Liquor policy case: No relief for Sisodia as HC rejects bail

Had sought bail in ED, CBI cases against him

MALAVIKA PRASAD New Delhi, May 21

OBSERVING THAT HE is 'an influential person within the power corridors of Delhi government'and the 'possibility of tampering with evidence' cannot be ruled out, the Delhi High Court Tuesday rejected AAP leader and former Deputy Chief Minister Manish Sisodia's applications for bail in the Delhi excise policy cases being investigated by the ED and CBI.

Sisodia has been in custody since his arrest by the CBI in February 2023 and by the ED the next month. The singlejudge bench of Justice Swarana Kanta Sharma — a detailed copy of the judgment is awaited — said, 'Case at hand involves grave misuse of power and breach of public trust by the applicant (Sisodia) who was serving as Deputy CM of Delhi

at the relevant point of time.' 'As a minister having 18 portfolios, including the department of excise, the applicant was entrusted with formulation of liquor policy for the Government of NCT of Delhi. However, the material collected during investigation shows that the applicant subverted this process of making a policy by fabricating the public feedback to suit his predetermined goal. The aim was to create a public policy which would benefit select individuals, especially wholesale distributors in return of advanced kickbacks,'the bench said.

'The applicant (Sisodia) had called for public comments on a report submitted by the expert committee for formulation of liquor policy ostensibly to incorporate views and suggestions of citizens of Delhi... other stakeholders... However, rather than genuinely seeking

Manish Sisodia has been in custody since his arrest by the CBI in February 2023 and by the ED the next month

the opinion of common citizens of Delhi, the applicant orchestrated a scheme where pre-drafted emails containing specific suggestions aligned with his own interest were sent to the designated feedback email address of the excise department, it said. 'This deceptive act was a

calculated move to create an illusion that the excise policy was formed after careful consideration of feedback received from the public but in reality the feedback was manufactured to justify Sisodia's decision to formulate the policy... to benefit a few individuals, it said. The 'integrity of the decision making process' with respect to the policy was 'compromised' and the public's voice was rendered moot, it said.

'Such action perpetuates a cycle of deceit and manipulation within the corridors of power, setting a dangerous precedent for future policy making endeavours,' it said. The practice of portraying policies having widespread public support through fake responses, the bench said, is 'deeply deceptive'. It said the 'possibility of tampering with evidence' if Sisodia is released

on bail cannot be ruled out. 'The petition mentions that he (Sisodia) is AAP's senior

leader. Thus, he is an influential person of Delhi government,' it said. On the SC's October 30, 2023 order, the bench observed that the SC's directions entitle Sisodia to file fresh bail application in case he feels that trial has not proceeded in the case 'but adjudication of the application has to be based on the merits with an additional consideration of delay in trial'. 'It was not laid down (by the SC) that the applicant (Sisodia) will be entitled to grant of bail solely on the ground of delay in trial, it said.

'This court holds that SC

had clearly mentioned that the courts hearing (Sisodia's) bail applications will not be influenced by previous orders of rejection of bail...which means that this (High) Court can, on its own, independently apply its mind to the facts of the case and decide the bail application accordingly. This court holds that accepting arguments of senior counsel for the applicant – that this court cannot go beyond the observations made by the SC – is meritless since SC has itself clarified that all factual and legal issues are left

open,'the bench said. It also observed it was not the fault of the ED, CBI or trial court that there have been 'multiple accused persons, delay by accused persons in joining the investigation' given that the conspiracy spreads over many states with one interrogation leading to another.

'No fault can be found by ED, CBI that there were voluminous records found in the investigation,'it said.

The HC said that the prosecution (ED) had made out a 'prima facie case' of money laundering under Section 3 of the Prevention of Money Laundering Act (PMLA).

It also took note of the medical condition of Sisodia's wife and said that the arrangement wherein the trial court had permitted him to meet his wife every week would continue.

