VADODARA 36 girls at MSU hostel test Covid positive

EXPRESS NEWS SERVICE
VADODARA, JANUARY 20

MAHARAJA SAYAJIRAO University (MSU) of Vadodara saw as many as 36 students testing Covid-19 positive during a rapid test drive at the girls' hostel of the university. The university has decided to isolate the 36 female students at an isolation ward of the hostel.

A similar drive will be held in the boys' hostel Friday.

The residents of the girls' hostels on the campus were asked to join a pro-active Covid-19 testing drive early Thursday morning. Earlier, the university had seen close to 20 other faculty members, students, and employees testing positive.

MS University Registrar Krishnakant Chudasma told this newspaper the university is following the protocols laid down by the state government, by isolating positive cases and cordoning the spaces last frequented by the patient for a period of three days. "We have a standard protocol as per health department guidelines. Whenever any faculty detects a positive case, we check when the person last visited the faculty. Thereafter, we do two things - one is contact tracing and the second is to cordon the corridor, class or office for three days and sanitise the space. The health of contacts is examined,

too." Chudasma added each hostel has reserved a hall for isolating students who test positive. He said, "In each hostel, we have created an isolation ward, which is a big hall. We can accommodate positive students in the halls."

"We have already shifted the 36 students, who tested positive on Thursday to the isolation wards... We are also in the process of informing their families to take a decision on whether they wish to take their wards home," he added.

Chudasma said none of the faculties has been closed due to the Covid-19 outbreak since the university is following the pro-

col. On Friday, the university will undertake a similar drive in the boys' hostel.

Meanwhile, Vadodara city, which has reported a single-day figure of 2,252 positive cases Thursday with 9,525 active cases is also witnessing a slow rise in hospitalisations. The SSG hospital in Vadodara Thursday set up the Covid-19 ward in a six-storey trauma building, equipped with oxygen beds and ICUs. Currently, Vadodara has a total of 14 cases on ventilator support and 37 admissions into ICUs while 86 patients are on oxygen support. An additional 9,008 patients are said to be in home quarantine.

Longing for Love? Meet the modern-day cupid

Vows for Eternity is a discreet, upmarket matchmaking firm headquartered in New York City, with an established presence in London, Mumbai, and New Delhi. Think of them as a highly personalised, private, boutique matrimonial service, crafted and customised for global citizens.

Anuradha Gupta, Founder CEO of Vows for Eternity, lives in San Francisco but brings her east meets west mindset and years of matchmaking experience to the service while being strongly rooted to her Indian values. Smart and stylish, an MBA, a major in Psychology and years of experience as a seasoned globe-trotting professional herself, entrepreneur, and matchmaker par excellence, Anuradha traverses multiple worlds with confidence and grace and embodies the best of Indian-American spirit in her strong work ethic and deep-rooted values. Her passion and dynamism are the bedrock of the firm and of every member of her team.

She started Vows for Eternity over a decade ago based on her own experience of looking for a life partner, and recognises that people are looking for a partner who will also become their soulmate and confidante - a rare combination that is difficult to find and that is why Vows for Eternity aims at providing a global outreach through their diverse database whilst still maintaining a very personalised and confidential approach. The focus is quality over quantity with a strong eligibility criteria that needs to be met in order to qualify to become a member.

"People are at the heart of what we do," says Anuradha. "It's important to know where someone's coming from and what they want from life - their dreams, fears, insecurities. There is no quick fix to getting to know someone, so we don't work with biodatas. It takes time for something meaningful to evolve and a lot goes into the process. That's why we lay a strong focus on getting to know our members and then connecting them with other like-minded people. From being total strangers, the Vows for Eternity team becomes a confidante and sounding board for very personal decisions, yet we know that decisions must come from our members. The challenge and reward, both lie in helping our members gain a different perspective when required and aligning expectations to reality. Honesty, transparent discussions and integrity are key."

Vows for Eternity's signature and bespoke offering - the Privilege Suite membership caters to influential industrialists, celebrities and extremely successful professionals for whom success and affluence are a given and the baseline is "nothing but the best". Anuradha herself plays matchmaker to this select membership core where privacy and confidentiality are paramount. She curates the membership by hand holding families and individuals through what is an emotional journey of both self-discovery and partnership, hopefully leading to a lifetime of love.

"We are at a moment in time, when there's a mad race across the world to go online and stay relevant in an increasingly digital world. Vows for Eternity is countering the trend. "Nothing can substitute a personal connection, more so in the matters of the heart. Here, everything is offline because that's where real life plays out."
