# Cyclone Bulbul: 10 killed, 2.73 lakh families affected in Bengal

A heavily damaged shop in Bakkhali, South 24 Parganas

PARTHA PAUL

PRESS TRUST OF INDIA  
Kolkata, November 10

**CYCLONE 'BULBUL', WHICH** barreled through the coastal districts of West Bengal before hurtling towards Bangladesh, claimed at least 10 lives and affected 2.73 lakh families in different parts of the state, official reports said on Sunday. The severe cyclonic storm, which brought in its wake heavy rain, coupled with gale wind till early Sunday, uprooted hundreds of trees and snapped cables in the city and in the coastal districts of North and South 24 Parganas and East Midnapore, bringing life to a near-halt. State disaster management minister Javed Khan said at least 2,473 houses were destroyed and another 26,000 were partially damaged in the cyclone in the coastal districts along the Bay of Bengal, with the fishing towns of Bakkhali and Namkhana being among the worst-affected areas. He said that while 2.73 lakh families were affected in the storm, 1.78 lakh people were moved to relief camps set up in nine places of the state. 'Bulbul' claimed the lives of five persons in separate incidents in North Par-

gan alone, an official said. According to a senior police officer, a septuagenarian woman, Suchitra Mandal, died at Purba Makala village in Basirhat area of the district when a tree fell on her.

Several trees were also uprooted at Gokhna village, one of which claimed the life of Reba Biswas (47). Manirul Gazi (59) was the third casualty in North 24 Parganas. He was electrocuted to death after coming in contact with a lamp post, the officer added. Two more deaths, one due to wall collapse and another after coming under a falling tree, were also reported in the district, a state government official said. In East Midnapore, a man died after he was crushed by a falling tree.

Two persons died in South 24 Parganas district in cyclone-related incidents, the official said. Body of one fisherman from Frasersganj fishing harbour in South 24 Parganas was recovered, a senior official said. Eight other fishermen and four trawlers from Frasersganj were still missing, the official said.

The minister said that 46,000 tarpaulin sheets were distributed among people whose residences were damaged

in the cyclone. Gale wind with gusts up to 135 kmph prevailed over the coastal districts of South 24 Parganas and East Midnapore and its adjoining areas in North 24 Parganas as the cyclone made landfall around midnight on Saturday. Torrential rain lashed the metropolis throughout Saturday, forcing people to remain indoors.

Hundreds of uprooted trees blocked thoroughfares in the state capital and its fringe areas, even as people braved the adverse conditions to come out of homes as the weather improved on

Sunday afternoon.

The NDRF, along with the Kolkata Municipal Corporation (KMC), police and fire personnel, is working on a war footing to clear road blockades caused by fallen trees and branches. "We have already engaged workers to clear the roads and pump out water from low-lying areas. We are hopeful our work will be over by tonight," said a KMC official.

Khan said, all emergency services have been put in place to ensure that the uprooted trees are removed at the earliest.

## Tejas Express posts ₹70-L profit in first month

PRESS TRUST OF INDIA  
New Delhi, November 10

**IRCTC'S TEJAS EXPRESS** has made a profit of around ₹70 lakh till October this year while earning revenues of nearly ₹3.70 crore through sale of tickets, sources said, signalling a steady start for the Railways' first "privately"-run train. The train has run with an average occupancy of 80-85% since it began operations on October 5, sources said. From October 5 to October 28 (21 days), as the train runs six days a week, the expenditure incurred by IRCTC in running the train was around ₹3 crore, they said. The railway subsidiary, which spent an average of nearly ₹14 lakh per day to run the state-of-the-art train, earned around ₹17.50 lakh daily from passenger fares. The Tejas Express on the Lucknow-Delhi route is the Railways' first experience of running a train by non-railway operator and its own subsidiary IRCTC.
