Company Secretary
Membership No.A53502

Place: New Delhi
Date: August 17, 2020

NOTES:

1. In view of the global COVID-19 pandemic, the Ministry of Corporate Affairs (MCA) has vide General Circular No. 20/2020 dated May 5, 2020 read with General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020 and Circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, issued by the Securities and Exchange Board of India (SEBI) (collectively referred to as Circulars), has allowed companies to conduct the Annual General Meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM) facility without the physical presence of the Members at a common venue. In compliance with the Circulars, the AGM of the Company is being held through VC/OAVM.
2. Since this AGM is being held pursuant to MCA circulars through VC/OAVM, physical attendance of members have been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
3. Members attending the AGM through VC/OAVM shall be reckoned for the purpose of quorum for the AGM as per Section 103 of the Companies Act, 2013 (the Act).
4. An Explanatory Statement pursuant to Section 102(1) of the Act relating to the Special Business to be transacted at the Meeting is annexed hereto.
5. The Register of Members and Share Transfer books of the Company will remain closed from 23.09.2020 (Wednesday) to 29.09.2020 (Tuesday) (both days inclusive).
6. Brief resume of Directors seeking appointment and re-appointment as prescribed under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with the Secretarial Standards issued by the Institute of Company Secretaries of India is annexed hereto and forms part of the notice.
7. The Annual Report of the Company is also available on the Company's website www.skpmil.com.
8. Members holding shares in dematerialized form are requested to intimate all particulars of bank mandates, nominations, power of attorney, change of address, e-mail address, contact numbers, etc. to their Depository Participant (DP). Members holding shares in physical form are requested to intimate such details to the RTA.
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN to the Company/RTA.
10. Non-Resident Indian members are requested to inform Company/RTA, regarding:
 - Change in their residential status on return to India for permanent settlement
 - Particulars of their bank account maintained in India with complete name, branch, account type, account number, IFSC Code and address of the Bank with pin code number, if not furnished earlier.
11. Pursuant to General Circular No. 20/2020 dated May 5, 2020 issued by the MCA read with General Circular Nos. 14/2020 dated April 8, 2020 and 17/2020 dated April 13, 2020 and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, Notice of the AGM and Annual Report for the year ended March 31, 2020 are being sent electronically to those Members whose email addresses are registered with the DP/RTA. Notice of the AGM along with the Explanatory Statement and the Annual Report for the year ended March 31, 2020, circulated to Members is also available on the websites of the Company i.e. www.skpmil.com.

skpmil.com and on the websites of BSE Limited (Stock Exchange of India Limited) at www.bseindia.com.

12. Relevant documents, if any, referred to in the notice and in the explanatory statement are open for inspection at the registered office of the Company during the business hours on any working day (except Saturday, Sunday and Public Holiday) between 11.00 a.m. to 1.00 p.m. up to the date of the Annual General Meeting. The above may be treated as an abstract/compliance under section 190 of the Act.

13. **Members desirous of asking any question or seeking any information in the meeting are requested to write a letter to the Company Secretary at least seven days before the date of meeting to enable the management to keep the answer/information ready.**

14. Members holding shares in physical form in single name are advised to make nomination in respect of their shareholding in the Company, as permitted under Section 72 of the Companies Act, 2013. They are requested to write to RTA of the Company in prescribed form i.e. Form No. SH -13 as per the Companies (Share Capital and Debentures) Rules, 2014. In case of shares held in dematerialized form, the nomination form has to be lodged directly with the respective Depository Participant (DP).

The Company's Registrar & Share Transfer Agent (RTA) is M/s Link Intime India Private Limited. The Communication address of the RTA is Noble Heights, 1st Floor, NH -2, C1- Block LSC, Near Savitri Market, Janakpuri, New Delhi - 110058, email: delhi@linkintime.co.in. In case of joint holders attending the AGM, only such joint holder who is higher in the order of names will be entitled to vote.

