Opinion

We have audited the accompanying quarterly and year to date financial results of Ujaas Energy Limited (the Company) for the quarter and year ended 31st March, 2021 attached herewith being submitted by the company pursuant to the Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

In our opinion and to the best of our information and according to the explanations given to us these financial results :

(i) are presented in accordance with the requirements of the Listing Regulations 33 of The SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 in this regards and

(ii) *except for effect / possible effect of the matter described in basis of qualified opinion paragraph below, gives a true and fair view in conformity with the applicable accounting standards and other accounting principles generally accepted in India of the net loss, other comprehensive loss and other financial information for the quarter and year ended March 31,2021.*

The National Company Law Tribunal ("NCLT"), Ahmedabad Bench, admitted petition for initiation of Corporate Insolvency Process ("CIRP") u/s 7 of the Insolvency and Bankruptcy Code, 2016 ("the Code") filed by a operational creditor vide order no. CP(IB) No. 09/9/NCLT/AHM/20 dated 17th September, 2020 and appointed an Resolution Professional ("RP") to manage affairs of the Company in accordance with provision of the Code. In view of the pendency of the CIRP and suspension of powers of Board of Directors and as explained to us, the power of adoption of the Statement vests with RP.

Basis for Qualified Opinion

Attention is drawn to :

1. *As mentioned in Note 1 & 2 of the Statement, creditors were called upon to submit their claims. Claims submitted by the Financial creditors and operational creditors are subject to reconciliations. Pending reconciliation and final outcome of the CIRP, no accounting impact in the books of accounts has been made in respect of excess, short, or non-receipts of claims for*

operational and financial creditors. Hence consequential impact, if any, on the financial results is currently unascertainable.

2. We have been informed by Resolution Professional the certain information including the minutes of the meeting of the Committee of Creditor and the outcome of certain procedures carried out as a part of the CIRP are confidential in nature and could not be shared with anyone other than the Committee of Creditor and NCLT. Accordingly, we are unable to comment on the possible financial impact, presentation and disclosure, if any, that may arise if we have been provided access to those information.
3. As mentioned in Note No 3 of the Statement, no impairment assessment of property plant and equipment and intangible asset in carrying value as at 31st March, 2021 is made. Therefore, we are unable to comment on consequential impairment, if any, that is required to be made in carrying value of property, plant and equipment and intangible assets.
4. Note No. 5, regarding balance confirmations not been received in respect of certain trade receivables, trade and other payables, and loans and advances as a result of which reconciliation process and consequential adjustments, if any, has not been carried out. The Company has adjusted / provided significant amounts basis its internal estimates, against which necessary supporting documentation has not been made available to us.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (as amended). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

1. Since the CIRP is currently in progress, as per the Code, it is required that the Company be managed as going concern basis during CIRP. The financial results is continued to be prepared on going concern basis. However, there exists material uncertainty about the Company's ability to continue as going concern since same is dependent upon the resolution plan approved by the CoC, to be approved by NCLT. The appropriateness of preparation of financial results on going concern basis is critically dependent upon outcome of CIRP as specified in the Code.
2. We draw attention to the note 4 of the financial statements with regards to management's assessment of, inter-alia, realisability of assets due to COVID 19 pandemic outbreak.
3. We draw your attention to note 7 of the Statements with regard reversal of interest on borrowing by bankers amounting to Rs. 675.56 lacs which has not been reversed by the Company.
4. We draw your attention to note 8 of the Statements with regards to management's assessment of inter-alia, realisability of Renewable Energy Certificates amounting to Rs. 1173 lacs which is subject to adjudication of pending litigation at Apex Court. The management is hopeful of realizing the aforesaid amount considering the legal opinion.

Our report is not modified in respect of this matter.

Management's Responsibility for the Financial Statements

These quarterly financial results as well as the year to date financial results have been prepared on the basis of the annual financial statements. The Board of Directors of company is responsible for the preparation and presentation of these financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, the Board of directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standard on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standard on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

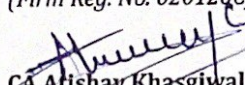

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
