NOTES FOR MEMBERS:

1. In view of the continuing Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated January 13, 2021 and May 5, 2020 read with circulars dated April 8, 2020 and April 13, 2020 (collectively referred to as "MCA Circulars") and Circular No. SEBI/H/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 issued by Securities and Exchange Board of India ("SEBI Circular") permitted the holding of the Annual General Meeting ("AGM") through Video Conferencing ("VC") / Other Audio- Visual Means ("OAVM"), without the physical presence of the Members at a common venue. In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being proposed to be held pursuant to the said MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Attendance Slip and Proxy Form are not attached to this Notice.
3. Statement as required under section 102 of the Companies Act, 2013, in respect of special business is annexed hereto.
4. In case you are holding the Company's shares in dematerialized form, please contact your depository participant and give suitable instructions to update your bank details in your demat account and to notify any changes with respect to their addresses email id, ECS mandate etc.

In case you are holding Company's shares in physical form, please inform company's RTA viz. M/s. Venture Capital and Corporate Investments Pvt. Ltd, 12-10-167, Bharat Nagar, Hyderabad - 500 018 by enclosing a photocopy of blank cancelled cheque of your bank account.
5. As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. M/s. Venture Capital and Corporate Investments Pvt. Ltd, 12-10-167, Bharat Nagar, Hyderabad -500 018 is the Registrar & Share Transfer Agents (RTA) of the Company. All communications in respect of share transfers, dematerialization and change in the address of the members may be communicated to the RTA.
6. Members holding shares in the same name under different Ledger Folios are requested to apply for consolidation of such Folios and send the relevant share certificates to the RTA/Company.
7. Corporate members intending to send their authorised representatives to attend the meeting are requested to send to the company a certified copy of the Board resolution authorising their representative to attend and vote on their behalf at the meeting.
8. Members holding shares in physical form are informed to furnish their bank account details to the RTA to have the same printed on the dividend warrants so as to avoid any possible fraudulent encashment / misuse of dividend warrants by others.
9. Members who hold shares in physical form can nominate a person in respect of all the shares held by them singly or jointly. Members who hold shares in single name are advised, in their own interest to avail the nomination facility. Members holding shares in dematerialized form may contact their respective depository participant(s) for recording nomination in respect of their shares.

10. Transfer of Unclaimed/Unpaid amounts to the Investor Education and Protection Fund (IEPF):

Members are requested to note that dividends not encashed or remaining unclaimed for a period of 7 (seven) years from the date of transfer to the Company's Unpaid Dividend Account, shall be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Further, pursuant to the provisions of Section 124 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules') as amended from time to time, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs.

The Members/Claimants whose shares, unclaimed dividend have been transferred to IEPF may claim the shares or apply for refund by making an application to IEPF Authority in Form IEPF 5 which is available on HYPERLINK "<http://www.iepf.gov.in/>"www.iepf.gov.in and on the website of the Company www.cclproducts.com along with requisite fee as decided by it from time to time.

Members who have not yet encashed the dividend warrants from the financial year ended 31st March 2013 onwards are requested to forward their claims to the Company's Registrar and Share Transfer Agents without any further delay. It is in Members' interest to claim any un-encashed dividends and for future, opt for Electronic Clearing Service, so that dividends paid by the Company are credited to the Members' account on time.

It may be noted that once the unclaimed dividend is transferred to IEPF as above, no claim shall rest with the Company in respect of such amount. It may also be noted that the unclaimed dividend amount which were lying with the Company upto and in respect of the year ended on 31st March 2013, have already been transferred to IEPF. The details of the unclaimed dividends are available on the Company's website at www.cclproducts.com and on the website of Ministry of Corporate Affairs at www.mca.gov.in. Members are requested to contact the Company's Registrar and Share Transfer Agent or the Company to claim the unclaimed/unpaid dividends.

11. Members seeking any information or clarification on the accounts are requested to send their queries to the Company, in writing, at least one week before the date of the meeting. Replies will be provided in respect of such written queries at the meeting.

12. Pursuant to the directions/notifications of Securities and Exchange Board of India (SEBI) and Depositories, the demat account holders can operate their accounts if they had already provided Income Tax Permanent Account Number either at the time of opening of the account or at any time subsequently. In case they have not furnished the Income Tax Permanent Account Number to the Depository Participants, such demat account holders are requested to contact their DPs with a photocopy of the PAN Card (with original PAN Card for verification), so that the frozen demat accounts would be available for operation and further consequences of non-compliance with the aforesaid directives would be obviated. SEBI, vide Circular ref.no.MRD/Dop/Cir-05/2009 dated May 20, 2009 made it mandatory to have PAN particulars for registration of physical share transfer requests. Based on the directive contained in the said circulars, all share transfer requests are therefore to be accompanied with PAN details. Members holding shares in physical form can submit their PAN details to the Company / RTA.

13. Members may also note that the Notice of the 60th Annual General Meeting is available on the Company's website: www.cclproducts.com. All documents referred to in the accompanying Notice and the Statement pursuant to Section 102(1) of the Companies Act, 2013 shall be open for inspection by the Members by writing an e-mail to the Company Secretary at HYPERLINK "<mailto:companysecretary@continental.coffee>" companysecretary@continental.coffee.

In compliance with MCA Circulars and SEBI Circulars, Notice of the AGM along with Annual Report 2020-21 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company / Depository Participants. Members may note that the Notice and the Annual Report 2020-21 will also be available on the Company's website at www.cclproducts.com, on the website of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of CDSL at "<http://www.evotingindia.com>" www.evotingindia.com.

To support 'Green Initiative', members who have not registered their email addresses are requested to register the same with the Company's Registrar and Share Transfer Agent/ their Depository Participants in respect of shares held in physical/electronic mode, respectively.

14. The Register of Members and Share Transfer Books of the Company will remain closed from 21st August, 2021 to 26th August, 2021 (both days inclusive) and Record date has been fixed as 20th August, 2021 for the purpose of payment of dividend for the financial year ended 31st March 2021.

Pursuant to Finance Act, 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their PAN with the Company / Registrar and Transfer Agent (in case of shares held in physical mode) and with the Depository Participants (in case of shares held in Demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax, can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by sending an email to investor.relations@vccipl.com on or before 14th August, 2021.

Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%. Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to investor.relations@vccipl.com. The aforesaid declarations and documents need to be submitted by the shareholders on or before 14th August, 2021.

15. Since the AGM will be held through VC/OAVM, the Route Map is not annexed to the Notice.
16. Additional information pursuant to Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and pursuant to Secretarial Standards on general meetings, information in respect of the Directors seeking appointment/re-appointment at the Annual General Meeting is furnished in the annexure and forms part of the notice. The Directors have furnished the requisite consent / declaration for their appointment / re-appointment.
17. Additional information pursuant to Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and pursuant to Secretarial Standards on general meetings, information in respect of the Directors seeking re-appointment at the Annual General Meeting is furnished in the annexure and forms part of the notice. The Directors have furnished the

The Board of directors commends the re-appointment of Ms. Challa Shantha Prasad, Non-Executive Director and Mr. K.K Sarma, Directors, liable to retire by rotation

18. Retirement of Directors by rotation: Ms. Challa Shantha Prasad, Non-Executive Director and Mr. K.K Sarma, Non-Executive Director of the Company, retire by rotation at the ensuing Annual General Meeting and, being eligible, offer themselves for re-appointment.

The Board of directors commends the re-appointment of Ms. Challa Shantha Prasad and Mr. K.K Sarma, Non-Executive Directors, liable to retire by rotation

Instructions for E-VOTING

CDSL e-Voting System – For e-voting during AGM

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM will thus be held through through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.

2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.cclproducts.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on 23rd August, 2021 at 09.00 A.M. and ends on 25th August, 2021 at 05.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e., Thursday, 19th August, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Board of Directors have appointed Mr. M. B. Suneel, Practising Company Secretary, to act as Scrutinizer to conduct and scrutinize the electronic voting process in connection with the ensuing Annual General Meeting in a fair and transparent manner. The members desiring to vote through electronic mode may refer the detailed procedure on e-voting given hereunder.
- (iii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iv) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login Type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at HYPERLINK "mailto:helpdesk.evoting@cdslindia.com" helpdesk.evoting@cdslindia.com or contact at, 022- 23058738 and 22-23058542-43.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at, toll free no.: 1800 1020 990 and 1800 22 44 30

(vi) Login method for e-Voting and joining virtual meetings for Physical shareholders and shareholders other than individual holding in Demat form.

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on "Shareholders" module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form

PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details or Date of Birth(DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field.

- (vii) After entering these details appropriately, click on "SUBMIT" tab.

- (viii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (ix) For shareholders holding shares in physical form, the details can be used only for e- voting on the resolutions contained in this Notice.
- (x) Click on the EVSN for the relevant Company, i.e., CCL Products (India) Limited on which you choose to vote.
- (xi) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xiii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xv) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xvi) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvii) Additional Facility for Non – Individual Shareholders and Custodians –For Remote Voting only.**
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the "Corporates" module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
 - A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
 - Alternatively, Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz; investors@continental.coffee, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VC/OAVM & E- VOTING DURING MEETING ARE AS UNDER:

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned above for e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for e-voting.
3. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.
4. Shareholders are encouraged to join the Meeting through Laptops / IPads for better experience.

Dividend

Your Board of Directors has declared an interim dividend of ₹ 2/- per equity share of ₹ 2/- each in their meeting held on 20th October, 2021. Further, your Board has recommended a final dividend of ₹ 2/- per equity share of ₹ 2/- each for the approval of the Members in their ensuing Annual General Meeting. Total dividend for the FY 2020-21 year shall be ₹ .4/- per equity share. Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of the shareholders w.e.f. 1st April 2020 and the Company is required to deduct tax at source (TDS) from dividend paid to the Members at prescribed rates as per the Income-tax Act, 1961.

The Register of Members and Share Transfer Books of the Company shall remain closed from 21st August, 2021 to 26th August, 2021 (both days inclusive) and Record Date is fixed as 20th August, 2021, for the purpose of payment of said Final dividend.

Pursuant to Regulation 43A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has framed a Dividend Distribution Policy and the same is herewith annexed as 'Annexure I' to this report. The Dividend Distribution Policy is posted on the website of the Company and the web link is <https://www.cclproducts.com/wp-content/uploads/2019/04/Dividend-Distribution-Policy.pdf>

Amalgamation of CCL Beverages Private Limited with CCL Products (India) Limited

The members may note that pursuant to a Scheme of Amalgamation, it is proposed to merge CCL Beverages Private Limited with your Company. The transferor Company, being a wholly owned subsidiary, there would not be issue of any fresh shares towards consideration for the said merger. Further, the said Scheme, upon approval by the Board of Directors of both the Companies, has received the requisite approvals of the Creditors and members of respective Companies. Necessary intimations have also been made to the Stock Exchanges (NSE and BSE) and other regulatory authorities in this regard. Further, the Company has not received any Objections from any authority / department, till date. The final petition, seeking approval to the said Scheme has been filed with the Hon'ble National Company Law Tribunal, Amaravati Bench at Hyderabad and is pending for its disposal.

Material Changes and Commitments

Save and except the proposed merger, which was initiated during the FY 2020-21 and is in progress during the current FY, and the uncertain impact of Covid -19, as discussed elsewhere in this Report, there were no material changes and commitments affecting the financial position of the Company that have occurred between the end of the Financial Year 2020-21 of the Company and the date of the report.

Share Capital

During the year under review, there was no change in the paid up share capital of the Company. The paid-up Equity Share Capital of the Company as on 31st March, 2021 was Rs.2,660.56 Lakhs, comprising of 133,027,920 equity shares of face value of Rs.2/- each. During the year under review, your Company has neither issued any shares with differential voting rights nor has granted any stock options or sweat equity.

Subsidiaries

The Subsidiary Companies situated in India and Outside India continue to contribute to the overall growth in revenues and overall performance of the Company. As of 31st March,2021, your Company had following Wholly Owned subsidiaries

- Jayanti Pte Limited, Singapore
- Continental Coffee SA (formerly Grandsaugreen SA), Switzerland
- Ngon Coffee Company Limited, Vietnam
- Continental Coffee Private Limited, India
- CCL Beverages Private Limited, India

Performance of Subsidiaries

As per Rule 8 of Companies (Accounts) Rules, 2014, a Report on the Financial performance of the Subsidiaries Companies during the Financial Year ended March 31, 2021 is as mentioned below:

i. Jayanti Pte Limited (Singapore)

Jayanti Pte Limited is a wholly owned subsidiary of the Company incorporated in Singapore for the purpose of promoting instant coffee projects in various countries. This is only an investment Company, hence no operational performance is reported.

ii. Continental Coffee SA (formerly Grandsaugreen SA) (Switzerland)

Continental Coffee SA is a wholly owned subsidiary of the Company incorporated in Switzerland. This operates as an agglomeration and packing unit. Operational performance of the Company, in brief is hereunder:

(₹ in Lakhs)

Particulars	2020-21	2019-20
Revenue from operations	18,429	13,445
Profit for the year after meeting all expenses (before Interest, Depreciation & Tax)	929	504
Less:		
Interest	53	3
Depreciation and other write offs	97	100
Provision for Taxation	80	28
Net Profit/Loss	699	373

iii. Ngon Coffee Company Limited (Vietnam)

Ngon Coffee Company Limited is a wholly owned subsidiary of the Company incorporated in Vietnam. This is an instant coffee manufacturing unit. Operational performance of the Company, in brief, is hereunder:

(₹ in Lakhs)

Particulars	2020-21	2019-20
Revenue from operations	37,436	26,719
Profit for the year after meeting all expenses (before Interest, Depreciation & Tax)	10,591	7,822
Less:		
Interest	37	17
Depreciation and other write offs	2075	2,001
Provision for Taxation	(8)	25
Net Profit/Loss	8,487	5,779

iv. Continental Coffee Private Limited

Continental Coffee Private Limited is a wholly owned subsidiary of the Company, which has been established with an objective of promoting instant coffee brands of the Company in the domestic market. Operational performance of the Company, in brief, is hereunder:

Particulars	2020-21	2019-20
Revenue from operations	13395	7,717
Profit for the year after meeting all expenses (before Interest, Depreciation & Tax)	(366)	(190)
Less:		
Interest	176	92
Depreciation and other write offs	68	68
Provision for Taxation	10	(1)
Net Profit/Loss	(620)	(349)

v. CCL Beverages Private Limited

CCL Beverages Private Limited is a wholly owned subsidiary of the Company, incorporated in India with an objective to implement agglomeration and packing project at Kuvvakolli Village. However, with a view to consolidate the project and ensuing operations with that of its parent Company, the Board of Directors of both the Companies decided to merge CCL Beverages Private Limited with CCL Products (India) Limited and approved the Scheme of Amalgamation. Further details of the said merger and the current status thereof are provided elsewhere in this Report.

The statement containing the salient features of the financial statement of subsidiaries as per sub-section (3) of Section 129 of the Companies Act, 2013 in Form AOC-1 is herewith annexed as 'Annexure II' to this report.

Consolidated Financial Statements

The Consolidated Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 and other relevant provisions of the Companies Act, 2013.

The Consolidated Financial Statements for the financial year ended March 31, 2021 forms part of the Annual Report.

Further, we undertake that the Annual Accounts of the subsidiary Companies and the related detailed information will be made available to the shareholders and to the shareholders of the subsidiary companies seeking such information at any point of time. Further, the Annual Accounts of the subsidiary Companies shall also be kept for inspection by any shareholder at our Registered office and that of the subsidiary Companies.

Further, pursuant to the provisions of Section 136 of the Act, the financial statements of the Company, consolidated financial statements along with relevant documents and separate audited financial statements in respect of subsidiaries, are available on the website of the Company at www.cclproducts.com

The policy for determining material subsidiaries of the Company has been provided in the following link: <https://www.cclproducts.com/wp-content/uploads/2019/04/policy-on-material-subsiary.pdf>

Companies which have become or ceased to be its Subsidiaries, joint ventures or associate companies during the year

The Company does not have any associate or joint venture Company falling within the definition under the Companies Act, 2013. Further, during the year under review, there was no instance where any of the existing wholly owned subsidiaries of the Company have ceased as such or any company has become its subsidiary. Thus, there was no change in the list of wholly subsidiaries of the Company.