15. Members are requested to: -

- Quote DP ID and Client ID/Ledger Folio numbers in all their correspondence;
- Approach the RTA for consolidation of multiple ledger folios into one; and
- To avoid inconvenience, get shares transferred in joint names, if they are held in a single name and/or appoint a nominee.

16. In compliance with provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), the Company is pleased to provide members the facility to exercise their right to vote on resolutions proposed to be considered at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members

using an electronic voting system will be provided by Link Intime India Private Limited.

17. Kindly note that the members can opt for only one mode of voting i.e. either through remote e-voting or voting at the AGM through VC or OAVM. Therefore, members who have cast their votes by remote e-voting prior to the AGM may attend the AGM through VC or OAVM but shall not be entitled to cast their votes again. If a member casts votes by both modes then voting done through remote e-voting shall prevail and vote at the AGM shall be treated as invalid.

18. Members desiring to exercise their vote by e-voting are requested to carefully read the enclosed instructions which inter-alia provide the process and manner for e-voting, login ID, generating password and time schedule, including the time period during which the votes may be cast, etc.

19. In order to scrutinize the e-voting process in a fair and transparent manner and to carry out the required activities the Company has appointed Shri Manish Kumar Bansal (Advocate) partner of Globiz Partners as the Scrutinizer.

20. Members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses with their Depository Participant for members holding shares in electronics form. Members holding shares in physical form are requested to register their e-mail addresses with the Registrar & Share Transfer Agent for the purpose of receiving the Notice of AGM and Annual Report.

21. Members are requested to notify immediately any change in their address:

- to their Depository Participants (DP) in respect of shares held in dematerialized form, and
- to the Company at its registered office or its Registrar & Share Transfer Agent, Link Intime India Private Limited in respect of their physical shares, if any, quoting their Folio Number.

22. Since the AGM will be held through VC/OAVM, the route map is not annexed in this notice.

23. Information and other instructions relating to e-voting are given with e-voting communication.

The remote e-voting facility will be available during the following voting period:

- Commencement of remote e-voting: From 9.00 A.M. (IST) on 26.09.2020 .
- End of remote e-voting: Up to 5:00 P.M. (IST) on 28.09.2020.

**DIRECTORS' REPORT**

To the Members,

The Directors of your Company are pleased to present the 48th Annual Report together with the Audited Financial Statements for the year ended on March 31, 2020.

FINANCIAL PERFORMANCE

The financial performance of the Company for the financial year ended on March 31, 2020 is summarised below:

(₹ in Lakhs)

	2019-2020	2018-2019
Revenue from Operations (Net)	10,127.58	14,261.24
Profit/(Loss) before exceptional items and tax	(1,438.64)	597.06
Exceptional items	668.63	-
Profit / (Loss) before tax	(770.01)	597.06
Less: Tax expense	(233.41)	146.84
Profit / (Loss) for the year	(536.60)	450.22
Other Comprehensive Income	(55.74)	44.45
Total Comprehensive Income	(592.34)	494.67

During the year under review, the revenue from operations was ₹ 10,127.58 lakhs against ₹ 14,261.24 lakhs in the last financial year. The Company has incurred a loss of ₹ 770.01 lakhs against a profit of ₹ 597.06 lakhs in the last year. The performance of the Company has been affected mainly due to adverse market conditions resulting into lower sales volumes and reduction in sales price of major finished product i.e. newsprint paper. The outbreak of Covid-19 pandemic has also affected the business operations of the Company. The Directors expect to recover from the situation at the earliest and are hopeful for better performance during the current year.

DIVIDEND

The Directors have decided not to recommend any dividend due to losses incurred by the Company during the year under review.

SHARE CAPITAL

The paid-up Equity Share Capital as on March 31, 2020 was ₹ 1,352.17 lakhs. During the year under review, the Company has not issued any shares with differential voting rights, sweat equity shares and equity shares under Employees Stock Option Scheme.

LISTING ON STOCK EXCHANGES

The Equity Shares of the Company are listed on Bombay Stock Exchange. The Company's delisting application with Calcutta Stock Exchange is pending since long.

