MANAGEMENT DISCUSSIONS AND ANALYSIS

INDUSTRIES STRUCTURE, DEVELOPMENT AND OUTLOOK

Your Company is in the Business of Ball and Roller Bearings which are required in the Automobile Segment. About 65% of the Bearings demand is from the Original Equipment Manufacturers (OEMs) and the rest is from the After Market and some exports.

Due to the Indian Automobile Industries showing a growth year after year, the potential demand for bearings is ever increasing.

The annual production of the domestic organized sector and the un-organized sector has been steadily increasing every year.

OPPORTUNITIES AND THREATS

Almost all the large vehicle manufacturers in the World have set up their base in India as well as, the domestic existing manufacturers are also increasing their production capacities. This gives an opportunity of higher demand for your Company's product.

Simultaneously there is increased production of Ball and Roller bearings as well as huge imports of bearings from various Countries including China.

Inspite of the above scenario, the production and imports of bearings has led to a fierce competition in the markets since the supply outstrips the total demand, which due to various factors have become sluggish. Although this appears to be a temporary short term situation, we have to keep in mind that the Government's progressive steps like Demonetization as well as the introduction of GST has resulted in slowing down of the economic activities. Also due to the banking reforms, which has exposed the high NPAs of the Public Sector Banks in particular as well as the NBFC crisis, there is a severe liquidity crunch in the business cycle. As a result of the above measures there is more transparency in business as well as the ease of doing business. A new philosophy of doing business is emerging and the old methods and policies are going through a change to give way to new solutions to the new challenges in the new environment of doing business. Your Company is also going through a transformation in the way of doing business and although it is taking a little longer due to the circumstances the Management expects that the new modules which are presently under implementation will make the Company more competitive and expects better long term financial results for the Company.

Segment wise Performance

Your Company has a single reportable segment of ball and roller bearings as the primary business segment for the purpose of AS-17. The assets and liabilities of the Company are all expended towards this business segment.

Risk Management System

Risk Management System Like any other ongoing business, your Company is exposed to a large number of potential risks that can adversely affect its business. Your Company has established comprehensive Risk Management System to ensure that risks to the Company's continued existence as a going concern and to its development are identified and addressed on timely basis. Consciously dealing with identified risks and regularly monitoring risk factors increases risk awareness and ensures continuing improvement.

Management identifies and evaluates - especially such risks which could jeopardise continued existence or development at an early stage and defines and implements measures to control these risks.

Internal Control Systems and Adequacy

Based on the nature of the business and size of operations the Company has in place adequate systems of internal control and documented procedures covering all financial and operating functions. These controls have been designed to provide for:

- Accurate recording of transactions with internal checks and prompt reporting
- Safeguarding assets from unauthorized use or losses
- Compliance with applicable statutes, and adherence to management instructions & policies
- Effective management of working capital
- Monitoring economy and efficiency of operations

Human Resource and Industrial Relations

Overall relations with the employees have been cordial during the year and the Company has contained its employee costs.

We continuously aim to provide career development and growth opportunities to our people through our Talent Management Process. It provides dual opportunities for people to grow in their managerial capabilities aligned with their career aspirations. We continuously encourage our people to broaden their horizons and fulfil their potential via a wide and varied range of learning and development opportunities.

Cautionary Statement

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may constitute 'forward looking statements' within the meaning of applicable laws and regulations.

Actual results may differ materially from those either expressed or implied.

INDEPENDENT AUDITOR'S REPORT

To the Members

Deccan Bearings Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Deccan Bearings Limited** ("the Company"), which comprise the balance sheet as at 31st March 2019, and the statement of Profit and Loss, (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2019, taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its Ind AS financial statements.

- ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'B' to the Independent Auditor's Report of even date on Ind AS financial statements of Deccan Bearings Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Deccan Bearings Limited ('the Company') as of 31st March, 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') and the Standards on Auditing as specified under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting.

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the entity's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting.

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

1. CORPORATE INFORMATION:

Deccan Bearings Limited ('the Company) is public limited company domiciled and incorporated in India and having its registered office at 315/321 Prospect Chambers, 2nd Floor, DR. D. N. Road, Fort, Mumbai – 400 001. The Company's shares are listed on BSE Limited (Bombay Stock Exchange). The Company is engaged in trading bearings.