Listing of Equity Shares

The Company's equity shares are listed on the following Stock Exchanges:

- (i) BSE Limited, Phiroze JeeJeebhoy Towers, Dalal Street, Mumbai-400 001, Maharashtra, India; and
- (ii) National Stock Exchange of India Limited, Exchange Plaza, Floor 5, Plot No. C/1, G Block, Bandra-Kurla Complex, Bandra (East), Mumbai – 400051, Maharashtra, India.

The Company has paid the Annual Listing Fees to the said Stock Exchanges for the Financial Year 2021-22.

COVID-19 and its impact

The impact of COVID-19 on the Company is being closely reviewed with the Management by the Board from time to time. Your Company had temporarily suspended operations at its Plants and other locations as per the directives given by the Central and State Government and keeping in view the safety of work force. After seeking necessary approvals from the Government authorities, and adopting social distancing norms, ensuring utmost safety of employees, operations were recommenced at the Plants and other locations. However, dispatches were affected due to restriction on movement of finished products to the ports for exports towards the end of the financial year. The Company's products viz., Coffee, Tea and Pepper are meant for daily consumption in households and 'out-of-home' and the Management anticipates slowdown in some geographies in the short term especially in the 'out-of-home' consumption due to COVID-19 pandemic. The management is keeping a close watch on any likely impact of second wave of the pandemic, which has recently receded and the apprehended outbreak of third wave. The Company's Wholly-owned Subsidiary viz., Ngon Coffee Company Limited, at Vietnam, is operating smoothly without any disruptions. The Board and the Management shall keep a continuous vigil to closely monitor the situation as it evolves and do its best to take all necessary measures, in the interest of all stakeholders of the Company.

Corporate Social Responsibility

The Company as part of its Corporate Social Responsibility (CSR) initiative, undertook many projects like promotion of education in rural areas, infrastructure and sanitation development, welfare of girl child, facilitating pure drinking water to the identified rural areas in and around the factories situated at Guntur District and Chittoor District of Andhra Pradesh and also women empowerment and youth skill development programmes in rural areas around Hyderabad.

The Company has a Policy on Corporate Social Responsibility (CSR). The Annual Report on CSR activities as per the Companies (Corporate Social Responsibility Policy) Rules, 2014 is annexed herewith as 'Annexure III' to this report. The

CSR Policy is posted on the website of the Company and the web link is <https://www.cclproducts.com/wp-content/uploads/2019/04/csr-policy.pdf>

Further, pursuant to the provisions of Section 135 of the Companies Act, 2013 your Company was required to spend an amount of ₹ 418.78 Lakhs towards CSR Activities.

Your management feels proud to mention that for the financial year ended 31st March, 2021, your Company has spent a total amount of ₹ 436.15 Lakhs towards various CSR activities which was in excess of the mandatorily prescribed limit.

Internal Control Systems & their adequacy

The Board has adopted policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial disclosures.

Statutory Auditors & their Report

The Shareholders in their meeting held on 11th July, 2017 (56th AGM) appointed M/s. Ramanatham & Rao, Chartered Accountants, Hyderabad, as the Statutory Auditors of the Company, to hold office as such till the conclusion of 61st Annual General Meeting.

The Statutory Auditors shall continue to hold their office as such for the ensuing FY.

Further, the Statutory Auditor's report does not contain any qualifications, reservations, adverse remarks or disclaimers.

The Statutory Auditors attended the AGM held on 24th July, 2020.

Internal Auditors

The Board of Directors based on the recommendation of the Audit Committee have re-appointed M/s. Ramesh & Co., Chartered Accountants, Hyderabad, as the Internal Auditors of your Company. The Internal Auditors are submitting their reports on quarterly basis.

Cost Auditors

In accordance with Section 148(3) and other applicable provisions, if any, of the Companies Act, 2013 and The Companies (Audit and Auditors) Rules, 2014 the Audit Committee has recommended and the Board of Directors had appointed M/s. Kapardi & Associates, Cost Accountants, Hyderabad, being eligible and having sought re-appointment, as Cost Auditors of the Company, to carry out the cost audit of the products manufactured by the Company during the financial year 2021-22 on a remuneration of ₹ 2,00,000/-. The remuneration payable to the cost auditor is required to be placed before the members in the general meeting for their ratification. Accordingly, a resolution seeking members ratification for the remuneration payable to M/s. Kapardi & Associates, Cost Accountants, is included in the Notice convening the Annual General Meeting. The Company is maintaining cost records as specified by the Central Government under Section 148(1) of the Companies Act, 2013.

A Certificate from M/s. Kapardi & Associates, Cost Accountants, has been received to the effect that their appointment as Cost Auditor of the Company, is in accordance with the limits specified under Section 141 of the Companies Act, 2013 and the Rules framed thereunder.

Reporting of Frauds

During the year under review, there was no instance of fraud, which required the Statutory Auditors to report to the Audit Committee and /or Board under Section 143(12) of the Companies Act, 2013 and the rules made thereunder.

Secretarial Audit

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company appointed M/s. P.S.Rao & Associates, Company Secretaries to undertake the Secretarial Audit of the Company for the FY 2020-21. The Secretarial Audit Report confirms that the Company has complied with the provisions of the Act, Rules, Regulations, and

Guidelines and that there were no deviations or non-compliances. The Secretarial Audit Report is attached here with at 'Annexure - IV' to this Report.

Further, we would like to clarify that the said Secretarial Auditor does not contain any observation or qualification or reservations or adverse remarks or disclaimers.

Compliance with Secretarial Standards on Board and Annual General Meetings

The Company has devised proper systems to ensure compliance with the provisions of all applicable Secretarial Standards issued by the Institute of Company Secretaries of India and that such systems are adequate and operating effectively. During the year under review, the Company has complied with secretarial standards issued by the Institute of Company Secretaries of India

Directors & Key Managerial Personnel

The Board of directors of the Company has an optimum combination of Executive, Non-Executive and Independent Directors with one woman Independent Director.

i. Independent and Non-Executive Directors

In accordance with the provisions of Section 152 of the Companies Act, 2013, Dr. Lanka Krishnanand and Mr. B. Mohan Krishna, retired by rotation and were reappointed to the office of Director of the Company in the previous AGM held on 24.07.2020. Further, Ms. Challa Shantha Prasad and Mr. K.K. Sarma, Non-Executive Directors of the Company retire by rotation in the ensuing AGM and being eligible, have offered themselves for re-appointment.

In the opinion of the Board all the Independent directors of the Company possess integrity, experience, expertise, and the requisite proficiency required under all applicable laws and the policies of the Company.

All the Independent Directors have given declarations stating that they meet the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 along with Rules framed thereunder and Regulation 16(1)(b) of the Listing Regulations. There has been no change in the circumstances affecting their status as independent directors of the Company.

In terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014, as amended, Independent Directors of the Company have enrolled their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs.

ii. Whole Time Directors & Other Key Managerial Personnel

During the year under review, there was no change in the office(s) of any Whole time Director or any Key Managerial Personnel of the Company.

iii. Directors and Officers Insurance ('D&O')

As per the requirements of Regulation 25(10) of the SEBI Listing Regulations, the Company has taken D&O for all its Directors and members of the Senior Management.

Meetings of the Board

Four meetings of the Board of Directors were held during the year. The details of the Board and Committee meetings and Independent Directors' meeting are given in the Corporate Governance Report which form part of this Annual Report.

The Company has also adopted Governance Guidelines on Board Effectiveness which comprises the aspects relating to Composition of Board and Committees, Terms of Directors, Nomination, Appointment, Development of Directors, Code of Conduct, Effectiveness of Board and Committees, review and their mandates.

Committees**Audit Committee**

The Board has in place a duly constituted Audit Committee as per the provisions of Section 177 of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The composition, attendance, powers and role of the Audit Committee are included in Corporate Governance Report which forms part of this Annual Report. All the recommendation made by the Audit Committee were accepted by the Board of Directors.

Other Committees

Apart from the Audit Committee, the Board has also constituted the following committees, in accordance with the provisions of Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as applicable, which are in place and discharging their functions as per terms of reference entrusted by the Board:

- ✧ Nomination and Remuneration Committee
- ✧ Stakeholders Relationship Committee
- ✧ Corporate Social Responsibility Committee
- ✧ Risk Management Committee
- ✧ Management Committee

The composition, attendance, powers and role of the Committees are included in Corporate Governance Report which forms part of this Annual Report.

Policy on Director's Appointment and Remuneration and other matters**(a) Procedure for Nomination and Appointment of Directors:**

The Nomination and Remuneration Committee has been formed in compliance with Regulation 19 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and pursuant to Section 178 of the Companies Act, 2013. The main object of this Committee is to identify persons who are qualified to become directors and who may be appointed in senior management of the Company, recommend to the Board their appointment and removal and shall carry out evaluation of every Director's performance, recommend the remuneration package of both the Executive and the Non-Executive Directors on the Board and also the remuneration of Senior Management, one level below the Board. The Committee reviews the remuneration package payable to Executive Director(s) makes appropriate recommendations to the Board and acts in terms of reference of the Board from time to time.

On the recommendation of the Nomination and Remuneration Committee, the Board has adopted and framed a Remuneration Policy for the Directors, Key Managerial Personnel and other Employees pursuant to the provisions of the Companies Act, 2013 and SEBI Listing Regulations.

The remuneration determined for Executive/Non-Executive Directors is subject to the recommendation of the Nomination and Remuneration Committee and approval of the Board of Directors. The Non-Executive Directors are compensated by way of profit sharing Commission and the Non-Executive Directors are entitled to sitting fees for the Board/Committee Meetings. The remuneration paid to Directors, Key Managerial Personnel and all other employees is in accordance with the Remuneration Policy of the Company.

Neither the Managing Director nor any Whole Time Director of the Company received any remuneration or commission from any of its Subsidiaries.

Brief terms of Nomination and Remuneration Policy and other matters provided in Section 178(3) of the Act and Regulation 19 of SEBI Listing Regulations have been disclosed in the Corporate Governance Report, which forms part of this Report.

(b) Familiarisation/Orientation program for Independent Directors: A formal familiarization programme was conducted about the amendments in the Companies Act, Rules prescribed thereunder, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and all other applicable laws to the Company.

It is the general practice of the Company to notify the changes in all the applicable laws to the Board of Directors, from time to time. The objective of the program is to familiarize Independent Directors on our Board with the business of the Company, industry in which the Company operates, business model, challenges etc. through various programs such as interaction with experts within the Company, meetings with our business leads and functional heads on a regular basis.

The details of such familiarization programmes for Independent Directors are posted on the website of the Company and web link is <https://www.cclproducts.com/wp-content/uploads/2019/04/familiarization-programme-for-independentdirectors.pdf>

Annual Evaluation of Board Performance and Performance of its Committees and Individual Directors

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Audit, Nomination and Remuneration and all other Committees.

A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of individual Directors including the Chairman of the Board, who were evaluated on parameters such as level of engagement and contribution, independence of judgment, safeguarding the interest of the Company and its minority shareholders etc. The performance evaluation of the Independent Directors was carried out by the entire Board, excluding the Independent Director being Evaluated.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, the Board as a whole and the Chairman of the Company was evaluated, taking into account the views of the Executive Director and NEDs. who also reviewed the performance of the Secretarial Department. The NRC reviewed the performance of individual directors on the basis of criteria such as the contribution of the individual director to the Board and Committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc.

The Directors expressed their satisfaction with the evaluation process.

Particulars of Loans, Guarantees and Investments

Details of Loans, Guarantees and Investments made during the Financial Year ended 31st March, 2021, covered under the provisions of Section 186 of the Companies Act, 2013 read with Companies (Meetings of Board and its Powers) Rules, 2014, are given in the notes to the Financial Statements.

Fixed Deposits

Your Company has neither accepted nor renewed any fixed deposits from the public within the meaning of Section 73 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 and as such no principal or interest was outstanding as on the date of the Balance sheet.

Directors' Responsibility Statement

Pursuant to Section 134 (5) of the Companies Act, 2013, your Directors confirm that to the best of their knowledge and belief and according to the information and explanation obtained by them,

- i) In the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- ii) Such accounting policies as mentioned in the notes to the financial statements have been selected and applied consistently and judgments and estimates that are reasonable and prudent made so as to give a true and fair view of the state of affairs of the company at the end of the financial year 2020-21 and of the profit or loss of the company for that period;
- iii) Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- iv) The annual accounts for the year 2020-21 have been prepared on a going concern basis.
- v) That proper internal financial controls were in place and that the financial controls were adequate and were operating effectively.
- vi) That systems to ensure compliance with the provisions of all applicable laws were in place and were adequate and operating effectively.

Vigil Mechanism / Whistle Blower Policy

The Vigil Mechanism as stipulated in the Companies Act, 2013, the Rules prescribed thereunder and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is implemented through the Company's Whistle Blower Policy, in order to deal with instances of fraud and mismanagement, if any in the Group. The Policy provides for adequate safeguards against victimization of employees who avail the mechanism and also provides for direct access to the Chairman of the Audit Committee. The details of the Policy are explained in the Corporate Governance Report and also posted on the website of the Company and the web link is <https://www.cclproducts.com/wp-content/uploads/2019/04/whistle-blower-policy.pdf>

The Whistle Blower Policy aims for conducting the affairs in a fair and transparent manner by adopting highest standards of professionalism, honesty, integrity and ethical behavior. All employees of the Company are covered under the Whistle Blower Policy.

Risk Management

The Company has constituted a Risk Management Committee and formulated a policy on the Risk Management in accordance with the Companies Act, 2013 and Regulation 21 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 to frame, implement and monitor the risk management plan for the Company. The Committee is responsible for monitoring and reviewing the risk management plan and ensuring its effectiveness. The Audit Committee has additional oversight in the area of financial risks and controls. The major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. Furthermore, your Company has set up a robust internal audit function which reviews and ensures sustained effectiveness of internal financial controls by adopting a systematic approach to its work. The details of Committee and its terms of reference are set out in the Corporate Governance Report forming part of the Board's Report. The Risk Management Policy of the Company is posted on the website of the Company and the web link is <https://www.cclproducts.com/wp-content/uploads/2019/04/risk-management-policy.pdf>

Related Party Transactions and particulars of contracts or arrangements with related parties

All the related party transactions that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There were no materially significant related party transactions

undertaken by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons which may have a potential conflict with the interest of the Company at large.

All the related party transactions are placed before the Audit Committee and also before the Board for their respective approval. Omnibus approval of the Audit Committee is obtained as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the transactions which can be foreseen and are repetitive in nature. The Company has developed a Policy on Related Party Transactions for the purpose of identification and monitoring of such transactions.

None of the transactions with related parties falls under the scope of section 188(1) of the Companies Act, 2013. Particulars of contracts or arrangements with related parties pursuant to section 134(3)(h) of the Act read with rule 8(2) of the Companies (Accounts) Rules, 2014 are given in 'Annexure V' in Form AOC-2 and forms part of this report.

The policy on Related Party Transactions as approved by the Board is uploaded on the website of the Company and the web link is <https://www.cclproducts.com/wp-content/uploads/2019/04/policy-on-related-party-transactions.pdf>

Annexure I**DIVIDEND DISTRIBUTION POLICY****In terms of Regulation 43A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015****1. INTRODUCTION**

The Securities Exchange Board of India (SEBI) on July 8, 2016 has notified the SEBI (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2016 (Regulations). Vide these Regulations, SEBI has inserted Regulation 43A after Regulation 43 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which requires top five hundred listed companies (based on market capitalization of every financial year) to formulate a Dividend Distribution Policy, which shall be disclosed in its Annual Report and on its website.

Regulation 43A of the Listing Regulations makes it mandatory for the top five hundred listed entities based on their market capitalization calculated as on March 31 of every financial year to formulate Dividend Distribution Policy.

CCL Products (India) Limited (the "Company") being one of the top five hundred listed companies as per the criteria mentioned above, the Company has approved and adopted this Dividend Distribution Policy (the "Policy") at its meeting held on 01st February, 2017, being the effective date of the Policy.

