov, Constellation Research, and HFS Horizons. Your Company's name was recently included in three key indices viz. MSCl India Index, S&P BSE 100 and S&P BSE SENSEX Next 50.

Over this period, the company's market capitalisation has significantly improved. The Company has performed exceptionally well and created significant shareholder value. Management has created a robust team that includes tenured and new leaders who are critical to the Company's success going forward.

In order to ensure consistent leadership for the Company to help achieve long-term growth plans, it is the industry practice to grant stock options as long-term incentives to the leadership and motivate them for consistent profitable growth of the Company.

To meet this objective, the current number of available Stock Options for new grants is insufficient and therefore, it is proposed to increase the number of Options by an additional 1,600,000 Stock Options under PESOS 2014 by amending clause 3.1 of the respective Schemes.

Please find below the summary of the proposal in a tabular form:

Particulars	PESOS 2014*
Total Pool of the Scheme post-AGM 2023 approval	3,800,000
Total options granted to Employees till June 7, 2024	3,414,259
Balance Options available as of June 7, 2024	385,741
Approval being sought for the additional reserve of Options	1,600,000*
Total Options that would be available for grant in the future	1,985,741

*Note: The quantity is given post sub-division / split effect

Sources for acquiring additional shares:

PESOS 2014 along with other share-based employee benefits schemes of the Company are administered through an irrevocable employee welfare trust namely 'PSPL ESOP Management Trust' ('Trust') of the Company. For PESOS 2014, the Members have approved the source of equity to the Trust to be either through a fresh issue and/or by secondary acquisition to comply with the vesting schedule for the grants. The Company will continue its existing practice to implement the ESOP Schemes including PESOS 2014 through Trust Route only and the route of direct allotment of shares to the respective grantees/ employees will not be opted by the Company.

Accordingly, the Company proposes to issue an additional 800,000 shares to the Trust and acquire 800,000 shares from the secondary market without prejudice to the flexibility sought in this regard. Also, the shares held by the Trust due to lapses/ cancellations of options under any previous ESOP Schemes of the Company, if any shall be utilized to cater to the requirement under PESOS 2014 from time to time.

Please note that the dilution as a result of the above fresh issuance of 800,000 Shares will not be more than 0.52% of the paid-up share capital of the Company.

Governance Mechanism:

The amendment proposed under PESOS 2014 is in compliance with the provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 read with all circulars and notifications issued thereunder ('SBEB Regulations') which replaced the erstwhile 2014 Regulations.

The above-proposed increase in the shareholding of the Trust will be done in accordance with the potential vesting of Options granted under respective Schemes and any allotment of Shares to the Trust will be made at the respective Exercise Prices of the Underlying Options.

The Company and the Trust will ensure that the aforesaid additional quantity of Shares along with all Shares acquired and held, from time to time, in one or more tranches under all the Schemes of the Company taken together, by way of secondary acquisition, shall not exceed (i) the financial year-wise acquisition ceiling of 2% (two percent), and (ii) the overall ceiling for holding by the Trust at any time of 5% (five percent) of the paid-up equity capital of the Company as prescribed under Regulations 3(10) and 3(11) of SBEB Regulations, respectively.

Vesting Criteria already approved by the Members:

All the Options granted on any date will vest not earlier than a minimum of 1 (One) year and not later than a maximum of 5 (Five) years from the date of grant of Options as may be determined by the Committee. The Committee may extend, shorten, or otherwise vary the vesting period from time to time subject to these minimum and maximum ceilings. Vesting of Options would be subject to continued employment with the Company or its Holding or Subsidiary Company, as the case may be, and the attainment of specific performance parameters.

The Vesting Criteria approved by the Members for the fresh pool of Options under PESOS 2014 effective from July 18, 2023, is as below:

- i. 100% of the options granted under PESOS 2014 shall have performance-based vesting;
- ii. As regards the Company's Performance Based Criteria:
 - \ The Revenue growth of the Company is at least 12% per annum based on the immediately preceding financial year for any vesting; and
 - \ The EPS growth of the Company is at least 12% per annum based on the immediately preceding financial year for any vesting;
- iii. In addition to the above performance criteria for the Company, the individual performance of the eligible employee will also be considered.

