Dear Sir,

Re.: Clarification on Significant Price Movement

We refer to your e-mail dated September 18, 2019 with regard to clarification on Significant Price Movement in the stocks of the Company.

In this regard we wish to state that, at this point in time:

There is no information/announcement (including impending announcement) by the Company which in our Opinion needs to be reported/disclosed and which may have bearing on the price or volume behavior in the Company's scrip.

However it has been noted that a significant holding of approximately 30 lakh shares were traded and transferred on account of buying and selling routed through Stock Exchange mechanism. It appears that the market investors co-relating the aforesaid transaction/volumes occurred in the scrip and hence significant price movements reflecting in the Scrip.

The Company is regular in making appropriate disclosures, in accordance with Regulation 30 of Listing Regulations of those events/information that have a bearing on the operation/ performance of the Company, applying guidelines for materiality of events, where applicable.

We request you to take the above information on record.

For and on behalf of LKP Finance Limited