OBJECTIVE

Dividend is the payment made by a Company to its shareholders, usually in the form of distribution of its profits. The profits earned by the Company can either be retained in business or used for acquisitions, expansion, modernisation or diversification, or it can be distributed to the shareholders. The Company may choose to retain a part of its profits and distribute the balance among its shareholders as dividend. This Policy aims to reconcile between all these needs.

The objective of this policy is to ensure a regular dividend income for the shareholders and long term capital appreciation for all stakeholders of the Company. The Company would ensure to strike the right balance between the quantum of dividend paid and amount of profits retained in the business for various purposes.

The Board of Directors will refer to the policy while declaring/recommending dividends on behalf of the Company. Through this policy, the Company would endeavour to maintain a consistent approach to dividend pay-out plans.

DEFINITIONS

The terms referred to in the policy will have the same meaning as defined under the Act and the Rules made thereunder, and the SEBI Regulations.

PARAMETERS / FACTORS TO BE CONSIDERED BEFORE DECLARING DIVIDEND

The dividend pay-out decision of the Board depends upon the following financial parameters and internal and external factors:

1. FINANCIAL PARAMETERS AND INTERNAL FACTORS:

The financial parameters and internal factors which would be considered while declaration of dividend by the Board are as follows:

- i) Operating cash flow of the Company
- ii) Profit earned during the year
- iii) Profit available for distribution
- iv) Earnings Per Share (EPS)
- v) Working capital requirements
- vi) Capital expenditure requirement

- vii) Business expansion and growth
- viii) Likelihood of crystalization of contingent liabilities, if any
- ix) Additional investment in subsidiaries and associates of the company
- x) Up gradation of technology and physical infrastructure
- xi) Creation of contingency fund
- xii) Acquisition of brands and business
- xiii) Cost of Borrowing
- xiv) Past dividend payout ratio / trends

2. EXTERNAL FACTORS

Certain external factors could compel the Board of the Company to reflect on the dividend payout for any financial year of the Company. Some of the external factors affecting the Company's dividend payment are:

- i) Economic Environment
- ii) Dividend payout ratios across Industries.
- iii) Statutory provisions and guidelines
- iv) Capital Markets
- v) Inflation rate
- vi) Industry outlook for future years
- vii) Taxation

PARAMETERS THAT SHALL BE ADOPTED WITH REGARD TO VARIOUS CLASSES OF SHARES

The Company presently has only 1 (one) class of shares, i.e. Equity Shares. Hence, the parameters which are required to be adopted for various classes of shares do not apply to the Company. This Policy is subject to review and the Board shall consider and specify the other parameters to be adopted with respect to such class(es) of shares.

CIRCUMSTANCES UNDER WHICH SHAREHOLDERS MAY OR MAY NOT EXPECT DIVIDEND

The shareholders of the Company may not expect dividend in the following circumstances, subject to the discretion of the Board:

- i. In the event of a growth opportunity where the Company may be required to allocate a significant amount of capital.
- ii. In the event of higher working capital requirement for business operations or otherwise.
- iii. When Company's liquidity is jeopardized for any reason, impairing its ability to pay the dividend.
- iv. In the event of loss or inadequacy of profits.

The Board of Directors of the Company may not declare or recommend dividend for a particular period if it is of the view that it would be prudent to conserve capital for the then ongoing or planned business expansion or other factors which may be considered by the Board.

The Company will take a decision on the dividend distribution keeping all external and internal factors in view and duly adopting a judicious balance between directly rewarding the shareholders through dividend declaration on the one hand and increasing shareholder's wealth in future through appropriate retention of projects and its realisation for sustainable growth, on the other.

HOW THE RETAINED EARNINGS WILL BE UTILISED

The Company shall endeavour to utilise the retained earnings in a manner which shall be beneficial to the interests of the Company and also its shareholders.

The retained earnings of the Company may be used in any of the following ways:

1. Capital expenditure for working capital;
2. Organic and/or inorganic growth;
3. Investment in new business(es) and/or additional investment in existing business(es);
4. Declaration of dividend;
5. Capitalization;
6. Buy back of shares;
7. General corporate purposes, including contingencies;
8. Correcting the capital structure;
9. Such other criteria's as the Board may deem fit from time to time; or
10. Any other usage as permitted under applicable laws / regulations.

CONFLICT IN POLICY

In the event of a conflict between this policy and the statutory provisions, the statutory provisions shall prevail.

MODIFICATION OF THE POLICY

The Board is authorised to change or amend this policy from time to time at its sole discretion and/or in pursuance of any amendments made in the Act, the Regulations, or any other applicable law.

The modifications, if any, made to the policy shall be disclosed on the website and in the Annual Report.

DISCLOSURES

The Company shall make appropriate disclosures as required under the Listing Regulations and the Companies Act, 2013.

The Policy shall be disclosed in the Company's Annual Report and on the website (www.cclproducts.com) of the Company.

In case, the Company proposes to declare dividend on the basis of the parameters in addition to those as specified in this Policy and/or proposes to change any of the parameters, the Company shall disclose such changes along with the rationale in its Annual Report and on its website.

REVIEW OF POLICY:

The Policy may be amended, as and when deemed fit. The Board of Directors shall have the right to modify, amend or change any or all clauses of this Policy in accordance with the provisions of the Applicable laws/ Acts /Regulations or otherwise.

In case of any amendment(s), clarification(s), circular(s) etc. issued under any Applicable laws/ Regulations, which is not consistent with any of the provisions of this Policy, then such amendment(s), clarification(s), circular(s) etc. shall prevail upon the provisions hereunder and this Policy shall be deemed to be amended accordingly from the effective date as laid down under such amendment(s), clarification(s), circular(s) etc.

AMENDMENTS TO THE POLICY

Any change in the Policy shall be approved by the Board of Directors of the Company. The Board of Directors shall have the right to withdraw and/or amend any part of this Policy or the entire Policy, at any time, as it deems fit, or from time to time, and the decision of the Board in this respect shall be final and binding.

In case of any amendment(s), clarification(s), circular(s) etc., issued by the relevant authorities, not being consistent with the provisions laid down under this Policy, then such amendments, clarification(s), circular(s) etc., shall prevail upon the provisions hereunder and this Policy shall stand amended accordingly from the effective date as laid down under such amendment(s), clarification(s), circular(s) etc.

DISCLAIMER

This policy shall not be construed as a solicitation for investments in the Company's securities and shall neither act as an assurance of guaranteed returns (in any form), on investments in the Company's securities.

CSR ACTIVITIES

CHILDREN WELFARE

Children are the future of our country and every single one deserves an opportunity to grow and become better in life. We, at CCL Products have always strived to provide a better future to deserving children. Under the initiative of Children Welfare, we aim to provide support in areas like Education, Nutrition and Sports which are essential for the development of underprivileged children.

Computer Awareness Education: The project of Computer Awareness Education for underprivileged students studying in Zilla Parishad High Schools was conceptualised in December, 2016. This project has been taken up in association with Chaitanya Saradhi. CCL has selected schools around Duggirala providing support to families living in and around factory. Apart from Computer Awareness Education, the Company has fulfilled their other needs as well such as providing clean drinking water, provision of running water in toilets, separate toilets for girl students, providing text books, note books, school bags and organizing health check-up camps. As an ongoing initiative, CCL, together with Chaitanya Saradhi has added Computer Awareness Education in more than 30 Zilla Parishad High schools in Andhra Pradesh and Telangana. So far, more than 35,000 children have benefitted from this initiative.

Bridge Course: CCL started Bridge Course initiative for underprivileged children of around 9 to 14 years of age who are left on streets either by their parents or orphaned and left with no shelter, food and education. To provide them with proper shelter, food and education, these street kids are given adequate education to fill the gap and get them back to school. CCL Products along with various organisations has been providing all the basic needs to these children.

Mid-day Meals: For growth of any child, along with the education, nutritious food is equally important. CCL joined hands with "Akshaya Patra Foundation" to provide mid-day meals to students in schools of remote villages of Andhra Pradesh. This initiative has served meals to more than 6,000 students till date.

Sports Infrastructure: CCL Products helped in building the Basketball Courts at Zilla Parishad High Schools for students in remote areas of AP & Telangana.

WOMEN EMPOWERMENT & GIRL CHILD WELFARE

Development of any nation can be seen just by seeing how empowered the women are in that nation. CCL products wants to empower the women and stand with them in facing all the obstacles in life strongly. Over the years we have done our efforts in the areas of girl child education, provision of safe shelters, making them skilled and economically self-sufficient.

With the help of "Abhaya Foundation", CCL has been able to provide courses like tailoring, beautician, jute bag making, fashion designing and jewellery making across 70 villages near by Hyderabad which has empowered more than 6,000 women till date to become financially stable and independent. CCL has also provided Sewing Machines and set up jute factory as part of self-sustenance program to rural women.

As part of Girl Child Welfare program, CCL is providing infrastructural facilities like shelter to young girls aged between 14 to 20 years. With this initiative, the mission has supported more than 3,000

young girls and provided them with safe shelter where they have access to education and nutritious food. CCL also partnered with Women Safety Wing of Telangana Police for Cyber Congress, an initiative to train adolescents to handle the online threats and to promote positive use of internet and mobile. This cyber congress program is a year-long program for young students in schools. Young citizens are trained to be cyber volunteers and spread awareness on cybercrimes among their peers and in their community. This is a one-of-a-kind initiative to enable adolescent children as Cyber ambassadors. This initiative shall organise training session in 1650 Government schools across 33 districts of Telangana.

HEALTHCARE AND MEDICAL ASSISTANCE

A healthy nation is a wealthy nation. To provide basic medical aid, CCL set up Primary Health Centres in remote villages of Andhra Pradesh.

Medical camps have been conducted through NGOs and critical care ambulance services are being provided at thick Nallamala forest region where many tribal people are deprived of basic health care during emergencies. Designated health staff has been recruited who regularly take care of the tribal people, deprived of basic health and sanitation facilities.

Over the past three (3) years, CCL, in association with Cornea Andhatv Mukta Bharath Abhiyan (CAMBA) is working for the prevention of the Corneal Blindness, Creating Awareness on Eye Donation, conducting Population based survey in villages and Urban slums, conducting Eye Screening Camps & Surgeries for people in Rural, Tribal and Urban slums suffering from Corneal Blindness, Cataract, Pterygium (Eye Web) and Eye Ailments.

SUPPORT TO SPECIALLY-ABLED

CCL has organised various camps in and around underdeveloped remote districts of A.P. & Telangana to support specially-abled youth by distributing wheelchairs, crutches, providing artificial limb support and ambulance which has helped more than 1,000 specially-abled persons to become self-sustainable to support themselves and their families.

INFRASTRUCTURE DEVELOPMENT

Infrastructural development in the remote villages helps in providing an access to better facilities to people living in these villages. Under infrastructural development initiative, CCL has constructed toilets, taking inspiration from “Swachh Bharat Mission”.

CCL is humbled to be part of the growth path of the remote villages in and around of our factory where we took up road construction work, setting up street lights with the help of the villagers and local officials. The roads laid are of excellent quality, durable and provide all season accessibility to villagers.

We have installed multiple RO plants in several villages where water is majorly contaminated. Hence, with the purpose of providing villagers clean drinking water, this initiative has become a permanent feature for CCL Products.

DISASTER RELIEF ACTIVITIES

During natural calamities like cyclones and floods, CCL stands for providing pucca houses to the victims who lost their basic abodes and provisions for their survival.

HOUSING PROJECTS

In the remote districts of Andhra Pradesh, CCL is constructing houses for underprivileged families.

ENVIRONMENTAL CONSERVATION

Environmental Conservation is not only a necessity, it's a responsibility towards our motherland. CCL has always been on fore front to conserve our mother nature. We have not only set up zero waste factory system, we also ensure to protect our environment and surroundings in the best possible way.

Tree guards: As a part of the Green E-Money initiative, CCL has participated in the tree guard initiative and helped guarding hundreds and thousands of plants in and around villages of districts of A.P. The main motto of this initiative is to protect the plants and small trees from getting grazed by the cattle.

Sapling Plantation: CCL as an ongoing initiative towards Environment. The company has planted thousands of Maredu (Indian Bael) saplings on the barren land. This initiative will make these lands fertile and the overall climate of that locality will be improved in the near future.

Garbage Collection Drive: CCL also believes in keeping the ecosystem clean and as an initiative the company has deployed garbage cleaning mini trucks to keep the villages clean and improve hygiene in order to prevent spread of diseases in and around our factory.

FORM NO: MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2021
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of
The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
CCL Products (India) Ltd,
Duggirala, Guntur Dist.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by CCL PRODUCTS (INDIA) LIMITED, (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder.
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment and External Commercial Borrowing.
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (Not applicable to the Company during the audit period);
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (Not applicable to the Company during the audit period);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the audit period)

- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the audit period); and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (Not applicable to the Company during the audit period);
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- vi. Other specifically applicable laws to the Company:
- Food Safety and Standards Act, 2006 and Food Safety and Standards (Licensing and Registration of Food Businesses) Regulations, 2011 and Food Safety and Standards (Packaging and Labelling) Regulations, 2011;
 - Coffee Act, 1942 and the rules made thereunder;
 - Boiler Act, 1923 and Indian Boiler Regulations 1950;
 - Legal Metrology Act, 2009 and Metrology Rules, 2011
 - Special Economic Zone Act, 2005 and Special Economic Zone Rules, 2006. (to the extent applicable)

We have also examined compliance with the applicable clauses of Secretarial Standards, as amended from time to time, issued by the Institute of Company Secretaries of India

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that examination / audit of financial laws such as direct and indirect tax laws, labour laws (other than mentioned specifically herein) has not been carried out by us as part of this Secretarial Audit.

We further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Woman Director and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors to schedule the Board Meetings, Committee Meetings and for resolution(s) proposed by way of circulation, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- All the decisions at the Board Meetings and Committee Meetings and the resolution(s) proposed by way of circulation have been carried out unanimously as recorded in the Minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

During the audit period, there were no specific events / actions in pursuance of the above referred laws, rules, regulations, etc., having a major bearing on the Company's affairs except below:

The Company has undertaken the process of merger of CCL Beverages Private Limited, its wholly

owned subsidiary, with itself. The Scheme of amalgamation, subsequent upon approvals of the Board of Directors, shareholders and creditors has been filed with the Hon'ble National Company Law Tribunal, Amaravati Bench and is pending for its approval.

The Company had to temporarily suspend its manufacturing activity, at its plants in India, during the period commencing April, 2020 which continued till late May, 2020 in view of the Covid 19 induced Lockdown in the country.

Further, attention is drawn to Notes to Financial Statements, which describes the management's assessment of the impact of Covid -19 pandemic.

[This Report is to be read with our letter of even date which is annexed as Annexure A and forms an integral part of this report.]

Annexure A

To
The Members,
CCL Products (India) Ltd,
Duggirala, Guntur Dist.

Secretarial Audit Report of even date is to be read along with this letter.

1. It is the responsibility of the management of the Company to maintain secretarial records, devise proper systems to ensure compliance with the provisions of all applicable laws and regulations and to ensure that the systems are adequate and operate effectively.
2. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
3. We have followed the audit practises and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial Records. The verification was done on random basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.
4. Our responsibility is to express an opinion on these secretarial records, standards and procedures followed by the Company with respect to secretarial compliances.
5. We believe that audit evidence and information provided by the Company's management is adequate and appropriate for us to provide a basis for our opinion.
6. Wherever required, we have obtained the management's representation about the compliance of laws, rules and regulations and happening of events etc.
7. We have not verified the correctness and appropriateness of financial records and Books and Accounts of the Company.

Disclaimer

8. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.
9. As regards the Secretarial Audit for the FY 2020-21, the entire period under report was bogged down under the impact of Covid 19. Further, during the later part of the quarter ended 31st March, 2021, the said pandemic resurfaced more furiously and continued to wreak havoc till recently, thus forcing us to re-strategise our audit programme and approach. In view of the said, we could not conduct any plant verification physically. Further, for verification of documents and cross checks, we have relied on the management representations and assurances, wherever required, for forming our opinion and eventual reporting.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Soluble Instant coffee, more commonly referred to as instant coffee is commercially prepared from carefully selected green coffee, which is roasted, extracted, evaporated and converted into solid form by either freeze-drying or spray- drying, after which it can be rehydrated to make a good cup of coffee.