IMPACT OF COVID-19 PANDEMIC

The outbreak of Coronavirus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. In many countries, businesses are being forced to cease or limit their operations for long or indefinite

periods of time. COVID-19 is significantly impacting business operations of the companies, by way of interruption in production, supply chain disruption, unavailability of personnel, closure / lockdown of production facilities etc. Due to the spread of COVID-19 and in accordance with the various initiatives and directions of both Central and State Government(s) from time to time including Janata curfew and subsequent nationwide lock down, the operations of the Company were suspended. After the end of lockdown, the Company gradually started its business operations with minimum workforce combined with work from home policy. The Company is closely monitoring the situation arising out of COVID-19 and resultant restrictions imposed by the regulatory authorities. At this point of time, it is not possible either to foresee the duration for which this pandemic will last, nor predict its course. Hence, the Company is not in a position to assess with certainty the future impact on operations.

PUBLIC DEPOSITS

During the year under review, the Company has not accepted any public deposit within the meaning of Chapter V of the Companies Act, 2013 (the 'Act') and rules made there under.

EXTRACT OF ANNUAL RETURN

Pursuant to Section 92(3) and Section 134(3)(a) of the Companies Act, 2013, extract of the Annual Return as on March 31, 2020 in form MGT-9 is enclosed as 'Annexure-A' to this report and is also available on the Company's website www.skpmil.com at the link: <http://www.skpmil.com/pagepdf/1565263276.pdf>

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Pulp and Paper industry is one of the largest industries in the World. The Indian paper industry accounts for about 4% of the World's production of paper. The industry provides direct employment to about 500000 persons and indirectly to around 1.5 million. The Indian paper and paper product market has been segmented into raw material, application and region. Based on raw material, the market has been categorized into waste & recycled paper, wood and agro residue. Based on the application, the market has been bifurcated into writing & printing paper, paper board & packaging, newsprint and specialty paper. The paper and paper product market in India has been segmented into four regions i.e. North, South, East & West and western region is the lead consumer of paper and paper products across the Country.

OPPORTUNITIES AND THREATS

The paper industry is one of the key industrial sectors contributing to the economy of the Country. India's paper industry is one of the old and core industrial manufacturing sector with a bearing on socio-economic development. In India, this industry plays a vital role in the overall industrial growth and also provides necessary medium to propel our knowledge based economy forward in the new millennium. Continuous demand for education and literacy, growth in e-commerce, increasing organized retail, demand of quality packaging, ban on plastic and incremental demand of eco-friendly bags etc. are the main factors for growth of paper industry in India.

Growth of paper industry in India has been constrained due to threats from cheaper imports, high cost of production caused by high cost of raw materials and high energy cost. Pricing pressure is also having negative impact on the growth of the industry.

OUTLOOK

India's share in the demand of paper across the globe is growing as the domestic demand is increasing at a steady pace. The factors driving the success of the pulp and paper industry are the demand for hygiene products like paper towels, toilet paper and disposable makeup wipes etc. The center of the paper industry is also shifting towards more eco-friendly goods and technology. Overall, the pulp and paper industry are projected to remain healthy. In spite of ample room for growth, it will have effect of ongoing Coronavirus pandemic which can not be accurately predicted at this time.

RISKS & CONCERNS

Current outbreak of Coronavirus (COVID-19) continues to create Worldwide concerns. Around the World, markets have been extremely volatile leaving uncertainties about the ability of companies to sustain through this period. Our Company's operations have also been affected adversely due to this pandemic resulting into negative impact on demand and growth. The Company is closely monitoring the situation arising out of COVID-19. The Company has in place a risk management framework that helps in anticipating, identifying and evaluating business risks and challenges and finding ways to mitigate them.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains a robust framework of internal control system commensurate with the size, scale and complexity of its operation. The internal controls are designed to provide reasonable assurance on recording of transactions and provide reliable financial and operational information. The Company has proper policies, procedures and authorization guidelines commensurate with the level of responsibility, besides standard operating procedures. These internal controls are regularly reviewed by independent internal auditors of the Company and the internal audit reports are periodically reviewed by the Audit Committee. The Company has also put in place adequate internal financial controls with reference to the financial statements commensurate with the size and nature of operations of the Company.

