We have reviewed the accompanying statement of unaudited financial results of **SAL STEEL LIMITED** (the "company") for the quarter ended December 31,2021 and year to date from April 1 2021 to December 31 2021. The preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" as prescribed under Section 133 of Companies Act, 2013, as amended read with relevant rules issued there under and other accounting principles generally accepted in India, read with the circular is the responsibility of the Company's Management and approved by the Board of Directors of the Company. Our responsibility is to express a conclusion on the statement based on our review.

We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial information performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (“Ind AS”) as specified under Section 133 of Companies Act, 2013 as amended, read with relevant rules issued there under and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of the Regulation, read with the Circular including the manner in which it is to be disclosed, or that it contains any material misstatement