Instant coffees have now been in the market for many decades because of its convenience, economy and homogeneity. Soluble coffee consumption has been increasing, owing to changing life styles and convenience. With the invention of new technologies, the quality of instant coffee has significantly improved, thereby attracting even traditional roast and ground coffee customers. The instant coffee industry moved from cheap alternative instant beverage to new trend speciality, single origin, high quality niche coffees.

Business Review

Your Company has the distinction of being one of the elite manufacturers, that can provide all types and forms of coffee from one single location. With our constant dedication towards research and development, we have created & commercialised unique products in the market. After wide spread presence in international markets, and with vast experience on the variety of coffee products, CCL had ventured into domestic market in India and created a dedicated team exclusively for domestic market, drawing professionals from FMCG companies for brand creation.

CCL has spread its client profile directly to 90 countries inspite of global pandemic situation and staggered lock downs in most of the countries, restricting movement of both individuals and goods.

CCL domestic team has been consistently working hard and are able to garner a good awareness level for the brand “Continental”. Continental brand is able to hold the fort of being the third largest domestic brand player for the year 2020-21.

Continental Brand THIS premixes coffee has now some loyal takers in the market with flavours like Cappuccino, Mocha, Caramel catching the fancy of consumers. Due to covid-19 pandemic, consumers purchase pattern changed and there is an increase of in-home coffee consumption. Consumers have switched gears and have started ordering grocery from Ecommerce portal. Driven by the trend, we observed a surge in online orders which has helped the brand to grow 2x times through various ecommerce portals where we sell.

Our filter coffee Continental Malgudi has seen fast acceptance by consumers. Traditional filter coffee drinkers have liked both our blends which is evident by the sales growth the brand has witnessed.

Campaigns with reknowned celebrities like actress Nitya Menon and legendary singer Smt. P Suseela has helped the brand awareness and created a trust with consumers.

Young population is the driving force for experimenting with speciality coffees, which opened up new in-house consumption segment, where growth is anticipated. Thanks to the technology improvements in production that is making instant coffee tastes as good as roast and ground coffee. Image of coffee drinking as modern life style, which is trending in the social media is very much encouraging us to step into various coffee segment. During the year under review, your Company had launched 2-in-1 premixes in addition to already existing flavours like Hazelnut, Cappuccino, Mocha, Caramel etc., under the brand name THIS. Also, your Company launched premium Freeze-Dried coffee in different flavours like Coconut, Spice, Lemon and Hazelnut etc., to give a varied option for the customers in the premium segment. Continental Decaf was also launched under speciality coffees to cater to the niche market segment that prefers decaffeinated coffee.

In light of the current pandemic situation, people have become more health conscious and tending towards value added products in health segment. Your Company’s R&D team is working on developing new products, focussing on the wellness category to catch up the upcoming trend.

The turnover of the Company on standalone basis is ₹ 79,507 Lakhs and the net profit of the Company is ₹ 15,869 Lakhs (including 6217.95 Lakhs dividend received from Ngon Coffee Company Limited, wholly owned subsidiary of the Company. Earnings per share (EPS) (Face value of ₹ 2/- per share) for the current year is ₹ 11.93 for the year 2020-21.

The turnover of the Company on consolidated basis is ₹ 124,248.04 Lakhs and net profit of the Company is ₹ 18,226.16 Lakhs. Earnings per share (EPS) (Face value of ₹ 2/- per share) for the current year is ₹ 13.70 for the year 2020-21.

Industry Structure and Developments

The current instant coffee market in India is growing at a guestimate rate of 9% year on year. In-home coffee consumption has been catapulted due to COVID-19 pandemic. Consumer behavior changed towards coffee consumption at home due to trends like 'Dalgona' coffee across the globe. Coffee category has seen entry of players offering coffee in varied formats for consumers to try different kinds of coffee.

Your Company is able to enhance its presence in the in-house brands of supermarkets in Europe and impressed by the quality of products, greater levels of service etc., these supermarkets have been consistently increasing our share of volumes. Your company is also confident that it will achieve the orders of various other supermarkets as well in this year. Necessary capacity augmentation is being done during this year to meet this additional demand.

Outlook

The modern times have witnessed evolution of coffee drinking from an everyday habit to a healthy lifestyle choice. Coffee has gained the status of being the most preferred beverage worldwide.

The covid-19 pandemic is likely to have a profound impact on the global coffee sector, including production, consumption and international trade. International Coffee Organisation (ICO) has conducted an analysis based on a sample of the top 20 coffee consuming countries, which represents 71% of global demand, covering the period 1990-2018. The results show that a one percentage point drop in GDP growth is associated with a reduction in the growth of global demand for coffee of 0.95 percentage points or 1.6 million 60-kg bags. Coffee consumption at Coffee Shops (out of the home) consumption will drastically come down because of covid-19 but at home consumption will increase and this will have a positive impact on the consumption of instant coffee. The shift towards more upmarket coffee products seen in 2020 as a result of covid-19 continued the trend seen in previous years. Premiumization towards the end of the review period was driven by increased consumer interest in artisanal and gourmet coffees.

Revenue in the Instant Coffee segment amounts to US\$116,761.7m in 2021. The market is expected to grow annually by 9.13% (CAGR 2021-2025). In relation to total population figures, per person revenues of US\$15.54 are generated in 2021. In the Instant Coffee segment, volume is expected to amount to 1,719.5 mkg by 2025. The market for Instant Coffee segment is expected to show a volume growth of 3.7% in 2022. The average volume per person in the Instant Coffee segment is expected to amount to 0.2kg in 2021.

Consumers in India have started exploring different coffee taste, thanks to various flavour, formats which are offered nowadays across different channels. 21% of Indian coffee drinkers perceive gourmet coffee to taste more superior than regular coffee reflects the growing demand for fresher coffee formats and premium offerings. As consumers demand information about the food they consume, it will be key to be more transparent about coffee's origin and processing method. Such details can serve as proxies to enhance the quality image of the product.

Asia Pacific leading the market share and is expected to remain on top over the next few years. The easy preparation of instant coffee, as well as its ability to be tailored to local taste preferences, has made it the coffee of choice in most markets in Asia Pacific, where coffee consumption is still low. The expanded spotlight on interesting, valid flavours and different useful properties of coffee has supported the premium version launches of the global instant coffee market.

The instant coffee segment's outlook is bright as consumers increasingly value instant coffee's simplicity of preparation.

Opportunities

The covid-19 pandemic unveiled the opportunity in premix and functional coffee segments due to increase in in-house consumption of speciality coffees. Diversification into value added finished products with premium quality is more in demand as focus is shifting to consumption of high quality coffee manufactured under hygienic conditions.

As the consumer has been evaluating a lot of coffee options, providing an opportunity to launch different format and higher order coffee for not only affluent class of people but consumers who are open to trying such coffee products like Premixes and cold brew. Growing demand for the "coffee shop experience" at home is fuelling the rise of instant coffees with more unique flavours. 41% of urban Indian consumers agree that coffee is energising. This suggests that there is scope to expand on the natural energy credentials of instant coffee by making the link more obvious on pack. Premiumisation trend results in growth of artisanal products and flavoured coffee launches. Continued working from home to underpin growth of fresh and flavoured coffees. Demand for convenience and quality to influence coffee performance in post-pandemic India. E-commerce and subscription services set to grow in line with convenience and premiumisation trends.

Rising employment levels have driven up caffeination demand across the board. At the same time, increasing discretionary spending power has fuelled the appetite for indulgence among consumers as well as a desire for novel experiences, which in turn has driven premiumization and sophistication. The out-of-home market has especially benefitted from this trend as increasingly time-strapped consumers opt for the convenience of a quick boost on the go. Among younger demographics still living in shared or temporary accommodations, coffee shops have become something of a living room and office space away from home, the rent for which is paid one Americano at a time.

There are several countries in which operations are hindered due to covid-19. Your Company is identifying these opportunities in the international markets and attempting to provide continuous supplies there, which can add few more customers into its portfolio. Desire for comfort and indulgence during covid-19 lockdown is increasing the upmarket trend.

Risks, concerns and threats

Owing to intermittent lockdowns in various countries, stoppage of international and local movements etc., had a severe impact on the logistics and thereby your Company has experienced occasional delays in both inbound and outbound shipments. These are likely to be continuing since the pandemic is still continuing – with more vigour and experiencing second and third waves globally. Company is taking effective steps to have enough stocks for enabling unhindered production activity. Any war between countries, Government / regulatory decisions effecting the change of the duty structure on green coffee/instant coffee shall have an impact on the prices of our imports/exports. Also high input costs and increasing logistics cost due to inflation pose risk for our operations at India as well as Vietnam, thereby affecting the working capital levels of the Company.

The major threat being faced by the instant coffee industry is the creation of huge additional capacities in several countries which is resulting in unhealthy competition and stress on prices. Your Company is making efforts to mitigate these threats by increased volumes of high quality niche and new products.

Reduced rainfall in some areas is dramatically changing the ecosystem and growing conditions which result the quality of the beans used as raw material to produce the instant Coffee. It is noticed that changes in weather patterns (drought, unpredictable and varied rains, temperature changes) are causing alterations in the appearance and severity of newer pests while existing diseases are migrating to ecological zones where they previously did not exist. This may affect the quality of the beans grown in the traditional regions from

where the Company is procuring. Although credible data on the levels and spread of these diseases and pests is not available, the potential risk should be noted. Changes in climate and a shortage of labourers due to lockdown resulted in increased coffee prices. Furthermore, foodservice outlets were reeling under the pressure of lockdown restrictions and consumers' reluctance to venture out.

Your Company has already established its longstanding presence in the international markets in the instant coffee, however, the sales of the products may fluctuate depending on economic and political conditions, including acts of terrorism in the producing and consuming countries. Decline in population can lead to decrease in sales in that particular territory.

Further, the Company has gained rich experience with the presence of marketing consultants and in-house experienced marketing personnel to face any kind of competition and market related risks.

With intermittent lockdown across various states in India along with many team members contacted covid 19 created a disruption in the system. Considering this is going to be the next normal, treading the path of forecast would be challenging. On the demand side, we are visualizing a reduction in institutional requirements (particularly from HORECA) in view of the lockdown. With the two biggies in coffee category, there is always a constant threat, which can be in shape of disrupting schemes, consumer driven offers etc.

Annexure-VIII**CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND
FOREIGN EXCHANGE EARNINGS AND OUTGO****[Section 134(3)(m) of The Companies Act, 2013 read with Rule 8(3) of The Companies (Accounts)
Rules, 2014]****A. Conservation of Energy**

Your Company is making investments to up-grade technology in various utilities equipment in the soluble coffee plant to conserve energy.

The steam boiler continues to be a major energy conserver to the Company. CCL is continuously striving for the sustainability, conservative utilisation of energy available and to minimize the ecological footprint by finding out ways to best utilise the waste generated in the process of manufacturing instant coffee. Coffee is a product, where only 40% can be derived from the coffee beans for the productive usage and the rest 60% is in the form of solid waste. This solid waste generated, on drying up, has greater calorific value.

i) The steps taken or impact on conservation of energy

We, at CCL addressed this with detailed discussions with our boiler suppliers. The solid waste, on drying up, not only has good calorific value but is with very low ash content. Thus, jointly with the boiler suppliers – viz., Thermax, we have got the fuel system redesigned so as to enable using this solid waste as fuel for boilers. This has not only resulted in substantial savings on fuel costs but also is environmental friendly as the ash content is very minimal. Thus, this effort of the company has not only served as a substitute for fossil fuel but also is an effective method for waste disposal.

ii) Steps taken by the Company for utilising alternate sources of energy

The Company has been continuously saving considerable fuel cost for its boilers by using rice husk and recycled solid waste as fuel. Further, the Company is also mulling the idea of utilising energy generated from renewable sources at its Plants. Also, the Company is planning to install solar panels at its Plants for generation of solar energy for captive consumption.

iii) The capital investment on energy conservation equipments

As stated above, capital investment on energy conservation equipments will be incurred during the FY 2021-22 and reported accordingly.

B) Technology Absorption**i) Efforts made towards technology absorption:**

The best technology in the world for the manufacturing of quality coffee is being used by your Company and strives continuously to upgrade the technology.

ii) Benefits derived like product improvement, cost reduction, product development or import substitution:

The technology being used has improved the production standards and optimised the operational costs.

iii) In case of imported technology (imported during the last 3 years reckoned from the beginning of the financial year), following information may be furnished:

a) Technology imported	No technology imported during the last 3 years
b) Year of Import	NA
c) Has technology been fully absorbed	NA
d) If not fully absorbed, areas where this has not taken place, reasons therefore and future plans of action	NA

iv) Expenditure incurred on Research and Development:

Your Company has a strong quality and assurance department which continuously strives to improve process methods, quality parameters etc., resulting in better value added products, improvement in quantities etc. This department is part of the Company's routine operations and hence, no specific allocation to be identified under Research and development.

C) Foreign Exchange Earnings and Outgo:

Total foreign exchange	₹ in Crores
Used	313.86
Earned	722.71

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1: Business should conduct and govern themselves with Ethics, Transparency and Accountability

CCL Products (India) Limited lays a strong emphasis on ethical corporate citizenship and establishment of good corporate culture. It has always believed in adhering to the best governance practices to ensure protection of interests of all stakeholders of the Company in tandem with healthy growth of the Company. The Company has always discouraged practices that are abusive, corrupt, or anticompetitive.

Our philosophy is to conduct the business with high ethical standards in our dealings with all the stakeholders that include employees, customers, suppliers, government and the community.

The Company has a strong and effective Whistle blower Policy which aims to deter and detect actual or suspected misconduct. It has been established to ensure that genuine concerns of misconduct/ unlawful conduct, which an individual believes may be taking place within the organisation, are raised at an early stage in a responsible and confidential manner. This mechanism also provides for adequate safeguards against victimisation of employees who avail of the mechanism. Any employee may report such incident without fear to the Chairman of the Audit Committee or alternatively may report to the Compliance officer of the Company. The Policy on Vigil Mechanism may be accessed on the Company’s website at <https://www.cclproducts.com/wp-content/uploads/2019/04/whistle-blower-policy.pdf>

1. Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?

Yes

CCL Products (India) Limited is committed to act professionally, fairly and with integrity in all its dealings. The Company has established a ‘Vigil Mechanism’ for Directors and employees to report their genuine concerns or grievances about unethical behavior, actual or suspected fraud or violation of Company’s Code of Conduct. As an integral part of such Vigil Mechanism, the Whistle Blower Policy of CCL has been formulated with a view to empower the Directors and employees of CCL and / or its subsidiary companies, to detect and report any improper activity within the Company.

Further CCL has also adopted “Code of Conduct for Directors and Senior Management” which captures the behavioral and ethical standards.

The Company obtains an annual confirmation affirming compliance with the Code from the Directors, Key Managerial Persons and the senior management every year.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

	Pending as on 31-03-2020	Received during 2020-21	Redressed during 2020-21	Pending as on 31-03-2021
Customer Complaints	Nil	Nil	Nil	Nil
Investor Complaints	Nil	36	36	Nil
Consumer cases	Nil	Nil	Nil	Nil

Principle 2: Business should provide goods and services that are safe and contribute to Sustainability throughout their life cycle

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

Not Applicable

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product(optional):

(a) Reduction during sourcing/production/ distribution achieved since the previous year throughout the value chain?

Not Applicable

(b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?

Not Applicable

3. Does the company have procedures in place for sustainable sourcing (including transportation)?
-Yes

(a) If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

CCL's global supply chain is complex in nature which involves sourcing raw materials and services from different parts of the world and the Company brought responsible sourcing practices at all the stages of supply chain in place over a period of time inspite of socio-economic and cultural constraints across the countries for long term sustainability.

The Company had a responsible sourcing policy which was made applicable to all its suppliers and ensure that the hygiene working conditions, minimum wages and safety standards are followed by all the employees involved throughout its supply chain globally in strict adherence to the international labour policies.