FINANCIAL PERFORMANCE

During the year under review, the revenue from operations was ₹ 10,127.58 lakhs against ₹ 14,261.24 lakhs in the last financial year. The Company has incurred a loss of ₹ 770.01 lakhs against profit of ₹ 597.06 lakhs in the last year. The performance of the Company has been affected mainly due to adverse market conditions resulting into lower sales volumes and reduction in sales price of major finished product i.e. newsprint paper. The outbreak of Covid-19 pandemic has also affected the business operations of the Company. The Directors expect to recover from the situation at the earliest and are hopeful for better performance in the current year.

HUMAN RESOURCES & INDUSTRIAL RELATIONS

Our Company believes that people are not only its greatest asset but also the biggest competitive advantage. Employees are vital and valuable assets for any organization. They have always been part of success stories experienced by the organizations. The Company recognizes people as

the primary source of its competitiveness and continues to focus on people development by leveraging technology and developing a continuously learning human resource base to unleash their potential and fulfil their aspirations. The Company has an optimum process of recruitment and awarding its human resource which leads to attraction and retention of productive individuals in the organization. During the year, industrial relations were cordial. The total number of employees in the company stands at 280 as at March 31, 2020.

KEY FINANCIAL RATIOS

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key financial ratios.

Following are the key financial ratios:

Particulars	2019-20	2018-19
Price Earnings Ratio	(6.83)	9.01
Debtors Turnover Ratio	6.75	7.66
Inventory Turnover Ratio	6.23	9.25
Interest Coverage Ratio	(1.76)	3.83
Current Ratio	0.80	0.95
Debt Equity Ratio	2.62	1.92
Operating Profit Margin (%)	(4.85)	5.66
Net Profit Margin (%)	(5.30)	3.16
Return on Net Worth	(0.31)	0.20

Reason for significant change:

- Price Earning (PE) Ratio is in negative due to losses suffered by the Company.
- Inventory turnover ratio has been decreased due to decrease in cost of goods sold because of lower sales volume while there was no corresponding decrease in inventory.
- Interest Coverage Ratio is in negative on account of negative EBIT & higher interest expense.
- Debt equity ratio has been increased due to higher debt and lower equity due to losses.
- Operating Profit Margin and Net Profit Margin is in negative due to losses suffered by the Company during the year.
- Since the earning is in negative, return on net worth is also negative.

CAUTIONARY STATEMENT

Certain statements made in the Management Discussion and Analysis Report relating to the Company’s objectives, projections, outlook, expectations, estimates and others may constitute ‘forward looking statements’ within the meaning of applicable laws and regulations. Actual results may differ from such expectations whether expressed or implied. Several factors could make significant difference to climatic and economic conditions affecting demand and supply, price conditions, government regulations, taxation, other statutes and other incidental factors.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Shree Krishna Paper Mills & Industries Limited

Report on the audit of Financial Statements

Opinion

We have audited the accompanying financial statements of Shree Krishna Paper Mills & Industries Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of a Key Audit Matter is given below:-