Respectfully disagree with court decision, says AAP

AFTER THE REJECTION of the bail pleas of Manish Sisodia in the excise case, the AAP on Tuesday said the party 'respectfully disagrees' with the Delhi High Court's decision and will approach the Supreme Court to seek 'justice' for the former Delhi deputy chief minister.

The high court on Tuesday dismissed the bail pleas of Sisodia in money laundering and corruption cases lodged by the Enforcement Directorate (ED) and the CBI respectively in connection with the alleged liquor scam.

Addressing a press conference, Delhi minister Atishi said the excise policy case is a 'political conspiracy' of the BJP. 'We respect HC but we respectfully disagree with its decision. This alleged liquor scam is a political conspiracy by BJP. It is a political conspiracy to attack AAP, crush and trample the party.

'When the BJP couldn't defeat AAP in Delhi and Punjab in the electoral battle, this conspiracy was hatched,' she

The AAP leader said there are certain facts that prove this is a conspiracy '... Investigation has been going on for more than two years, more than 500 ED and CBI officers are involved in its probe, and more than eight charge sheets have been filed. Despite all this there has been no recovery of money from any AAP leader or minister. This must be the first scam in the world where no money trail has been found,'she claimed.

Atishi said the whole case is based on statements taken through coercion and alleged that witnesses were tortured or beaten up till the time they did not give statements against AAPleaders.

L-G breaks his silence over Swati Maliwal row

PRESS TRUST OF INDIA New Delhi, May 21

DELHI LT GOVERNOR VK Saxena on Tuesday said chief minister Arvind Kejriwal's 'deafening silence' on the alleged assault on AAP Rajya Sabha MP 'speaks volumes of his stance on the safety of women' and stressed that the CM should have not been 'evasive' and 'dodgy' on the issue.

Hittingback, the AAP said the L-G's statement proves that 'Maliwal is working at the behest of BJP'. The Delhi Police on Saturday arrested an aide of Kejriwal, after Maliwal had accused him of assaulting her on May 13 at the Delhi chief minister's official residence.

In a statement, posted by the Raj Niwas on 'X', Saxena said the Delhi Police is investigating the matter and it will be brought to its 'logical conclusion'. He also termed the alleged 'U-turn' by the party on the matter 'baffling." I have been deeply distressed over the unfolding media narrative over the last few days on the issue of alleged assault on Swati Maliwal, MP, AAP, at the residence of chief minister...

"Yesterday, she called me out of sheer anguish, describing at length her traumatic experience, and the subsequent in timidation and shaming that she is being subjected to by her own colleagues. She also expressed concerns over reported tampering of evidence and coercion against her," he said.

'The importer shall reexport such prohibited Goods reaching Customs Ports else the Customs Authorities shall deform the goods beyond use and dispose of the goods as scrap under intimation to Ministry of Electronics and Information Technology (MeitY),' the notification released by the commerce and industry ministry dated May 20 said.

The notification said that for the LED products and DC or AC supplied control gears for LED modules as notified in a 2021 order, samples will be picked up on random basis from the randomly selected consignments and will be sent to BIS recognised labs for testing of limited defined non-destructive safety para-

meters from the IS standard applicable on the product, as identified by MeitY from time to time.

'Further, for such consignments, clearance would be given by Customs to only those consignments where the randomly selected sample has complied with the requirements of standard for the defined parameters. However, if the sample drawn fails to meet the requirements of standard, such consignment will be sent back or will be destroyed at the cost of importer, the notification read.

This newspaper had reported that the government's PLI scheme for IT hardware is moving in the slow lane, despite the Union Information Technology Ministry modifying the plan to increase budgetary outlay last May, and clearing 27 entities, including Acer, Asus, Dell, HP and Lenovo, under the scheme.

The government had asked companies to come back with production targets under the scheme but it is yet to receive detailed projections by the companies despite repeated efforts.

'The companies are hopeful that they can push the government on that timeline further and keep importing, which in a way, also disincentives them to prioritise the IT hardware PLI,' a senior government official said.
