Qualified Opinion expressed by the statutory auditors :-

a. Going Concern Assumption in preparation of the Statement

The Company has defaulted in repayment of borrowings to its financial institutions lenders and others. In view of the Management, the Company would be able to improve its net working capital position to discharge its current and non-current financial obligations as described in Note 4(a) to the Statement. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Company's ability to continue as a going concern. Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported as per the requirements of Indian Accounting Standard 1 "Presentation of Financial Statements".

Non-recognition of Interest Expense b.

We draw attention to Note 4(b) of the Statement relating to non-recognition of interest expense of Rs. 4.50,431 Thousands on inter - corporate borrowings for the year ended 31st March. 2021 (Rs. 3.97.050 Thousand for the guarter ended 31st March, 2021) and interest expense of Rs. 2.95,000 Thousands on borrowings from financial institution for the year ended 31st March, 2021 (Rs. 73,750 Thousands for the guarter ended 31st March, 2021 and Rs.1,96,986 Thousands for the year ended 31st March, 2020). As a result, finance cost, liability on account of interest and total comprehensive profit for the quarter and year ended 31st March, 2021 are understated to that extent.

Recognition of Deferred Tax Assets C.

We draw attention to Note 15 of the Statement relating to recognition of Deferred Tax Assets amounting to Rs. 9,96,770 thousand as at 31st March, 2021. Considering the management's assessment of going concern assumption in the Statement, the threshold of reasonable certainty for recognizing the deferred tax assets as per Indian Accounting Standard 12 "Income Taxes" has not been met. Consequently, deferred tax assets is overstated and total comprehensive profit for the year ended 31st March, 2021 is understated by that extent.

Balances with secured loan creditor and balance confirmation.

We draw attention to Note No. 5 a) and b) with respect to certain balances, including non-reconciliation of balances with secured loan creditor and balance confirmation thereof. Adjustments/impacts in this respect are currently not ascertainable and as such cannot be commented upon by us.