Sl No.	Key Audit Matter	How the matter was addressed in our audit
1	<p>Appropriateness of the carrying amount of trade receivables (Unsecured & Considered Good) at amortized cost</p> <p>(Refer Note – 13 to the financial statements)</p> <p>Trade receivables aggregating to ₹ 1490.51 lakhs as at March 31, 2020 comprise a significant portion of the assets of the Company and serve as security for the Company's short-term debts.</p> <p>Letters have been sent to majority of the debtor for confirmation of balances and reconciliation, in case of differences, but replies have not been received from all.</p> <p>This is determined as a key audit matter as balance confirmation is one of the evidences which establishes the authenticity of the receivables which comprise significant portion of the Assets of the entity.</p>	<p>Our procedures, regarding obtaining the balance confirmation of Trade Receivable and verifying the same</p> <ul style="list-style-type: none"> · Designing the external confirmation procedures to obtain additional corroborative information as a response to address the assessed risks of material misstatement, including determining that external confirmation requests are properly addressed and contain return information for responses to be sent directly to the auditor and maintaining control over external confirmation requests. · Evaluating whether the results of the external confirmation procedures provide relevant and reliable audit evidence, or whether performing further audit procedures is necessary including in the case of each non-response, perform alternative audit procedures to obtain relevant and reliable audit evidence · Performing alternative audit procedures include examining specific subsequent cash receipts, transport documentation, and sales near the period-end. <p>Based on the above procedures performed, we did not find any significant exceptions with the balances of trade receivables.</p>

Information Other than the Financial Statements and Auditor's report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other

information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including Other Comprehensive Income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism

throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and

timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the 'Annexure-A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure-B'.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS financial statements – refer note no. 44 of the financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in our report of even date)

Referred to in Paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements", we report that:

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Shree Krishna Paper Mills & Industries Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Control Over Financial Reporting (the "Guidance Note") issued by Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

1. CORPORATE INFORMATION

Shree Krishna Paper Mills & Industries Limited (hereinafter referred to as 'the Company') is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company's equity shares are listed on the Bombay Stock Exchange. The Company is principally engaged in the manufacturing and selling of news print paper and other value-added papers. The Company's registered office is at 4830/24, Prahlad Street, Ansari Road, Darya Ganj, New Delhi – 110002.

The financial statements were authorized for issue in accordance with a resolution of the Board of Directors on July 23, 2020.

2. CHANGES IN ACCOUNTING STANDARDS AND OTHER RECENT ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from April 01, 2020.

3. CRITICAL ACCOUNTING JUDGEMENTS & KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Company's financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Defined Benefit Plans

The cost of the defined benefit plans and other post-employment benefits and the present value of such obligations are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long-term nature, a defined benefit plan is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Contingencies & Commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, we treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on our financial position or profitability.

Depreciation / amortisation and useful lives of property, plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes.

Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis.

Measurement of fair values

The Company's accounting policies and disclosures require financial instruments to be measured at fair values. The Company has an established control framework with respect to the measurement of fair values. The Company uses valuation techniques that are appropriate in the circumstances and for which the sufficient data are available to measure the fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified. For fair value hierarchy, refer note no.53 of financial statements.

Recognition of deferred tax assets and liabilities

Deferred tax assets and liabilities are recognised for deductible temporary differences and unused tax losses for which there is probability of utilisation against the future taxable profit. The Company uses judgement to determine the amount of deferred tax that can be recognised, based upon the likely timing and the level of future taxable profits and business developments.

Estimation of uncertainties relating to the global health pandemic from Covid -19

The outbreak of Covid-19 pandemic is causing significant disturbance and slowdown of economic activities globally. The nationwide lockdown ordered by the Government of India has resulted in significant reduction in economic activities and also the business operations of the Company in terms of sales and production. The management has considered the possible effects that may result from the pandemic on the recoverability/carrying value of the assets. Based on the current indicators of future economic conditions, the management expects to recover the carrying amount of the assets, however the management will continue to closely monitor any material changes to future economic conditions. Given the uncertainties, the final impact on Company's assets in future may differ from that estimated as at the date of approval of these financial statements.

4. SIGNIFICANT ACCOUNTING POLICIES

A. STATEMENT OF COMPLIANCE

The financial statements are prepared in accordance with and in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read along with Companies (Indian Accounting Standards) Rules 2015, as amended and other provisions of the Act. The presentation of the financial statements is based on Ind AS Schedule III of the Act.

B. BASIS OF PREPARATION AND PRESENTATION

The financial statements have been prepared on the historical cost basis except for certain financial instruments which have been measured at their fair values at the end of each reporting period in accordance with the relevant Ind AS. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

Company's financial statements have been presented in Indian National Rupee (₹) and all values are rounded to the nearest Lakhs, except where otherwise indicated.