95% of CCL's inputs are sourced sustainably.

4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? Yes

(a) If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

CCL procures green coffee from small vendors of Karnataka, Andhra Pradesh, Tamil Nadu and Kerala. The Company source all the packaging material and other related products from local and small vendors since inception.

The assurance of sourcing from the Company led to the expansion of the vendors associated, and the company helped them with latest technology available globally for their development.

5. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

CCL continuously strives for the betterment in its porcess of recycling the products and waste generated during the production process. Coffee is a product, where around 40% can be derived from the coffee beans for the productive usage and the rest 60% is in the form of solid waste. This solid waste generated, on drying up, has greater calorific value.

The ash that comes from the boilers will be supplied to brick manufacturers. The solid waste that was generated is being used as fuel to the boilers. The water after the process of extraction is supplied to the

neighbouring farmers due to its organic nature which helps them to get better yield. More than 90% of the waste generated is being recycled.

Principle 3: Business should promote the well-being of all employees

We believe that our human capital is one of the most valuable resources to tap the perennial growth of business. Company’s Code of Conduct provides guidelines for employee wellbeing related to participation, freedom, gender equality, good environment and harassment free workplace. A strong mechanism is established for deployment of guidelines and grievance redressing mechanism.

1. Please indicate the Total number of employees: 613 as on 31.03.2021.
2. Please indicate the Total number of employees hired on Temporary/Contractual/casual basis : 1522
3. Please indicate the Number of permanent women employees : 22
4. Please indicate the Number of permanent employees with disabilities: 0
5. Do you have an employee association that is recognized by management- No
6. What percentage of your permanent employees is members of this recognized employee association? NA
7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.-

S.No.	Category	No of complaints filed during the financial year	No of complaints pending as on end of the financial year
1	Child labour/forced labour/involuntary labour	Nil	Nil
2	Sexual harassment	Nil	Nil
3	Discriminatory employment	Nil	Nil

8. What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

(a) Permanent Employees	100%
(b) Permanent Women Employees	100%
(c) Casual/Temporary/Contractual Employees	100%
(d) Employees with Disabilities	100%

Principle 4: Business should respect the interests of and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalised.

1. Has the company mapped its internal and external stakeholders? Yes

CCL has always acknowledged the vital contribution of all stakeholders such as employees, communities, suppliers, customers, regulatory bodies, industry associations, shareholders, academic institutes and media in building a sustainable business and has accorded importance to their voices and concerns.

The Company has carried out comprehensive stakeholder identification program. This allowed us to understand the needs and expectations of our stakeholders better.

2. Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders.
Yes

The stakeholder engagement program is deployed by focusing on each identified stakeholder from various business divisions of the organisation. We are working towards betterment of communities in the vicinity of our manufacturing plants which are located in rural areas. We have identified stakeholders and we are working on projects for them.

3. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders. If so, provide details thereof, in about 50 words or so.

The Company sources some of its raw material from the farmers of Karnataka, Andhra Pradesh, Tamil Nadu and Kerala.

The packaging material is procured locally from small vendors.

The Company initiated several programs that include health, hygiene and nutrition development in school children, promoting girl child education, swachh Bharat initiatives in the surrounding villages, medical camps and health centres, pure drinking water facilities in many villages.

Principle 5: Business should respect and promote human rights

1. Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

CCL's Policies cover the guidelines on Human rights and it is applicable to all members of the CCL group. The members had given liberty to report any violations of the Code, or share their concerns confidentially through e-mail, complaint drop box and access to Committee members as per the various Committees under the Code of Conduct.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

The Company has received 36 stakeholder complaints/queries in the past financial year and 100% of the complaints were satisfactorily resolved by the management.

Principle 6: Business should respect, protect and make efforts to restore the environment

1. Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/Contractors/NGOs/others.

CCL's Sustainability Policy extends to all the stakeholders the organization deals with, including suppliers, contractors, NGOs and others. We aim to propagate the principles of Sustainability throughout our Value chain and to all stakeholders

2. Does the company have Strategies/ initiatives to address global environmental issues such as climate change, global warming, etc? Y/N. If yes, please give hyperlink for webpage etc.

Many facets of respecting and protecting environment are embedded in the company's operations as also its products. Consumption of fuel is very important for our boilers. We have got the fuel system redesigned so as to enable using this solid waste as fuel for boilers. This has not only resulted in substantial savings on fuel costs but also is environmental friendly as the ash content is very minimal. Thus, this effort of the company has not only served as a substitute for fossil fuel but also is an effective method for waste disposal.

The Company has been continuously saving considerable fuel cost for its boiler by using rice husk and recycled solid waste as fuel. An Electrostatic Precipitator (ESP) was installed to curb pollution from the boiler which enhance eco friendly operations at the Plant.

To minimise the environmental impacts of its products, the Company continuously improves products in terms of fuel efficiency, material use and recyclability

3. Does the company identify and assess Potential environmental risks?

Since there are no chemicals used in the production process and since processing is done with coffee beans and water, everything is organic in nature. Potential environmental risks are constantly being assessed as part of the company's risk management identification process. The Company regularly reviews its environmental risks and undertakes initiatives to mitigate them.

4. Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if Yes, whether any environmental compliance report is filed?

Not Applicable

5. Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc. Y/N. If yes, please give hyperlink for web page etc.

Not Applicable

6. Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?

All emissions and waste generated by the Company are within the permissible limits given by CPCB/SPCB in 2018-19.

7. Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

Nil

Principle 7: Business, when engaged in influencing public and regulatory policy, should do so in a responsible manner

1. Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

- (a) Coffee Board of India
- (b) Export Promotion Council for EOUs and SEZs (EPCES)
- (c) Federation of Indian Export Organization (FIEO)
- (d) Federation of Telangana and Andhra Pradesh Chambers of Commerce and Industry (FTAPCCI)
- (e) Indo American Chamber of Commerce (IACC)
- (f) Indo German Chamber of Commerce (IGCC)
- (g) National Coffee Association, USA (NCA)

2. Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)

The Company associated with above institutions with an intention of mutual learning and contribution in development of processes.

CCL has been instrumental in value addition for the instant coffee in global markets by promoting Indian coffee, working with many associations and also in making several representations to the Government through its officers for development of green coffee production in the State of Andhra Pradesh.

Principle 8: Business should support inclusive growth and equitable development

We at CCL believe that in order to have a growth and equitable development the company has to work in proper co ordination with its ecosystem. The Company also believes that social, environmental and economic values are interlinked and we belong to an Interdependent Ecosystem comprising Shareholders, Consumers, Associates, Employees, Government, Environment and Society. We are committed to ensure a positive impact of our existence on all these stakeholders. It's our continuous endeavour to integrate sustainability considerations in all our business decisions.

1. Does the company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.

The Company as part of its corporate social responsibility involved in several programmes and projects that creates a better country for the future generations. The details of several programmes undertaken by the Company are given in 'Annexure II' of the Directors Report, which forms part of the Annual Report.

2. Are the programmes/projects undertaken through in-house team/own foundation/external NGO/ government structures/any other organization?

The aforesaid projects have been carried out by the Company directly and in consultantion with other organizations.

3. Have you done any impact assessment of your initiative?

Yes, the CSR committee internally performs an impact assessment of its initiatives at the end of each year to understand the efficacy of the programme in terms of delivery of desired benefits to the community and to gain insights for improving the design and delivery of future initiatives.

4. What is your company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken.

S.No	CSR Project	Expenditure
1	Old age homes	105,000
2	Orphanage	445,000
3	Promoting Education	3,378,512
4	Health, hygiene and safe drinking water	5,325,291
5	Infrastructure facilities	6,000,000
6	Self employment & Skill development	17,261,135
7	Disaster Management	11,100,011
	TOTAL	43,614,949

5. Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

CCL's CSR initiatives are rolled out directly or in partnership with nonprofit organisations. This helps in increasing reach as well as ensuring the adoption of initiative by communities. Project teams track the reach and take necessary steps to make it successful.

Principle 9: Business should engage with and provide value to their Customers and consumers in a responsible manner

All the customer complaints which were received in the reporting period have been resolved and there are no complaints or consumer cases pending as on the end of the financial year. There are no cases filed by any customer or consumer against the Company as at the end of financial year 2018–19. The Company displays all product information on the product label, which is mandatory and as may be required for the use of the products by the consumers. The Company shall never engage in any unfair trading practices, irresponsible advertising or anti-competitive behavior. The Company has various checks and balances to ensure that the business of the Company is done in a fair and responsible manner.

Information with reference to BRR framework:

No.	Questions	Information
9.1	What percentage of customer complaints/ consumer cases are pending as on the end of financial year.	Following is the status of customer complaints/ consumer cases as on the end of the financial year ended on 31 st March, 2021: 1.Customer complaints- Nil 2.Consumer cases- Nil

Mrs. Kulsoom Noor Saifullah	Member	1	1
Mrs. Challa Shantha Prasad	Member	1	1
Dr. Lanka Krishnanand	Member	1	1
Mr. Kode Durga Prasad	Member	1	1

(c) Meetings during the year

The Committee met once during the previous year. The said committee met on 15th June, 2020

The main object of this Committee is to identify persons who are qualified to become directors and who may be appointed in senior management of the Company, recommend to the Board their appointment and removal and shall carry out evaluation of every Director's performance, recommend the remuneration package of both the Executive and the Non-Executive Directors on the Board and also the remuneration of Senior Management, one level below the Board. The Committee reviews the remuneration package payable to Executive Director(s) and recommends to the Board the same and acts in terms of reference of the Board from time to time.

(d) Performance evaluation criteria for Independent Directors

Independent Directors are evaluated based on below mentioned criteria:

- (h) their general understanding of the Company's business dynamics
- (ii) global business and social perspective
- (iii) professional ethics, integrity and values
- (iv) willingness to devote sufficient time and energy in carrying out their duties and responsibilities effectively

The Nomination and Remuneration Committee laid down criteria for performance evaluation of all the Directors on the Board and recommended the same for evaluating the performance of each and every Director.

Board evaluates the performance of Independent Directors annually based on their participation at the Board and Committee meetings conducted during the year and the NR Committee recommends the appointment/ re-appointment of the Independent Directors by assessing the role played by them in all the meetings they attended.

(5) Remuneration of Directors

(a) All pecuniary relationship or transactions of the non-executive directors

Non-Executive Directors including Independent Directors are entitled to payment of sitting fee for the Board and Committee meetings attended by them and Commission not exceeding 1% of of the net profits of the Company computed in the manner laid down in Section 198 of the Companies Act, 2013 and the shareholders passed a resolution to this effect in their meeting held on 26th September, 2016.

(b) Criteria of making payments to non-executive directors

Keeping in view the size, scale and complexity of the Company's operations and the level of involvement of the non-executive directors in the supervision and control of the Company and their guidance for the growth of the Company as members of the Board and also as Chairman or Members of the relevant Committees of the Board, the Board and Shareholders decided that such remuneration/commission should be commensurate with their roles which have undergone significant qualitative changes.

(c) Disclosures with respect to remuneration: in addition to disclosures required under the Companies Act, 2013:

(i) All elements of remuneration package of individual directors summarized under major groups, such as salary, benefits, bonuses, stock options, pension etc for the FY 2020-21 :

Ms. Sridevi Dasari (Company Secretary)	Member	1	1
Mr. V. Lakshmi Narayana (Chief Financial Officer)	Member	1	1

The Committee met once during the previous year. The said committee met on the following dates:

28 th January, 2021

The Company recognises that enterprise risk management is an integral part of good management practice.

The purpose of this policy is to articulate our approach and expectations in relation to the management of risk across the organisation. Risk Management is an essential element in achieving business goals and deriving benefits from market opportunities. All employees are responsible for managing risk in so far as is reasonably practicable within their area of activity.

Objective of the Risk Management Policy

To embed the management of risk as an integral part of our business processes;

To establish an effective system of risk identification, analysis, evaluation and treatment within all areas and all levels of the Company;

To avoid exposure to significant financial loss;

To contribute to the achievement of the Company's objectives; and

To assess the benefits and costs of implementation of available options and controls to manage risk.

The primary function of the Risk Management Committee is to assist the Board to manage the risk appetite of the Company in order to promote a balanced business model and growth. The Committee oversees the identification of major areas of risk being faced by the Company, the development of strategies to manage those risks and reviews the risk management policies and their implementation.

Functions, Roles and Responsibilities of the Committee

- To approve structures, analyze risks and benefits, seek independent opinion with regard to structure or views.
- Assisting the Board in fulfilling its oversight responsibilities with regard to Enterprise Risk Management.
- Reviewing and approving risk related disclosures.
- Responsible for day to day oversight of risk management including identification, impact assessment, monitoring, mitigation and reporting.
- Formulation and implementation of risk management policies and procedures.
- Providing updates to the Board on enterprise risks and action taken.
- Ensure compliance with policies and procedures laid down by the Company for specific business units.
- Maintenance and development of a supportive culture, in relation to the management of risk appropriately embedded through procedures, training and leadership actions so that all employees are alert to the wider impact on the whole organisation of their actions and decisions.
- Advising Board on all high level risk matters.
- To review the effectiveness of the internal control system and risk management framework in relation to the achievement of business objectives.
- Reporting risk events and incidents in a timely manner.

CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members,
CCL Products (India) Limited

We have examined the compliance of conditions of Corporate Governance by CCL Products (India) Limited ('the Company') for the year ended 31st March, 2021 as per the relevant provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations') as referred to in Regulation 15 (2) of the Listing Regulations.

The compliance of conditions of Corporate Governance is the responsibility of management. Our examination was limited to procedures and implementation thereof, adopted by the company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

INDEPENDENT AUDITOR'S REPORT**To the Members of CCL Products (India) Limited****Report on the Audit of the Standalone Financial Statements****Opinion**

We have audited the accompanying Standalone financial statements of CCL Products (India) Limited ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of profit and loss (including Other Comprehensive Income), the cash flow Statement and the statement of changes in equity and for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("IND AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

We draw attention to Note 1.26 of the standalone financial statements, which describes the extent to which the COVID-19 Pandemic will impact the Company's results which depend on future developments that are highly uncertain. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How the Matter was addressed in Audit
<p>1. Evaluation of uncertain tax position:</p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes 2.33 to the Financial Statements</p>	<p><u>Principal Audit Procedures</u></p> <p>Obtained details of completed tax assessments and demands upto the year ended March 31, 2021 from management. We involved our internal experts to challenge the management’s underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management’s position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at 1st April 2021 to evaluate whether any change was required to management’s position on these uncertainties.</p> <p>We conclude that tax provisions and related disclosures are appropriately disclosed</p>

Information Other than the Financial Statements and Auditor’s Report Thereon

The Company’s Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, for example, Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the standalone financial statements and our auditor’s report thereon. The other information as stated above is expected to be made available to us after the date of this auditor’s report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information as stated above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with Governance.

Management’s Responsibility for the Standalone Financial Statements

The Company’s Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the

Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists,

we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure-B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive In-

come, The Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the company to its directors during the year is in accordance with the provisions of the section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS financial statements – Refer to Note No. 2.33 to the Standalone Ind AS financial statements;
 - ii. The Company has made provision, as required under the applicable laws or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure - A to the Independent Auditors' Report

(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of CCL Products (India) Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and

directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure – B to the Independent Auditors' Report

The Annexure referred to in our Independent Auditors' Report to the members of the **CCL Products (India) Limited** on the Standalone Financial Statements for the period ended 31st March 2021, we report that:

- 1.1 The Company has maintained proper records showing full particulars, including the Quantitative details and the situation of fixed assets.
- 1.2 As explained to us, the fixed assets, have been physically verified by the Management in a periodical manner, which in our opinion is reasonable, having regard to the size of the company and the nature of its business. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- 1.3 According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable property are held in the name of company.
- 2.1 The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The company has maintained proper records of inventory. The discrepancies noticed on verification between the physical stock and book records were not material.
- 3.1 The Company has not granted any loans, secured or unsecured during the period. Thus paragraphs 3 (iii) of the order is not applicable to the company.
- 4.1 In our opinion and according to the information and explanations given to us, the Company has not given any loans, made investments or provided securities to companies and other parties listed under section 185 and 186 of the Act.
- 5.1 The Company has not accepted any deposits from the public within the meaning of Sections 73 to 76 of the Act and rules framed there under.
- 6.1 We have broadly reviewed the cost records maintained by the company as prescribed under section 148 (1) of the Act, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained.
- 7.1 According to the information and explanations given to us and on the basis of our examination of the records, the Company is generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, income tax, sales tax, service tax, Goods and Services Tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues as applicable to the appropriate authorities have generally been regularly deposited during the year by the Company with the appropriate authorities.

