Centre executing ₹1.34-trn projects in north-east: FM

PRESS TRUST OF INDIA Guwahati, May 29

UNION FINANCE MINISTER Nirmala Sitharaman on Sunday said the Centre is implementing various rail, road and air connectivity projects worth ₹1.34 trillion in the north-east.

Addressing the 'Natural Allies in Development and Interdependence'conclave here, she said the Union government has been pumping in huge money in developing a number of infrastructure projects throughout the region.

"We are carrying out 20 railway projects worth ₹74,000 crore for 2,011 km, which are spread across the north-east," Sitharaman said. The Centre is also developing 4,000 km of roads in the region at a total cost of ₹58,000 crore, she said.

"There are 15 ongoing air connectivity projects in the northeast, costing around ₹2,200 crore", the finance minister said. She, however, did not mention the completion period of these projects.

Sitharaman said the number of Indo-Bangladesh Protocol Routes have been increased to 10 from the existing eight.

"These Protocol Routes are reviewed every five years. There was a review in May," she said. nectivity.

The Union minister also said that work is being carried out to develop the National Waterways on the Ganges, Brahmaputra and Barak rivers.

She said India and Bangladesh have 50 riverine systems, which can be leveraged for transportation purposes as the cost of travel through water is the least compared to air, road and rail networks.

"The government is further developing the National Waterways-1 on the Ganges, NW-2 on Brahmaputra and NW-16 on Barak. In the last seven-eight years, we have attempted to provide better connectivity."

She said the entire area between Sadiya and Dhubri in Assam along the mighty Brahmaputra river is being developed for improved con-

Govt withdraws advisory on Aadhaar photocopy

FE BUREAU New Delhi, May 29

THE GOVERNMENT HAS withdrawn an advisory that cautioned the general public against sharing photocopy of their Aadhaar cards with any organisation. The ministry of electronics

and IT (MeitY) said it is withdrawing the press release as it can lead to misinterpretation. The press release had

advised the people to not to share photocopy of their Aadhaar cards with any organisation because it can be misused. Alternatively, a masked Aadhaar which displays only the last 4 digits of Aadhaar number, can be used. "However, in view of the possibility of the misinterpretation of the press release, the same stands withdrawn with

immediate effect," MeitY said in a statement.

A press release issued by the Bengaluru Regional Office of the Unique Identification Authority of India (UIDAI) asked the general public not to share photocopy of one's Aadhaar with any organisation because it can be misused.

MeitY, in the withdrawal statement, said the UIDAI had only advised to exercise normal prudence in using and sharing their Aadhaar numbers.