2. SIGNIFICANT ACCOUNTING POLICIES:

2.1 BASIS OF PREPARATION:

The financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified pursuant to section 133 of the Companies Act, 2013 ('the Act'), read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2.2 CURRENT AND NON CURRENT CLASSIFICATION:

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Act. Based on the nature of the products and the time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its normal operating cycle as twelve months for the purpose of current or non-current classification of the assets and liabilities.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.3 SIGNIFICANT ACCOUNTING JUGEMENTS, ESTIMATES AND ASSUMTIONS:

The preparation of the financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities. Actual results could differ from those estimates.

Estimates and judgments are reviewed on an ongoing basis. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstance. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

The key assumptions concerning the future and other key sources of estimating uncertainty at the reporting date, that have a significant risk of causing a material adjustments to the carrying amounts of assets and liabilities within the next financial year, are described below

a. Impairment of Property, Plant and Equipment (PPE)

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline in asset's value, significant changes in the technological, market, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance the asset etc.) which could result in significant change in recoverable amount of the PPE.

b. Determination of the estimated useful lives

Useful lives of all PPE are based on the estimation done by the Management which is in line with the useful lives as prescribed in part 'C' of Schedule II to the Act.

c. Current and deferred taxes

Significant management judgment is required to determine the amount of current and deferred taxes that can be recognized, based upon the likely timing and the level of future taxable profit together with future tax planning strategies.

DECCAN BEARINGS LIMITED

ANNUAL REPORT 2018-2019

2.4 PROPERTY, PLANT AND EQUPMENT:

Fixed Assets are stated at Cost except for Land, Factory Building, Plant & Machinery, Staff quarters which were revalued as on 31st March, 1996, and Plant & Machinery again revalued as on 31st March, 2003, are stated at the value as determined by the approved valuers.

2.5 DEPRECIATION / AMORTIZATION:

Depreciation on Fixed Assets is provided on straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

2.6 IMPAIRMENT:

The carrying amount of PPE are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal/external factors. Assessment of indication of impairment of an asset is made at the year end. An impairment loss is recognized whenever the carrying amount of as asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the Company measures its 'value in use' on basis of estimated discounted cash flow of projections based on current prices.

After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

2.7 INVENTORIES:

Inventories are valued as under, after providing for obsolescence.

- i] Raw-materials at cost
- ii] Finished goods and Work-in-Progress at cost of Direct materials, Direct wages and appropriate overheads.
- iii] Traded Goods at lower of cost or realisable value.

2.8 FOREIGN CURRENCEY TRANSACTIONS:

Initial Recognition:

Foreign currency transactions are translated in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency, prevailing at the date of transaction.

Conversion:

Foreign currency monetary items as at balance sheet date are translated using the closing exchange rate on that date

Exchange difference:

Realised gains and losses on Foreign exchange transactions pertaining to current assets and current liabilities are recognized in the Profit and Loss Account.

2.9 REVENUE RECOGNITION:

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable and represents receivable for goods and services provided in the normal course of business, net of discount and taxes:

- i. Revenue from sales of goods is recognized on transfer of significant risk and rewards of ownership of products to the customers.
- ii. Interest income is accounted for on a time proportion basis taking into account the amount outstanding and the rate applicable.

NOTES TO IND AS FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

24 FINANCIAL RISK MANAGEMENT:

The Company has exposure to the following risks arising from financial instruments:

- . Market risk
- . Liquidity risk
- . Credit risk

In the course of its business, the Company is exposed primarily to aforesaid risks, which may impact the fair value of its financial instruments. The Company has risk management system which not only covers the foreign exchange risk but also other risks associated with the financial assets and liabilities such as credit risks. The risk management strategy is approved by Board of Directors which is implemented by the Company's management. The risk management framework aims to create a stable business planning environment by reducing the impact of market related risks, credit risks and currency fluctuations on the Company's earnings. The risks identified through the risk management system are analysed and evaluated by the Company's management and reported to the Board of Directors periodically along with report of planned mitigation measures.

A) Market Risk:

Market risk is the risk of any loss in future earnings, in realizable fair values or in future cash flows that may result from a change in the price of financial instrument, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy.

B) Liquidity Risk:

The Company's principal sources of liquidity are cash and cash equivalents and cash flow generated from operations. The Company regularly monitors actual cash flows and forecast to ensure that the Company maintains sufficient liquidity to meet the operation needs.

C) Credit Risk:

Credit risk is the unexpected loss in financial instruments if the counter parties fail to discharge its contractual obligations in entirely and timely. The Company is exposed to credit risks arising from its operating and financing activities such as trade receivable, loans and advances and other financial instruments. The carrying amounts of financial assets represent the maximum credit exposure.

Trade Receivables:

Credit risk on trade receivables is limited due to the Company's diversified customer base.
