SPREADING A RISK-BACKED EVENT

Must Confront Crisis Brought on by Covid Truthfully: Premji

Wipro's former chairman says we must act with the greatest of speed on all fronts

Indeeka Aravind
@indepersgroup

We must drop all our differences, understanding that this situation requires unity of action. Together we are stronger, divided we continue to struggle

AZIM PREMJI
Founder, Wipro, Wipro

Rengaluru: The scale, spread and depth of the crisis brought on by the pandemic must be confronted truthfully and our actions must be based on Covid-19 must be based on good science. Wipro's former chairman Azim Premji underlined at a Kanchry's Swayam Svekha-backed event on Tuesday evening. "Actions that are not based on science in reality have a detrimental effect on the cause," Premji said, during "Positivity Unlimited" a four-day programme with a series of lectures organised by Covid Response Team, a platform supported by RSS, Arvind and multiple organisations.

Premji's views come at a time when public health experts and epidemiologists from both India and abroad have said India has been under-reporting the Covid death tally. At the event, Premji said,

donated about 250 crore in a form of 70,000 crans, according to the Shivaji Hruday India Philanthropy Ltd.

The former executive chairman of IT conglomerate also said that in the current hour of crisis it was important for the country to come together. "We must drop all our differences and understand that this situation requires unity of action. Together we are stronger, divided we continue to struggle," he said, in a short speech which he concluded by urging everyone to come together.

The talk was part of a series of lectures intended to motivate people and is also backed by Confederation of Indian Industry and Federation of Indian Chambers of Commerce and Industry among others. Speakers include Sachin, Art of Living founder Sri Sri Ravishankar, Infosys Foundation chairperson Sudha Mary and RSS chief Mohan Bhagwat.

He said, "We are not taking any names, but practically in all fields," the doctor observed. "The Ministry of Health and Family Welfare has said in an affidavit that protocols pertaining to physical distancing and wearing masks are not strictly followed. The central government has also issued a warning to stop wearing masks during the vaccination period after all ministering the vaccine cannot be followed in a door-to-door drive. The central government had also issued an advisory to stop wearing masks in regions where camps are set up such that a drive would not be vaccination and consumption."

On April 22, the court had observed that senior citizens should be given priority and directed the health ministry to have a look at door-to-door vaccination.

HUL Puts in Place Support Groups for Top Executives

Sachin Dave
@indepersgroup

Mumbai: Hindustan Unilever has introduced a support group for top executives to help them manage stress and deal with the pressures of the company as the aggressive second wave of Covid-19 puts additional pressure on leadership on both business and personal fronts.

"The company's largest consumer goods company has created groups of top support leaders across the organisations who talk to each other regularly," said Dave.

"While leaders are expected to take care of their teams, we have realised that they are their support," said Anandarama Baidya, executive director, HR, HUL.

The leaders are initiating peer-to-peer conversations and discussing issues among themselves.

He said, "We are not taking any names, but practically in all fields," the doctor observed. "The Ministry of Health and Family Welfare has said in an affidavit that protocols pertaining to physical distancing and wearing masks are not strictly followed. The central government has also issued a warning to stop wearing masks during the vaccination period after all ministering the vaccine cannot be followed in a door-to-door drive. The central government had also issued an advisory to stop wearing masks in regions where camps are set up such that a drive would not be vaccination and consumption."

On April 22, the court had observed that senior citizens should be given priority and directed the health ministry to have a look at door-to-door vaccination.

BOMBAY HC TO CENTRE 'Take a Rerlook at Stand on Door-to-door Vaccination'

Manish Wya
@indepersgroup

Mumbai: The Bombay High Court has again asked the central government to take a "rerlook" at allowing door-to-door vaccination of the elderly and the disabled against the coronavirus infection.

On Wednesday, a division bench of Chief Justice Dipak Chandra Datta and Justice Gopala Krishna Kumar also directed the Mumbai municipal corporation to give details by Monday about conducting ward-wise vaccination camps. It also wants to know from the corporation if vaccination officials can go to the homes of all eligible people unable to visit vaccination centres and administer the jab.

"If we were to have this door-to-door vaccination, some time back, so many of our great pensioners citizens could have been vaccinated."

WHEN YOU ARE A LEADER, CREDIBILITY IS NOT A QUALITY YOU SEEK, IT IS A HABIT YOU CAN'T QUIT.

We understand the responsibility that comes with being a leader. That is why truth, credibility and integrity are the values that empower us. Following them is not easy, it might not please everyone but we won't have it any other way.