Miscellaneous Disclosures:

- i. PESOS 2014 is formed exclusively to reward the employees covered under Top Level and Senior Management of the Company. The stock options under this scheme are granted on a case-to-case basis to the Leadership based on the Company plus individual performance as specified above.
- ii. The PESOS 2014 scheme has an exercise price equal to the face value of shares i.e., INR 5 per option. Such an exercise price along with performance criteria listed above ensures the right incentive structure for the top leadership of the organization many of whom are based in the US. Such leaders typically have multiple options of pursuing a career with other US based multi-national companies where such reward programmes is a norm. In order to ensure the availability of the right leadership talent to drive the Company's growth, the exercise price has been suitably set equal to the face value of the shares.

- iii. None of the subsidiaries or step-down subsidiaries have separate ESOP Plans for granting stock options to their employees. Further, the performance conditions set in this Scheme reflect the consolidated position.
- iv. The options granted under PESOS 2014 would vest not less than one year and not more than 5 (Five) years from the date of grant of such options. No single tranche of options that vests in a given year is more than 50% of the total options that are committed for grant to an employee.
- v. In terms of PESOS 2014 Scheme, in case of the retiring employees, all vested options shall be available for exercise to the option grantee within a period of 1 year from the date of such retirement. Whereas, all unvested options as on the date of such retirement shall vest in accordance with the respective vesting schedules in accordance with the company's policies. However, the Board/its Committee has decided (1) to grant proportionate options to such employees considering the remaining tenure of their service and (2) in a manner that the vesting schedule will be not extend beyond their date of retirement/ superannuation, subject to the performance criteria being met for that period.
- vi. In terms of PESOS 2014 Scheme, in case of termination due to misconduct or due to material breach of policies or the terms of employment, all the 'vested but not exercised' and 'unvested' stock options at the time of such breach shall stand canceled with immediate effect.

The date of such misconduct/breach shall be determined by the Nomination and Remuneration Committee after due diligence and its decision on this issue shall be final and binding.
- vii. In terms of PESOS 2014 Scheme, in case of employees who are unable to provide service to the Company due to their permanent incapacity occurring during the service period, all 'vested but not exercised' options shall be available for exercise by them or, in case of their inability to exercise due to such incapacity, their nominee or legal heirs may exercise those stock options within a period of 1 year from the date of separation from employment due to such incapacity.

Further, all the unvested options as on the date of such permanent incapacity shall vest immediately and may be exercised by the Option Grantee or, in case of their inability to exercise due to such incapacity, by the nominee or legal heirs within a period of 1 year from the date of separation from employment due to such incapacity.
- viii. The Scheme is administered by the Nomination and Remuneration Committee of the Board of Directors which solely consists of the Independent Directors of the Company. In terms of Section 149(9) of the Companies Act, 2013, none of the Independent Directors of the Company have been granted Options under the PESOS 2014 scheme.

Proposal Sought from the Members:

Given the details of amendments, rationale thereof, and the beneficiaries of such variation, consent of the Members is being sought by way of Special Resolutions pursuant to Regulation 6 and 7 of the SBEB Regulations read with Section 62(1)(b) and all other applicable provisions, if any, of the Companies Act, 2013.

The SEBI SBEB Regulations require that in case of any corporate action such as rights issue, bonus issue, merger and sale of division, and others, a fair and reasonable adjustment needs to be made to the Options granted. In this regard, the Committee shall adjust the number of Options and exercise price in such a manner that the total value of the Options granted under PESOS 2014 remains the same after any such corporate action keeping the life of the Options intact. Accordingly, if any additional Options are issued by the Company or the Trust is required to transfer additional Shares to the Option grantees for making such fair and reasonable adjustment, the aforesaid ceiling of Options / Shares shall be deemed to be adjusted.
