- 1 The above results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on 26th July, 2019. The unaudited interim consolidated financial results for the guarter ended 30th June, 2019 have been subjected to limited review by the statutory auditors, Deloitte Haskins and Sells LLP who have expressed an unmodified opinion.
- 2 Ministry of Corporate Affairs has notified Ind AS 116 "Leases" which is effective from 01st April, 2019. Pursuant to this, the Group has applied this standard to all lease contracts existing on 01st April, 2019 using the retrospective approach with the cumulative effect at the date of initial application. On that date, the Group recognised a lease liability measured at the present value of the remaining lease payments using the lessee's incremental borrowing rate as at 01st April, 2019 and corresponding Right of Use (ROU) asset measured at an amount equivalent to lease liability. Therefore, there is no effect of adopting Ind AS 116 on retained earnings as at 01st April, 2019, with no restatement of comparative information. Comparatives for the quarter ended 30th June, 2018 and for the year ended 31st March, 2019 will continue to be reported under the accounting policies included as part of our Annual Report for year ended 31st March, 2019. Thus, on transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of Rs.973 lakhs, and a lease liability of Rs. 973 lakhs.

In view of this, the operating lease rent which was hitherto accounted under 'Other expenses' in previous periods has now been accounted as depreciation and finance costs. Accordingly the profit for the current quarter is lower by Rs. 10 lakhs (net). To this extent, the performance of the current quarter is not comparable with previous quarters/year's results. The financial results of current quarter results in an increase of Rs. 114 lakhs and Rs. 18 lakhs in depreciation for the right of use assets and finance costs on lease liability respectively and decrease in operating lease rent cost of Rs. 122 lakhs.