C. CURRENT VERSUS NON-CURRENT CLASSIFICATION

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities. The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

The Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

D. FAIR VALUE MEASUREMENT

The Company measures financial instruments, such as derivatives and investment, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

E. PROPERTY, PLANT AND EQUIPMENT

The tangible items of property, plant and equipment are carried at cost less accumulated depreciation and accumulated impairment losses, if any. Cost of an item of property, plant and equipment comprises its purchase price including non-refundable duties and taxes, net of rebate and discounts and borrowing costs for qualifying assets, including other costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in statement of profit and loss. Fully depreciated assets still in use are retained in financial statements.

Capital Work in Progress is stated at cost. Cost includes purchase price, net of taxes where applicable and all direct costs and borrowing costs attributable to qualifying assets till they are ready for their intended use.

F. DEPRECIATION & AMORTIZATION

Depreciation on the property, plant and equipment (except for leasehold land) is provided on straight-line method ("SLM") over the useful lives of the assets as specified in Schedule II to the Act. On property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the month of addition / deletion.

The estimated useful life, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Leasehold land is amortized on a straight line basis over the period of lease.

G. BORROWING COST

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalised until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

H. INVENTORIES

Inventories except scrap are valued at lower of cost and net realizable value after providing for obsolescence. Scrap is valued at net realizable value. Cost is determined on FIFO basis. Cost of inventories comprises of cost of purchase, cost of conversion and other costs (net of recoverable taxes and duties wherever applicable) including manufacturing overheads incurred in bringing them to their respective present location and condition. Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost necessary to make the sale.

I. REVENUE RECOGNITION

Revenue from contracts with customers is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue excludes Goods and Service tax (GST) that is not received by the Company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue. The specific recognition criteria described below must also be met before revenue is recognized:

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

- i) Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on dispatch of the goods. It is measured at the fair value of the consideration received or receivable, net of returns and trade discounts.
- ii) Interest income for financial assets measured at amortized cost is recorded using the Effective Interest Rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

J. FOREIGN CURRENCY TRANSACTIONS AND TRANSLATION

Financial statements are presented in Indian Rupee, which is also the Company's functional currency. Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary assets or liabilities are translated at exchange rate prevailing on the balance sheet date and the exchange gains or losses are recognised in the statement of profit & loss. Financial instruments designated as Hedge Instruments are mark to market at the valuation existing on the reporting date. Exchange differences arising on settlement of monetary items on actual payments / realisations and year end translations including on forward contracts are dealt with in Statement of Profit and Loss in the period in which they arise.

Non monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transaction.

The Company uses forward exchange contracts to hedge its exposure to the extent considered appropriate and premium or discount arising on such forward exchange contract is amortised as expense or income over the life of the contract. The unhedged forward contracts remaining unsettled at the year end are translated at the exchange rates prevailing on that date and the resulting gains or losses are recognized in the Statement of Profit and Loss.

K. EMPLOYEE BENEFITS EXPENSE

i) Short term employee benefits

Short-term employee benefits include employee benefits (other than termination benefits) which are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service and are recognized as expense in the period in which the related service is rendered.

ii) Post-employment benefits

a) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contributions to defined contribution plans are charged to the Statement of Profit and Loss as and when incurred.

b) Defined benefit plans

Funded plan: The Company has a defined benefit plan for post employment benefit in the form of gratuity, which is administered through Life Insurance Corporation of India (LIC), liability for which is provided on the basis of valuation, as at the balance sheet date, carried out by an independent actuary. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

iii) Other long term employee benefits

Liability for compensated absences is provided on the basis of valuation as at the balance sheet date carried out by an independent actuary. The actuarial valuation method used for measuring the liability is the Projected Unit Credit (PUC) method.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

- iv) Termination benefits are recognized as an expense as and when incurred.
- v) The actuarial gains and losses on defined benefit plans arising during the year are charged to the Other Comprehensive Income.