According to the information and explanations given to us no undisputed amounts payable in respect of provident fund, employees state insurance, income tax, sales tax, service tax, Goods and Services Tax, duty of customs, duty of excise, value added tax, cess and other material statutory were in arrears as at 31st March 2021 for a period of more than six months from the date they became payable.

- 7.2 According to the information and explanations given to us, there are no material dues of income tax or sales tax or service tax or Goods and Services Tax or duty of customs or duty of excise or value added tax which have not been deposited by the company on account of dispute, except for the following:

S No	Name of the Statute	Nature of Dues	Amount in Lakhs	Period	Forum Where dispute is pending
1	The Income Tax Act, 1961	Income Tax	3539.48 (2883.28 deposited under protest)	Assessment years from 2006-07 to 2013-14	A P High Court
2	The Income Tax Act, 1961	Income Tax	160.58	Assessment years from 2011-12 to 2012-13	CIT(Appeals), Guntur
3	The Income Tax Act, 1961	Income Tax	357.31	Assessment years from 2016-17 to 2017-18	CIT(Appeals), Guntur

1. NOTES TO STANDALONE FINANCIAL STATEMENTS

DESCRIPTION OF THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES

1.1 General Information

CCL Products (India) Limited (the Company) is engaged in the production, trading and distribution of Coffee. The Company has business operations mainly in India, Vietnam and Switzerland. The Company is a public limited Company incorporated and domiciled in India and has its registered office at Duggirala, Guntur, Andhra Pradesh. The Company has its primary listings on the Bombay Stock Exchange and National Stock Exchange in India. The principal accounting policies applied in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.2 Basis of preparation and presentation of Financial Statements

The financial statements of CCL Products (India) Limited (“CCL” or “the Company”) have been prepared and presented in accordance with the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules 2015, as amended and as per other relevant provisions of the Act. The presentation of financial statements is based upon Ind AS Schedule III of Companies Act, 2013.

1.3 Basis of Measurement

These financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items in the balance sheet:

- a. Derivative financial instruments are measured at fair value.
- b. Certain financial assets are measured either at fair value or at amortized cost depending on the classification;
- c. Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation, and
- d. Long-term borrowings are measured at amortized cost using the effective interest rate method.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability

All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realization/settlement within twelve months period from the balance sheet date.

1.4 Use of estimates and judgment

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, the areas involving critical estimates or Judgment are:

a. Depreciation and amortization

Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.

b. Employee Benefits

The present value of the employee benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) includes the discount rate, wage escalation and employee attrition. The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of the obligations.

c. Provision and contingencies

Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

d. Fair valuation

Fair value is the market based measurement of observable market transaction or available market information. All financial instruments are measured at fair value as at the balance sheet date, as provided in Ind AS 109 and 113. Being a critical estimate, judgment is exercised to determine the carrying values. The fair value of financial instruments that are unlisted and not traded in an active market is determined at fair values assessed based on recent transactions entered into with third parties, based on valuation done by external appraisers etc.

1.5 Functional and presentation currency

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest lakhs.

1.6 Current and noncurrent classification

All the assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1, presentation of financial statements.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is expected to be realized within twelve months after the reporting date; or
- d. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within twelve months after the reporting date; or
- d. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/ liabilities include the current portion of noncurrent assets/ liabilities respectively. All other assets/ liabilities are classified as noncurrent. Deferred tax assets and liabilities are always disclosed as non-current.

1.7 Foreign Currency Transaction

Transactions in foreign currencies are translated to the respective functional currencies of entities within the Company at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in the statement of profit and loss in the period in which they arise.

1.8 Property Plant & Equipment

Recognition and measurement

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset.

Directly attributable costs include:

- a. Cost of Employee Benefits arising directly from Construction or acquisition of PPE.
- b. Cost of Site Preparation.
- c. Initial Delivery & Handling costs.
- d. Professional Fees and
- e. Costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling any item produced while bringing the asset to that location and condition (such as samples produced when testing equipment).

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part will be derecognized. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up.

Depreciation

Depreciation is recognized in the statement of profit and loss on a straight line basis over the estimated useful lives of property, plant and equipment based on the Companies Act, 2013 (“Schedule II”), which prescribes the useful lives for various classes of tangible assets. For assets acquired or disposed off during the year, depreciation is provided on pro rata basis. Land is not depreciated.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate.

The estimated useful lives are as follows:

Type of Asset	Estimated useful life in years
Buildings	
i) Main Plant Building	30
ii) Other Building	60
Plant & Machinery	25
Lab Equipment	7.5
Material Handling	7.5
Fire fighting	7.5
Vehicles	8
Computers	3
Office Equipment	5
Furniture & Fixtures	10

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advances under other noncurrent assets. The cost of property, plant and equipment not ready to use before such date are disclosed under capital work-in-progress. Assets not ready for use are not depreciated.

The Company assesses at each balance sheet date, whether there is objective evidence that an asset or a group of assets is impaired. An asset’s carrying amount is written down immediately to its recoverable amount if the asset’s carrying amount is greater than its estimated recoverable amount. Recoverable amount is higher of the value in use or fair value less cost to sell.

1.9 Intangible assets

Acquired computer software is capitalised on the basis of the costs incurred to acquire and bring to use the specific software. The Intangible assets that are acquired by the Company and that have finite useful lives are measured at cost less accumulated amortization and accumulated impairment losses.

Amortization

Amortization is recognized in the statement of profit and loss on a straight-line basis over the estimated useful lives of intangible assets or on any other basis that reflects the pattern in which the asset’s future economic benefit are expected to be consumed by the entity. Intangible assets that are not available for use are amortized from the date they are available for use. The estimated useful lives are as follows:

Type of Asset	Estimated useful life
Intangible Assets	
Computer Software	3

The amortization period and the amortization method for intangible assets with a finite useful life are reviewed at each reporting date.

1.10 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a. Financial assets

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

Debt instrument at FVTPL

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss. The Company has not designated any debt instrument as at FVTPL.

Investment in Preference Shares and Unquoted trade Investments

Investment in Preference Shares and Unquoted trade Investments are measured at amortized cost using Effective Rate of Return (EIR).

Investment in equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Investments in subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e., removed from the Company's balance sheet) when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of trade receivables

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. Expected credit loss model takes into consideration the present value of all the cash shortfalls over the expected life of a financial instrument. In simple terms, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate. The Standard presumes that entities would suffer credit loss even if the entity expects to be paid in full but later than when contractually due. In other words, it simply focuses on DELAYS in collection of receivables.

For the purpose of identifying the days of delay, the Company took into consideration the weighted average number of delays taking into consideration the date of billing, the credit period and the collection days.

b. Financial liabilities***Initial recognition and measurement***

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value i.e., loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in the statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Derivative financial instruments and hedging activities:

A derivative is a financial instrument which changes value in response to changes in an underlying asset and is settled at future date. Derivatives are recognised at fair value at the end of reporting period and are subsequently re-measured at their fair value at each reporting period. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. The Company designates certain derivatives as either:

- a. hedges of the fair value of recognised assets or liabilities (fair value hedge); or
- b. hedges of a particular risk associated with a financial commitment or a highly probable forecasted transaction (cash flow hedge);

The Company documents at the inception of the transaction the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategy for undertaking various hedging transactions. The Company also documents its assessment, both at hedge inception and on an on-going basis, of whether the derivatives that are used in hedging transactions are effective in offsetting changes in cash flows of hedged items.

Movements in the hedging reserve are accounted in other comprehensive income and are shown within the statement of changes in equity. The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of hedged item is more than 12 months and as a current asset or liability when the remaining maturity of the hedged item is less than 12 months. Trading derivatives are classified as a current asset or liability.

(a) Fair value hedge

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

(b) Cash flow hedge

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income. The ineffective portion of changes in the fair value of the derivative is recognised in the statement of profit and loss. Gains or losses accumulated in equity are reclassified to the statement of profit and loss in the periods when the hedged item affects the statement of profit and loss.

When a hedging instrument expires or swapped or unwound, or when a hedge no longer meets the criteria for hedge accounting, any accumulated gain or loss existing in statement of changes in equity is recognised in the Statement of Profit and Loss.

When a forecasted transaction is no longer expected to occur, the cumulative gains/losses that were reported in equity are immediately transferred to the statement of profit and loss.

Fair value measurement

Fair value of financial assets and liabilities is normally determined by references to the transaction price or market price. If the fair value is not reliably determinable, the Company determines the fair value using valuation techniques that are appropriate in the circumstances and for which sufficient data are available, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

1.11 Inventories

Inventories consist of raw materials, stores and spares, work-in-progress and finished goods are measured at the lower of cost and net realizable value. The cost of all categories of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating capacity. Stores and spares, that do not qualify to be recognized as property, plant and equipment, consists of packing materials, engineering spares (such as machinery spare parts) and consumables which are used in operating machines or consumed as indirect materials in the manufacturing process. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

1.12 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite lives or that are not yet available for use, an impairment test is performed each year at March 31.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflow of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized in the statement of profit and loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

1.13 Cash & Cash Equivalents

Cash and bank balances comprise of cash balance in hand, in current accounts with banks, demand deposit, short-term deposits, Margin Money deposits and unclaimed dividend accounts. For this purpose, "short-term" means investments having maturity of three months or less from the date of investment. Bank overdrafts that are repayable on demand and form an integral part of our cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows. The Margin money deposits, balance in dividend accounts which are not due and unclaimed dividend balances shall be disclosed as restricted cash balances.

1.14 Employee Benefits

a. Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b. Defined Contribution Plan

The Company's contributions to defined contribution plans are charged to the statement of profit and loss as and when the services are received from the employees.

c. Defined Benefit Plans

The liability in respect of defined benefit plans and other post-employment benefits is calculated using the projected unit credit method consistent with the advice of qualified actuaries. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates based on prevailing market yields of Indian Government Bonds and that have terms to maturity approximating to the terms of the related defined benefit obligation. The current service cost of the defined benefit plan, recognized in the statement of profit and loss in employee benefit expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs are recognized immediately in income. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise.

d. Termination benefits

Termination benefits are recognized as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognized as an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

e. Other long-term employee benefits

The Company's net obligation in respect of other long term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and previous periods. That benefit is discounted to determine its present value. Re-measurements are recognized in the statement of profit and loss in the period in which they arise.

1.15 Provisions, contingent liabilities and contingent assets**Provisions**

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognized in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

1.16 Revenue Recognition**Revenue from contracts with customers**

Revenue is recognized when the Company substantially satisfied its performance obligation while transferring a promised good or service to its customers. The company considers the terms of the contract and its customary business practices to determine the transaction price. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives / discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

Other Income**Interest Income**

Interest Income mainly comprises of interest on Margin money deposit with banks relating to bank guarantee. Interest income should be recorded using the effective interest rate (EIR). However, the amount of margin money deposits relating to bank guarantee are purely current in nature, hence effective interest rate has not been applied. Interest is recognized using the time-proportion method, based on rates implicit in the transactions.

Dividend

Dividend income is recognized when the Company's right to receive dividend is established.

1.17 Government Grants

Government grants are assistance by government in the form of transfers of resources to an entity in return for past or future compliance with certain conditions relating to the operating activities of the entity. They exclude those forms of government assistance which cannot reasonably have a value placed upon them and transactions with government which cannot be distinguished from the normal trading transactions of the entity.

Grants related to assets are government grants whose primary condition is that an entity qualifying for them should purchase, construct or otherwise acquire long-term assets. Subsidiary conditions may also be attached restricting the type or location of the assets or the periods during which they are to be acquired or held.

Grants related to income are government grants other than those related to assets.

A government grant that becomes receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs shall be recognised in profit or loss of the period in which it becomes receivable.

Export incentives in the form of MEIS scrips and power subsidy receivable by the company do not fall under the scope of Ind AS 115 and are accounted for in accordance with the provisions of Ind AS 20 considering such incentives as Government Assistance. Accordingly, government grant relating to Income is recognised on accrual basis in Profit and Loss statement and when the terms and conditions related to export performance obligations are met.

1.18 Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing cost also include Exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

1.19 Tax Expenses

Tax expense consists of current and deferred tax.

Income Tax

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred Tax

Deferred tax is recognised using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

1.20 Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

1.21 Trade receivables

Trade receivables are initially recognized at fair value and subsequently measured at amortised cost using effective interest method, less provision for impairment, if any.

1.22 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

1.23 Business combinations

Business combinations are accounted as per the provisions of Ind AS 103, Business Combinations.

The Company applies the acquisition method to account for business combination. The consideration transferred for the acquisition of a subsidiary comprises of the,

- fair values of the assets transferred,
- liabilities incurred to the former owners of the acquired business,
- equity interests issued by the Group and
- fair value of any asset or liability resulting from a contingent consideration arrangement

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date.

The excess of the fair value of consideration over the identifiable net asset acquired is recorded as goodwill, If the consideration is lower, the gain is recognised directly in equity as capital reserve.

In case, business acquisition is classified as bargain purchase, the aforementioned gain is recognised in the other comprehensive income and accumulated in equity as capital reserve.

The Company recognises any non-controlling interest in the acquired entity at fair value. Changes in ownership that do not result in a change of control are accounted for as equity transactions and therefore do not have any impact on goodwill. The difference between consideration and the non-controlling share of net assets acquired is recognised within equity.

Business combinations involving entities or businesses under common control are accounted for using the pooling of interest method. Under pooling of interest method, the assets and liabilities of the combining entities are reflected at their carrying amounts, with adjustments only to harmonise accounting policies.

Acquisition-related costs are expensed as incurred

If the business combination is achieved in stages, the acquisition date carrying value of the acquirer's previously held equity interest in the acquiree is re-measured to fair value at the acquisition date; any gains or losses arising from such re-measurement are recognised in profit or loss or other comprehensive income, as appropriate.

If the initial accounting for a business combination can be determined only provisionally by the end of the first reporting period, the business combination is accounted for using provisional amounts. Adjustments to provisional amounts, and the recognition of newly identified asset and liabilities, must be made within the 'measurement period' where these reflect new information obtained about facts and circumstances that were in existence at the acquisition date. The measurement period cannot exceed one year from the acquisition date and no adjustments are permitted after one year except to correct an error.

Any contingent consideration to be transferred by the Company is recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration that is deemed to be an asset or liability is recognised in the Statement of Profit and Loss. Contingent consideration that is classified as equity is not re-measured, and its subsequent settlement is accounted for within equity.

Business combinations of entities under common control

Common control business combination means a business combination involving entities or businesses in which all the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination, and that control is not transitory.

Business combinations involving entities or businesses under common control shall be accounted for using the pooling of interests method.

The pooling of interest method is considered to involve the following:

- (a) The assets and liabilities of the combining entities are reflected at their carrying amounts.
- (b) No adjustments are made to reflect fair values, or recognise any new assets or liabilities. The only adjustments that are made are to harmonise accounting policies.
- (c) The financial information in the financial statements in respect of prior periods should be restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, if business combination had occurred after that date, the prior period information shall be restated only from that date.
- (d) The balance of the retained earnings appearing in the financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee. Alternatively, it is transferred to General Reserve, if any.
- (e) The identity of the reserves shall be preserved and shall appear in the financial statements of the transferee in the same form in which they appeared in the financial statements of the transferor.
- (f) The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor shall be transferred to capital reserve and should be presented separately from other capital reserves with disclosure of its nature and purpose in the notes.

1.24 Determination of fair values

The Company's accounting policies and disclosures require the determination of fair value, for certain financial and non-financial assets and liabilities. Fair values have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

(i) Property, plant and equipment

Property, plant and equipment, if acquired in a business combination or through an exchange of non-monetary assets, is measured at fair value on the acquisition date. For this purpose, fair value is based on appraised market values and replacement cost.

