KRLCO-19/12(15)/7/2023-NWP-CM(RP) Dated at Trivandrum the 24.01.2024

Dear Shri Murali,

I am happy to note that erection of 107 towers as per the quantity given in PO No. BSNLCO-MMP/13(14)/8/2022-MMP dated 01.03.2023 has been completed in Kerala Circle before 30.12.2023 by M/s BEL. I congratulate you and your team for this achievement.

I take this opportunity to appreciate the hard work put in by you and your team members especially Shri Sajeesh Abraham, and your partner M/s SuSquare. Without the dedicated and coordinated effort of all of you this could not have been achieved.

I am sure that you and your team will continue to put in the same zeal and momentum in the remaining activities including the commissioning of the Power Infra work which will pave the way for early rollout of 4G services in the remote villages of Kerala Circle in the Saturation Project. I also expect that the same momentum will be continued for the completion of the additional sites as per the PO No. BSNLCO-MMP/13(14)/8/2022-MMP dated 31.10.2023 within the scheduled timeline.

With best wishes,