L. TAX EXPENSES

Tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current Tax

Tax on income for the current period is determined on the basis on estimated taxable income and tax credits computed in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred Tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax (MAT) is calculated as per Section 115 JB of the Income Tax Act, 1961 and is payable when tax as per it is higher than tax as per the normal provisions of the Act. Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

M. EARNINGS PER SHARE

Basic Earnings Per Share (EPS) is computed by dividing the net profit or loss after tax attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted EPS is computed by adjusting the profit or loss attributable to the equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential equity shares.

N. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, where it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

Where a provision is measured using the cash flows estimates to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

O. LEASES

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

P. IMPAIRMENT OF ASSETS

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Trade receivables

The Company applies approach permitted by Ind AS 109, financial instruments, which requires expected lifetime losses to be recognised from initial recognition of receivables.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

Q. DERIVATIVE FINANCIAL INSTRUMENTS

The Company uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks. Derivative financial instruments are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value at the end of each period. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, on the nature of the item being hedged. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

R. FINANCIAL INSTRUMENTS

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Purchase and sale of financial assets are recognized using trade date accounting.

Cash and cash equivalents

Cash and cash equivalents comprise cash at banks and on hand and demand deposits with an original maturity of three months or less and short-term highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

(i) Financial Assets

Initial Recognition and Measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent Measurement

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets At Fair Value Through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if such financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell such financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets At Fair Value Through Profit or Loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

All equity investments are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss, except for those equity investments for which the Company has elected an irrevocable option to present value changes in OCI.

(ii) Financial Liabilities

All financial liabilities are recognized at fair value at initial recognition and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost. Financial Liabilities are subsequently measured at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of Financial Instruments:

A financial asset is primarily derecognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset and has substantially transferred all the risks and rewards of ownership of the financial assets.

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

S. NON-CURRENT ASSETS HELD FOR SALE

Non-current assets or disposal comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met (i) decision has been made to sell (ii) the assets are available for immediate sale in its present condition (iii) the assets are being actively marketed and (iv) sale has been agreed or is expected to be conducted within 12 months of the Balance Sheet date. Subsequently, such non-current assets and disposal groups classified as held for sale are measured at lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

Non-current assets classified as held for sale are presented separately in the balance sheet

T. EXCEPTIONAL ITEMS

When items of income and expense within statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

The following methods and assumptions were used to estimate the fair values:

The fair values of the long term borrowings, loans and other deferred payments are determined by using discounted cash flow method using the appropriate discount rate. The discount rate is determined using other similar instruments incorporating the risk associated.

The fair value of long term quoted investment in equity instruments are measured at quoted market price.

The fair values of the unquoted instruments and other financial assets and liabilities have been estimated using a discounted cash flow method using the appropriate discount rate. The discount rate is determined using other similar instruments incorporating the risk associated.

The Company executed derivative financial instruments such as cross currency interest rate swap being valued using valuation techniques, which employs use of market observable inputs. The Company uses mark to market valuation provided by bank for its valuation.

There were no transfers between level 1 and level 2 for recurring fair value measurements during the year.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole;

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

54) FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that derive directly from its operations. The Company also holds FVTOCI investments and enters into derivative transactions. The Company is exposed to market risk, credit risk and liquidity risk. The Company's management monitors these risks and provides assurance that the financial risk activities are governed by appropriate policies and procedures. The financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by teams that have the appropriate skills, experience and supervision. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and investments. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of counterparty to which the Company grants credit terms in the normal course of business.

Trade receivables

The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in largely independent markets. The credit worthiness are monitored at periodical intervals. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data of credit losses from various customers.

Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations when they become due. The Company manages liquidity risk by continuously monitoring forecast and actual cash flows on daily, monthly and yearly basis. The Company ensures that there is a free credit limit available at the start of the year which is sufficient for repayments getting due in the ensuing year. Loan arrangements, credit limits with various banks including working capital and monitoring of operational and working capital issues are always kept in mind for better liquidity management

The Company has unutilised working capital limits from banks of ₹ 813.86 lakhs as on March 31, 2020; ₹ 690.62 lakhs as on March 31, 2019.