(ii) Intangible assets

The fair value of brands, technology related intangibles, and patents and trademarks acquired in a business combination is based on the discounted estimated royalty payments that have been avoided as a result of these brands, technology related intangibles, patents or trademarks being owned (the "relief of royalty method"). The fair value of customer related, product related and other intangibles acquired in a business combination has been determined using the multi-period excess earnings method after deduction of a fair return on other assets that are part of creating the related cash flows.

(iii) Inventories

The fair value of inventories acquired in a business combination is determined based on its estimated selling price in the ordinary course of business less the estimated costs of completion and sale, and a reasonable profit margin based on the effort required to complete and sell the inventories.

(iv) Investments in equity and debt securities and units of mutual funds

The fair value of marketable equity and debt securities is determined by reference to their quoted market price at the reporting date. For debt securities where quoted market prices are not available, fair value is determined using pricing techniques such as discounted cash flow analysis.

In respect of investments in mutual funds, the fair values represent net asset value as stated by the issuers of these mutual fund units in the published statements. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors.

Accordingly, such net asset values are analogous to fair market value with respect to these investments, as transactions of these mutual funds are carried out at such prices between investors and the issuers of these units of mutual funds.

(v) Derivatives

The fair value of foreign exchange forward contracts is estimated by discounting the difference between the contractual forward price and the current forward price for the residual maturity of the contract using a risk-free interest rate (based on government bonds). The fair value of foreign currency option and swap contracts and interest rate swap contracts is determined based on the appropriate valuation techniques, considering the terms of the contract.

(vi) Non-derivative financial liabilities

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date. For finance leases the market rate of interest is determined by reference to similar lease agreements. In respect of the Company's borrowings that have floating rates of interest, their fair value approximates carrying value.

1.25 Note on "Code on Security, 2020"

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

1.26 Impact of COVID-19

The Company has considered the possible effects that may result from the pandemic relating to Covid-19 in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of Covid-19 on the Company's financial statements may differ from that estimated as at the date of approval of these standalone financial statements.

2.28 Segment Reporting:

The Company concluded that there is only one operating segment i.e, Coffee products. Hence, the same becomes the reportable segment for the Company. Accordingly, the Company has only one operating and reportable segment, the disclosure requirements specified in paragraphs 22 to 30 are not applicable. Accordingly, the Company shall present entity-wide disclosures enumerated in paragraphs 32, 33 and 34 of Ind AS 108.

2.29 Employee benefits:
Gratuity benefits

In accordance with applicable laws, the Company has a defined benefit plan which provides for gratuity payments (the "Gratuity Plan") and covers certain categories of employees in India. The Gratuity Plan provides a lump sum gratuity payment to eligible employees at retirement or termination of their employment. The amount of the payment is based on the respective employee's last drawn salary and the years of employment with the Company. Liabilities in respect of the Gratuity Plan are determined by an actuarial valuation, based upon which the Company makes contributions to the Life Insurance Corporation of India (LIC).

The components of gratuity cost recognized in the statement of profit and loss for the years ended 31st March 2021 and 2020 consist of the following:

(₹ in Lakhs)

Particulars	As of 31 st March	
	2021	2020
Discount rate	6.87%	8.00%
Rate of compensation increase	4.00%	4.00%

Leave Encashment

The Company provides for accumulation of compensated absences by certain categories of its employees. These employees can carry forward a portion of the unutilised compensated absences and utilise them in future periods or receive cash in lieu thereof as per the Company's policy. The Company records a liability for

compensated absences in the period in which the employee renders the services that increases this entitlement. The total liability recorded by the Company towards this obligation was Rs.154.84 Lakhs and Rs.38.85 Lakhs as at 31 March 2021 and 31 March 2020, respectively

Contribution to Provident Fund

The employees of the Company receive benefits from a provident fund, a defined contribution plan. Both the employee and employer each make monthly contributions to a government administered fund equal to 12% of the covered employee's qualifying salary. The Company has no further obligations under the plan beyond its monthly contributions. The Company contributed Rs.195.63 Lakhs and Rs.248.41 Lakhs to the provident fund plan during the years ended 31st March 2021 and 2020, respectively.

Contribution to Superannuation schemes

Certain categories of employees of the Company participate in superannuation, a defined contribution plan administered by the Life Insurance Corporation of India. The Company makes annual contributions based on a specified percentage of each covered employee's salary. The Company has no further obligations under the plan beyond its annual contributions. The Company contributed Rs.273.65 Lakhs and Rs.154.87 Lakhs to the superannuation Schemes during the years ended 31st March 2021 and 2020, respectively.

Property, plant and equipment	(8,144.50)	(7942.35)
Others	3,171.34	3,237.47
Net deferred tax assets/(liabilities)	(4,973.16)	(4704.88)

2.31 Financial Risk Management:

The Company's activities expose it to a variety of financial risks, including credit risk, liquidity risk and Market risk. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors, risk management committee and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

a. Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company has the following categories of financial assets that are subject to credit risk evaluation:

Trade Receivables- The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

Financial assets that are neither past due nor impaired - None of the Company's cash equivalents, including deposits with banks, were past due or impaired as at 31st March 2021. Of the total trade and other receivables, impairment loss is provided for ₹ 94.88 Lakhs as at 31st March 2021 and ₹ 77.43 Lakhs at 31st March 2020.

The Company's credit period for customers generally ranges from 60-90 days. The aging of trade receivables that are past due but not impaired is given below: (₹ in Lakhs)

Particulars	As of 31 st March	
	2021	2020
Period (in days)		
1 – 90	12369.47	12502.27
90 – 180	170.68	7155.31
More than 180	1217.80	1974.93
Total	13757.95	21632.51

Other than trade receivables, the Company has no significant class of financial assets that are past due or impaired as at 31st March, 2021.

On account of adoption of Ind AS 109, the Company uses Expected Credit Loss (ECL) model for assessing the impairment loss. For this purpose, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate.

Reconciliation of allowance for credit losses

The details of changes in allowance for credit losses during the year ended 31st March 2021 and 31st March 2020 are as follows:

Particulars	For the Year Ended 31 st March	
	2021	2020
Balance at the beginning of the year	77.43	40.13
Impairment of Trade receivables	17.45	37.29
Balance at the end of the year	94.88	77.43

b. Liquidity Risks:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

As of 31st March 2021 and 2020, the Company has utilized working capital credit limits from banks for ₹ 19150.47 Lakhs and ₹ 14270.14 Lakhs respectively.

As of 31st March 2021, the Company had working capital (current assets less current liabilities) of ₹ 17052.18 Lakhs including cash and cash equivalents of ₹ 6879.95 Lakhs. As of 31st March 2020, the Company had working capital (current assets less current liabilities) of ₹ 19707.89 Lakhs including cash and cash equivalents of ₹ 1844.56 Lakhs.

The table below provides details regarding the contractual maturities of significant financial liabilities as at 31st March 2021:

(₹ in Lakhs)

Particulars	2022	2023	Total
Trade payables	1566.93	-	1566.93
Long term borrowings	7294.04	5897.02	13191.07
Bank overdraft, short-term loans and borrowings*	19150.47	-	19150.47
Other liabilities*	14859.17	-	14859.17

*Note: The Bank Overdraft and other liabilities are payable on demand.

c. Market Risks

Market risk is the risk that changes in market prices such as commodity prices risk, foreign exchange rates and interest rates which will affect the Company's financial position. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The Coffee Industry is dependent on nature, making it susceptible to climate vagaries. The major weather factors that influence coffee yield are rainfall, temperature, light intensity and relative humidity.

Commodity Price Risk

The Company exposure to Market risk for commodity prices can result in changes to realisation for its Cost of Production for its products. The company mitigates risk by entering into Coffee Future Contracts and with the natural hedge arising on export of Products vis a vis import of Coffee Beans.

Coffee Futures

The Company uses Coffee future contract to reduce its price risk associated with forecasted purchases of Coffee beans. Throughout the year, the company enters into coffee futures based on market price and anticipated production requirements.

Foreign currency risk

The Company is exposed to currency risk on account of its borrowings and other payables in foreign currency. The functional currency of the Company is Indian Rupee. The company mitigates the currency risk with natural hedge arising on export of Products vis a vis import of Coffee Beans.

Interest rate risk

Interest rate risk refers to risk that the fair value of future cash flows of a financial instrument may fluctuate because of changes in market interest rates.

2.32 Capital Management

The Company's objective for capital management is to maximize shareholder wealth, safeguard business continuity and support the growth of the Company. The Company determines the capital management requirement based on annual operating plans and long term and other strategic investment plans. The funding requirements are met through equity, borrowings and operating cash flows required.

The company's Debt Equity ratio is as follows:

Particulars	2021	2020
Total Debt	53740.81	55551.89
Total Equity	92838.19	79241.40
Debt Equity Ratio	0.58:1	0.70:1

2.33 Contingent Liabilities and Commitments:

The following are the details of contingent liabilities and commitments:

(₹ in Lakhs)

Particulars	2021	2020
Contingent Liabilities		
a) Claims against the company/disputed liabilities not acknowledged as debts		
Income Tax*	4057.38	4402.40
Service Tax	995.92	995.92
Sales Tax	151.94	47.16
b) Guarantees		
Bank Guarantee	1516.12	1423.27
	6721.36	6868.75
Commitments		
Estimated amount of contracts remaining to be executed on capital account and not provided for	343.46	836.31
	343.46	836.31

* Tax deposited under protest ₹ 2883.28 Lakhs

Independent Auditor's Report**To the Members of CCL Products (India) Limited****Report on the Audit of the Consolidated Financial Statements****Opinion**

We have audited the accompanying Consolidated financial statements of **CCL Products (India) Limited** (hereinafter referred to as "the Parent") and its subsidiaries Jayanti Pte Ltd, Singapore; Continental Coffee SA, Switzerland (formerly known as Grandsaugreen SA); Ngon Coffee Company Limited, Vietnam; Continental Coffee Private Limited, India and CCL Beverages Private Limited, India (the Parent and its subsidiaries together referred to as "the Group") which comprise of the Consolidated Balance Sheet as at 31st March, 2021, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity the for the year then ended, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("IND AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2021, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act, and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to Note 1.26 of the consolidated financial statements, which describes the extent to which the COVID-19 Pandemic will impact the Company's results which depend on future developments that are highly uncertain. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How the Matter was addressed in Audit
<p>1. Evaluation of uncertain tax position:</p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes 2.32 to the Financial Statements</p>	<p><u>Principal Audit Procedures</u></p> <p>Obtained details of completed tax assessments and demands up to the year ended March 31, 2021 from management. We involved our internal experts to challenge the management’s underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal experts also considered legal precedence and other rulings in evaluating management’s position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at 1stApril 2020 to evaluate whether any change was required to management’s position on these uncertainties.</p> <p>We conclude that tax provisions and related disclosures are appropriately disclosed.</p>

Information Other than the Financial Statements and Auditor’s Report Thereon

The Parent’s Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, for example, Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility Report, Corporate Governance and Shareholder’s Information, but does not include the consolidated financial statements and our auditor’s report thereon. The other information as stated above is expected to be made available to us after the date of this auditor’s report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries audited by other auditors, to the extent relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries is traced from their financial statements audited by the other auditors.

When we read the other information as stated above, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with Governance.

Management’s Responsibility for the Consolidated Financial Statements

The Parent’s Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of

the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the parent of which we are the independent auditors, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial information of 5 subsidiaries whose financial statements reflect total assets of Rs. 54,008.39 Lakhs as at 31st March, 2021, total revenues of Rs. 69,259.59 Lakhs and total net profit after tax amounting to Rs. 8,557.42 Lakhs, total comprehensive income of Rs. 8,539.90 Lakhs for the year ended on that date as considered in the consolidated financial statements. These financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors. Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the consolidated financial statements have been kept by the Company so far as it appears from our examination of those books.
 - c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss including Other Comprehensive Income, the consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of the parent as on 31st March, 2021 taken on record by the Board of Directors of the parent, none of the directors of the parent is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditor's report of the Parent. Our report expresses an unmodified opinion on the adequacy and operation effectiveness of internal financial controls over financial reporting of the Parent.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the

best of our information and according to the explanations given to us, the remuneration paid/ provided by the Parent to its directors during the year is in accordance with the provisions of the section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial positions of the Group – Refer Note 2.32 to the consolidated financial statements;
 - ii. Provision has been made in the Consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts included derivative contracts;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

**Annexure - A to the Independent Auditors' Report
(Referred to in paragraph (f) under 'Report on Other Legal and Regulatory Requirements'
section of our report of even date)**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of
Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **CCL Products (India)Limited** ("the Company") as of 31st March, 2021 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are

recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
DESCRIPTION OF THE COMPANY AND SIGNIFICANT ACCOUNTING POLICIES
1.1 General Information

CCL Products (India) Limited (“the Holding Company”) and its subsidiaries (together “the Group”) are engaged in the production, trading and distribution of Coffee. The Company has business operations mainly in India, Vietnam and Switzerland. The Company is a public limited Company incorporated and domiciled in India and has its registered office at Duggirala, Guntur, Andhra Pradesh. The Company has its primary listings on the Bombay Stock Exchange and National Stock Exchange in India. The principal accounting policies applied in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.2 Basis of Preparation of Consolidated Financial Statements

The Consolidated Financial Statements have been prepared and presented in accordance with the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

1.3 Basis of Measurement

These Consolidated financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items in the balance sheet:

- a. Certain financial assets are measured either at fair value or at amortized cost depending on the classification;
- b. Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less Actuarial gains and the present value of the defined benefit obligation; and
- c. Long-term borrowings, except obligations under finance leases, are measured at amortized cost using the effective interest rate method.
- d. All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realization / settlement within twelve months period from the balance sheet date.

The following are the details of subsidiaries considered for the purpose of Consolidation:

Name of Enterprise	Country of Incorporation	Nature of Business	Shareholding/ Controlling interest
Jayanti Pte Limited	Singapore	Investment Vehicle	100%
Ngon Coffeee Company Limited	Vietnam	Manufacturing of Instant Coffee	100%
Continental Coffeee Private Limited	India	Trading of Instant Coffee	100%
Coninental Coffee SA	Switzerland	Manufacturing of Instant Coffee	100%
CCL Beverages Private Limited	India	Agglomeration and Packing Facility	100%

1.4 Use of judgment, estimates and assumptions.

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, the areas involving critical estimates or Judgments are:

a. Depreciation and amortization

Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.

b. Employee Benefits

The present value of the employee benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) includes the discount rate, wage escalation and employee attrition. The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of the obligations.

c. Provision and contingencies

Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

d. Fair valuation

Fair value is the market based measurement of observable market transaction or available market information. All financial instruments are measured at fair value as at the balance sheet date, as provided in Ind AS 109 and 113. Being a critical estimate, judgment is exercised to determine the carrying values. The fair value of financial instruments that are unlisted and not traded in an active market is determined at fair values assessed based on recent transactions entered into with third parties, based on valuation done by external appraisers etc., as applicable based on the fair value hierarchy i.e, Level I inputs, Level II inputs and Level III inputs specified in IND AS 113.

1.5 Scope of Consolidation

The consolidated financial statements have been prepared on the following basis:

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. Fully consolidated means recognition of all assets and liabilities and items in the income statement in full. Thereafter the portion of net profit and equity is allocated between the owners of the Holding Company and non-controlling interest. Changes in ownership that do not result in a change of control are accounted for as equity transactions and therefore do not have any impact on goodwill. The difference between consideration and the non-controlling share of net assets acquired is recognised within equity.

The financial statements of group companies are consolidated on line by line basis and Inter-company transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated if there is a profit on ultimate sale of goods. When necessary, amounts reported by subsidiaries have been adjusted to conform with the group's accounting policies.

1.6 Functional and Presentation Currency

These Consolidated Financial Statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees has been rounded to the nearest Lakhs. In respect of all non-Indian subsidiaries that operate as marketing arms of our parent company in their respective countries/regions, the functional currency has been determined to be the functional currency of our parent company (i.e., the Indian rupee). The operations of these subsidiaries are largely restricted to the import of finished goods from our parent company in India, sale of these products in the foreign country and making of import payments to our parent company. The cash flows realized from sale of goods are available for making import payments to our parent company and cash is paid to our parent company on a regular basis. The costs incurred by these subsidiaries are primarily the cost of goods imported from our parent company. The financing of these subsidiaries is done directly or indirectly by our parent company.

In respect of subsidiaries whose operations are self-contained and integrated within their respective countries/regions, the functional currency has been determined to be the local currency of those countries/regions.

1.7 Current and Non-Current Classification

All the assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- a. It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is expected to be realised within twelve months after the reporting date; or
- d. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

Liabilities: A liability is classified as current when it satisfies any of the following criteria:

- a. It is expected to be settled in the Company's normal operating cycle;
- b. It is held primarily for the purpose of being traded;
- c. It is due to be settled within twelve months after the reporting date; or
- d. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets / liabilities include the current portion of non-current assets / liabilities respectively. All other assets/ liabilities are classified as non-current.

1.8 Foreign Currencies

Foreign Currency Transactions

Transactions in foreign currencies are translated to the respective functional currencies of entities within the Company at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in the consolidated statement of profit and loss in the period in which they arise.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction, if any.

Group Entities

The results and financial position of all the group entities (none of which has the currency of a hyper-inflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- a. Assets and liabilities for each balance sheet presented are translated at the closing rate at the date of that balance sheet;
- b. Income and expenses for each Statement of Profit and Loss are translated at date of transaction exchange rates and
- c. All resulting exchange differences are recognized in Foreign Currency Translation Reserve
- d. On disposal of a foreign operation, the associated exchange differences are reclassified to the Statement of Profit and Loss, as part of the gain or loss on disposal.

1.9 Property Plant & Equipment

Recognition and measurement

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalised as part of the cost of that asset.

Directly attributable costs include:

- a. Cost of Employee Benefits arising directly from Construction or acquisition of PPE.
- b. Cost of Site Preparation.
- c. Initial Delivery & Handling costs.
- d. Professional Fees and

- e. Costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling any items produced while bringing the asset to that location and condition (such as samples produced when testing equipment)

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within in the consolidated statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognized in the consolidated statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up.

Depreciation

Depreciation is recognized in the consolidated statement of profit and loss on a straight line basis over the estimated useful lives of property, plant and equipment based on Schedule II to the Companies Act, 2013 ("Schedule"), which prescribes the useful lives for various classes of tangible assets. For assets acquired or disposed off during the year, depreciation is provided on pro-rata basis. Land is not depreciated.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate.

The estimated useful lives are as follows:

Type of Asset	Estimated useful life
Buildings	
i) Main Plant Building	30
ii) Other Building	60
Plant & Machinery	25
Lab Equipment	7.5
Material Handling	7.5
Fire fighting	7.5
Vehicles	8
Computers	3
Office Equipment	5
Furniture & Fixtures	10

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advances under other non-current assets. The cost of property, plant and equipment not ready to use before such date are disclosed under capital work-in-progress. Assets not ready for use are not depreciated.

1.10 Intangible assets

Acquired computer software is capitalised on the basis of the costs incurred to acquire and bring to use the specific software. The Intangible assets that are acquired by the Company and that have finite useful lives are measured at cost less accumulated amortization and accumulated impairment losses.

Amortization

Amortization is recognized in the consolidated statement of profit and loss on a straight-line basis over the estimated useful lives of intangible assets or on any other basis that reflects the pattern in which the asset's future economic benefits are expected to be consumed by the entity. Intangible assets that are not available for use are amortized from the date they are available for use.

The estimated useful lives are as follows:

Type of Asset	Estimated useful life
Intangible Assets	
Computer Software	3

The amortization period and the amortization method for intangible assets with a finite useful life are reviewed at each reporting date.

1.11 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

Debt instrument at FVTPL

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss. The Company has not designated any debt instrument as at FVTPL.

Investment in Preference Shares and Unquoted trade Investments

Investment in Preference Shares and Unquoted trade Investments are measured at amortised cost using Effective Rate of Return (EIR).

Investment in equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments i.e., investments in equity shares included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

Investments in subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Group's Consolidated Balance Sheet) when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of trade receivables

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. Expected credit loss model takes into consideration the present value of all the cash shortfalls over the expected life of a financial instrument. In simple terms, it is weighted average of credit losses with the respective

risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate. The Standard presumes that entities would suffer credit loss even if the entity expects to be paid in full but later than when contractually due. In other words, it simply focuses on DELAYS in collection of receivables.

For the purpose of identifying the days of delay, the Company took into consideration the weighted average number of delays taking into consideration the date of billing, the credit period and the collection days.

Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the consolidated statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the consolidated statement of profit and loss.

Derivative financial instruments and hedging activities:

A derivative is a financial instrument which changes value in response to changes in an underlying asset and is settled at future date. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. The method of recognising the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. The Company designates certain derivatives as either

- a. hedges of the fair value of recognised assets or liabilities (fair value hedge); or
- b. hedges of a particular risk associated with a firm commitment or a highly probable forecasted transaction (cash flow hedge);

The Company documents at the inception of the transaction the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategy for undertaking various hedging transactions. The Company also documents its assessment, both at hedge inception and on an on-going basis, of whether the derivatives that are used in hedging transactions are effective in offsetting changes in cash flows of hedged items.

Movements in the hedging reserve are accounted in other comprehensive income and are shown within the statement of changes in equity. The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of hedged item is more than 12 months and as a current asset or liability when the remaining maturity of the hedged item is less than 12 months. Trading derivatives are classified as a current asset or liability.

(a) Fair value hedge

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

(b) Cash flow hedge

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income. The ineffective portion of changes in the fair value of the derivative is recognised in the statement of profit and loss. Gains or losses accumulated in equity are reclassified to the statement of profit and loss in the periods when the hedged item affects the statement of profit and loss.

When a hedging instrument expires or swapped or unwound, or when a hedge no longer meets the criteria for hedge accounting, any accumulated gain or loss existing in statement of changes in equity is recognised in the Statement of Profit and Loss.

When a forecasted transaction is no longer expected to occur, the cumulative gains/losses that were reported in equity are immediately transferred to the statement of profit and loss.

Fair value measurement

Fair value of financial assets and liabilities is normally determined by references to the transaction price or market price. If the fair value is not reliably determinable, the Company determines the fair value using valuation techniques that are appropriate in the circumstances and for which sufficient data are available, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

1.12 Inventories

Inventories consist of raw materials, stores and spares, work-in-progress and finished goods and are measured at the lower of cost and net realisable value. The cost of all categories of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating capacity. Stores and spares, that do not qualify to be recognised as property, plant and equipment, consists of packing materials, engineering spares (such as machinery spare parts) and consumables which are used in operating machines or consumed as indirect materials in the manufacturing process. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

1.13 Impairment of non-financial assets

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax

assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite lives or that are not yet available for use, an impairment test is performed each year at March 31.

The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognized in the consolidated statement of profit and loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis.

An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

1.14 Cash & Cash Equivalents

Cash and bank balances comprise of cash balance in hand, in current accounts with banks, demand deposit, short-term deposits, Margin Money deposits and Unclaimed dividend accounts. For this purpose, "short-term" means investments having maturity of three months or less from the date of investment Bank overdrafts that are repayable on demand and form an integral part of our cash management are included as a component of cash and cash equivalents for the purpose of the statement of cash flows. The Margin money deposits and unclaimed dividend balances shall be disclosed as restricted cash balances.

1.15 Employee Benefits

Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Defined Contribution Plan

The Company's contributions to defined contribution plans are charged to the consolidated statement of profit and loss as and when the services are received from the employees.

Defined Benefit Plan

The liability in respect of defined benefit plans and other post-employment benefits is calculated using the projected unit credit method consistent with the advice of qualified actuaries. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates based on prevailing market yields of Indian Government Bonds and that have terms to maturity approximating to the terms of the related defined benefit obligation. The current service cost of the defined benefit plan, recognised in the statement of profit and loss in employee benefit expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs are recognised immediately in income. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise.

Termination benefits

Termination benefits are recognized as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognized as an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

Other long-term employee benefits

The Company's net obligation in respect of other long term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and previous periods. That benefit is discounted to determine its present value. Re-measurements are recognized in the statement of profit and loss in the period in which they arise.

1.16 Provisions, contingent liabilities and contingent assets

Provisions

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

1.17 Revenue Recognition**Revenue from contracts with customers**

Revenue is recognized when the company substantially satisfies its performance obligation while transferring a promised good or service to its customers. The company considers the terms of the contract and its customary business practices to determine the transaction price. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/ discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

Other Income:**Interest Income**

Interest Income mainly comprises of interest on Margin money deposit with banks relating to bank guarantee. Interest income should be recorded using the effective interest rate (EIR). However, the amount of margin money deposits relating to bank guarantee are purely current in nature, hence effective interest rate has not been applied. Interest is recognised using the time-proportion method, based on rates implicit in the transactions.

Dividend

Dividend income is recognized when the Company's right to receive dividend is established.

1.18 Government Grants:

Government grants are assistance by government in the form of transfers of resources to an entity in return for past or future compliance with certain conditions relating to the operating activities of the entity. They exclude those forms of government assistance which cannot reasonably have a value placed upon them and transactions with government which cannot be distinguished from the normal trading transactions of the entity.

The company receives export incentives in the form of MEIS scripts which do not fall under the scope of Ind AS 115 and are accounted for in accordance with the provisions of Ind AS 20 considering such incentives as Government Assistance. Accordingly government grant relating to Income is recognised on accrual basis in Profit and Loss statement and when the terms and conditions related to export performance obligations are met.

1.19 Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

1.20 Tax Expenses

Tax expense consists of current and deferred tax.

Income Tax

Income tax expense is recognized in the consolidated statement of profit and loss except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred Tax

Deferred tax is recognised using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

1.21 Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its ordinary shares. Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

1.22 Trade receivables

Trade receivables are initially recognized at fair value and subsequently measured at amortised cost using effective interest method, less provision for impairment.

1.23 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

1.24 Determination of fair values

The Company's accounting policies and disclosures require the determination of fair value, for certain financial and non-financial assets and liabilities. Fair values have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefit by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

(i) Property, plant and equipment

Property, plant and equipment, if acquired in a business combination or through an exchange of non-monetary assets, is measured at fair value on the acquisition date. For this purpose, fair value is based on appraised market values and replacement cost.

(ii) Intangible assets

The fair value of brands, technology related intangibles, and patents and trademarks acquired in a business combination is based on the discounted estimated royalty payments that have been avoided as a result of these brands, technology related intangibles, patents or trademarks being owned (the "relief of royalty method"). The fair value of customer related, product related and other intangibles acquired in a business combination has been determined using the multi-period excess earnings method after deduction of a fair return on other assets that are part of creating the related cash flows.

(iii) Inventories

The fair value of inventories acquired in a business combination is determined based on its estimated selling price in the ordinary course of business less the estimated costs of completion and sale, and a reasonable profit margin based on the effort required to complete and sell the inventories.

(iv) Investments in equity and debt securities and units of mutual funds

The fair value of marketable equity and debt securities is determined by reference to their quoted market price at the reporting date. For debt securities where quoted market prices are not available, fair value is determined using pricing techniques such as discounted cash flow analysis.

In respect of investments in mutual funds, the fair values represent net asset value as stated by the issuers of these mutual fund units in the published statements. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors.

Accordingly, such net asset values are analogous to fair market value with respect to these investments, as transactions of these mutual funds are carried out at such prices between investors and the issuers of these units of mutual funds.

(v) Derivatives

The fair value of foreign exchange forward contracts is estimated by discounting the difference between the contractual forward price and the current forward price for the residual maturity of the contract using a risk-free interest rate (based on government bonds). The fair value of foreign currency option and swap contracts and interest rate swap contracts is determined based on the appropriate valuation techniques, considering the terms of the contract.

(vi) Non-derivative financial liabilities

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date. For finance leases the market rate of interest is determined by reference to similar lease agreements. In respect of the Company's borrowings that have floating rates of interest, their fair value approximates carrying value.

1.25 Note on "Code on Security, 2020"

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

1.26 Impact of COVID-19

The Company has considered the possible effects that may result from the pandemic relating to Covid-19 in the preparation of these standalone financial statements including the recoverability of carrying amounts of financial and non-financial assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company has, at the date of approval of these financial statements, used internal and external sources of information including credit reports and related information and economic forecasts and expects that the carrying amount of these assets will be recovered. The impact of Covid-19 on the Company's financial statements may differ from that estimated as at the date of approval of these standalone financial statements.

2.27 Segment Reporting:

The Company concluded that there is only one operating segment i.e, Coffee products. Hence, the same becomes the reportable segment for the Company. Accordingly, the Company has only one operating and reportable segment, the disclosure requirements specified in paragraphs 22 to 30 are not applicable. Accordingly, the Company shall present entity-wide disclosures enumerated in paragraphs 32, 33 and 34 of Ind AS 108.

2.28 Employee benefits:
Gratuity benefits

In accordance with applicable laws, the Company has a defined benefit plan which provides for gratuity payments (the "Gratuity Plan") and covers certain categories of employees in India. The Gratuity Plan provides a lump sum gratuity payment to eligible employees at retirement or termination of their employment. The amount of the payment is based on the respective employee's last drawn salary and the years of employment with the Company. Liabilities in respect of the Gratuity Plan are determined by an actuarial valuation, based upon which the Holding Company makes contributions to the Life Insurance Corporation of India (LIC).

The components of gratuity cost recognized in the statement of profit and loss for the years ended 31st March 2020 and 2019 consist of the following:

2.30 Financial Risk Management:

The Company's activities expose it to a variety of financial risks, including credit risk, liquidity risk and Market risk. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors, risk management committee and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of expected losses in respect of trade and other receivables and investments.

Trade Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The total trade and other receivables impairment loss provided ₹ 160.69 lakhs as at 31st March 2021 and ₹ 158.00 lakhs as at 31st March 2020.

(₹ in Lakhs)

Particulars	As of 31 March	
	2021	2020
Period (in days)		
1 – 90	28139.98	20267.32

More than 180	1485.43	2022.44
Total	30016.00	26969.36

The Company's credit period for customers generally ranges from 60-90 days. The aging of trade receivables that are past due but not impaired is given below:

On account of adoption of Ind AS 109, the Company uses Expected Credit Loss (ECL) model for assessing the impairment loss. For this purpose, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate.

Financial assets that are neither past due nor impaired - None of the Company's cash equivalents, including deposits with banks, were past due or impaired as at 31st March 2021

Reconciliation of allowance for credit losses

The details of changes in allowance for credit losses during the year ended 31 March 2020 and 31 March 2019 are as follows:

* The bank overdraft and other liabilities are payable on demand

Market Risks:

Market risk is the risk that changes in market prices such as commodity prices risk, foreign exchange rates and interest rates which will affect the Company's financial position. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. The Coffee Industry is dependent on nature, making it susceptible to climate vagaries. The major weather factors that influence coffee yield are rainfall, temperature, light intensity and relative humidity.

Commodity Price Risk

The Company exposure to Market risk for commodity prices can result in changes to realisation for its Cost of Production for its products. The company mitigates risk by entering into Coffee Future Contracts and with the natural hedge arising on export of Products vis a vis import of Coffee Beans.

Coffee Futures

The Company uses Coffee future contract to reduce its price risk associated with forecasted purchases of Coffee beans. Throughout the year, the company enters into coffee futures based on market price and anticipated production requirements.

Currency Risk

The Company is exposed to currency risk on account of its borrowings and other payables in foreign currency. The functional currency of the Company is Indian Rupee. The company mitigates the currency risk with natural hedge arising on export of Products vis a vis import of Coffee Beans.

Interest rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

2.31 Capital Management

(₹ in Lakhs)

The Company's objective for capital management is to maximize shareholder wealth, safeguard business continuity and support the growth of the Company. The Company determines the capital management requirement based on annual operating plans and long term and other strategic investment plans. The funding requirements are met through equity, borrowings and operating cash flows required.