Market Risk- Foreign Currency Risk

This is the risk that the Company may suffer losses as a result of adverse exchange rate movement during the relevant period. As a policy, the Company is covering foreign exchange risk on account of import to avoid any loss situation due to adverse fluctuations in currency rates. There is periodical review of foreign exchange transactions and hedging by the Company's executives.

Market Risk-Price Risk Exposure

Equity Price Risk is related to the change in market reference price of the investments in equity securities. The Company is exposed to equity price risks arising from equity investments. Equity investments are held for strategic rather than trading purposes. The Company does not actively trade these investments. Profit for the year would increase/ (decrease) as a result of gains/ losses on equity securities as at fair value through profit or loss.

Sensitivity

The table below summarizes the impact of increases/decreases of the BSE index on the Company's equity and Gain/Loss for the period. The analysis is based on the assumption that the index has increased by 5 % or decreased by 5 % with all other variables held constant, and that all the Company's equity instruments moved in line with the index

Impact on Profit/(loss) before tax

(₹ in Lakhs)

Particulars	As at March 31, 2020	As at March 31, 2019
BSE Sensex 30- Increase 5%	0.00	0.00
BSE Sensex 30- Decrease 5%	(0.00)	(0.00)

Above referred sensitivity pertains to quoted equity investment. Profit/(loss) for the year would change as a result of gains/ losses on equity securities as at fair value through profit or loss. Since the Company has nominal investments in quoted equity and hence, sensitivity analysis is reflecting zero value.

Foreign Currency Risk Sensitivity

A change of 5% in Foreign currency would have following Impact on profit/(loss) before tax

(₹ in Lakhs)

Particulars	As at March 31, 2020	As at March 31, 2019
USD		
5% Increase	(11.61)	(22.94)
5% Decrease	11.61	22.94

Interest Rate Risk

The Company has loan facilities on floating interest rate, which exposes the Company to the risk of changes in interest rates. The management monitors the interest rate movement and manages the interest rate risk by evaluating interest rate swaps etc. based on the market / risk perception.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2020

For the years ended March 31, 2020 and March 31, 2019, every 50 basis point decrease in the floating interest rate component applicable to its loans and borrowings would increase/(decrease) the Company's profit/(loss) before tax by approximately ₹ 8.72 Lakhs and ₹ 6.66 Lakhs respectively. A 50 basis point increase in floating interest rate would have led to an equal but opposite effect.

Commodity Rate Risk

Exposure to market risk with respect to commodity prices primarily arises from the Company's purchases of waste paper including the raw material components and sales of newsprint paper and other papers. These are commodity products, whose prices may fluctuate significantly over short periods of time. The prices of the Company's some of the raw materials generally fluctuate in line with commodity cycles, although the prices of raw materials used in the Company's business are generally more volatile. Commodity price risk exposure is evaluated and managed through operating procedures and sourcing policies. As of March 31, 2020, the Company had not entered into any material derivative contracts to hedge exposure to fluctuations in commodity prices.

57) The outbreak of Covid-19 pandemic is causing significant disturbance and slowdown of economic activities globally. The nationwide lockdown ordered by the Government of India has resulted in significant reduction in economic activities and also the business operations of the Company in terms of sales and production. The management has considered the possible effects that may result from the pandemic on the recoverability/carrying value of the assets. Based on the current indicators of future economic conditions, the management expects to recover the carrying amount of the assets, however the management will continue to closely monitor any material changes to future economic conditions. Given the uncertainties, the final impact on Company's assets in future may differ from that estimated as at the date of approval of these financial statements.

58) Comparative corresponding figures for the previous year have been regrouped and/or re-arranged wherever considered necessary.

59) There are no significant subsequent events that would require adjustments or disclosures in the financial statements as on the balance sheet date.
